EDUCATION WEEK

Newton Community Club Has A Fine Program For Its Observance Next Week

The Newton Community Club announces an elaborate and attractive program for the observance of Education Week.

It extends a cordial invitation to parents of Newton and citizens generally to attend an open meeting in the Newton School Hall, corner of Vernon and Baldwin street, on Thursday evening, November 12, at eight o'clock. The Committee arranging the program has been most fortunate in securing for the occasion, Dr. Paul H. Hanus, Emeritus professor of education at Harvard University, as chief speaker.

In addition to Dr. Hanus, the program will include music by the Newton High School Orchestra, folk dancing by the children of Bigelow School, and an award of prizes for Posters, by the Hon. Edwin O. Childs, which has every child in the school bubbling with excitement.

Dr. Hanus has chosen as his subject, "On What Does Educational Progress Depend?" It is a subject of prime importance to every one in the community and one that has perhaps provoked more discussion than any other educational subject advanced. The doctor has the faculty of illuminating these educational questions with practical illustrations which make them a delight to young and old. Dr. Hanus is a pioneer in education, for over thirty years he taught Education at Harvard and it was through his efforts that the Graduate School of Education was established. His knowledge of the subject is unusually broad, as he has studied at first hand the educational systems of Europe, New Zealand, Hawaii, and Porto Rico. He is a trustee of Wellesley College and has conducted numerous educational surveys, among the most notable being Hampton Institute and the Public Schools of New York City. The Committee hopes that a record attendance will be present to hear this widely known and famous educator. It is an opportunity such as it not

often presented to Newton audiences. There is to be no charge for admission.

The Community Club has been exceptionally gratified at the hearty cooperation and active support they have received in connection with this education week observance. Ordinarily the High School Orchestra is available only for Friday or Saturday evenings, but in the interests of education, Director Bacon very kindly agreed to the Orchestra taking part in this Thursday evening program. The Orchestra is particularly fine and has always appealed to Newton audiences by the excellence of its numbers.

The teachers of the Bigelow School have been training their pupils in folk dancing for months. The children have reached a surprising degree of perfection and will add considerably to the pleasure and enjoyment of the evening.

One of the main attractions will undoubtedly be the Poster competition. The entire eighth grade of the Bigelow School is to compete and there is much rivalry among the entrants. It may be that a Sargent in the bud will be discovered, as it is said that their work is remarkably good and shows much talent, if not genius. There are to be four prizes—two firsts and two seconds. These prizes will be awarded by the Hon. Edwin O. Childs.

Posters entered for the competition are to be placed about town and it is hoped that it may be possible to have them on exhibition the night of the entertainment.

Miss Fannie G. Stearns, teacher of drawing at Bigelow, has given a great deal of time to the training of the Poster competitors. But she feels that it has been time well spent, good for the youngsters as they have learned something, while the satisfaction of having "done a poster" will be an inspiration for them to attempt something more ambitious.

(Continued on Page 5.)

TENTH ANNIVERSARY

Newton Lodge of Elks celebrated its Tenth Anniversary with a banquet and dance, held at the Boston Chamber of Commerce on Wednesday night. Over six hundred persons were present and enjoyed a splendid program, arranged by a committee, headed by P. E. R. Bancroft, L. Goodwin, and composed of J. Edward Callahan, John H. Gordon, William E. Earle, Robert A. Vachon, Frank L. Wilcox, Vincent M. Turley, William Hopkins, William N. Noone, Edward N. Soule, George M. Cox, Walter T. Hannigan, Thomas W. White and Joseph N. Shafer.

P. E. R. Bancroft, L. Goodwin presided at the banquet and there were organ selections and music by an orchestra, interspersed with the good things on the menu. One feature of the banquet was the presentation to each lady of a handsome Elks' pin. Another interesting diversion was the recitation, "Our Own United States," by Miss Ruth A. Gordon, the daughter of Exalted Ruler John H. Gordon.

In opening the post-prandial proceedings, Mr. Goodwin recalled the beginnings of the Lodge, of which he was the first Exalted Ruler, and then presented Exalted Ruler John H. Gordon as the toastmaster. The speakers were Hon. David I. Walsh, who answered the toast "Our Nation," who emphasized the wisdom of keeping in mind the "first principle of American life, that all men are born equal," and of remembering that "the United States belongs to no class or creed, but to every man and woman in it who loves liberty, justice and equality."

Hon. Wellington Wells, president of the Massachusetts State Senate, responded to "Our State," and complimented the Lodge on its growth and influence, and gave high praise to the efforts being made by the Elks to preserve the Frigate "Constitution."

Mayor Childs, in answering the toast, "Our City," as usual, received a

(Continued on Page 6)

FATAL ACCIDENT

Sunday afternoon Mrs. Margaret Chaisson of 92 Dalby street was instantly killed when she stepped from the curb on Dalby street in front of the St. John's Evangelist Church into the path of an automobile, operated by Leo J. Farrell of 73 Dalby street. Mrs. Chaisson, who is the widow of John Chaisson, was struck by the right front wheel of the Ford touring car and thrown backward, striking her head on the pavement. She was taken to her home, where she was reported dead by Dr. Davenport, who had been called. The car was operated under the license of Joseph W. Bergen, who was riding with Farrell.

CHURCH FAIR

A Fair under the auspices of the Woman's Auxiliary of the Parish of St. Paul, Newton Highlands, will be held in Lincoln Hall on Friday, November 13, from 2 until 11 P. M. The decorations will be attractive and unusual being carried out by Mr. Hazlett of Somerville, well known decorator of Boston. Booths will be under the care and direction of the following ladies and their committees: Embroidered Work, Mrs. Albion Brown. Toys and Dolls of great variety and low price, Mrs. Wolfert Weber. Candy, Senior Girls' Club. White Elephant, Mrs. John Mason. Household, Mrs. Turnbull. Variety, Mrs. Mackay. Food, Mrs. Charles Hawkes. Fancy and other useful articles, Mrs. Hanna White. Fish Pond, Miss Ethel Douglass. Tea, Mrs. Hessler. Entertainment in the evening will be under the direction of Miss Theodora Jones. Floor management and dancing will be taken care of by Mr. John D. Haughey and the young men of the Parish under his direction. Mrs. J. T. Waterhouse is chairman of the Fair and Mrs. J. D. Thompson, Treasurer.

CHILDREN'S BOOK WEEK

Every week is Children's Book Week for the boys and girls who use the Young People's Room in the Newton Free Library, but only once a year does Children's Book Week come to the grown-up library users. Next week, November 8-14, will be the time when many of the children's books will leave the Young People's Room to come upstairs to the rooms where the older people are. There, they will be scanned eagerly by mothers and fathers who welcome this opportunity for seeing what books the Library recommends them to buy for their boys and girls. Many there are who see this Exhibit of Children's Books; also there are many who cannot come to see it. For them, the descriptions of books given here will be a help in their choice of gifts for their children's bookshelves.

Books of the Year

Let us talk mostly about the books of this year, for it takes the most time to get acquainted with strangers. As usual, the books divide themselves naturally by the age to which they appeal.

Youngest Readers

First, what have we for the littlest ones? Animals, and toys, and real children romp across the pages of these books. Margery Williams Bianco has written two new stories in which toys are as real, as live as can be. "Poor Cecco" is a "wonderful wooden dog who was the Jolliest Toy in the House until he went out to Explore the World." Then what a time he had! "The Little Wooden Doll" however, is sad and lonely for a long while, but finally she gets a little mother to love her. "Pretty Polly Perkins," on the other hand, is embarrassed with an overabundance of mamas; no less than three little girls want this pretty doll, so that Ethel Phillips has a dear grandmother make her a twin, and then a triplet. While we are thinking of toys, "Pinochio," the mischievous puppet who came to life, insists on hobbling up to say that he has now come to life in a new edition—an entrancing one with the illustrations made by Attilio Mussino for the original Italian book. A picture on every page!

Animals are favorites with very little children, and those who have met Le Pèvre's "Little Red Hen" will be happy if "The Little Grey Goose" comes their way. Nor would they be sorry, should they find "The Little Lost Pigs" of Helen Orton's, for there are amusing pictures of them drawn by Luxor Price.

(Continued on Page 5.)

TO RESTRICT GARAGES

Aldermen Agree to Keep Public Garages A Half Mile Apart in the Future

Monday evening after the Board of Aldermen had granted petitions for two filling stations on opposite sides of Commonwealth avenue, Auburndale, between Lexington street and Woodbine street, a resolution was passed which intimated that the city fathers would look with disfavor upon petitions for gas stations within a half mile of any existing pump unless public necessity demanded additional facilities of this nature.

Considerable time was spent in discussion of the matter. On September 14 a public hearing was held on the petition of Charles A. and George S. McLuca for a drive-in filling station at the corner of Commonwealth avenue and Woodbine street, Auburndale, at which some opposition was made by residents of Woodbine street. After due consideration the committee on Franchises and Licenses reported favorable action and Monday evening the matter was put to a vote. The petition was granted with certain restrictions. No cars will be allowed to enter on Woodbine street, the present pump is to be removed, and the new pump is to be located so that automobiles must drive in to obtain gasoline. The other petition, that of Sarah I. Souther for a filling station at 2103-5 Commonwealth avenue near the corner of Lexington street was given a public hearing on June 22. Judge Thomas Weston represented the petitioner and James P. Gallagher appeared in behalf of an objector. The clerk read the report

of the committee which recommended favorable action. Alderman Leahy reserved his right to dissent. In reply to a question as to the reason the matter had not been reported before Alderman Lloyd replied that it had been held up out of courtesy to two members of the board who asked time to get at the bottom of certain stories connected with the matter. Alderman Gordon stated that he felt that the matter had not received the consideration it should and asked that it be referred back to the committee. Alderman Lloyd stated that the matter had been in committee for a long time and that the affair had become almost "nauseating" due to the various charges, counter charges and stories that were being circulated about those concerned. Alderman Ball asked that Alderman Gordon enlighten the members as to certain facts. The alderman from ward 4 replied that he felt the committee should disregard the various rumors and deal with the situation on facts. He stated that at the time of the hearing one of the abutments was willing that the station be allowed but since that time the property had been sold and the new owner had entered a letter of protest. The abutments on the other side of the property under question were also objectors. He also stated that he felt that there was no need for a station at that point as there were various pumps nearby. None of the neighbors

THE WAY TO A HOME!

The home-ownership instinct is common enough, but most folks use it only in WISHING for a home.

"We haven't the money to pay down on a contract," they say.

Well, the way to get over that difficulty is easy, if you will but Add Your Will to Your Wish, and start to save the sum that is necessary. And the time to start is not Someday, but Now.

Thousands who have financed the purchase of homes through this Bank made the start this way.

If They could, why not YOU?

ARMISTICE DAY SERVICE

An unusual and unique union Armistice Day service will be held in the Congregational Church at Newton Centre, next Sunday night, November 8.

The Protestant Churches of Newton Centre will combine and the Salvation Army of Greater Boston will be featured in the service.

Col. W. A. McIntyre, head of the Salvation Army in New England, will make an address, while his two daughters, the McIntyre sisters who won undying fame in the front line trenches in France, will be on the program.

In addition, the Salvation Army Staff Band will furnish the music for the service and the Rev. Dr. E. T. Sullivan, rector of Trinity Church, Newton Centre, and a member of the Advisory Board of the Salvation Army will tell of "Wonderland" the wonderful fresh air camp the Salvation Army has constructed along Lake Massawogus, at Sharon.

The union service is termed "The Salvation Army—In War and in Peace." The McIntyre sisters who were under shell fire many times, cooking and serving doughnuts to the soldiers "over there," are now married. The former Miss Irene McIntyre is now Mrs. Robert E. Walbridge of Peterboro, N. H. The former Gladys McIntyre is now Mrs. Russell Harmon of Sharon.

Both girls are cited for gallantry under fire and they will appear at the union service in their over-seas uniforms. The pastor of the Newton Centre Congregational Church, the Rev. Edward M. Noyes, will preside.

Mrs. Walbridge, who is President of the American Legion Auxiliary for the State of New Hampshire, is an exceptionally able speaker and her story of her experience under fire is most interesting. Her father, Colonel McIntyre, is also a forceful orator.

The Salvation Army Staff Band which will play at the service, is one of the ablest musical organizations in New England, and this in itself should attract an audience that will fill the church.

The service will start at 7.30 P. M.

D. A. R.

The regular meeting of the Lucy Jackson Chapter, D. A. R., will be held on Monday, November 9th, at the Congregational Church Parish House, Margin street, West Newton, at 2.45 P. M.

The speaker of the afternoon will be Miss Grace Weston who will give her entertaining paper on "Early America: Facts, Fashions and Furniture." The paper is illustrated by stereopticon, many of the slides showing interesting views of furniture and interiors of the New American Wing of the Metropolitan Art Museum in New York.

Hostesses for the afternoon:—Mrs. F. M. Lowe, Mrs. William H. Lucas, Mrs. C. R. Lynde, Mrs. L. MacLure, Mrs. J. E. Masters, Miss P. A. Maynard, Mrs. J. W. Meloon, Mrs. C. D. Meserve, Miss Alice Morton, Mrs. F. Newhall, Mrs. C. J. O'Malley, Mrs. E. B. Parker, Mrs. L. G. Paul, Mrs. Ellery Peabody.

THE WEEK IN NEWTON SPORTS

Edited by WARREN K. BRIMBLECOM

NEWTON 20—SOMERVILLE 6

In a Suburban League game at Somerville Saturday afternoon the Newton high school football team gained a well-deserved 20-6 victory over the Somerville aggregation. The orange and black gave the home team a six point lead on the opening kickoff which Scully, of Somerville, caught on his 10-yard line and ran the 90 yards for a touchdown. In order to give the first string men a rest for the hard game with Medford tomorrow and to give experience to the members of the squad who will be in school next year Coach Dickinson started a team of second string players with the exception of Captain Tom Gilligan. The Somerville touchdown was a gift and after five minutes of play with the ball in Somerville's possession on Newton's 12-yard line the first string line went in, and held on two plays and obtained a touchdown on a forward pass from Holbrook on a forward pass over the goal line.

Near the close of the first period with the oval on Newton's 40-yard line Proctor took the ball on an off tackle play, plowed through the Somerville line, was thrown, regained his feet and ran 60-yards for the tying score. Gilligan kicked the goal.

After four minutes of play in the third quarter Gilligan scored the second Newton touchdown on a forward pass from Holbrook. The attempt at the extra point by a forward pass was grounded.

In the last period Andres blocked a Somerville punt on the eight yard line which McCullough recovered. On the fourth play Holbrook went over for the third score and Gilligan kicked the goal for the 20th point.

The Game

First period—Somerville won the toss and chose to defend the east goal. A fair wind was at their backs. Pratt kicked off to Somerville's 10-yard line and Scully sprinted down the sideline for a touchdown. Ewell gave him good interference and spilled Gilligan, the only man who had a change to make the tackle. Wilson failed to kick the goal. Somerville kicked off to Gilligan ran the ball back to his 36-yard line. After two plays Clark kicked to Somerville's 48-yard line. Somerville made eight yards in three plays. Ramsden making a pretty tackle on the third play. Somerville kicked to Newton's 1-yard line. Clark got off a hurried kick to his 29-yard line. Here Somerville made its only first down of the game and Newton's first string linemen came in. Two line plays made no gain. Somerville completed a forward to the 3-yard line. The next forward was inched to Newton's 10-yard line. Proctor took his brother's place in the back field, and made 4 yards through the line. Clark kicked to his 38 yard line where Somerville fumbled on the next play and Newton recovered. Then Proctor plowed his way through the entire red and black team for the tying score. Gilligan kicked the goal for the extra point. Clark ran back the kickoff to the 40-yard stripe. Proctor made first down on the second play with a gain of 13 yards through the line. Lyons made six more and the ball was on Somerville's 43 yard line. Somerville obtained the ball on a bad pass from centre which Clark intercepted. The quarter ended after two plays which netted Somerville but a half-yard. McCullough spoiled the second play with a pretty tackle.

Second Period—Littlefield made a pretty tackle and Somerville was forced to kick. Newton took possession of the ball on its 15-yard line. Holbrook went in for Clark. Gilligan, Proctor and Holbrook made two first downs only to lose the ball in mid-field to Somerville on a fumble. After two plays which gained but 3 yards Somerville kicked to Newton's 35 yard stripe. Gilligan made 5 yards, carrying two Somerville men with him. He made first down on an end run. Macy went in for Proctor. Holbrook made two yards through the line. Holbrook kicked to the opponents' 2-yard line where Hemeon tackled the Somerville back in his third yard and Holbrook ran it back to the 23-yard line. Gilligan failed on an attempted drop-kick from the 35-yard stripe. The first half ended with the ball in Somerville's possession near the 20-yard line after two plays had gained but a foot.

Third Period—Somerville kicked off to Newton's 20-yard mark and Gilligan ran it back 15 yards. After an exchange of kicks Newton obtained the ball on Somerville's 46 yard line. Gilligan made 11 yards on a lateral pass from Holbrook for first down. Another first down was made when Holbrook tossed a pretty forward to Gilligan for 48 yards. Gilligan was thrown for six yards and then recovered a bad pass from centre. After two plays Holbrook tossed an offer forward to Gilligan who scored the second Newton touchdown. On the pass from centre the ball got away from Gilligan and his attempted forward pass was intercepted. Somerville kicked off to Gilligan ran it back 20 yards to the 35-yard stripe. Holbrook kicked to Somerville's 20-yard line and Hemeon again dropped the Somerville back in his tracks. Somerville kicked to its 48-yard line and Billy Proctor replaced Macy. After an exchange of kicks Newton obtained the ball on its 39-yard line. Gilligan took the ball and after dodging practically the entire opposing eleven cut across the field, put two tacklers out of his way with a straight arm and then, near the side-line, cut down the field. A Somerville man just managed to nail him and held him long enough for two other red and black players to down him on Somerville's 30-yard line. Newton was penalized for holding and the ball was put in play on Newton's 40-yard mark. Proctor made 6 yards through the line and the quarter ended.

Fourth Period—After three plays which netted but 5 yards Holbrook kicked to Somerville's 15-yard line. Here Andres broke through and blocked a Somerville kick on the eight

yard line. McCullough recovered it and after Proctor had put the ball on the half-yard line in three rushes, Holbrook went over for the third touchdown. Gilligan kicked the goal. Newton's second string players played the remainder of the game and would have made another touchdown but for a fumble on the 8 yard line where Murphy had placed the ball on a forward from Holbrook which netted 27 yards. After an exchange of kicks the game ended with the ball in Somerville's possession on the 45-yard line.

The Summary

NEWTON HIGH—Bennett, Hemeon, le; Forestall, Stubbs, li; Hayes, John, le; Brown, Andres, c; Porter, Hapgood, rg; Pratt, Littlefield, li; Murphy, Ramsden, McCullough, re; Clark, Gilligan, qb; J. Proctor, Holbrook, W. Proctor, lhb; Gilligan, Buxbaum, rlb; Lyons, rb.

SOMERVILLE HIGH—Johnson, re; McFarlane, rg; Corcoran, rg; Bergin, T. Talbot, Holbrook, c; McGovern, li; Hatcher, le; Houlter, qb; Scully, rlb; Ewell, Kippe, Sullivan, lhb; Wilson, rb.

SPORT NOTES

It will be a real battle on Claffin Field tomorrow afternoon when the Newton team lines up against Medford. It means second place to the local team to win this game which will be the toughest of the season.

Medford suffered a 3-0 defeat last Saturday at the hands of Everett in a game which Everett would have won by a much larger score but for penalties and Medford is in no mood to suffer a second trimming on successive weekends. At the rate Newton has been playing in the last two games it is hard to believe that the local team will be the under dog. At Waltham Newton made nine first downs to Waltham's four and last week at Somerville the local aggregation made twelve first downs to the opponents' one. If the local boys can stay in the game and stop the rushes of Captain Herb and his team, they will know that they have stopped something.

Mike Gullan, former Newton and Brown tackle, had a lot to do with the Providence Steamrollers' victory over Rochester Sunday in the game at Providence.

All-scholastic teams are in the process of formation and there are three more weeks for potential candidates to show why they should be among the chosen few. The local team has six lads who, to date, have made as good a showing as any in and around the Hub. Captain Gilligan, and Billy Proctor are two of the most consistent ground gainers there are. Gilligan is the leader of the two and is clever in a broken field but Billy Proctor has done his share and then some as a ground gainer for the orange and black. Carleton McCullough and "Buster" Hemeon, the Newton ends, are right in the front rank as a pair of ends. Both of these players are right on top of their man on a punt and not many yards have been made this year around their respective ends. Andres is the classiest, by far of any centers that the local team has faced and his work in the Somerville game was nothing less than brilliant. "Waxy" Littlefield is not as good as Mike Gullan was in his high school days, but, nevertheless, he is head and shoulders above any tackle he has faced this year and has smeared play after play which he was not expected to get. There are others in the local lineup who can hold their own against any opponent and would make worthy additions to any squad.

A reprint from Boston Herald by Tom McCabe is worthy of space. He says, "Wish that Newton team could swing into action against some of these leading outfits (meaning Haverhill, Malden and Brockton). It is going fast enough now to outleg the field in our opinion."

Clem Coady will probably be at the fullback position for Harvard against Princeton tomorrow. Nat Howe has been putting up a great fight to win the position but the big Newton boy still has the edge. Coady, however, will not do the punting but will turn this job over to his teammate Jack Maher.

Newton has not trimmed a Medford since 1921 when it won 4-0. In 1922 a scoreless tie was played and in 1923 and 1924 Medford triumphed. The game at Claffin Field tomorrow is the classiest on the card and it does not look as though there would be many vacant seats.

Lyman Nivling of Newton Centre is playing left half back for the Wesleyan College varsity team.

Win Robinson could not win back his job from Myles Lane, the Melrose comet, at half back on the Dartmouth team since his recovery from an injury. The Melrose youth has scored the largest number of touchdowns of any man in the east and is still going strong. If the Newtonville boy had not been injured he would probably have kept his berth in the Green backfield as he is easily the best punter at the Hanover college.

Dr. Martin will issue the first call for hockey candidates within a few weeks and preparations will be made to select a team which will rank well with the other interscholastic league outfits. Newton in hockey as well as other major sports is usually represented with a fast aggregation and with Guy Holbrook as an outstanding

star in past years to build around prospects are excellent for a championship sextet.

ELECTED PRESIDENT

Dr. Oscar Martin of the Newton High school faculty was elected president of the Suburban league at a special meeting of the faculty managers of the league Monday at the Boston City Club. Mr. Ralph L. Kendall of Medford High tendered his resignation as president of the league because of the recent announcement that Medford would withdraw from the organization at the end of the present football season. President Martin appointed a committee to draw resolutions on the retirement of President Kendall and copies will be sent to the Medford school.

Neither Everett or Somerville offered their resignations but both faculty managers of these two schools were notified that if they wished to resign the league should receive notice before the next meeting which will be held November 16.

The baseball schedule adopted at a recent meeting will stand altho the games with Medford, which will be out of the league, will have no bearing on the league championship. Medford will play the games at home and away as the schedule calls for as in previous years.

The football schedule for the fall of 1926 will stand as originally drawn up with the exception of the Medford games. If any of the other six teams in the league desire to play that school on the dates as scheduled arrangements will be made directly with the school and not through the league.

Mr. Pierson of Somerville in reply to questions regarding contemplated withdrawal of the school he represents stated that in so far as he knew the Red and Blue aggregations will remain in the league.

Everett High will apparently not resign from the league at present because of sentiment attached to the organization. Headmaster Wilbur Rockwood was one of the founders of the league in 1903. There is only one other man living who attended the formation meeting of the original Suburban League 32 years ago. A movement is on foot in Everett whereby the city will probably take over the high school athletic field and place it under the direction of the Park Department and under the control of the School Board. This will do away with the question of finances, which is the direct cause of Medford's withdrawal.

ALLEN CHALMERS LOSES

The Allen Chalmers school of West Newton was defeated last Saturday by the Middlesex School football team at Concord 27-7. Allen school used the forward pass to advantage in the first half and F. Holland scored a touchdown for his team after a forward had paved the way.

In the second period Middlesex took the lead, scoring two touchdowns. The third and fourth periods. Junkin other two touchdowns came in the scored three of the Middlesex touchdowns and Page the other. Faverham scored three of the four goals after touchdowns.

NEWTON GIRLS TIE WALTHAM

The Newton High School Girls' Hockey Team played the Waltham High eleven Wednesday afternoon in a close game, which resulted in a tie 2-2.

Excellent team work between Ellen Chase and Bobby Kenderline helped the local team greatly in keeping the Watch City girls from gaining a victory. Each of these players scored a point for Newton.

The outstanding players on the Waltham team were Doris Glasgow and T. Hovenor. Bobby Kenderline was the star for the local eleven.

BURR TENNIS ASSOCIATION

The finals of the fall tournaments of the Burr Tennis Association have now been played. The scores of the finals were as follows:—

Girls' Singles—Dorothy Barba beat Marjorie Briggs 6-4, 6-4.

Boys' Singles—Charles Diman beat Charles Cluck 7-5, 7-5.

Women's Singles—Grace Sutcliffe beat Doris Moore 6-2, 6-0.

Men's Singles—Abbott Gotschal beat Francis Broughton 6-3, 2-6, 13-11, 7-5.

Mixed Doubles—Grace Sutcliffe and Abbott Gotschal beat Dorothy Barba and Harry Sylvester 6-3, 6-3.

Men's Doubles—George Briggs and Abbott Gotschal beat Sam Tutill and Stanley Davidson 6-3, 6-3, 6-4.

HIGH SCHOOL GOLF TOURNAMENT

Out of a field of 48 starters in the high school golf tournament which was held last Friday on the Albemarle Golf Club course Jerry Gianferanti emerged victorious with a low score of 78 for the 18-hole course.

The tournament, which was held in an effort to select the members of the golf team which will represent the high school next spring, was a great success. Nowhere in the country has anything of this nature been held. The golfers were of all sizes and ranged from four feet tall to over six feet and many comments were heard on how the game should be played. Many balls were hit for long distances and if the tournament is any criterion the local school should not lose any prestige in this line of sport for many months to come.

The six lowest scores were as follows: Jerry Gianferanti, 78; Nick Devlin, 81; Bengor, 81, and Stevenson, 83.

HUNNEWELL CLUB

The club held a smoker on Tuesday night to hear the returns from the Boston election and to witness a wonderful bowling match between Paul Poehler and Archie Walsh.

The wonderful rolling of both contestants can be readily appreciated when it is realized that they averaged 129 and 127, respectively. Going into the final string Poehler was 19 pins behind, but a wonderful spurt in the last lap, when he rolled 165 en-

**"JAUNTY" BAILEY**

The jewel thief, with his flash of wit and his dash of daring; graceful, charming, winningly loyal; contemptuous of the law but, to his heart's core, faithful to his own ideals.

WHICH?

CCHARMING, rich and alone, Rhoda Fair must choose **WHICH** road and **WHICH** man. She has put the Atlantic between herself and "Jaunty" Bailey, between the police and the stolen jewels, when suddenly out of the dark comes a voice—the voice of "Jaunty."

Can new environment and new spiritual influences wipe out criminal tendencies that are supposed to pass on irrevocably by the laws of heredity? Rhoda Fair inherited a name and a fortune from a mother who was internationally notorious as a law-breaker. Every cultural influence that money could buy was provided for the daughter from childhood, yet her home had been a meeting place for the aristocrats of the underworld.

Suddenly left an orphan, she must choose between the friends and allies of her mother and the law-abiding world she had been trained for.

Two men come swiftly into her life at the start—"Jaunty" Bailey—hunted by the police—and Paul Dare, a brilliant young college professor, who was everything on the side of respectability that the handsome and debonair cracksman was not.

Rhoda Fair, by Clarence Budington Kelland, is as thrilling a tale of adventure as you have read in many a year—and a remarkable delineation of one of the finest women in contemporary fiction. Beginning in the November issue of *THE LADIES' HOME JOURNAL*, now on sale, ten cents.

**PAUL DARE**

The clever young college professor, brilliant and bitter, brutally honest; with "protesting eyes" and a steel-cold mind, as impassively fair as it is mercilessly penetrating.

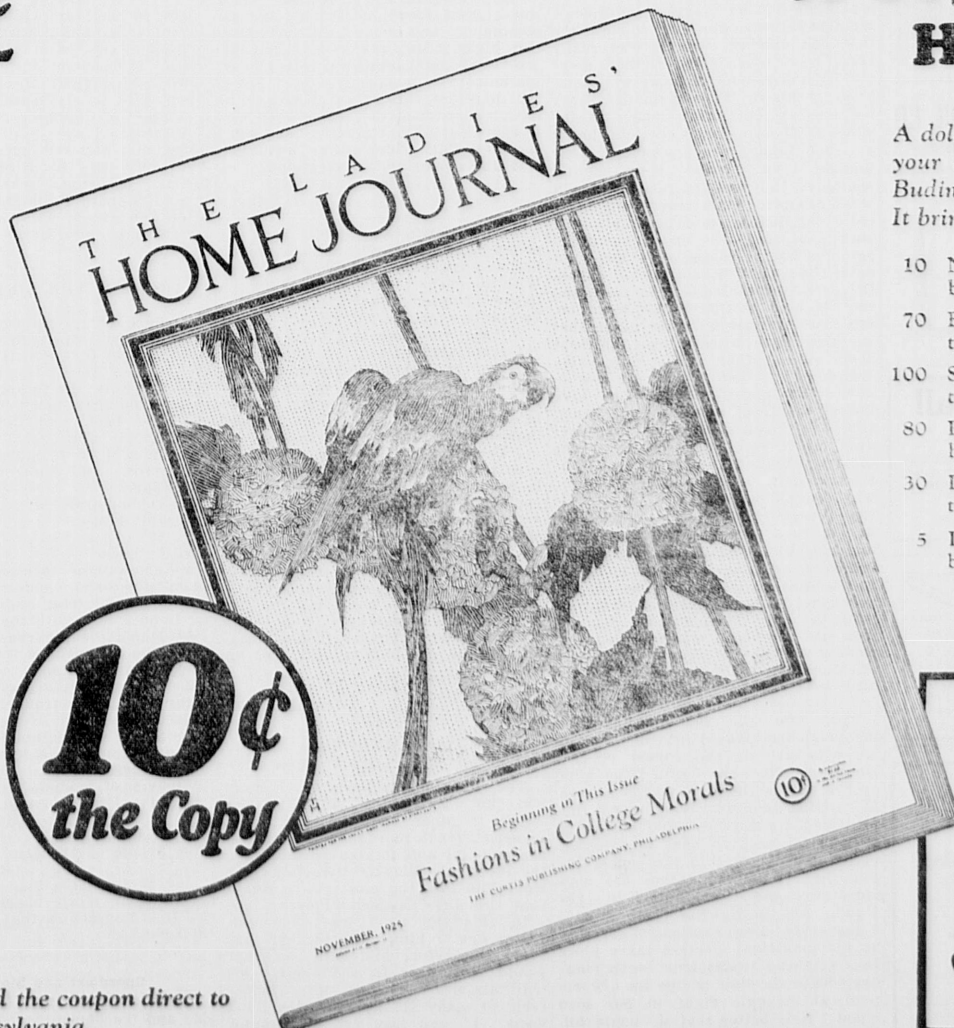

THE LADIES' HOME JOURNAL

Other Features in the November Journal— NOW ON SALE

- 9 NOVELS AND SHORT STORIES by such favorite authors as Corra Harris, Eleanor Hallowell Abbott, Mary Heaton Vorse, Albert Payson Terhune, and Hugh MacNair Kahler.
- 8 SPLENDID SPECIAL ARTICLES by the leading authorities in their fields—John Barrymore, William Lyon Phelps, Jane Cowl, William Beebe, Henry H. Curran, Alice Ames Winter, and William H. Crane.
- 10 FASHION ARTICLES—A round dozen of lovely fur coats for you to choose from. The latest note from Paris—and, of course, The Journal's pattern service with all that means to you.
- 5 HELPFUL NEEDLEWORK AND CHRISTMAS SUGGESTIONS—What to make and how to make it—hints that will save you many a dollar on your gifts this year.
- 6 AIDS TO BETTER HOUSEKEEPING—Caroline B. King, Mildred Maddocks Bentley, and Florence Taft Eaton join to aid you in preparing your Thanksgiving dinner.
- 14 OTHER FEATURES ranging from Architecture to Poetry; from Interior Decoration to the Kewpies for the children; from a List of Useful Books you can get from The Journal's Service Bureau, to sparkling humor.

AMERICAN ART MASTERPIECES—In November appear two of the most attractive of the remarkable year-long series of full-color reproductions of the best of American art—Benjamin West's "The Death of Wolfe," and a brilliantly faithful copy of Stuart's beloved portrait of Washington.

You can subscribe through any newsdealer or authorized agent, or send the coupon direct to THE LADIES' HOME JOURNAL, Philadelphia, Pennsylvania.

ONE THING AND ANOTHER

Written by LEVERETT D. G. BENTLEY

The other night we caught sight of a huge ring around the moon. Naturally anything visible in the heavens is large but this seemed larger than some others so we have described it as huge. But that isn't the point. We had always supposed that it meant the coming of a snow storm but this particular circle of clouds did not ring true—that it, there was no storm that night or the next day or the next. We began to wonder, after the third day, where the idea ever came from. Certainly no scientist is responsible, for such a thing is plain superstition or something like that. Still we have heard that as a sign of the coming of bad weather the ring around the moon was infallible. We would like to get on the inside—not on the inside of such a ring, but in "the know", as the wisecracks say. We can remember in the country having heard all sorts of things interpreted as certain signs of approaching changes in meteorological conditions. It happened we were seated on the steps of the general store when we observed a horse hitched to a post out front. This horse was no different from any other sturdy, hard-working farm horse and it is doubtful if his conductor would have impressed us had he not opened his jaws widely and yawned. The only thought that occurred to us was that he was bored with humanity in general and the group of loungers before him in particular. We thought of it as an evidence of "horse sense" and were congratulating ourselves on having encountered a living definition of that phrase. Much to our astonishment one of the men, a native, spoke up and said, "It's going to rain." At first we failed to grasp the connection, but then it was explained to us that when a horse yawns it is a sure sign of rain. We then began to wonder if that would prove true. Sure enough, it did rain within two or three hours. Then we began to see that the animal kingdom had some way of getting advance information. Just what else could they tell, we wondered. It was then we started upon an inquiry among our farmer friends. One told us that he was guided by the hens. "In what way?" we asked. "When I see them oiling their feathers," he replied. Who shall say, if this be true, that a hen has nothing in its head? Next we thought of the cows, and sure enough we found that many people believe that when cows are lying down on an otherwise beautiful, sunny day that they are doing so to let human beings know that rain is in many hours distant. Another old fellow, Job Lippert, by name, said that he could always tell when it was "going to rain" by the chattering of the bluejays in the meadow. These theories sounded most reasonable to us then and since we have seen nothing to disprove them as far as the country district is concerned. In the city the situation is different and about the only way we know that rain is impending here in our urban environment is the misplacing of our umbrella or the fact that our rain coat is at the other end of the line when we need it most.

It happened to be our privilege not long ago to enjoy an extended chat with an expert on mental afflictions. We were careful to guard our utterances for we were not going to give the slightest chance to get anything tangible "on us." But we found him to be such an interesting person that we became extremely glib and forgot our resolve against incriminating ourselves. There had been a case in which we were called upon to obtain an interview from this physician, but the subject proved full of ramifications and it was on these sidelines that we picked up some stray bits of information of which we had no previous knowledge. He asked, "Have you ever thought the day was Sunday when it was really some other day?" We replied there had been occasions when we were temporarily out of our minds on holiday stillness or some other cause. "Well," said he, "if when you were told that it was not Sunday you appreciated your mistake you proved your mental soundness, but had you insisted that it was Sunday when everybody else called it Monday, or whatever day it was, you were—" Then we interrupted with, "You mean we were not quite right, eh?" "Exactly," he replied. Of course we wanted to hear more and then he told us that to get a notion, after having retired for the night, that we might have failed to lock the front door was another early, very early symptom. "When you get up and go downstairs and find that you have locked the front door as usual, then you have shown a mental weakness, or if you worry while at the theatre whether you turned out the electric light before you left home—why, there's still another." We found that there were many things that the human race do that have their medical classification. Some of the most ordinary experiences seem to fit in the studies of the mind that the experts find so important and revealing. Still, the only conclusion we reached was that there is bound to be some sort of complex wherever there is a human mind, otherwise life would be dull and stupid.

Now that the Boston Mayoralty campaign has passed into history and we who live on the border of that wondrous city have learned the mind of the voters there, it seems a calm has settled upon us. What was it that poet wrote, wasn't it, "And silence as a police call to heal the wounds of sound"? Anyway, it was something like that. In short, things are once more slow and commonplace in "The Hub." But in Newton there is still a chance for more excitement for with us the municipal election takes place Dec. 8—three weeks from next Tuesday. Thus the time is ripe for a warm political struggle right in our own midst. It is better that it should follow the great row in Boston. You

ask why? Well, there is something all people do not realize a psychological reason which we shall endeavor to point out by relating an incident that came under our observation. We once asked a showman, "Why do you book your show (it was an outdoor carnival) so soon after the big circus in this same town?" He smiled, and replied, "That's the very best date I could ask." Continuing, we pressed for further enlightenment. "But the big circus has just been here, and about everybody has been to see it." Again he smiled, this time more broadly. "Boy," said he, "don't you know that the big circus gets the people all stirred up, excited and wild for thrills. Well, we jump in before their nerves get quieted, while they're still yearning for something to do that will keep them excited." Here was the philosophy of a keen student of human nature. One of those individuals who "know what the dear people want." It is our desire to please our friends in Newton and we know of no better way at this period than to suggest a good, lively fight for Mayor, without the bitterness of the Boston campaign but with the "pep" that will show Newton is a live city.

Comes a letter (as the motion picture subtitles put it) from a thoughtful reader of this column: "Am I to assume that the question of bicycling on the sidewalks has been settled to your satisfaction or have you weakened? Are you ready to admit that your efforts have been unsuccessful and that the battle is lost?" Had not this challenge been written on a postcard we might not have answered it, but it may have caught the eye of the letter carrier who delivers mail to our door and because we do not want him to think less of us, to feel we are lacking in courage, we make reply. We have merely suggested a while our strenuous attempt to place the sidewalks at the disposal of pedestrians. Instead, we shall endeavor to convince those who walk that they should move faster for their own safety and the convenience of the bicycle riders on the sidewalks and the auto drivers in the streets. To accomplish greater momentum we believe that it would be well if pedestrians would equip themselves with roller skates. These could be used under ordinary conditions and when there is ice on the thoroughfares and sidewalks ice skates could be used. Here, we believe, would be an ideal combination of healthful sport and general efficiency. A business man could surely get to his train on time if, after strapping on a pair of skates, he made for the train or trolley. No doubt the Boston & Albany would gladly provide checking rooms at nominal cost (it is too much to expect that such be provided free by a railroad) and here the skates could be left until his return from Boston in the evening. People who spend their days in Newton could keep the skates on continuously. The theory we believe is a sound one in spite of the fact that an occasional tumble might result. Would it not be preferable to take a fall caused by one's own lack of skill than to receive a bump from a strange bicycle or an automobile? We shall set the example by consulting the catalogues of a sporting goods house and turning at once to the pages that deal with the price of skates of all kinds.

PROCLAMATION

To answer the call of those who suffer in times of disaster and to extend a helping hand to the unfortunate in our community and all over the world at times of emergency, we hereby call upon you to renew your allegiance to this humanitarian organization and have a share in its great work.

The American Red Cross represents the highest ideals of service in our community, and no more fitting tribute can be paid us than to say that we are closely linked with this great force for human welfare.

Therefore call on every citizen to have a share in its beneficent activities in every part of our land by answering the Roll Call which opens Armistice Day and closes on Thanksgiving.

Edwin O. Childs

Mayor Edwin O. Childs and the members of his family are among the first to answer the Red Cross Roll Call. With his check the Mayor has sent the following letter to the local chapter: To the Newton Chapter of

The American Red Cross:
I am glad to send to you at this time my annual membership fee and that of all the members of my family and to know that in so doing, we are having a part in the work of helping thousands of unfortunate people.

Everyone should be proud to have a part in the work your organization is conducting, and I want to assure you of my personal interest in the progress of the approaching membership campaign.

I trust that this appeal will have the generous response which every worthy cause has in our community. It would be a fine thing if every member of every family in our city could become a member, thereby making Newton one hundred per cent for Red Cross.

Very truly yours

Edwin O. Childs

COME AND SEE

The attractions in Paris this summer was an "Exposition of Decorative Arts", in other words an exhibit of modern French merchandise with lesser colonial and foreign exhibits and the inevitable Midway attractions. We were told that the aim was to represent the ultra modern in every line. In this the show was a success. There was nothing there that one had ever seen before and little that one would care even to see again. My wife declared she had never before seen so many things that she didn't want. It was jazz art all around. After tarrying awhile in the little

Japanese oasis we left with relief.

But I had to go again with a friend and I found another, a little unpretentious building labelled, Greece. Now in spite of my enthusiasm for Greek art, or possibly because of it, I am shy of anything modern that bears the Greek label. Nor had my wanderings in Greece disclosed factories or other agencies that seemed capable of a noteworthy product. I entered, therefore, rather in the spirit of routine exposition dutifulness than with serious expectations. I spent fifteen minutes there and then started off across the city to find my wife and bring her to that Greek exhibit.

It was a mistake. She wanted everything there. There were rugs of course, for Greece is the domain of the Oriental rug. But it wasn't the rugs so much. There were curtains with embroidered and drawn work patterns as new as anything in the realm of jazz and as charming as anything in the age of Athena. A mental memorandum of the available windows in our modest dwelling was at once undertaken. There were sofa pillows and table spreads and — but what's the use. A woman can extend that category indefinitely. I can not. Oh yes, there were bags. I almost forgot that. It is said that a man has sixteen pockets and a woman none. It is a mistake. A woman has pockets, but they are detached. She calls them bags. My estimate, based on shopping observation, is that women have about the same number as men. Modern Greece is the great purveyor of these feminine pockets.

Of the function of all these things I have almost no idea, but I can attest that I have more true art in that little building than in all the hundred acres of the French display.

There will be bags and other things Greek at our home, 82 Church street, Newton, Saturday, November 14.

H. H. Powers

CHELLIS-BACON

The wedding of Miss Miriam Manning Bacon, the daughter of Mr. and Mrs. Herbert Manning Bacon and Mr. Myron Seth Chellis of Newburyport, took place last Saturday evening at Eliot Church, Newton. The ceremony being performed by the acting pastor, Rev. Charles H. Beale.

The bride wore white moire trimmed with Duchesse lace and old family lace, while her sister, Mrs. Francis S. Fuller, as matron of honor, was in orchid georgette crepe. The bride's party also included Miss Muriel M. Chellis of Portland, Maine, a sister of the groom, Mrs. Malcolm H. Smith of Gloucester, Miss Mary F. Martin of Warner, N. H., and Miss Suzanne Loiszeaux of Plymouth, N. H., as bridesmaids. Little Annie Winchester Fuller, a niece of the bride, was the flower girl.

The groom had his brother, Mr. George Chellis of Newburyport as best man and the ushers were Messrs. Francis S. Fuller of Newton, Philip Webster of Newburyport, Arthur Armstrong of Newburyport, William Jackson Keith of Newton and Ralph Evans of Newburyport.

A reception was held immediately after the ceremony at the home of the bride on Fairview street, Newton. Mr. and Mrs. Chellis being assisted in receiving by Mr. and Mrs. Bacon and Mr. and Mrs. Chellis, senior.

They will reside at Amesbury where they will be at home after December 1st.

VOGEL—McELROY

Miss Mary L. McElroy, a daughter of Mr. and Mrs. Stephen J. McElroy of 25 Emerson street, Newton, was married Sunday afternoon, November 1st, to Mr. Julius A. Vogel, son of Mr. and Mrs. John M. Vogel, formerly of Newton, now residing in Watertown. The ceremony was performed at the Church of Our Lady, Newton, by the Rev. Robert J. Mantle, in the presence of a large group of friends.

Miss Helen McElroy, sister of the bride, was bridesmaid and Mr. John J. Feeney was best man, an intimate friend of the groom.

The bride wore white satin and a veil of tulle caught with orange blossoms, and carried a bridal bouquet. The bridesmaid wore a dress of powder blue georgette trimmed with silver with hot to match and carried a bouquet of Columbia roses.

A reception was held at the bride's home, one hundred guests attending. The house was beautifully decorated for the occasion. After a wedding trip to Niagara Falls and Canada the bride and groom will be at home after December first at 10 Jewett street, Newton.

ARCHERY FOR GIRL SCOUTS

Because of the interest of a field captain from Springfield who came with several Girl Scouts to the Eastern Archery Association meet at Deerfield last July, the following qualifications to obtain a merit badge in archery have been sent to the National Council for approval:—

1. Know how to judge good bows and arrows and know the names of their parts.
2. Demonstrate stringing and unstringing a bow.
3. What does "weight" mean as applied to bows.
4. Know how to care for a bow when in use and when not in use.
5. Serve a string and know how to set it on a bow with the timber hitch.
6. Know the different rounds shot by women as outlined by the National Archery Association.
7. Demonstrate the correct way of pulling an arrow from the target and from the ground.
8. Shoot the Columbia Round obtaining a score of at least 175.

References:—
"Witchery of Archery" Thompson
"Archery: Its Theory and Practice" Horace A. Ford

2 STORES, WASHINGTON ST.

659 Gayety Theatre Building 311, Opposite the Old South Church

TO RESTRICT GARAGES

(Continued from Page 1)

Persons in the vicinity desired the station and that there was no reason for granting the permit other than to increase the rental value of the land. He then said that if the resolutions, as recommended by the committee on Franchises and Licenses were adopted first that no consideration would be given to the petition.

In reply to a question by Alderman Earle whether the affair was a relocation of a present pump Alderman Lloyd replied that some years ago a pump license was granted at the same number and that last January Mr. Henley, the lessee of the property, applied for increased gallonage, and a drive-in pump which was allowed. Since that time the property had changed hands, Mr. Henley had had a disagreement with the new owner and gone out of business. In view of the facts the permit was revoked upon the application of Mr. Henley for the same. Mr. Southern then had put in the petition for a new permit at the same location, and that since that hearing, at which but slight objection was made, the opposition has been steadily growing. Alderman Crosby had asked him for time to get to the bottom of certain stories and that out of courtesy the matter was held in committee. Judge Weston, Alderman Lloyd stated, represented the petitioner and that he was not connected in any way with any of the stories which had made the matter "the nastiest affair" in his experience member of the board.

Alderman Crosby said that it was not a question of the truth but it was a question of a man being allowed to conduct a business in a proper way. The grounds of the opposition were poor and that he believed the petition should be granted as Mr. Southern had been done an injustice.

Alderman Collins asked if the protests that Alderman Gordon spoke of was new evidence, to which Alderman Lloyd replied that so far as he knew there was no fresh evidence and that the protests that Alderman Gordon spoke of had been considered. Mr. Lloyd then stated that the remarks that he had made about Judge Weston applied equally to Mr. Gallagher, the attorney for the opposition. President White said, "The attorneys are exonerated," and put the question to a vote. Doubting this vote he called upon those who were in favor of referring the matter back to the committee to stand. Alderman Gordon, Heathcote, Earle and Ball responded. The remaining members voted against the reference.

Alderman Gordon said that a committee of men should not concern themselves with neighborhood gossip. At the time of the application of Henley for a pump at that location there was no opposition as the neighbors were desirous of helping the boys that returned from the war. Henley, who was granted the petition six or seven years ago, has done but a moderate business and has not increased the traffic problem appreciably by his business. The question, he stated, was whether to increase the value of one man's property and decrease the value of the neighborhood or not. Mr. Gordon went on to say that Henley's gas station was not open on Sundays, and was not a nuisance to the community. Regarding the school children coming to and from the Burr School one-third of them crossed the avenue at Lexington street and their safety would be endangered. As a final argument, Mr. Gordon stated that none of the proponents of the station were residents of the city.

Alderman Crosby, in reply to a question by Mr. Lloyd regarding observations he had gained at first hand relative to the school children's safety, said that the majority of pupils from the Wolcott street vicinity went directly across the avenue and would not be in danger of any cars using the proposed filling station.

The question was put to a vote and the four members who voted to refer the matter back to the committee, augmented by the votes of Alderman Hinchley and O'Connell voted against granting the permit. The other fourteen members voted for the project and the permit was granted.

The resolutions relative to the granting of gasoline permits were then placed before the board. Alderman Hinchley started the ball rolling by asking Alderman Lloyd how he could introduce any resolution con-

taining a paragraph such as the second in which it stated that no station should be granted within a half mile of any other station, in the same evening that he recommended passage of a permit such as the previous one. Alderman Lloyd's only reply was that the case was an exceptional one. He stated that the day was coming when the north side of Commonwealth avenue would of necessity be thrown open to traffic and that there were but two locations on that side of the avenue suitable for filling stations. One was at Chestnut Hill and the other was the one just granted.

Alderman Lloyd said that the resolution was not binding but that, owing to the frequent requests he received by various parties as to what the chances were of getting filling stations at certain locations he felt the need of being fortified. He likened the boom on petitions of this nature to the real estate boom in Florida. He stated that he felt the situation should not go on any longer and that the Franchise and License Committee, its spokesman, and the public should know where it stood.

Alderman Parker stated that the first request for a resolution of some kind be adopted came, not from a member of the committee, but from another member of the board. He also stated that the changes in zoning districts if granted frequently resulted in the filing of a petition for a filling station.

Alderman Weeks asked the chair if the "gentleman's agreement" regarding the granting of junk licenses had been adopted by the board or by the committee. Mr. White replied that back in 1906 he recalled that something of the kind was adopted but that nature and economic law had taken care of the matter as the junk men could not succeed so they did not apply for a license.

Alderman Fitts stated that with no uncertainty existing regarding the granting of sidewalk permits, the zoning law, the building code, the exclusion of hazardous enterprises, and the policy of not granting permits to irresponsible persons he could not see why any resolution was necessary. He also said that the board had no right to interfere when the project does not offend any of the above principles.

Alderman Fitts, Heathcote, Baker, Weeks, Hinchley, Gallagher, and O'Connell voted against the adoption of the resolution, and fourteen votes were cast in favor.

Mr. Edmund Joyal appeared at the hearing on the petition of A. J. Steffins Co. for a permit for a gas-gallon gasoline tank for private use at 20 Westwood street. He stated that he was not opposed to the project if the tank was not placed on the street line. The matter was referred to committee.

Mrs. Bertha I. McPhail of Grove street opposed the petition of James A. Dalton for a 2-car garage at 585 Grove street on the ground that drinking on the premises made it unsafe for she and her children to go to bed nights on account of fire danger.

A resident of Bonnar Circle appeared at the hearing on the taking of land for a sewer in Broadway terrace, Newtonville. He stated that he was not opposed to the project if the sewer was not placed on the street line. The matter was referred to committee.

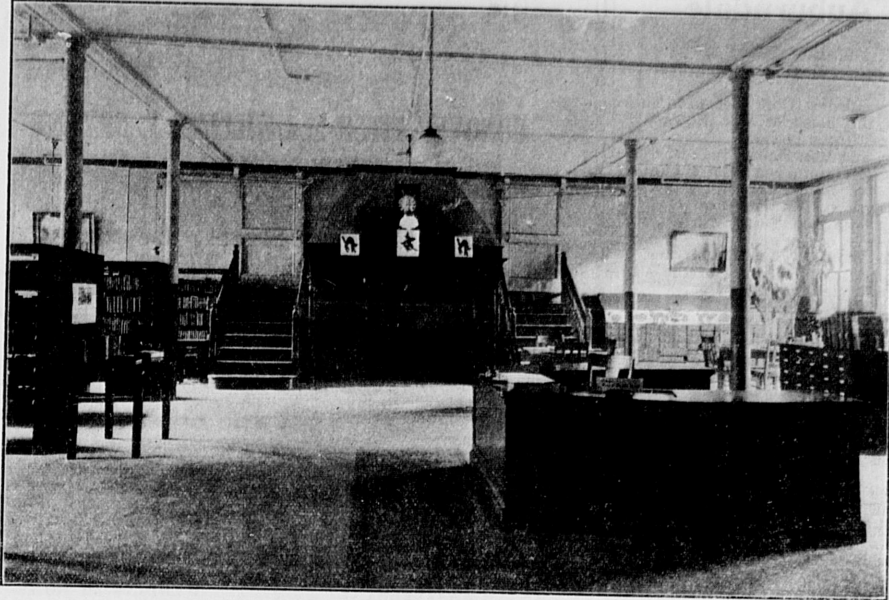

A letter of protest from William J. Doherty was received on the taking of land for a sewer in Broadway terrace, Newtonville. He stated that he was not opposed to the project if the sewer was not placed on the street line. The matter was referred to committee.

A communication was received from the Mayor recommending an appropriation of \$5,000 for preliminary plans, sketches and architect's fees for the proposed new Junior High School building for the West Newton-Auburndale district on Myrtle street.

A communication was received from Thomas Engess, Herbert Boothby and Daniel J. Corcoran of the Newton Fire Department, requesting that the fire department be placed on the two-platoon system.

The Newton Club petitioned for a change of zone of its property on Walnut and Otis streets, Newtonville, from private to general residence zone.

Leave to withdraw was given Athol H. Miller for howling alleys in Bray Hall, Newton Centre, at his own request. Michael Ferino was granted leave to withdraw his petition for pool tables on Watertown street, No-

CHILDREN'S ROOM NEWTON FREE LIBRARY

Alderman Lloyd moved that the petitions for garages for not more than two cars as printed on the docket be granted with the exception of two, James Dalton, 585 Grove street and James A. Ewing, 26 Hollis street. Alderman Gallagher objected to delay of action on the latter. The garages with the two exceptions were granted. Alderman Gallagher stated that there was no reason why action could not be taken at the time. Alderman Lloyd said that a neighbor of Dr. Ewing's had called him on the phone and objected. Dr. Gallagher stated that the neighbor had held up the garage for several years and that he knew of no place in the city where a man had any more right to build than on Dr. Ewing's large lot. Mr. Lloyd said that in asking that the garage be held over did not mean to express any opinion as to whether or not he was favorable to the project but thought that the matter should have the consideration of the committee. Alderman Parker stated that the orderly procedure should be followed and that the very fact that the petition had been presented before argued for full consideration. Alderman Gallagher's vote was the only dissenting one and the petition was referred to the committee.

The petition of John M. Fitzgerald for acceptance of North street as a public street was referred to the next city government.

Five petitions for change of zone were given leave to withdraw as follows: Fred M. Blagard et al, land on Austin street from general to single residence zone; Thomas Carberry, land on Webster and Rowe streets from general to manufacturing zone; A. F. McWilliams et al land on Adella avenue, etc. from private to single residence zone; Harold W. M. Second, land on Newtonville avenue from private to single residence zone; Sarah G. Harley et al, land on Watertown street near Randlett park.

Hearings were assigned for the next meeting on the acceptance of the following streets, Ridge avenue, Water street, Daniel street, Hibbard road, and Farlow road. Hearings were also assigned for the same date on the widening of the corners of Grove street and Woodland road, Auburndale, and the laying out and acceptance of Alt. Alvernia road, ward 6.

Appropriations were made for the relocating of Perkins street corner of Washington street, West Newton, the laying out of Bemis street, Ward 2, Fair Oaks avenue, Ward 2 and Brookline road, Ward 2. Appropriations were also made for the widening of Dedham street, (1924 account) \$68.43 and an additional sum of \$35.54 for a sewer in Woodland road.

Hearings were assigned for December 7th on the following petitions for change of zone: Mrs. Delia Sullivan, land at southwest corner of Walnut and Beacon streets, from private to business zone; Joseph F. Lockett et al, land opposite Newton Cemetery on Beacon street from private to single residence zone; Turner et al, land near Berville road, from private to single residence zone; George B. Grant, et al, land on Hyde street, Newton, from private to single residence. The following orders were passed changing zoning boundaries; petition of Joseph T. Bishop et al, land on Langley road from private to single residence; Mary F. Pierce et al, land near Randlett park from private to single residence zone; Philip Turner et al, land on Newbury street from private zone to single residence zone. The order changing land near Randlett park was later rescinded as the order as passed included more territory than the committee recommended.

An order amending the bus regulations making the license fee \$5.00 and allowing passengers to stand was held in committee.

An order was introduced by Alderman Bliss changing the polling place in Ward 6, Precinct 3 from Manet Rd. fire station to the Longwood Cricket Club was adopted.

Alderman George F. Pratt asked that the board pass the order authorizing the Mayor to enter into contract with the Metropolitan District Commission relative to water. Alderman Heathcote asked that a clause be inserted in the agreement so that either party could withdraw from the contract by giving one-year's written notice. Mr. Pratt asked the chair what effect it would have upon the contract.

President White replied that the clause would do no harm but would have little weight as the state would dictate. Mr. Pratt asked if the city would be safely protected if the state should exercise its one year notice. Alderman Earle stated that the measure was a temporary one and would only be effective during the installation of the new mains on Commonwealth avenue. President White said that the Metro-

politan District Commission would pay the city for certain pumping to the towns of Watertown and Belmont and that the state would sell water to the city at the same rate as supplied to Boston. The measure he stated would be in effect only while the state was completing certain work on the water supply system. The board adjourned at 9:50 P. M. until Monday, Nov. 16.

CHILDREN'S BOOK WEEK

(Continued from Page 1)

For the youngsters who are a little older, there are fine books about real children. "Chi-Wee" is a little Pueblo Indian girl about whose life on the desert grace Moon tells with plenty of exciting detail. "Charlie and his Coast Guards" keep good watch over the shore one summer, and we are glad to find "His Kitten, Topsy" and "His Puppy, Bingo," so much help to him. Little Chinese children come to life in the pages of "The Rabbit Lantern," while "The Adventures in our Street" are experienced by just such little Americans as we meet every day.

Two collections of stories by well known authors offer the story-teller and the person who reads aloud a new storehouse of material. Kate Douglas Wiggin's book is "Twilight Stories," and Dorothy Canfield Fisher's is called "Made-to-order Stories" for she made them to the order of her own small son who includes all sorts of dissimilar but familiar ingredients, which she mixes into clever and amusing stories, good for reading aloud. Two other well known authors have each published a book of fairy stories. Louis Untermyer's is an adaptation and translation, called "The Fat of the Cat," from the title of one of the stories. Compton Mackenzie, the novelist, has written a fanciful story telling of "Santa Claus in Summer." One book of poetry must be mentioned here, though it is not as new as these other books, that is: "When we were very young" by A. A. Milne. These delightful poems were published last year, but have already become most beloved by all the children who have read about Christopher Robin, Rice Pudding, The King's Breakfast, and Has Anybody Seen my Mouse? They have also been set to music which is easy and within the range of a child's voice.

Books for Older Boys and Girls. There are several books for girls which are just good stories. Two of these tell of happy families—one of them lived "in the Shadows of the Skyscrapers" and the other on "Make-shift Farm." There is a mystery which the children on the farm help to solve. In "Fireweed" by Ethel Eliot, there is also a mystery as well as a happy friendship between a young girl and older woman. All girls like a school story and in "Judy's Perfect Year," Ethel Bennett has given them one which will enter their hearts like a feeling for the best kind of school life. For the outdoor girl, Beth Gilchrist wrote "Trail's End"—the tale of ten girls who spent a winter holiday together in camp. There is also a new Doctor Dolittle book which both girls and boys will enjoy: it is "Doctor Dolittle's Zoo" by Hugh Lofting.

The older boys can find out what it is really like to live on a school ship if Felix Riesenberger's "Bob Grayham at Sea" falls into their hands. And for first hand information about the adventure of one of Beebe's scientific expeditions, they have only to read "David Goes Voyaging"—a book written by twelve-year-old David Putnam who was lucky enough to be on the "Arcturion" with William Beebe. This year there is also a good dog story "Rex" by Fullerton Waldo, a school story that is above the average; "Tuning in at Lincoln High" by Joseph Gollomb, a story about a father and son by William Heyliger called "Quincy and son"—and an historical story telling of La Salle and the exploration of the Mississippi River; "The Iron Hand," written by Everett McNeil. Most boys like to camp and to tinker a bit with tools. The following list of books will guide them in both these hobbies.

Do it yourself, by Dan Beard
Boy's book of camp fires, by F. H. Chelley
Practical book of home repairs, by Charles Fraser
Electrical amusements, by C. R. Gibson
Boys' book of model boats, by R. F. Yates

Children's Classics. Along with the new books, parents are always buying the tried and true old books which generations of children have known and loved. Many publishers realize this, so that recently they have been sending out the

classics in most attractive editions. They generally published quite a few titles similar in form and make-up, giving such a set of books an individual name, so that the buyer can call for them by name. MacMillan Co., for instance, calls their set The Children's Classics. Houghton sends out The Riverside Bookshelf. Little & Brown as The Beacon Hill Bookshelf and Macrae Smith, The Washington Square Classics. All these books sell for two dollars or less, so that it is possible to get very attractive, well printed and illustrated books for a fairly reasonable sum. If one can spend a little more, the set which Scribner publishes called "Illustrated Classics for Younger Readers" is remarkably illustrated, for Wyeth, Rackham, Parrish and Jessie Wilcox Smith are some of the noted illustrators whose work can be found in the books of this set.

Less Expensive Books. If your children are omnivorous readers and long to own more than you can possibly buy of the more expensive editions, it is a pleasure to know that many good books are being published in less expensive editions—all in the neighborhood of one dollar. The following are the names of some of the best of these sets: Scribner series for young people, Little Library, Macmillan, Harper's Young People's series, Riverside Library, Houghton, Everybody's Library, Boy Scout edition, Grosset, Fairy Books, Burt.

The Library as Book Adviser. Though Children's Book Week comes but once a year, so that the grown-ups have only one chance to see the Book Exhibit, still the people of Newton should not feel that they can only at this time get assistance in choosing the right books for their children to own. The children's librarians are always glad to talk with parents who can come to the Young People's Room at the Main Library and are just as willing to talk with any who would rather call them on the telephone. Use your Library as a Book Adviser.

EDUCATION WEEK

(Continued from Page 1)

The children of the eighth grade, Bigelow, are to act as ushers.

The co-operation and assistance of School authorities and teachers has been most gratifying. Those who have materially assisted are: Mr. Ulysses G. Wheeler, Superintendent of Newton Schools; Mr. Francis L. Bacon, Director of the High School; Mr. Chas. B. Harrington, director of music in High School; Mr. Fred H. Daniels, supervisor of drawing; Mr. Frank W. Chase, Principal of Bigelow School; Miss Fannie G. Stearns, Bigelow drawing teacher; Miss Ruth H. Brown, in charge of Folk Dancing.

For the uninformed, "American Education Week," it may be observed, has become a permanent institution. It deals with problems so fundamental that it appeals to all the people and becomes more successful each year as parents and teachers understand that education touches the whole of life.

"Education week is the only time in all the year when the entire Nation is called upon to dedicate itself anew to the great task of universal education for democratic living," says the Journal of the National Education Association.

It is hoped that the week may be a time of deeper understanding on the part of the people of the role education has played, is playing and must play in the life of our great democracy. The Community Club cordially invites the Community as a whole to be their guests on the evening of Thursday, November 12.

COMMUNITY THEATRE

Mary Pickford heads the Community bill for four days, starting Sunday, November 8, in "Little Annie Rooney," a comedy drama of tenement life in New York.

Resnald Denny appears on the same bill in "California Straight Ahead," an adaptation of Byron Morgan's hilarious comedy that will dispel your blues and make you grip the edge of your chair.

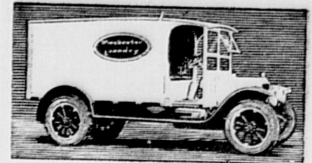

On Thursday the program changes and the feature picture is "The Lost World," starring Wallace Beery, Lloyd Hughes, Lewis Stone, and Bessie Love. It is an excellent entertainment and differs from anything that has so far been seen on the screen. Much of the action is set around prehistoric monsters that actually appear as in real life.

The program is completed by "Lovers in Quarantine," a rapid-fire comedy, starring Bessie Love and Harrison Ford. The added attraction on Sunday evening, November 8, is the Heidelberg Four.

ARE YOU INTERESTED IN TEXTILES?

The department of research of the Laundry-owners' National Association has prepared a booklet, "The Selection and Conservation of Textiles," that is so well written and illustrated as to be both interesting and instructive.

To individuals, women's clubs, classes in home economics, high schools or elsewhere, that could use these booklets, we will send the desired number with our compliments, if requests for them are sent to Sales Manager R. C. Wallace at Winchester, Mass.

—Mrs. Edward K. Titus of Otis street is spending the week in New Jersey.

—The Women's League of the New Church will hold a sale in the church parlors on November 10th.

—Mr. and Mrs. Stanley B. Arend of Central avenue are receiving congratulations on the birth of a son.

Wednesday, December 2nd, is the date selected by the Ladies' Aid Society for their Annual Fair.

—An interesting account of the Rummage sale at the Central church will be given in our next issue.

—The Ladies' Aid of the Universalist Church will serve a Neighborhood Supper next Thursday evening.

—Mr. and Mrs. Edgar S. Burkhart entertained at dinner on Halloween, before the dance at the Newton Club.

—Come—Palestine Chapter, O. E. S., Minstrel Show and Dance, Nov. 10-11, Auburndale Club. Tickets \$1.00.

—Advertisement.

—Miss Emma Page of Page road returned this week from Greenfield, Mass., where she has been for the past six weeks.

—The installation of the new pastor of the Universalist Church, Rev. R. R. Hadley, will take place on Monday evening, Nov. 16th.

—The Neighborhood Dinner was given at the Newton Club on Tuesday evening last. Mr. and Mrs. Arthur O. Wellman were in charge.

—Rev. George A. Parker of Round Lake, N. Y., and father of Rev. Albert D. Parker will preach next Sunday morning at the Methodist church.

—A successful Halloween Party was given at the Newton Club on Saturday evening. Dancing was enjoyed. Mr. and Mrs. Allen Salmon were in charge.

—About one hundred members and friends attended the dinner and dance at the Newton Club on Tuesday evening. The dinner was in charge of Mr. and Mrs. Arthur O. Wellman.

—Tonight is Parents' Night at the Central Church School. There will be a reception followed by an address by Mr. Erwin L. Shaver on "The Modern Church School."

—Mrs. Irving O. Palmer of Highland avenue has been in Maine this week lecturing before the Woman's Clubs of Pittsfield, Skowhegan and Old Town and before the students at Ken's Hill Seminary.

—On Friday evening, the thirteenth, a Father and Son supper will be served at the Methodist church. The program is in charge of the Social Committee of the Claffin Club and a committee of boys from the Church School.

—Mr. Charles C. Balcom of Fair Oaks avenue was publicly installed as master of Fourth Estate Lodge of Charlestown on Monday evening and was presented with a writing desk and wrist watch by friends in the office of the Boston Transcript.

—Mr. John W. Locke of Kirkstall road, has been appointed by the Governor to represent the Commonwealth of Massachusetts at the National Tax Conference at New Orleans. This is the tenth year Mr. Locke has served as a delegate to the National Tax Conference.

—On Saturday, Nov. 14, 8 P. M., a three-act play will be presented under the personal direction of Estelle G. Marsh at St. John's Parish House, Otis and Lowell avenue, Newtonville, entitled "Misfit Cinderella" to be followed by a movie entitled "Just the Thing." Music furnished by Miss Mary Puccarelli, violinist, accompanied by Mrs. A. D. Quimby. The cast includes Katharine R. Nixon, Marjorie Trowbridge, Marjorie Chapman, Marjorie Bolster, Adria Saunders, Elizabeth Clarke, Virginia Hayes, Place—A Southern Home. This is a play everyone will enjoy from children to adults.

—The Woman's Association of Central Church held its monthly luncheon Wednesday, the speaker being Rev. W. W. Leete, D.D., of Central Church, Secretary Church Building Society.

—Exercise of our spiritual imaginations, Dr. Leete said, gave us vital interest in great expansions, which grew from tiny church organizations helped in the building of churches in every one of the states and in strategic city fields as well as remote hamlets. Since the establishment of the society in 1853, five thousand five hundred churches have been helped and many parsonages have been built. Revolving loans and legacies are a perpetual help. More than four hundred dollars was realized by the rummage sale of one day. The regular meeting of the Association for next week includes the report of Mrs. Florence Rose of her impressions at the Northfield Foreign Missionary Conference and of Mrs. Myron Davis who represented the Central Guild at the Home Missionary Conference. The Association Quartette will sing and tea will follow the program.

—Mrs. Alex. Wright and Miss Helen Wright are the guests of Mr. and Mrs. Duncan Wright.

—Mrs. Walter Tebbetts and daughter are the guests of Mrs. Hallett of East Orange, N. J.

—Mrs. James Seaver of Winnetaska road gave a dinner party to six couples on Saturday night.

—Miss Beatrice Lane is going to Hanover for the Dartmouth-Cornell game and evening festivities.

—Mrs. Wm. Gould of Beacon street will entertain her Bridge Club on Monday afternoon of next week.

—The Moir children entertained at a Halloween Party Saturday night at their home on Woodward street.

—The Senior Troop of the Girl Scouts gave a Halloween Party in "The Frost Barn" on Fuller street.

—Miss Alice Burton entertained a number of playmates at a Halloween Party Saturday night, at her home on Collins road.

—The Cliffton Club entertained at a Halloween supper and party in their club-house on Upland road Saturday evening.

—Mr. and Mrs. Robert Moore of Windsor road gave a large Halloween Party at the Longwood Cricket Club Monday evening.

—Plans are in progress for a jolly party at the assembly to be given Nov. 14 in the parish house of the Church of the Good Shepherd.

—The All-Day Sewing Meeting was held at the Church of the Good Shepherd Tuesday last. Mrs. Elmer was in charge of the luncheon.

—Mr. Elliot H. Robinson has been ill in a Boston Hospital for several weeks. Mr. Robinson was for many years a resident of Waban.

—Mrs. Austin Bourne and Mrs. C. A. St. Lawrence entertained "The Cotters" at dinner Saturday night at the home of Mrs. C. A. St. Lawrence.

—Mr. and Mrs. Robert M. Moore entertained a number of friends at the Longwood Cricket Club on Halloween. Dancing was enjoyed until midnight and supper was served.

—Dr. Gates of the Educational Department of the Congregational Missionary Board spoke to the teachers and members of the Union Church at the home of Mrs. Cyrus Jeness on Thursday last.

NEWTON W. C. T. U.

The Newton Woman's Christian Temperance Union held a meeting on Thursday afternoon at the Cline Memorial Church in Newton Highlands. Rev. Wilbur R. Grose was the speaker and Mrs. Florence Maynard was hostess.

GOLDEN WEDDING

On Wednesday, October 28, Mrs. and Mrs. Charles E. Kattelle, 205 Grove street, Auburndale, celebrated their golden wedding anniversary. Open house was held for their friends both afternoon and evening, and a constant procession, many coming from out of town to offer congratulations and best wishes, brought the number well over a hundred. Countless gifts of flowers and plants as well as other remembrances were received, and in the evening a gold purse of \$60, with an appropriate poem by the town-poet neighbor and friend, was presented. It was a most delightful occasion for both hosts and hostesses.

WOMEN'S CLUBS

Edited by EMMA D. COOLIDGE

Club activities are well under way—even as those of politics—and absorbing much attention—even as do City Elections, both here and there, wise and otherwise. One only has to be the fortunate possessor of Club Year Books to realize what splendid plans, programs, and inspirations have come to the alert minds of club officials of our City. Your editor gives many thanks to the Presidents for supplying her with those helpful reminders of club doings, and she thanks also the Corresponding Secretaries and Press Chairmen for their communications and co-operation in news for this column.

State Federation

In proof that our year's work is really progressing, the day draws near when clubwomen of the State will gather for their first meeting of the season, at Springfield, on Friday, the 13th. Such a date always sounds very ominous, but the program arranged does not bear out a dire prophecy; rather does it attract all clubwomen to make the trip even to this western city. The only feature connected with the meeting that might seem to reflect the misfortune coupled with the date, Friday the 13th is that the official train by which we must travel to Springfield leaves at such an early hour! From the South Station, Boston, at 7:05 A. M. Even so we shall barely arrive at Springfield in time for the opening of the meeting—at 10:30—in the Municipal Auditorium. Court Square, Springfield where the Springfield Woman's Club is to be the hostess.

Presidents of Clubs are more fortunate, for they are bidden to a Presidents' Conference on the preceding day, Thursday, the 12th, leaving Boston on the official train at 9:15 A. M. They will have a day to enjoy Springfield, their hostesses, and one another's society, before the open meeting. All planning to go to this meeting be sure and note that their train leaves the South Station at 7:05 on the 13th! Greetings will be extended to the visiting clubwomen by Hon. Fordis Parker, Mayor of Springfield, and by Mrs. Edward P. Broadhurst, President of the City Federation of Women's Clubs. The address of welcome will be given by the President of the Springfield Woman's Club, Mrs. Kingman Brewster, to which the State President, Mrs. Frederick Glazier Smith will respond. The rest of the morning will be devoted to business, and to reports of the Council Meeting of the General Federation at West Baden, and of the New England Conference at Poland Springs. Mrs. Grace Morrison Poole will tell of the business of the West Baden Conference, and Mrs. Frank P. Bennett, Jr., will tell of "Echoes" from the Conference. Mrs. Arthur D. Potter will report the New England Conference. We may expect graphic, terse, clever, witty and satisfying descriptions of what was accomplished and discussed, knowing what these speakers have given us in the past in information on club activities.

The afternoon session will be open at 1:45 o'clock with an organ recital. Following the always entertaining and interesting Presentation of New Clubs, there is to be an address: "The Challenge of Citizenship," by Oswald Ryan. The title not only sounds as though fraught with much worthwhile food for thought it almost bears out a bit of the Friday the 13th atmosphere, as the word Challenge is always a bit ominous! Resolutions will be read at both morning and afternoon sessions by the Chairman of Resolutions, Mrs. Edwin L. Pridmore.

Credentialed tickets are pink and those for members—not delegates—are white and have already been mailed to Club Presidents. Members desiring tickets should apply to their Presidents at once for them. Tickets for the luncheon may be purchased for \$1.00 by sending check self-addressed, stamped, and sent to Mrs. E. O. Clark, 98 Bellevue avenue, Springfield, not later than November 9th.

Return train from Springfield leaves at 4:57, arriving at Boston at 7:25 P. M.

Newton Federation

This Federation of clubs is very much alert this month in several interesting and fascinating meetings and projects. First, there is the Board Meeting on the 16th, at 10:15 at the Newton Club, Newtonville, where many important business items will come up, and where we have been promised by the Conservation Chairman, Mrs. Daniel M. Goodridge, a

CANARIES
Nothing would be more appreciated by your friend than a sweet singing canary bird. Melodious song drives away dull care and brings brightness and happiness wherever they go. We have Hartz Mountain singers, \$7.00; genuine selected St. Louis songers, \$8.00; long silvery trills and grand variations, day and night songsters, \$9.00; Champion canaries second to none, imported by special contract by me, are famous for their trained vocal music and changes, water, pure, Nightingale and sell notes, etc., \$12.00 to \$15.00.

speaker on Conservation Matters "more eloquent than herself"! Such a promise—if possible to live up to—ought to bring out every club officer and delegate!

Speaking of bringing out Officers and Delegates, the President, Mrs. Ellis Speare, Jr., asks especially that the Club Presidents be present at this Board Meeting, or that they appoint some delegate to bring back to the Executive Board and open Club Meeting of each club, a record of all business brought before the Federation. In order that the recommendations and plans of the Federation may be known and acted upon by the various federated clubs, and in order that the Federation may know the wishes of the various member-clubs, it is hoped that this get-together in reporting of Board Business may work for a large interest, broader scope of activities, and more sympathetic understanding of aims.

On Wednesday, the 18th, the Community Service Club of West Newton plays gracious hostess to the Federation in its first open meeting. At 2:30 P. M. in the Unitarian Parish House, the President, Mrs. Frederick J. Fossenden, will greet the Federation, and later, the club will serve tea, and welcome clubwomen of Newton to a social hour.

The Program Committee, of which Mrs. B. Walter Godsee is Chairman, has arranged an unusual program, and one that should appeal because it relates to the pleasurable and artistic and cultural, in contrast to the many addresses now being supplied on club programs on serious, or world-wide subjects, that leave one thoughtful, almost exhausted, from concentration.

Mr. Edwin Markham, Poet, will speak on "Poetry," and illustrate—possibly—and entertain, surely, by examples from his own excellent writings.

There is little doubt but that club members, and their guests, will be keen to avail themselves of this opportunity to hear a speaker that is not often offered in meetings of this character. As an appropriate ceremony for Education Week, the Chairman of that Committee, Mrs. Walter Van Patten Steiger, has arranged for a most interesting open meeting at the Technical High School Library, next Monday afternoon at 2 o'clock. Mrs. H. G. Hopkins, President of the Parent-Teachers' Association of Newton Centre, will speak on the needs of and possibilities of obtaining a TUNNEL between the High School Buildings, by which pupils may be spared the discomfort, inconvenience, and unnecessary danger of going out into all kinds of weather in attending classes. At three o'clock, Mr. Caverly, Head of the English Department, will speak on "English Work in the Newton Schools."

This is a splendid opportunity for parents and friends of the pupils to become acquainted with the problems and work of students, and the aims and efforts of the teachers and of the Parent-Teachers' Association.

It is hoped that all who desire to know of these conditions and to share in the welfare of their educational system will be present at this meeting.

The fourth activity of this Federation—and one which will be planned and dreamed upon through the entire month to come—is the contemplated issue of the Newton Graphic in an edition to be known as the Newton Federation Edition—an issue that will be devoted to Club Interests, Club Ideals, and Club News. On the 19th of October it was voted by the Club delegates at the meeting of the Executive Board of the Federation that we accept the liberal offer of the Editor of the Graphic in permitting us to have such an issue of his paper, and it was left to the Press Chairmen, as a Committee, to make arrangements.

In accordance with that vote, the Federation Press Chairman, Miss Emma D. Coolidge, entertained at her home, 4 Pembroke street, Newton, last Friday afternoon, the 30th, the Press Chairman or Corresponding Secretaries of the Federated Clubs. Practically every section of Newton was represented, and several of the so-called associate organizations as well as the organized clubs. In the absence of Mrs. Ellis Speare, Jr., the Federation President, Mrs. S. L. Eaton, the Vice-President, attended.

Attendees included Mrs. Amos R. Wells, Auburndale Review; Mrs. Leon G. Horne, Auburndale Woman's Club; Miss Adelaide Buckingham Ball, Newton Community Club; Mrs. Arthur M. Tenon, West Newton Women's Educational Club; Mrs. W. F. Bartholomew, West Newton Community Service Club; Mrs. Anthony Warfield, Newton Highlands Woman's Club; Mrs. Thomas E. Lees, Newton Upper Falls Woman's Club; Miss Rose, District Nursing Association; Mrs. Norman W. Bingham, Newton Mothers' Club; and Mrs. Florence Morse, Women's Auxiliary to Newton Y. M. C. A.

After a general statement of the needs of publicity, its methods, and the work of the Woman's Club Column of the Graphic, Miss Coolidge introduced Mr. John C. Brimblecom, Editor and publisher of the Newton Graphic, who presented his splendid offer of a week for club news, and explained how this could be carried out by the women's clubs. The idea is that in giving this opportunity for presenting to Newton—and to many other Cities and Towns—the work, ideals, and attainments of the clubs, it gives to many who possibly do not realize how far-reaching are our activities, a new conception of our achievements and aims. This will tend to arouse public interest and to spur us on to new endeavors. At the same time it awakens appreciation of the newspaper as a civic force, and as an organ of official news for the clubs.

For twenty years Mr. Brimblecom has given recognition to the Women's Clubs or their status by allowing space each week for news of them in an exclusive section. As an official source of such news it should be read—and subscribed to—by clubwomen. This is even more true at the present time since the Club Editor is not only

the recognized writer from the Graphic's standpoint but is the recognized source of Federation and Federated Club News from the club standpoint, since she is the appointed Press Chairman of the Federation. It is evident that reports of club doings—to which she is admitted as an authorized delegate and as Federation Secretary—must necessarily be given forth from the approved "club angle," and be authentic, while devoid of the "sensationalism" that might be the aim and delight of the usual "press reporter," whose aim would be "news at any price," even to the sacrificing of the dignity of the clubs themselves.

Mr. Brimblecom's offer was that we publish a Federation paper within the Graphic, for some one week, having charge of all personals, ads, features, editorials, and articles. Mrs. Bingham moved—and it was unanimously adopted—that the week of December 11th be the date upon which the Federation Issue be published, this, for many reasons discussed being the best for all concerned. Mr. Brimblecom explained that by committees in each section news items could be gathered "ads" secured from interested men members of the club families, in various businesses, and subscriptions be secured from club members who do not now take the Graphic. The methods sounded very interesting and intriguing, and enthusiasm was quickly awakened. Added to this was the generous offer of fifty cents an inch for each inch of advertising matter secured, and of one dollar for each new subscription (the regular subscription for the year being three dollars); these funds to be given to the Newton Federation for their various philanthropic and civic activities. It was evident that in this liberal commission Mr. Brimblecom was gaining nothing for the first year of a new subscriber, but that he was to gain his merited reward in the following years when readers of the Graphic awakened to the worth of the personal news, and of the information in the club column, proclaiming authentic news of their splendid doings.

The Newton Federation, while no longer raising funds by club activities for philanthropic purposes, still has many obligations in helping such excellent associate organizations as the Welfare Bureau, the Mothers' Rest, District Nursing and Hospital Aid, the West Newton Music School, Ladies' Home Circle and Mothers' Club, not to mention civic betterments such as playgrounds, band concerts, athletic fields even to club programs open to the public for which expensive speakers may bring messages of inspiration to better citizenship and high ideals, and besides these causes, the desire to aid many of the other worth-while homes and charities of the City.

The opportunity offered to increase our treasury for such purposes, and at the same time advertise and arouse appreciation for our Federation and its clubs, and for an excellent home newspaper that serves our daily needs in community relationships, seemed one we could only be accepted with great pleasure in the privilege, so generously offered by Mr. Brimblecom.

The Press Chairman, therefore, after hearty approval of plans by the Committee, asked each one present to present the plan to her individual club, seeking their support and co-operation. She asked that announcement be made at each public meeting of the clubs, this month of the undertaking, so that members would be prepared to supply news items, personals, ads, and—best of all, for the Federation Treasury—subscriptions. Each club may have a column, or more, to bring forward its own activity, hobby, splendid members, achievements, or what-not. And our own Federation President, Mrs. Speare, has graciously, if humorously-worded, expressed her willingness to act as Editor-in-Chief, and write the Editorials, or supervise this column.

The Press Chairman naturally hopes that the various Newton Clubs will be glad to join in this chance to have a memorial that will endure in newspaper records for all time of the achievements and aims of their clubs. She asks and hopes they will be gracious to give their aid, co-operation, and magnificent help in putting this across, so that it may be a wonderful success.

The afternoon ended with a social hour, and refreshments.

CHRISTIAN SCIENCE LECTURE

Draws a large audience at Community Theatre, Newton

A large and interested audience listened to a lecture at the Community Theatre last Sunday afternoon by Mrs. Nelvia E. Ritchie, C. S., the subject of the lecture being "Christian Science the Gospel of Salvation." The lecturer was introduced by Mr. Wentworth P. Barker, First Reader of the Newton Christian Science Church in these words:

The members of First Church of Christ, Scientist of Newton extend to you all a most cordial welcome.

If I should ask any one of you if you would like to hear some good news — how eagerly you would answer in the affirmative. Well, my friends, I am not going to ask you that, but I will tell you that there is one here this afternoon who comes with good news for you and for me; good news to strengthen and uplift every one of us here.

Let me add that she speaks with authority as she is a member of The Board of Lecturers of The Mother Church, The First Church of Christ, Scientist in Boston, Massachusetts.

I therefore take great pleasure in introducing to you

Mrs. Nelvia E. Ritchie, C. S., of Sewickley, Pennsylvania.

The lecture is as follows:

In the brief time allotted for this lecture it will be possible only to touch upon the vast subject of Christian Science.

I am not here to try to convert you to this religion or to plead with you to become Christian Scientists. The purpose of this lecture is to tell you briefly and in a simple way something of the teachings of this great religion, and how it may become the gospel of salvation for you and for all mankind.

There are no doubt some here who are attending their first Christian Science lecture, seeking salvation and freedom from sorrow, sickness, heartaches, discouragement, and sin, yearning to know who and what God is, and how to understand and enjoy the many rich promises of the Bible to the problems of everyday living. To all such earnest seekers, let me say, I know from my own experience that in Christian Science you will find answer to your quest and your longings for relief from the ills of the flesh. And let me say to those who long for spiritual enlightenment that you need never go away empty handed.

Over nineteen years ago my husband turned to Christian Science for healing, having been pronounced hopelessly ill with tuberculosis by physicians of different medical schools. Many material remedies, as well as exercise, out-of-door living, diet, and change of climate were tried, but every one of them failed. Both specialists and our family physician told us that no more could be done, that the condition was hopeless and the end near and inevitable.

At this time a friend who had been wonderfully healed in Christian Science invited me to attend a Wednesday evening service in a Christian Science church. I heard many convincing testimonies of healing, the overcoming of both sickness and sin, and it was evident to me that those who testified were sincere and were experiencing an abundance of health and happiness, a regeneration both physical and spiritual. The encouragement I received from the testimonies given caused new hope to spring up in my heart, and it was not a great time afterward that my husband was completely and permanently healed through Christian Science.

Should any one here have the slightest doubt as to the permanency of this healing, please let me add that years later, during the World War, my husband passed the rigid army medical examination and was pronounced by the examining physician to be in perfect physical condition. When we first sought the aid of a Christian Science practitioner, the necessity of our studying the Bible and the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, was clearly shown to us. And I can assure you that those who will carefully and earnestly follow the advice there given to us will receive the help they seek.

During the foregoing experience, I attended my first Christian Science lecture and the occasion is still a vivid memory. I felt the lecturer was talking directly to me. He explained so clearly that God is Love, that God is Principle, an ever present help in all trouble. For the first time, the possibility of working out my own salvation according to exact law, and making practical use of the rich promises contained in the Scriptures, dawned upon me.

In the Bible we are taught to work, watch, and pray, and Jesus said, "The works that I do shall be done also." To work out a problem in mathematics correctly, one must understand something of the rule or law governing that problem, just as one must understand something of the laws of music in order to express its harmony and beauty. To work out the problems of life according to divine law and to be able to prove our way step by step, we must understand not only the law, but the divine Principle from which all real law emanates. Christian Science teaches that the fundamental Principle, the first and only Cause is God. In the Bible we read, in Genesis, "And God saw every thing that he had made, and behold, it was very good." Does it not therefore follow that the law governing God's perfect creation must, of necessity, be exact, unchanging, and perfect? The real man of God's creating, must forever manifest all the eternal, spiritual qualities of his Maker, and can never be deprived of this rich inheritance.

In the Christian Science textbook on page 476 Mrs. Eddy writes, "Jesus beheld in Science the perfect man, who appeared to him where sinning mortal man appears to mortals. In this perfect man the Saviour saw God's own likeness, and this correct view of man healed the sick." Let us see what is the correct view of man. First of all, the Bible declares that God created man in the image of Himself. Then if man is created in the image and likeness of God he reflects all of God's qualities. Man must reflect incorporeality, for God is incorporeal. Therefore man cannot reflect matter or mortality. God is Mind. Man, then, as God's idea or reflection, expresses always, for God is infinite, this one Mind. Therefore, man reflects all intelligence, has all wisdom, and is only capable of judging wisely, for Mind, God, is supreme.

God is Soul, Spirit, or substance. Man has, as his rightful heritage, substance. Man is spiritual, because he reflects Spirit, and is incapable of sin, sickness, and death, because these are not substance. They have no reality in the spiritual universe and hence are unreal.

Then the natural conclusion from the correct view of man is that he is spiritual, because he is the reflection of his Father, Mother, Spirit. Man is intelligent, because the one Mind, God, is supreme and eternal. Man reflects health, happiness, and harmony, because he is the infinite expression of Soul or substance, which does not sin, suffer, or cause discord of any kind.

I saw the truth of this statement proved several years ago in the case of a young man who was suffering from insanity through Christian Science treatment. This man, who was suffering from a complication of diseases, was placed in a hospital in a large eastern city. He had the best care that love and money could provide. He had the constant attention of eminent physicians and specialists, who after many months of treatment pronounced him insane, incurable, and beyond the aid of medicine or surgery. Finally, the physicians recommended that he be placed in an asylum, and a trustee was appointed by the court to take charge of his business. In less than one month after he entered the asylum, he was healed through Christian Science treatment, and he was permitted to return to his home. A short time after this healing, he again appeared in the court that had pronounced him insane. He was declared to be mentally sound and normal, after a thorough examination by physicians, and regained complete control of his business. He is, to-day, an active, keen, and successful business man. This healing was accomplished through the realization of the truth about man; that man is spiritual, the image and likeness of God, that he reflects health, happiness, and freedom here and now.

Just as we, as seekers for Truth, think for a moment that a sick, sinning, dying mortal, the man of flesh, blood, and bones, could be the real man made in the image and likeness of God? Mankind, however, meaning the mortal material concept of man, needs to be awakened from the Adam-dream, the cause of all human woe, from the belief of life in matter, the belief that man is formed of matter, just as the ground, to the contemplation and realization of man's true birthright, his God-given dominion over all things. The study of Christian Science corrects this mistaken view of man and dispenses the mist of materiality with the sunlight of spiritual understanding, and reveals the true man.

I am sure that all who have had the experience of being enveloped in a dense fog will agree with me that the densest fog of materiality is very helpless indeed. In fact, it seems impossible to make progress in any direction. But, as soon as the fog or mist is dispersed, one is free again to go about his duties and express normal activity. This revelation of Truth, that man is spiritual and perfect, when understood, will rend the veil of matter, clear the befogged thinking, and has caused a human misery, and will set man free to enjoy the good things prepared for him by his heavenly Father.

That Jesus never lost sight of the real man, or the correct view of man, we have abundant proof in the records of his healing all who sought him, no matter whether the condition to be healed was mental, moral, or physical. Does this not make plain to each one of us that seeking salvation we should humbly pray without ceasing for spiritual perception, for spiritual light that will reveal our true being, thus freeing ourselves, as it will free all mankind, from the bondage of materiality?

Salvation

Christ Jesus came showing us the way of salvation, as the Scriptures tell us, that he came to seek and "save that which was lost." He came teaching mortals, by example and precept, how to work out the problems of life, how to escape from the bondage of sin, sickness, sorrow, and death, and how to reach the goal of happiness, health, success, and freedom. To experience the salvation taught by Jesus one must follow his teaching and example, and do the necessary works. One must willingly give up sin as well as sickness, for full salvation means complete regeneration.

The erroneous belief that one has to pass through the experience of actual death in order to find salvation has kept countless numbers from desiring or seeking salvation. This way of obtaining salvation has not appealed to many.

Christian Science as introduced by Mrs. Eddy makes the teachings of Jesus so clear and simple that they may be used effectively by you and by all mankind in working out the problems of everyday living. Christian Science proclaims with Paul, "Now is the day of salvation." Now is the time and place to be saved from all the torment of human suffering, which is the result of wrong thinking.

All the progress that has ever been made, all the good that has ever been accomplished in the world, is the result of right thinking. We cannot do the simplest task without first having it in thought. All work is primarily mental. For example, who is not awed by the humanness expressed in the operation of a modern printing press, as one watches a newspaper pass through the different stages—printing, folding, wrapping, addressing, sorting, and placing in the bags ready for mailing? While one is impressed by the mechanical perfection, the speed, the accuracy, yet one realizes that without the direction of thought not one wheel

can turn. To further illustrate the point, all great religious and educational institutions, music, art, literature, the marvelous invention of the age, the wonderful industrial, financial, and agricultural achievements of the world are but externalized thought. Just so, all crime, distress, misery, adversity, all the unhappy conditions of the world that mortal mind tries to lay at the door of circumstance are but the results of wrong thinking.

The question naturally arises, How, oh, how can one escape from the bondage of wrong thinking? It is impossible to bow separate from one's thoughts. How can one be saved by right thinking and learn to do the works of Jesus? Christian Science is the way. It is the same truth or way that Jesus proclaimed to the world when he said, "Ye shall know the truth, and the truth shall make you free." This freedom from all wrong thinking that results in human misery is not accomplished through human intellect or willpower, but through the spiritual understanding of Truth.

The study of Christian Science shows clearly that the Mind which was in Christ Jesus is God, and that man reflects this Mind, which is infinite intelligence. He is thereby endowed with the ability to think correctly and to know and understand the truth taught by Jesus. This understanding or right thinking corrects and destroys the false material concept of man and his universe. Thus it frees man from the dire effects of wrong thinking, which always results in wrong doing. In seeking to be saved from all such evil and its effects, it is necessary to work very hard, indeed, striving continually to manifest the same faith and humility expressed by those who sought Jesus for healing.

If we will but stop and ponder as we read in the Bible of all his wonderful healings, how can we fail to realize that the blind saw, the dumb spoke, the lame walked, and the dead were raised, we realize that many sought this healing or salvation with humbleness of heart. Some said if they could but touch the hem of his garment, or if he would but speak the word, they would be healed. Surely this should awaken mankind to the necessity of expressing the same spirit of humility and trustfulness when turning to the truth today, to Christian Science, for spiritual healing.

So in working out one's salvation one should seek to strive, in all humility, to understand the inexorable law of God, which, when rightly understood and applied, will solve every problem in human experience, will supply all good. Should the progress, however, seem slow or the path rough and one, one should pray with confidence for humility and meekness, for spiritual light that one may discern more clearly God's spiritual law, God's spiritual creation, to see the man of God's creating. Then, in seeking salvation one's greatest need is for spiritual perception. For this one should pray constantly.

Prayer

In the Scriptures we are admonished to seek God through prayer. And Paul tells us to "pray without ceasing." Surely you will agree with me, since constant prayer is essential, it is absolutely necessary that we understand the true nature of prayer.

In the Christian Science textbook we read, "Desire is prayer" (Science and Health, p. 1). Could there be a clearer, more simple definition of prayer? Does this not make prayer a vital, living, and practical help in working out our salvation? We can all of us, every waking moment, desire to know good, to be good, and to do good. Let us never let any one say to you again that Christian Scientists do not pray, or that they do not desire to know good, or that they do not desire to be good, or that they do not desire to do good. This is the desire to know God, the true and only source of existence. This knowing, then, brings to us the understanding that man God's reflection, must of necessity express good or be God-like; that the only desire spiritual man can have is to do God's will.

We read in Genesis that God's work was finished, that it was good, that it was complete and perfect; that God made man in His "image and likeness," and that He gave him dominion over all things. Surely, it is clear to all that no form of prayer could add to or alter God's perfect spiritual creation. Neither should there be any reason for desire to bring about any change.

Thus we see that it is not necessary to plead with God or to kneel for health, success, happiness, and freedom. But rather is true prayer the affirmation and realization that God has already given all good, success, health, and happiness to His children. It must follow, then, that man's true birthright is freedom, and that this perfection and dominion is made manifest in our lives in the degree that we desire holiness, to live in obedience to God.

We must be clear to all, then, that we should not stop with desiring good. But we should willingly strive, with our whole heart, to express this activity that will bring our right desires into fulfillment. We should strive constantly to express love, mercy, justice, purity, and make practical use of our right desires as we go about our daily tasks. This practical application of prayer is clearly illustrated by the experience of two little girls who found they were going to be late for school. One said, "Oh, let us stop and pray." The other said, "No, let us run, and pray as we go," which they did, and reached school in time. This clearly shows the necessity of not only praying, but putting that right desire into action. It shows that both thinking and doing are absolutely essential to being desired results. It proves that God "helps those who help themselves."

But one may say, "I am unhappy, sick, wicked, discouraged, and a complete failure in life. How can desire get me out of my misery?" Just know that the misery does not belong to you, and as God's honest child, you have no right to hold on to something, or nothing that is not your own. Know that such conditions are not true because they are not God-given. They are but the result of wrong thinking or the belief of a power, mind, or creation apart from God.

How could one think for a moment that God, who knows only good, could send sickness, sin, sorrow, and death? These conditions have not one iota of good in them, and could not proceed from God, who is infinite good. Is it not clear, then, that the way to escape

from all sick, miserable thoughts, that produce all human suffering and woe, is to know that because they are not of God they are not real, that they have neither power nor dominion over man, God's reflection? Man has the God-given ability to think pure, holy thoughts.

To bring about healing, our prayers must be pure and unselfish. We must express patience, love, kindness, forgiveness, and purity in our thinking. If we desire success and happiness in our homes, professions, and business, we must pray, affirm, and know that it is our divine right to express dominion over all things. Christian Science is not only awakening mankind to desire better health, morals, ideals, and standards of living, but it is showing, in the most practical way, how these ideals may be realized and expressed in better human conditions.

Christian Science has revealed to the world that the way of full salvation, as taught by Christ Jesus, is to know God aright, and this true knowledge brings to all, peace, joy, health, happiness, and success. However, we know this awakening can only come through pure, holy desires. These pure, unselfish desires will enable us to strive without ceasing, with our whole heart, for inspiration, for enlightenment, that we may radiate and express God's spiritual creation. We shall willingly, and with great joy, leave the old for the new, leave the old landmarks of sin, sickness, sorrow, and failure, that we may reflect His glory. We shall willingly pray for spiritual discernment and ability to impart and share this glory with others, to know that God does reveal to us here and now His infinite holy purpose.

Jesus, our great Way-shower, taught his own people the way of the Lord's Prayer. This prayer is loved and revered by all Christian people, and well, when rightly understood and applied, meet, in the most practical way, every human need.

The Bible

All Christian Scientists are taught to love and study the Bible. The teachings of Christian Science, as given in "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will unlock to all earnest seekers, when rightly understood, the treasures of the Bible and make their rich promises usable to all, here and now. On page 497 of Science and Health the first religious tenet of this great teaching is found. It reads, "As adherents of Truth, we take the inspired Word of the Bible as our sufficient guide to eternal life." The teaching of Christian Science in its entirety is founded on the Bible. Mrs. Eddy tells us in her writings that the Bible was her only textbook, her only teacher, her sole authority, that she had no other guide in her search for spiritual light.

In the Christian Science Sunday School the children are taught the Scriptures, the truth about God and man. They are taught to understand the life purpose of our Way-shower, Christ Jesus. They become familiar with the life and works of the early prophets and the apostles. They become familiar with the glorious promises of the Bible and how the wonderful healings were accomplished through the right understanding of God and man. The children in the Sunday School are early taught the Commandments and Beatitudes and how to make them usable in their lives. Often the very first sentence formed by their baby lips is "God is Love."

It is not uncommon in a Christian Science home for each member of the family to own a copy of the Bible and to study daily and discuss with others the great truths. Surely no one who reads will ever let any one say to you again that Christian Scientists do not read and study the Bible. It is indeed their daily companion, for through its sacred pages the great spiritual light, the Christ, is made known.

Christ

Christian Science teaches that Christ is the complete expression of God's nature, the light of spiritual understanding that reveals God, and destroys the darkness of materiality. Christ is the great spiritual light of truth that touched the lives of the early Christians, of Abraham, Jacob, and the prophets. Christ is the light that revealed to Moses the Ten Commandments, the light that guided the children of Israel through the Red Sea, that saved the Hebrews in the fiery furnace, that protected Daniel in the lions' den. Christ is the great light that has touched and purified the hearts of the Christian men and women throughout all time, giving them rest and peace. This light of truth and spiritual understanding was expressed in fullest measure by the great master Christian, Jesus the Christ.

Once when teaching a class of small boys in a Christian Science Sunday School the question was asked, "What is Christ?" A small boy ten years of age gave the answer, "Christ is light." Then he explained it in this simple way, "Before we know about God it is as if we were in a perfectly dark room, sick, unhappy, and afraid. A tiny light is then turned on by some one explaining about God. Then to have more and more light, one must go on learning about God, and to have all the light turned on, one must know all about God." This child's explanation of Christ has always been helpful to me. Surely we all agree that the way to destroy the darkness in a room is to turn on the light. Does it matter how long the darkness has existed? The immediate and unfailing remedy is light.

Christian Science teaches that God is All-in-all, and that this correct understanding of God reveals the spiritual light that destroys the darkness of materiality.

This provable understanding of this great redemptive saving power of Christ, is available to all mankind, and is today healing all manner of sickness and sin. It is wiping all tears from the eyes, binding up the broken-hearted, giving rest and strength to the weary and heavy-laden, thus enabling each one of us to face the problem of life with courage and joy.

In the words of a favorite hymn (Christian Science Hymnal, p. 251): "Faint not nor fear, His arms are near: He changeth not, and thou art dear: Rely on Him, and thou shalt see: That Christ is all in all to thee."

Jesus

The light shown upon the Scriptures through the revelation and study of Christian Science makes clear to

one the life mission of our Way-shower, Christ Jesus, whose infinite compassion enabled him to be the mediator between Spirit and flesh, to discern between the false and the true. This spiritual conception and origin of Jesus enabled him to see his oneness with the Father. Being born of a human mother, he was able to know the needs of humanity. He knew the remedy for all ills of the flesh. He knew how to rend the veil of matter and behold the perfect man. He came teaching mortals the way of full salvation.

Mortal man is prone to rely upon his own efforts, his own belief of ability in seeking safety, protection, and preservation. In Christian Science he learns to rely upon God for his protection and help; and this reliance on God makes his own efforts for salvation effective.

Through the study of Christian Science one may understand how to make the most practical use of the teachings of Jesus. Countless numbers are ready to testify that through this understanding they have been healed. They have been able to drop their burdens of human woe, and have gained peace, health, happiness, and rest beside the "still waters" of spiritual understanding.

Jesus rebuked sin of every name and nature as well as sickness, yet with the greatest love and compassion. Perhaps no more touching example of his tender compassion could be given than when he said to the adulterous woman, "Go, and sin no more."

He healed all manner of disease, fed the multitudes, walked on the waves, raised the dead, and finally made his own demonstration over death and the grave. All this he did best of all, that we might know how for humanity, that we might know how to work out our own life problems aright, that we might experience freedom and salvation from all materiality and prove our oneness with the Father.

Discoverer and Founder

In the gospel of John, Jesus promised that God would send us another Comforter, which would bring into remembrance all his sayings, that this Comforter would remain with us forever and teach us all things. This Comforter or truth of being was again revealed to the world in 1866, by Mary Baker Eddy, the Discoverer and Founder of Christian Science. Mrs. Eddy was a New England, gentlewoman, whose Scotch-English ancestry crossed the ocean to America seeking religious freedom. Although Mrs. Eddy was a delicate child, she received the most careful and thorough education. From early childhood she was deeply religious, ever seeking to know God, earnestly praying for divine guidance. At the age of twelve she united with the Congregational church and remained a member of that religious body until she founded the Christian Science church in 1879.

It is difficult to express, in words, one's appreciation of the great Leader of the Christian Science movement, whose thought was always reaching out and up to God. Through years of seeking, years of sorrow and suffering, her thought was forced higher and higher. At last in an hour of great extremity, after suffering three days from an injury caused by an accident, an injury from which her physician said she could not recover, she asked to be left alone with the Bible and received the revelation which healed her immediately. The physician and her family, not being able to understand what had taken place, felt a miracle had been wrought. With this healing came the great desire to share the discovery with others.

On page 169 of Science and Health Mrs. Eddy writes: "For three years after my discovery, I sought the solution of this problem of Mind-healing, searched the Scriptures and read little else, kept aloof from society, and devoted time and energies to discovering a positive rule." As a result of Mrs. Eddy's prayer and searching, the Christian Science textbook, "Science and Health with Key to the Scriptures," was published in 1875. Mrs. Eddy revised this textbook from time to time as her thought and manner of presentation grew. The last general revision, which contains a complete exposition of the teachings of Christian Science, was made in 1907.

On page 318 of "Miscellaneous Writings," in speaking of the spiritual equipment one should have before entering upon the gospel work of teaching Christian Science, Mrs. Eddy says, "Before entering this sacred field of labor, the student must have studied faithfully the latest editions of my works, and be a good Bible scholar, and a devout, consecrated Christian." It follows, therefore, that those who would study Mrs. Eddy's writings in conformity with her request, and who desire to gain the greatest possible good, will use the present editions of her writings as all their work.

After organizing The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, Mrs. Eddy's great love for God and humanity led her to write the Manual of The Mother Church, whose tenets, rules, and by-laws are lovingly subscribed to by its members.

As a part of this great movement Mrs. Eddy established the Christian Science periodicals. These are designed to carry the message of salvation to waiting hungry hearts throughout the world.

In 1908, The Christian Science Monitor was founded, an international daily newspaper. Its object, the Founder stated was "to injure no man, but to bless all mankind" (Miscellaneous Writings, p. 353). This paper disseminates only good news of a universal character, and is circulated in all parts of the globe. With its able editorial staff, its unexcelled news gathering method, its many feature pages and dependable advertising, the paper provides a veritable storehouse of helpfulness to all thinking people, and it is invaluable for the home.

The Christian Science Monitor has an especial appeal for children of all ages. It may be given to them with the full assurance that they will not come in contact with unwholesome reading matter. I was once told of a young lad who had been an inveterate reader of daily newspapers, who, after reading The Christian Science Monitor exclusively for one week, exclaimed, "Mother, the world is growing better. There has not been a murder in the whole world for a week."

If you are not familiar with this

paper, it will be to your interest to become a reader of it. You will find it on sale at Christian Science Reading Rooms, and on many news stands.

The Mother Church and its branch churches, throughout the world, maintain free Christian Science Reading Rooms. Here the Bible, all Mrs. Eddy's writings, all authorized Christian Science literature may be read, borrowed, or purchased.

Is it any wonder that the Christian Scientists reverse this divinely inspired woman, Mrs. Eddy? Her pure love for God and humanity enabled her to scale the celestial peaks and reveal to this age the way of full salvation, which is but another name for practical Christianity daily lived and demonstrated.

Healing

Christian Science, the way of full salvation, has come to bring peace, joy, happiness, and success to the whole world. It is the truth that reveals and makes clear to human comprehension the all-mightiness of God, that He is infinite, all-inclusive good, the sole Creator of the universe. Also, it makes clear that man, made in His image and likeness, must and does reflect God's perfection. Therefore it is impossible to add to or take from the perfect likeness of God, because reflection can never be changed without changing its source. Reflection is of feet, not cause.

For example, if a beautiful, perfect rose is placed in a room lined with mirrors, the reflections will be countless. Yet, each reflection maintains its individuality, beauty, and perfection. Can these reflections be altered or changed? No, not without changing or destroying the source from which the reflections come. Hence, the only correct method before mortals will perceive a reflection is to reach to the source, that since God is changeless and will forever remain the source, Cause, or Creator of His perfect spiritual creation, man, His reflection, cannot be touched, changed, or destroyed by a belief of mortality. Neither can man lose his perfect, spiritual identity as an individuality.

As mortals cling steadfastly to the truth about God and man, the light of spiritual understanding will dawn upon human consciousness and penetrate and destroy the mist of materiality, thus revealing to human apprehension the man of God's creating. However, there must first be a desire for holiness before mortals are willing to do the necessary work to bring in the new experience. The time is required before mortals will perceive a reflection, and maintain in thought the perfect likeness of God, will depend upon the amount of darkness, wrong thinking, to be overcome, and the faithfulness in trying to overcome it. It will require constant prayer, work, and watchfulness to overcome, eliminate, and obliterate from human consciousness all that is unlike good.

In eliminating from thought all materiality, one may learn a valuable lesson from the refiners of silver in the olden times. A refiner knew his work of separating the dross from the silver was not complete until he could see his reflection perfectly in the molten mass. Therefore, to experience full salvation it will be necessary for each one of us to continue our work of separating the dross of materiality from the silver of pure, unadulterated thought. We must think until the last particle of materiality has been consumed in the furnace of spiritual understanding, the by gaining the clear spiritual perception that will reveal to us God's perfection.

Christian Science teaches that salvation means transformation of thought. Paul explained clearly that this process of transformation is mental, and said, "Be ye transformed by the renewing of your mind." He also said, "To be carnally minded is death; to be spiritually minded is life and peace." When a new thought, that knocks at the mental door, it should be analyzed. If it is not good it is of God, and should not be admitted. Fear is one of the greatest enemies of the mind. It is a mental pain. Perhaps no one's belief of fear is more suffering or unhappiness. A surely every one in this audience would rejoice to be saved from fear and its dire effects. Fear is the soul of many ills of the flesh, of all jealousy, and desire for revenge. Humanity, down through the ages, has been struggling to be free from the bondage of fear.

Christian Science declares that order to master fear, prove its nothingness and cast it out, we must see that it is wholly mental, that it has, seeming origin in the darkness of ignorance and mortality. Therefore, should be brought to the light of a spiritual understanding to be destroyed. The Bible gives us an exact and failing remedy for fear. John 8:12, "I am the light of the world. He that followeth me shall not walk in darkness, but shall have the light of life." What is perfect love? Christian Science teaches that God is Love. Therefore, fear, which is the fruit of the carnal mind, does not and cannot exist in Love. Spirit, Fear is entirely unlike God, and brings forth sorrow and unhappiness to all its victims. Should fear present itself to a thought in the nature of hate, malice, or any other emotion, it is a sign of insanity, or death, the remedy Love. One must know that God is pure and health to His children. God supplies all good, that He upholds and protects, that man reflects His Mind, and that no faculty of Mind be lost or impaired; and last, to know that man reflects God, who is ever in life. If we should meet, malice, or any other emotion, it is a sign of insanity, or death, the remedy Love. One must know that God is pure and health to His children. God supplies all good, that He upholds and protects, that man reflects His Mind, and that no faculty of Mind be lost or impaired; and last, to know that man reflects God, who is ever in life. If we should meet, malice, or any other emotion, it is a sign of insanity, or death, the remedy Love. One must know that God is pure and health to His children. God supplies all good, that He upholds and protects, that man reflects His Mind, and that no faculty of Mind be lost or impaired; and last, to know that man reflects God, who is ever in life. following, with refreshments, was a fitting end to a very worth while club meeting.

Auburndale Review Club

Mrs. Edward Payson Drew was hostess for the Auburndale Review Club at its regular meeting on Tuesday, November 3rd.

Martha's Vineyard and Nantucket were described by Miss Eleanor C. Williams, as to their history, the origin of their names, the early settlers, etc., with an amusing and entertaining account of her first visit to Martha's Vineyard in the days when a visit to the seashore was very rare and when bathing suits were extremely modest. Mrs. G. F. Howland mentioned many of the landmarks of Boston as she took us across the Common, up onto Beacon Hill, past the homes of Aldrich, Parkman, Hawthorne and many other writers, through the State House, where a most valuable document, the log of the Mayflower, is carefully preserved, down to Kings Chapel with its more-than-a-century-old clock and organ, farther on to the old State House that Chicago once proposed to buy and move to its lake front, and to the North End where the signal lanterns hung for Paul Revere. She closed her paper with a vivid description of Christmas eve on Beacon Hill.

Mrs. C. E. Kattelle then took us to Gloucester that has grown from a little fishing village from which most of the men went out in small boats and fished over the rail, to one of the largest fishing ports in the world, where many nets and lines are made and from which fish, preserved in many ways, are sent all around the world; one firm alone having 125,000 customers.

This was one of the most entertaining, instructive and interesting programs, and to add much to its pleasure and interest, Mrs. Willis Graham, of Waltham, accompanied by Mrs. Franklin Leland, a club member, sang three songs. Her selections were "The Star," "The Answer," and "Trees."

Newtonville Woman's Club

The Newtonville Woman's Club started on its year's program most auspiciously on Tuesday afternoon, November 3rd.

In the absence of the President, Mrs. Decatur, Mrs. Charles D. Kepner, vice-president, presided. After the necessary business, Mrs. John E. Cox sang three songs most acceptably, and then the speaker of the afternoon, Willard D. Sperry, Dean of the Harvard Divinity School, gave a most inspiring address on "The Cultural Problem of Work."

He spoke of work as an elemental word; common to all races and ages, he said that Tolstol used to speak of the "bread-labor" of the world and Dean Sperry called attention to three doctrines concerning this bread-labor.

1. That work is a punishment.
2. That work is a stony soil out of which grows the fine flower of culture. We work so that we can belong to the leisure class.
3. That God did not finish his creation, but is going on with it still, and work, at its best, is our way of helping God finish his creation.

This third doctrine was evidently his doctrine. The essence of tragedy is loss, he continued. In order to help people escape tragedies, he made the following suggestions:—
Each has his bread-labor. He may have to adjust it. It is essential that we believe that this is a living—not a dead world.

It is right to do interesting work. Encourage young people to choose vocations in which they are interested. The best things in the world come by inspiration. Inspirations are the corollaries of the drudgery of life. Go in for quality rather than quantity of work. We never get perfection but once in a while we attain something that suggests it. The Great Teacher encourages us to work when he says: "Thy Father worketh even till now and I work."

Tea was served by the Hospitality Committee, Mrs. Frederick M. Harding, Chairman, and the Civics Committee, Mrs. William T. Timble, Chairman, held a food sale.

Social Science Club

On Wednesday, November 4th, the Social Science Club held its first meeting of the season, with the President, Mrs. Franklin Smith, in the chair. After the routine business with reports from different committees was concluded, Mrs. Wenona Osborne Pinkham, Secretary of the Massachusetts Civic League, explained the referendum concerning the Veterans' Preference Bill, which, briefly, is intended to reduce the preference given to veterans in securing positions under the civil service. Mrs. Pinkham answered many questions asked by club members, and after the meeting an opportunity was given to sign the petition to those who wished to do so.

COMING EVENTS

Newton Highlands Shakespeare Club

Two days in succession of pleasure and profit proves the enthusiasm, capability, and club spirit of the Shakespeare Club. On Friday, the 6th, the club gives a Bridge Party, for the benefit of its Philanthropic Fund, so combining social and charitable in a happy afternoon. Mrs. Mildred Stratton opens her home at 15 Glenmore road for this event, and once again she acts as hostess on the following afternoon, the 7th, so indicating a gracious spirit of hospitality and true club loyalty. Mrs. Bernard Early has charge of the discussion on the latter day, when for the regular meeting the study of King Lear is continued, with the Third Act as the topic of quizz and appreciation.

Newton District Nursing Association

A Luncheon Meeting is to be the profitable and enjoyable Annual Meeting for the District Nursing Association at the Newton Centre Woman's Club, on November 9th, at 12.30 o'clock. Tickets at seventy-five cents each should be obtained not later than the 6th, at the office, 12 Austin street, Newtonville. Tel. N. N. 4880. Inspir-

Mrs. Geo. W. St. Amant, Chairman, is

ing reports of good work done in the past year, ideas for the continuance of splendid service, and a revision of the by-laws, will be the business brought to the attention of all who are—and rightly should be—interested to know about and to help in this great work for good.

Monday Club of Newton Highlands

Ex-Presidents' Day, November 9th, marks the next enjoyable meeting of the Monday Club. Mrs. James Kingman opens her home on Fisher avenue to members and guests for the enjoyment of reminiscences, music, friends past and present, and forever, and for the celebration of the happy years of the club's flourishing.

Newton Highlands C. L. S. C.

"Franklin" is the "Maker of America," occupying the study and consideration of the C. L. S. C. at its past meeting on October 26th, and at the next meeting on November 9th. Having considered him in Biography and Fiction, the members will now turn to his Writings, as a source of information, inspiration, and pleasure in his Americanism. Mrs. Emory Clark will bring to the attention of her fellow members the Writings of this great American, and Miss Mary E. Hyde will be hostess for the afternoon.

Social Science Club

On Wednesday, November 11th, the Social Science Club will begin the Study Topic for the year: "Development of our Country, 1825-1910," with a paper by Mrs. Nathan Heard on "The United States on the Sea."

Newton Centre Woman's Club

The next meeting of the Newton Centre Woman's Club, on November 12th, will be the Current Events Lecture, by Mrs. Grace Morrison Poole, with Mrs. Harold M. Bowman, Chairman of the Educational Committee, in charge of the morning. The hour of the lecture is 10.30 A. M.

Newton Community Club

Guest Night once more comes into its own on the evening of the 12th for the Newton Community Club, now that it has a large hall wherein to entertain many besides members. Education Week is celebrated by the program to be given at that time, and the preparations for the evening take in so many interesting community talents that it should be of especial interest to everyone in the community. Bigelow School children will display both genius, artistry and grace—folk dancing, dramatizing the latter two, and the drawing of posters by pupils of the eighth grade, in eager competition, exemplifying the former two. Not the least of the competition of young genius is the excitement engendered in the knowledge that no less a personage than the Mayor of Newton, Hon. Edwin O. Childs, will reward four lucky young persons, by the presentation of that proud evening of two first and two second prizes, for the leading examples of Newton talent in drawing.

And the Bigelow School is not the only institution of learning which is to contribute to artistic talent for the delectation of club members, fathers, mothers, and admiring, sympathetic friends. The High School Orchestra, justly winning, and having won, fame for its excellent playing, is to give the musical entertainment of the evening.

Added to which, the Education Committee, with Mrs. Leslie O. Cummings, Chairman, announces with pride that they have been so fortunate as to secure as speaker for the evening Dr. Paul H. Hannus, Professor Emeritus of Education at Harvard University. His subject will be: "On What Does Educational Progress Depend?"

The Education Committee, therefore, and the Executive Board of the Newton Community Club extends a most cordial INVITATION TO ALL CITIZENS of Newton to attend this open meeting, to be held Thursday evening, the 12th, at eight o'clock, in the New Underwood School Hall, and they hope that club members and many friends and neighbors may be able to take advantage of the unusual opportunity to hear an educator who is so widely known.

On the same day—somewhat unfortunately—but in the afternoon, at 3.15 o'clock, the club members are asked not to forget that there is to be a Style Show on "Heads and Hats" at Filene's. Tea is included in the afternoon's entertainment, and club members who desire to indulge in tea, and to discover what hats fit their person, attitudes, and what hairdressing will enhance their charms, should apply at once to some member of the Classes Committee for tickets.

Newtonville Woman's Club

Friday, November 13th, Mrs. Albert Lyon, 597 Walnut street, will open her home from one to five o'clock for an apron and food sale, and tea. Mrs. Charles R. Lynde will have the aprons in charge; Mrs. Horton Allen will direct the food sale, and Miss Helen K. Bailey will serve tea. The proceeds of the afternoon will be devoted to the purchasing of new dishes.

Members of the club are reminded of the class in candy making. The first meeting will be held in the cooking laboratory of the Junior High School on Thursday, November 12th at three o'clock.

Remember the Posture Class on Thursday mornings at Central Church in the Social Hall. Remember that one builds for the future, be it a temple of stone or of flesh.

West Newton Women's Educational Club

The annual bridge and whist party, Mrs. Geo. W. St. Amant, Chairman, is

to be held at the Brae Burn Country Club, on Friday, November 13th, at 2 P. M.

The proceeds of this affair are for the Electa N. L. Walton Scholarship Fund.

Fifteen years ago, under St. Amant, Chairman of the Education Committee, the fund was established as a memorial to the founder of the club. Since then, assistance from it has been given to some worthy Newton girl for educational advancement.

The Travel Class will continue the study of The Holy Land and The Bible on Monday, November 9th, at 2.30 P. M., at the home of Mrs. Justin D. Starkie. Papers are to be given by Mrs. John R. McLean and Mrs. Alvah L. Jordan.

Newton Upper Falls Woman's Club

Dramatics, the ever-popular, comes in a welcome announcement that three rehearsals in a week are now taking place under the able supervision of Mr. Jack Cronin, which means a splendid Musical Revue, composed of village young people, for the benefit of the Newton Upper Falls Woman's Club.

Wednesday night, November 18th, the Emerson School Hall should be filled with the residents of the entire village to see how well these young people can perform.

GIRL SCOUTS

Sing a song of Girl Scouts
An oven full of dough
Four and twenty cookies
Baking in a row.
When the door was opened
The Scouts began to sing
GIRL SCOUT COOKIES
THAT'S THE THING.

Can't you smell them? The best cookies ever made. Mixed, cut and baked, all by the Girl Scouts. If you don't believe it, just go and see for yourself. Troops 1 and X will be baking all day in one of the new stores on Walnut street, just around the corner from Washington street. If you live in Newton you'll find the Girl Scouts of that village in one of the new stores on the corner of Washington and Centre streets. The Scouts in Auburndale have been fortunate in securing a store on the corner of Commonwealth avenue and Lexington streets. Headquarters for the West Newton Troops will be the kitchen of the Congregational Church, Waban, Newton Centre and Newton Highlands will all have cookies, with centres in some prominent places in the village. All the cookies will be made from the same receipt. The now famous "Girl Scout Cookie."

COOKIE DAY COMES BUT ONCE A YEAR. THIS YEAR IT IS SATURDAY, NOVEMBER 7.

Newton Highlands has sent in its full quota to the Newton Council Girl Scouts and Troops XI and XXI are second on the Honor Roll. Congratulations, Newton Highlands! The schedule for tests for Merit Badges is out. Those to be given this month are the Flower-finder, Canner, Child-nurse, Craftsman, Laundress, Musician and Bird-hunter. Many of the Scouts have been preparing for these tests at camp or at home during the summer. The next group of tests will be given in January.

CITY OF NEWTON, MASSACHUSETTS

The Planning Board acting as a Board of Survey, will give a public hearing at City Hall, West Newton, Mass., Tuesday, November 17th, 1925, at 8.00 o'clock P. M. for the consideration of the following plans:

1. Plan of Plymouth Road, Newton Highlands. "Proposed development of land of Haynes & Hernandez Inc., E. M. Brooks, C. E., October 21, 1925."

2. Plan of Lexington Street, Auburndale. "Proposed development of land of Daniel W. Scribner, Wm. E. Leonard, C. E., October 22, 1925."

3. Plan of Sharon Avenue, Robinson Street, Auburn Terrace and Commonwealth Avenue, Auburndale. "Proposed development of land of Walter Liberty, E. M. Brooks, C. E., November 3, 1925."

WILLIAM P. MORSE, Clerk.

SCHOOL NOTES

Edited by DOROTHY E. BUSHNELL

General

A little boy was returning from Sunday School not long ago, when two older boys of not more than ten or ten jumped out from behind a tree in front of his bicycle, forcing him to alight. They snatched his bicycle away from him, grabbed him by both arms and pushed his hands up into the air—sneering, "Give us your money!" The child didn't have a penny but he did have a very highly prized watch, an Ingersol which had been a long promised Christmas gift. They took this, knocked the little fellow down and ran.

The child wheeled his bicycle home doing mighty well to keep back the tears. The story was at once reported but the harm was done.

There was no doubt in the minds of the police that those boys had re-acted a "movie scene" to the minutest detail. There is no doubt in the minds of any intelligent man or woman that those same "movie scenes" are being lived over and over in the subconsciousness of every child who witnesses them. There is no doubt that, although four out of ten children who are regular attendants on an average of twice or three times a week, may escape without any temptation to outwardly express these "inward workings" the other six are only waiting for a ripe opportunity that will either catch them quite off their guard or that they may be directly planned as in the case of the small boy.

The mental status of the entire ten is being so lowered as to never care anything more than an exciting "movie" to go. These are called special children—those parents wish only the very best for their children—though schools do their utmost to keep the children in the wholesome out of doors—still the "movies" are packed literally to overflowing with these same children, in the most impressionable ages of their life—rates are reduced to make it easier for them to go—Saturday morning shows are given, so as to allow those who may have missed during the week a chance to go. These are called special children—those parents wish only the very best for their children—though schools do their utmost to keep the children in the wholesome out of doors—still the "movies" are packed literally to overflowing with these same children, in the most impressionable ages of their life—rates are reduced to make it easier for them to go—Saturday morning shows are given, so as to allow those who may have missed during the week a chance to go. FAVORS WORLD COURT

Rev. Dr. Cadman Speaks to Great Audience in Eliot Church on Tuesday Evening

Speaking before an audience that filled Eliot Church Tuesday evening, Rev. Dr. Cadman of Brooklyn, N. Y., urged that the people of the United States support President Harding in regard to the entrance of America into the World Court. Dr. Cadman's subject was "The Mission of the Republic." Preceding the address a musical program, consisting of an organ selection by Everett Truette and a group of tenor solos by J. Garfield Stone, was rendered. The close of the address the noted speaker answered several questions. Dr. Cadman stated that he did not agree with the theory that the rule of great people is limited to fifteen hundred years. If it were true the Anglo-Saxon race has five hundred years in which to repent and maintain the prestige of our fathers. He dwelt on the reign of Greece in the field of art, literature and philosophy, the reign of Rome in the field of law and commerce, and the reign of Islam in the realm of power. All of the nations have fallen from the throne which was once theirs. America must realize her mission unless she is to follow in the steps of the other great powers. "The small nations have been great and the great nations have been small," were Dr. Cadman's words in summing up the situation. Bigness is not the necessary factor of inherent righteousness, truth and justice are allies which in the end will vindicate themselves. The clergyman emphasized the fact that he did not recommend a policy of blind resistance nor would he under any conditions accept a lawless invasion. Nothing lives by force for force in its worst form is rank insanity and the day has come to rise above nationalism as our fathers rose above tribalism. Nine-tenths of our lives are occupied by pleasure and politics yet we should never allow the thoughts of the pilgrims and their achievements to grow dim, regardless of their theories and their theology but should always give ample room to conscience. Dr. Cadman characterized the 18th century as a period of low morals yet out of the morass men were produced who laid the foundation of the country and built the various settlements in the original thirteen states on religion. But for Abraham Lincoln, he said, we might not have had a united nation today. Every nation has its mission, America as well as the others. In the past our nation has not had a mission and has allowed the idea of self-preservation to become uppermost in the common mind. Not being an assimilated country there is no common mind and it takes a long time for an opinion to make itself felt. The war, however, brought the American people to one idea, justice and the mission of the American nation is to see that that war was a war to end war. Speaking of his recent visit to the Stockholm Conference the noted clergyman stated that while there he found it hard to distinguish between the victors and the vanquished of that great struggle. In conclusion Dr. Cadman stated that if the United States lets this opportunity to put forward peace with justice slip by, that it will decline as its predecessors before it. The best thing for the American people to do is to get behind its chief magistrate and join the World Court. Let the nation get behind this glorious New England in the White House in an unmistakable manner. What else should be done Dr. Cadman said he was not there to suggest, that there is enough legal ability and statesmen to furnish the means of preserving the integrity of the nation and advancing the cause of humanity.

AT HOME

The second of the series of "At Homes" given by Dr. and Mrs. George Isha May (née Winifred Arnold) occurred on Thursday, the 12th, at their residence, 348 Ward street, Newton Centre. The ladies who poured in the afternoon were Mrs. Daniel G. Wing of Boston, Mrs. Charles B. Gordon, Newton Centre, Mrs. Arthur Porter, Westbury, Miss Bertha W. Allen, Supt. of the Newton Hospital. In the evening Mrs. May was assisted by Mrs. Wallace B. Donnan of Cambridge, Mrs. Gifford LeCler of Waban, Mrs. Charles Sawin of Newton Centre, and Mrs. Silas R. Mills of Newton Highlands. The girls assisting Miss Shirley May with the serving were Mrs. Douglas Francis, Mrs. Warren Ordway, Mrs. Clarence C. Colby, Miss Ruth Chapin, Miss Rebecca Alvord, Miss Catherine Carlson and Miss Eleanor Mason. The decorations were greatly enhanced by the most generous gifts of flowers from many friends. The Waban Trio, Miss Emily Piser, cellist, Miss May Huesey, violinist, and Miss Helen Sanderson, pianist, again furnished music of an unusually high order. Among their selections were Beethoven's Minuet, the London-derry Airs, arranged by Kreisler, and the Angel's Serenade by Brager. The third in the series of receptions will be held on Thursday, the 19th, Dr. and Mrs. May have discovered that some of the announcements and invitations that they sent out have not been received. Hence, an invitation is hereby most cordially extended to all their friends, especially those of Greater Boston for either the 19th or the 26th (Thanksgiving Day.)

INVEST HELPFULLY

As between two investments, both equally safe, every man is glad to place his money where it does business and his town the most good. Money invested with our bank is loaned out for home building in this vicinity. This gives labor to the building trades, makes the community more prosperous and develops better citizens. It is, moreover, an investment that is supremely safe. At present we have 81 construction loans. We need your money to take more.

DISTRICT NURSING

One of the interesting events of the week was the Annual Meeting of the Newton District Nursing Association. It was a luncheon held at the Newton Centre Woman's Club. There were seventy-five members present, representing all of the villages of Newton. Mrs. St. Amant, the President, presided and after luncheon introduced Miss Elizabeth Ross, Director of the work, who showed some graphic charts illustrating the development and scope of the work done. The first chart pictured the growth of the organization since 1912 when the nurses going out from the Hospital made 5,000 visits to the year 1924-25 when the nurses made 13,000 nursing visits in the homes of the people of the Newtons. The earnings of the Association for the past year was \$5,128.88 while the cost of carrying on the work was \$11,915.60, which leaves a deficit of \$6,786.72. This amount is made up by membership fees of about a thousand members, gifts from clubs, churches and individuals. Last winter the Directors from each village ran a Bridge, the proceeds of which were given to the Newton District Nursing Association to carry on the work. Chestnut Hill varied the program by having a tennis tournament instead of a Bridge.

Of the thousand patients cared for during the year, 20 per cent were sick children and 15 per cent newborn infants, leaving 65 per cent adults. One of the interesting facts brought out was the large number of American born—82 per cent with 5 per cent Italian and 13 per cent of all other nationalities. The Child Welfare work of the Association amounts to about 25 per cent of all the work done. The nurses have made 347 visits on prenatal patients and 2,704 visits to babies in their homes and spent 600 hours at the Child Welfare clinics.

Miss Ross spoke of the close affiliation between the District work and the Newton Hospital and the good work done by the students who come to the Association for their field work. Miss Allen, Superintendent of the Newton Hospital, spoke of the importance of the Public Health Nursing from the educational side for the nurse. She said that the Newton Hospital was known throughout the country because of the high place their nurses take professionally.

Mrs. Powers, the first President of the Association was introduced and spoke of the early days of the work when a few brave-hearted women undertook to launch the nursing service in Newton 28 years ago.

The regular business of the meeting was then taken up. Mrs. George M. Angier read the report of the year, followed by the treasurer's report by Mrs. Charles L. Smith. Mrs. Herbert Felton reported for the Clinic Committee. The revision of the By-laws was then taken up and new By-laws adopted. The following officers and directors were elected: President, Mrs. George W. St. Amant, First Vice-President, Mrs. F. E. Stanley, Second Vice-President, Mrs. Samuel Tower, Treasurer, Mrs. Charles L. Smith, Secretary, Mrs. George M. Angier, Assistant Secretary, Mrs. Justin Whittier, Directors: Mrs. J. M. Allen, Mrs. Spencer P. Arend, Miss Gretchen Clifford, Mrs. H. P. Converse, Mrs. F. A. Day, Mrs. F. Ashley Day, Jr., Miss Marion Door, Mrs. Herbert Felton, Miss Louise Fessenden, Mrs. Charles Gardner, Mrs. Edwin Gibbs, Mrs. William T. Glidden, Jr., Mrs. Richard Harte, Mrs. A. S. Hutchinson, Mrs. Matt B. Jones, Mrs.

MINSTREL SHOW

The officers and members of Palestine Chapter, Order of the Eastern Star, put on one of the best amateur minstrel shows this week that has been given in this city for many years.

The show was given on Tuesday and Wednesday evenings in the hall of the Auburndale Club, both performances being enjoyed by large audiences.

The show was unique in that it had a lady and not the Mayor for its inter-locutor and had ladies in the black faced chorus and end men(?).

The costumes were a riot of color and emphasized the beautiful white costume of the inter-locutor.

The singing was good, the jokes were fairly new, and were put across with such great skill, that the point of each was readily seen and appreciated.

The end men(?), Gertrude Spear, Margaret Ross, Silvanus Smith, William Skelton, Thomas Stewart and Watson F. Baker, Jr., were on the job every minute and their stage business was clever and bright.

The specialties consisted of uke and song selections by Miss Frances Crowley, dancing by Miss Jane Loomis, Harry B. Ross in Scotch attire, song and monologues, saxophone solos by George Horwood, Jr., Southern ballads by Annie Blakemore, Edwin Mitchell as a country rube, a cake walk by Marion Stewart and Watson F. Baker, Jr., and selections by a quartet composed of Walter Moore, Harry Wilson, Al Allen and Bob Allen.

Dancing followed the show on both evenings. On Wednesday night the Star Spangled Banner was sung in recognition of Armistice Day.

Mrs. Charlotte S. Mansfield was the charming inter-locutor and the chorus was composed of: A. E. Allen, Robert Allen, Dorothy Q. Baker, Annie E. Blakemore, J. Frances Blakemore, Edric Blakemore, Lila Perry Graves, James Irving, Minnie Irving, Myrtle Kimball, Hazel Lupien, Josephine Mitchell, Walter Moore, Josephine Parry, Mary Eleanor Reid, Violet Reed, Marion A. Stuart, Louise Sennott, Ella Tobey, Grace Twigg, Alice Wilson, Isabel Wilson, Harry Wilson.

The show was under the direction of Mr. Silvanus Smith. Mr. Fred O. Burkholder was in charge of the program and the general committee included, Mrs. C. S. Mansfield, Chairman, Mr. F. O. Burkholder, Mrs. Helen Briggs, Mrs. Elta Moore, Mrs. Grace MacPhee.

CRIMINAL LAW

The Good Government Association of Auburndale held an interesting and instructive meeting last week at the Auburndale Club house.

The principal speaker was District Attorney Arthur K. Reading and his frank, sincere and able discussion of the work of his office and of the criminal courts made a deep impression on his audience.

Mr. Reading emphasized the point that the criminal courts were to protect the community and he was free in his criticism of those judges who allowed their sympathies for the culprit to sway their decision. He paid a high tribute to Judge George A. Flynn for his insistence on the protection to the community in spite of attempts made to influence his judgment. Mr. Reading pointed out that one of the defendants in the death of the night watchman at Waltham, had a criminal record of 22 times in court and had been placed on probation eight times. He is but 25 years of age and his friends and relatives are even now pleading to give him another chance.

The business of the district attorney's office, he said, had grown in fifteen years from 3 criminal sessions in Middlesex in a year to 3 sessions in a month, and an average of 250 appeals coming in each month from the lower courts. He called the present system, which he said was based on the old common law of England, as obsolete and harmful and quoted high authorities who had declared the present system as most dangerous to America. Mr. Reading called particular attention to the importance of jury service as a protection to the community. "Fifty per cent of the panel summoned to court, he declared, will try to evade jury service, many will lie to get out of it and many will state in a capital case, that they are opposed to capital punishment. He stated that there are few high grade lawyers in the criminal courts and he liked nothing better than to battle with criminal lawyers. While he believed the jury system the fairest way of trying cases, he urged the selection of better men for jury service, that we should insist that jurors be honest and men of integrity. He also suggested that it might be possible to draft men for jury service as we drafted our young men during the Great War.

In introducing Mr. Church, Mr. E. J. Winslow said that he believed the school was an attempt to attain an impossible ideal and a constantly changing ideal at that. A generation ago we followed the German ideal in education and we are now hunting for an American ideal and while doing it are just muddling through.

Mr. Elliott B. Church, a member of the school committee, discussed the situation in the Newton schools. He said that the city had two buildings which were a disgrace, the building at Oak Hill and the Hamilton School at Lower Falls.

On the other side we had such fine buildings as the Angier School at Waban, the Davis at West Newton and the Underwood at Newton. He called attention to the conditions at the High School and said the school committee was strongly in favor of a tunnel between the group of buildings. He favored giving every child the opportunity to go home to lunch and in-

NEWTON WELFARE BUREAU

Mrs. Carrie A. Hull Gives Interesting Report of Six Years Work

The following report was presented to the Directors of the Welfare Bureau by Mrs. Hull, on her retirement after six years' service. They feel that the Newton people will be interested in a record of such accomplishment and hope that further knowledge of the helpful and constructive work of the Bureau will lead to more generous support of its activities.

In the year 1915, the Newton Welfare Bureau came into existence. It assumed the responsibility of the old Associated Charities, broadening the scope of its work in an endeavor to promote more efficient co-operation of organizations in Newton.

It was in July, 1919, that your present Secretary came, and in leaving the organization, a brief review of six years' work may be interesting to the older members of the Board and of some inspirational value to the new members who have recently agreed to take some responsibility for an agency that serves all the Newtons, not only in relief but in the spirit of broadminded philanthropy.

When I came to Newton, we were in two rooms in Central Block on Washington street—spacious enough in size but poorly equipped as to conveniences for efficient work. They had the disadvantage of a very difficult and ill-kept stairway. Our first move was three months later to the Talbot House at 206 Walnut street, where we had two rooms on the first floor. We sold most of the old furnishings and put in new desks and files. We

were in these offices until September, 1923, when we moved to the present offices.

The Welfare Bureau took the house, subletting to the District Nursing Association, Newton Chapter of the American Red Cross, and the Newton Central Council. Again were added new furniture for a meetings room, additional files for our Social Service Exchange, a mimeograph, and equipment for the Occupational Therapy Department. Our offices now present a business-like aspect with equipment that simplifies work for both executive and staff.

One of the first changes in the organization was an amendment to the By-laws changing our fiscal year from October to October to the calendar year, thus making the closing of our books easier and reports less confusing.

The Welfare Bureau had at this time a heavy burden in the Home Service of the Red Cross. The Red Cross paid the salary of a worker and half the office expenses. As that work changed from work with the families of the men in service to the returning man, the work somewhat decreased. Our Red Cross Assistant resigned and your Secretary, who had had Red Cross experience previous to coming to Newton, asked that the new worker be one specially trained in family case work so that we could begin to concentrate on this phase of our work. Thus, we again began to build up the

THE WEEK IN NEWTON SPORTS

Edited by WARREN K. BRIMBLECOM

NEWTON UPSETS MEDFORD 6-0

Saturday afternoon at Clafin field. Newton upset Medford in a suburban League game 6-0, before a crowd of over 5,000. The Newton team displayed a brand of football which reminded local fans of the games with Waltham years ago. The fight that Newton showed in gaining a well earned victory over the visiting team was not to be denied and while "Goat" Proctor, Guy Holbrook, "Waxy" Littlefield, and Carleton McCullough shone especially brilliant Captain Tommy Gilligan and his other mates did their bit to bring victory to the orange and black.

Newton scored its touchdown near the close of the second period. With the ball on Medford's 37-yard line, Holbrook and Gilligan made two first downs in three rushes and Proctor and Holbrook carried the oval to the 12-yard line. Here Gilligan tossed a forward to McCullough, on the 5-yard stripe, and he carried it over with half the Medford team hanging onto him. Gilligan missed the try for the extra point.

Medford threatened to score twice. First in the second period when Ingraham tossed a forward to Sherman who collided with the goal posts and the pass was incomplete. Newton obtained the ball when another pass was incomplete in the end zone. In the fourth quarter "Bud" Edgerly got away for a 40-yard run and would have gone for a touchdown but for Gilligan who forced him offside at the 20-yard mark. Newton held for downs and Medford's chance to pull the game out of the fire was gone.

In the second period previous to Newton's score Gilligan attempted a field goal from his 30-yard stripe but the try was hurried by the Medford line breaking thru and the ball went off side where Medford took possession of it on the 10-yard line.

The Game

First period—Newton won the toss and elected to defend the south goal. Captain Herb of Medford kicked off to John Proctor who ran the ball back 45-yards to the Medford 40-yard stripe, where he was stopped by Ingraham. Newton made first down on three plays and a five yard penalty imposed on the visitors. Newton carried the ball to the 25-yard mark only to fumble. Medford recovered on its 35-yard line. Three exchanges of punts gave Medford the ball on its 44-yard line. Gilligan and Proctor went in for a yard and a half. Proctor was tackled by Clarke and J. Proctor. Herb, who was kicking for Medford, kicked offside at Newton's 40-yd. stripe. Newton made another first down on a pass from Holbrook to Gilligan which netted eight yards and a two yard gain by Billy Proctor. After two plays, Holbrook kicked to Medford's 20-yard mark and the Medford back was dropped in his tracks. The quarter ended before the teams lined up.

Second period—Hagood and Stubbs replaced Forristall and Hayes in Newton's line. Medford kicked to mid-field. After two plays, which netted but five yards on an off-tackle shoot by Gilligan, Holbrook kicked to Medford's 10-yard mark. Medford could not gain through the orange and black line and Herb punted to midfield. Gilligan ran the kick back 10-yards to the 40-yard line. Gilligan and Proctor made first down. Holbrook and Proctor made 6-yards on two plays. Gilligan attempted a field goal from his 30-yard stripe, but the kick was hurried and the ball went offside at Medford's 10-yard line. Billy Proctor made a nice tackle on the line of scrimmage and Medford kicked to its 37-yard line. Holbrook ran the kick back seven yards. The next play was an incomplete pass and then Gilligan took the ball on a punt. He ran the ball back 10-yards to the 20-yard line. Holbrook made first down. Two rushes by Proctor and Holbrook put the ball on Medford's 12-yard line, from where a forward, Gilligan to McCullough went for a touchdown. Gilligan failed on the try for point. Captain Herb kicked off for Medford and the ball went offside at Newton's 40-yard stripe. Stubbs had barely touched the ball and a Medford player fell on it out of bounds. Medford put the ball in play on its 20-yard line. Holbrook replaced Ramsden. Holbrook spoiled a sure score for the visitors, when he tackled the receiver of a pass from Herb on Newton's 20-yard line. Lyons made a pretty tackle throwing Edgerly for a 3-yard loss. Two passes by Medford were incomplete. Sherman was clear but collided with the goal post, the ball going into the end zone on the first pass. Newton put the ball in play on its 20-yard line. Proctor made six yards and the half ended.

Third period—Medford kicked off to Gilligan who ran the ball back 6-yards to the 28-yard line. Holbrook kicked and Hemen tackled the Medford back in his tracks. Medford returned the punt and Gilligan put the ball on his 30-yard stripe. Proctor went right over both lines for a 5-yard gain. Proctor and Gilligan made over four-yards on two plays and Holbrook kicked to Medford's 30-yard stripe. Kirk ran the ball back to his 39-yard line, but was injured and had to be helped off of the field. Exchanges of kicks gave Newton the ball on its 48-yard line. Holbrook had run the ball back 5-yards on the last punt and Sherman was hurt. He was replaced by Winn at right end. Two plays netted but two yards and Holbrook kicked to Medford's 20-yard line. Lyons made a nice tackle throwing the Medford back for a loss of nearly a yard. Medford made three successive first downs and put the ball on Newton's 40-yard stripe. Edgerly got away for a nice run but Gilligan saved a score when he forced the Medford back offside at the 13-yard line. Littlefield went in for Pratt. The Newton line held and Medford relinquished the ball on an incomplete pass on its fourth down. Holbrook kicked to Medford's 45-yard line and Hemen dropped his man in his tracks. Herb got away for a 10-yard gain. Littlefield tackled Edgerly

for a yard loss. The star Medford back was injured on the play and was given a big hand by the spectators when he went off the field. Johnson tackled a Medford back for a 4-yard loss. The quarter ended with the ball in Newton's possession. Newton men were through on the next play and threw Herb for a 15-yard loss.

Fourth quarter—Straight football was played in the last period by both teams and there was little that was spectacular. Ingraham tossed a forward to Manfree which Gilligan just managed to touch with his finger tips. Medford gained 12 yards on the play. A few plays later Billy Proctor intercepted a Medford pass in midfield. Two plays later Holbrook fumbled a pass from his centre but recovered it on his 35-yard line. Holbrook punted to Medford's 30-yard stripe and the game was over.

SPORTS NOTES

It looks as though Everett, with but one more league game to play, will have little difficulty in annexing the league championship this fall. It plays Cambridge Latin on Thanksgiving Day, and unless the unexpected happens should easily win although four of Everett's outstanding players are on the hospital list after a gruelling contest with Somerville last Saturday. If these players are ready for the fray on Turkey day, there should be no question of their winning the title of the league. In any case the Newton outfit which will have the same standing as Everett if it wins its two remaining games with Rindge and Brookline.

Rumors are in the air that either Brockton or Waltham will apply for membership in the Suburban League to take the place of Medford, which is through at the end of this season. It is doubtful if the reports are sound as these teams are not desirous of tying themselves up to a schedule of six games which leaves only one Saturday for a rest game in the last seven weeks of the season.

As a pair of ends there are none better in scholastic football today, than McCullough and Hemen of the Newton team. Both of these lads are right on top of their man on every punt and he never gets away. As receivers of the forward pass, McCullough has won two games for the orange and black this year. In the Waltham game he pulled one of Gilligan's passes out of the air for a touchdown and against Medford he repeated the performance.

"Waxy" Littlefield received a nasty cut over his eye in the Medford game when he came in contact with somebody's foot. He looked like a red man for the rest of the game. Somebody asked him if he was likely to play again during the intermission. It would take more than a cut to keep this boy out of the lineup. Junior Stubbs got a blow in the nose which was at first thought broken, but the injury did not prove to be serious.

The officials seemed somewhat lax in the Newton-Medford game. Considerable slugging was done by certain members of the visiting team. Players of this type should not be allowed to remain a single minute on the playing field, when they resort to such tactics.

No wonder they call Billy Proctor, "Goat." The way he walked right over the backs of his linemen and came down the other side on his feet reminded one of a mountain goat jumping from rock to rock.

When the orange and black met Everett on Columbus Day the local eleven had not showed anywhere near the class it has shown in its last three games. Newton, playing the brand of football it showed against Medford Saturday, would have shown the Brickley boys a thing or two without any question.

Win Robinson played the last quarter for Dartmouth in its rout of Cornell Saturday. He replaced Lane, the Melrose comet, at left half.

Newton visits Rindge Technical school of Cambridge today and should have little difficulty in annexing another win. The Rindge eleven has not won a game this fall, having lost all four of its games to date.

Miss Louise Fessenden of West Newton, is a member of the selection committee of the Boston Field Hockey Association, which will hold final tryouts for the two all-Boston elevens tomorrow. Miss Fessenden was chosen last fall as a member of the All-American field hockey eleven.

Hugh Fullerton, after the game between Princeton and Harvard Saturday, said that Clem Coady was one of the two players on the Harvard team that played football that afternoon.

Charlie Considine, a sub-guard at Brown, and a former Newton high linesman, got into the game Saturday against B. U. at Providence. He is expected to be a prominent cog in Brown's eleven in the next few years.

"Frenchy" Gilligan, now of Exeter, has shifted from end to fullback on the New Hampshire academy team. The season has been a disappointment to Exeter fans through the inability of the eleven to clear the way for the former Newton boy.

The Free Booter Red Tops, captained by Louie Fessenden, defeated the Motley Club last Saturday, in a Boston field hockey association game, 9-3. Miss Fessenden scored a third of her team points and aided materially in the scoring of the other points.

Guy Holbrook has gained considerable ground for Newton this fall. He

teams well with Billy Proctor through the line and when it comes to punting there are few that gain as consistently as this lad. He made Herb of Medford, who is rated as an excellent punter, fade into the background Saturday and gained repeatedly for exchanges of punts.

Andrews played his usual game at center for the local outfit and is fast proving himself the outstanding player in this position in the Suburban League.

"Dandy" Lyons nailed the Medford backs time and time again and often for losses and has taken up his position in the backfield, which he was promoted to when Frankie Spain was injured in the Everett game, in a manner which is worthy of commendation.

The selection of Dr. Martin as president of the Suburban League is a worthy tribute to his ability as a faculty manager and a recognition of Newton's place as a leader in scholastic sports under the able coaching of Albie Dickinson.

In one of the most drastic shakeups ever known in the history of Harvard football Clem Coady was shifted to left tackle and Jake Stafford was given the first string quarterback job Tuesday afternoon at Cambridge. Inability of the Crimson linemen to break through opposing lines in the recent games, and in an effort to bolster up the defensive strength of the line Coady was given back the position he played until this year. As an interfering back the big Newton boy made good in the backfield, but as he was chosen last year for several All-American teams it is hoped that he will be of more value in the game with Brown and Yale at his tackle berth. Stafford was given the first string quarterback job replacing Capt. Cheek, who has been placed at half-back. The Harvard captain will be of more value to the team as a half-back than as a quarter as the signal caller's duties have interfered with his ability to carry the ball as he should in recent games.

Tuesday afternoon the Newton Junior High School team easily defeated the DeWitt Clinton school eleven 56-0 at Cabot park in a one-sided game.

The Brookline high school freshman team defeated the Newton high yearlings Monday afternoon on Clafin Field by a score of 22-6.

George Owen, Jr., may not enjoy the strict training necessary for fitness to represent a college eleven, but he was a student wishing that he could have been a member of the Crimson backfield last Saturday. He could have stopped the Tiger time and time again if he had been in there.

PLAYS RINDGE TODAY

The Rindge and Newton game of the Suburban League, originally scheduled for tomorrow has been moved ahead to today, at Russell Field. The nearness of the game to the Thanksgiving Day contests of both teams prompted the change.

PAIS WIN FIVE STRAIGHT

Last Sunday afternoon, November 8th, at the Newton Lower Falls playground, the Newton Pais annexed their sixth straight win of the season, by defeating the Newton Lower Falls Ramblers, to the tune of 19 to 0. The playing conditions were very bad as it rained during the entire game and the field was a sea of mud, which made the footing treacherous. Despite the rain a fair-sized crowd witnessed the game.

The Pais attack was not stopped in any of the periods and it was easy work rolling up 19 points. The broken-field running of Lyman and Murphy and the savage line plunging of Arsenault, was a feature of the game. McDonald, Fay, McLean and Vachon, played a fine game in the Pais forward line, while Collins and Davis shone for the Ramblers.

NEWTON GIRLS DEFEATED

The Melrose high school girls' field hockey team defeated the Newton high girls' eleven 3 to 1 Monday afternoon on the local field. Miss Kelley, the center forward of the visiting team, was the high point scorer of the game with two goals. Miss Smith, the Melrose right wing, caged the other point for her team. Miss Kenderline, the local left wing saved the orange and black from a shutout by caging the ball for the only Newton point. Miss Kenderline was the outstanding star of the game and but for the superb defensive play of the visiting aggregation the local outfit would have made several additional scores.

The next game for the local team will be played against the Lasell Seminary team at Cabot park Wednesday afternoon. It will be the final game of the season for the orange and black.

SEBUBAN LEAGUE STANDING	won	lost	points
Everett	5	0	10
NEWTON	3	1	6
Medford	3	2	6
Brookline	2	2	4

FAIR AND SUPPER

The annual fair and supper of the Methodist Episcopal Church of Newton was held in the church parlors Wednesday afternoon and evening. The parlors were tastefully decorated and the tables were in charge of the members of the Ladies' Aid. The Apron Table chairman was Mrs. Martha Tufts; Food table, Mrs. Albert Babbitt; Fancy Table, Mrs. Charles H. Peterson; Memory Table, Mrs. Frederick D. Fuller; Candy Table, Mrs. Alfred E. Allen; Children's Table, Mrs. Edward T. Wetherbee; Ice Cream and Cake, Mrs. Arthur Clarke. There was a most delicious supper served under the management of Mrs. Henry Urquhart.

Commonwealth of Massachusetts.

Middlesex, ss. Probate Court.
To the heirs-at-law, next of kin and all other persons interested in the estate of Gertrude T. Manning, deceased.

late of Newton in said County, deceased.
WHEREAS, a certain instrument purporting to be the last will and testament of said deceased has been presented to said Court, for Probate, by Harlow W. Thayer, who prays that letters testamentary may be issued to him, the executor therein named, without giving a surety on his official bond.

You are hereby cited to appear at a Probate Court, to be held at Cambridge in said County of Middlesex, on the twenty-fourth day of November A. D. 1925, at ten o'clock in the forenoon, to show cause, if any you have, why the same should not be granted.

And said petitioner is hereby directed to give public notice thereof, by publishing this citation once in each week, for three successive weeks, in the Newton Graphic, a newspaper published in Newton, the last publication to be one day, at least, before said Court, and by mailing post-paid, or delivering a copy of this citation to all known persons interested in the estate, seven days at least before said Court.

Witness, John C. Leggat, Esquire, First Judge of said Court, this third day of November in the year one thousand nine hundred and twenty-five.
LORING P. JORDAN, Register.
Nov. 6-13-25.

Notice is hereby given that the subscriber has been duly appointed executor of the will of Joseph L. Couture, late of Newton in the County of Middlesex, deceased, testate, and has taken upon himself that trust by giving bond, as the law directs. All persons having demands upon the estate of said deceased are hereby required to exhibit the same, and all persons indebted to said estate are called upon to make payment to the subscriber.

HERMAN J. COUTURE, Executor.
(Address)
42 Carroll Street, Watertown.
Nov. 8, 1925.
Nov. 13-20-27.

ONE THING AND ANOTHER

Written by LEVERETT D. G. BENTLEY

We feel that the report of the special State Commission on Pensions is lacking and incomplete. It makes no provision for old-age pensions for Mayors.

Many good things are sure to come of the annual rollcall of the Red Cross beyond the mere piling-up of dollars for alleviation of suffering. That of itself must be done if this wonderful work, of which the American people are justly proud, is to be continued. Equally important to our own community welfare is the spirit shown in answering the rollcall. Prompt response means everything. Instead of dwelling upon the scope of the Red Cross activities and the incalculable benefit each dollar invested will bring, let us view the rollcall from still another standpoint. A group of high-minded women and men of our city have gladly said they would undertake the burden of conducting the membership enrollment for this city. They knew when they assumed the duties the task was no easy one. Weeks of preparation have demanded much of their time. Consideration of the best way—the most satisfactory method to Newton people—required study and discussion. Then the details, innumerable, and the labor of carrying out the plans. Purely a work of love, inspired by ideals. In order to make it convenient for Newton residents and to save the time of volunteer workers, the rollcall is made through the mails and not by calls from door to door. To an intelligent community like ours it must be plain that this is by far the better way. Instead of marshaling an army of solicitors each man, woman and child in this city becomes his or her own solicitor. Surely, a much fairer way of distributing the duties and the responsibilities. Thus, when the letter carrier brings a letter from the Red Cross every home is ready to reply. No one is going to call to urge people to give. The people must urge themselves. If that be necessary. In our opinion the Newton Chapter of the Red Cross has decided upon the best plan. How better can we show appreciation of their efforts than by seeing to it, each for himself, that our membership is placed in the return mail? It is heartening to those who have done the work, it reflects credit upon Newton as a city. The call is for 10,000 members. Newton, with a population of 50,000, can see to it that at least one-fifth of its citizenship answers this rollcall and without delay. Newton cannot afford to report failure!

Yes, it is true there is to be a city election in Newton. The date is December 8. And just because we haven't a wild campaign on there is no reason we should overlook the fact. It is so easy to say, "What's the use?" and ignore the fact that the polls are open. Often in our professional duties we have heard men, politicians usually, wondering how to "get the vote out." It is a strange thing that it should be necessary to persuade, cajole or drag people from their homes on Election Day. If anything is important it is civic government, otherwise what is to become of us? And why, to use a baseball simile, should we depend upon a few to carry the bats and the water bucket? Continued apathy is merely passing the buck and its consequences are apt to result in dangerous consequences. Naturally, the people who organize in the interest of a candidate and making sure they themselves, their families and their friends' vote, are gratified by success. It merely represents the power of political effort. If one does not approve, or oppose them, he cannot accomplish anything by merely sitting back and criticizing. He must get out and hustle, get his friends together and make them get their friends together. This one-sided style of political contests means nothing. We are not seeking to stir up political strife or wrangling, but we wish to emphasize the importance of civic responsibility. If you are a voter you have rights that extend beyond the privilege of receiving a ballot from a precinct clerk and hanging it with a blunt pencil hanging from a string. You are entitled to some say in how your city shall be run and the more you assert your prerogative publicly the more you may say. All this we have written in the hope that Newton men and women will show their colors at the coming city election. Provision is made by the Registrar of Voters for registration in each ward and at city hall. Every possible opportunity is offered so that one whose name is not on the list may go to the city hall on Wednesday night to become a registered voter. To revamp the old phrase, "Now is the time for every good man and woman to come to the aid of their city."

We were not surprised to see the city hall reporter take a dig at the Board of Aldermen for their seeming inconsistency regarding filling stations. To grant a permit under unusual conditions and then resolve a few minutes afterwards that they would never do such a thing again makes for a good, hearty laugh. But there mustn't be too much bitterness in what one says or thinks of this form of aldermanic wisdom. It's not a new thing for legislative bodies to do. We have seen General Courts and even Congress do equally amusing stunts, so why lean so hard on our own city fathers? The thing that most impressed us when we read the proceedings at West Newton was the fact that the 1925 board should make New Year's resolutions for the 1926 board. It's just a trifle early for that sort of thing, as the present year has fully a month and a half to go and Christmas week is time enough to think of resolutions and a change of heart. However, it may not have been a case of looking ahead. It may have been an act of repentance. Still, if the 1925 Aldermen should break out with a disposition to show that it was not altogether satisfied with everything it had done and was bound its successors should make no such mistakes, that is a laudable idea. We certainly want to be fair and therefore we attribute the board's attitude to the fact that last week happened to be Apple Sauce Week.

With every effort to submerge all personal reference to ourselves we will strive to tell the readers of this column a few things we believe will interest them concerning the Mayor-elect of Boston. We shall not deal with the subject from a political standpoint, for the election is over and now most everybody is weary hearing of it. We feel that perhaps some of the things we may have to say about "Mal" Nichols as we found him may give our Newton friends one or two new thoughts about the man that have not appeared in print. Some time back we first met him. It was when both of us were doing general assignments in newspaper work. He was on one paper and we on another. Whenever we met on the same "story" we found a most congenial companion, one whom it was a pleasure to work with. His sense of humor never failed him and this, combined with a keen knowledge and understanding of human nature made him a highly valuable man for his city editor. "Mal" was always one of those "quiet pluggers." You would never find him bragging about what he was doing or hoping to do, but somehow you were aware of the fact that he had a capacity for work and study that was unusual. One thing you were sure to say about "Mal" Nichols as we found him in wide disagreement with our views—newspaper men have a tendency to size-up people and things and argue about them among themselves—but there was never any doubt where "Mal" stood. His manner of meeting people was always gracious and as a political reporter he met success by developing a wide acquaintance. Not that he overdid it, but that he was human, considerate and practical. As a legislator we saw much of him. Here again was a member of the General Court who took his job seriously but never tried to impress others with his importance. He worked on every measure before his committee, made a point to see all persons interested in the various bills and kept himself informed and his mind open. He was able and conscientious. The same characteristics have distinguished other men, but not always with the same result. Never is he too busy to stop, shake hands and chat. It is little wonder to us that he was almost embarrassed with the number of volunteer workers in his behalf. We do not feel the least surprise in the fact that he has so many genuine friends. As a man he has never disappointed us, and no doubt the others in his legion of friends feel the same way about him.

A progressive news-writer takes the Newton Fire Department to task in these burning words: "The zeal of our firemen in trying to reach fires as quickly as possible is commendable but to drive fire apparatus at such reckless speed through our streets is inviting disaster." Can it be our friend is getting just a bit nervous? Anyway, there doesn't seem to be much hope for him until airplane supplant automobiles in fire department equipment.

SOME 1925 EDUCATIONAL BOOKS

In connection with the special interest attached to the observance of National Education Week, November 15 to 21, the following books on educational matters which have been added to the Newton Free Library recently will be of special interest to teachers, parents, and others who wish to keep close touch with the best thought of the day along this line: Principles of Education, by James Crosby Chapman & G. S. Counts (Riverside textbooks in education) IK-C36

The Administration and Supervision of the High School, by Franklin W. Johnson. IC3-1631
Introduction to the Scientific Study of Education, by Charles Hubbard Judd. IK-J88

Source Book in the Philosophy of Education, by Wm. Heard Kilpatrick. (Textbook series in education) IK-9K55

Education for Social Efficiency, a study in the social relations of education, by Irving King. IK-K58 e
Social Aspects of Education; a book of sources and original discussions with annotated bibliographies, by Irving King. IK-K58 a

The Junior-College Movement, by Leonard Vincent Koos. IX-83-K837
The School as a Social Institution; an introduction to the study of social education, by Charles Leonidas Robbins. IK-R53

Constructive School Discipline, by Walter Robinson Smith. (American education series) IPD-S66
High School Commercial Education, by Rea Gillespie Walters. IK-HK-W17

The Psychology of the Pre-School Child, by Bird Thomas Baldwin and L. I. Stecher. IKH-B19
Education for Business, by Leverett Samuel Lyon. IYHK-L99

How to Make a Curriculum, by Franklin Bobbitt. IPC-B63 h
Curriculum Construction, by Werrett Wallace Charters. IC-P38 c

Public Education in the United States; a study and interpretation of American educational history, by Ellwood Patterson Cubberley. IU3-C89 p
The Decroly Class; a contribution to elementary education; by Amelie Hamade. IKH-H17

Project Method in Classroom Work, by E. A. Hotchkiss. IKH-H79
Minimum Course of Study; reports of committees on minimum essentials in elementary education, by Ernest C. Moore, editor. UPD-M78 m

The Psychology of the Unadjusted School Child, by John J. B. Morgan. IP-M82 p
Psychology of the Junior High School pupil, by L. A. Pechstein & A. Laura McGregor. IP-P33 p

Practical Public Speaking

By Bertrand Lyon. Price, \$2.50. This is a book for the vast number of men who need public speaking for practical purposes, and are not interested in the old-fashioned theories of elocution. Professor Lyon is eminently qualified to prepare this book, which is the work of years of study and experience. He has long specialized on the practical side of speaking in public. Every theory has been thoroughly tested in large classes of business men seeking the fundamentals of effective speech for actual use. As a platform speaker of wide experience with all kinds of audiences, Professor Lyon has put to the acid test every principle connected with making the spoken word effective, and discarded all that will not show results. This book is presented in three parts: The Man; The Message; The Delivery; the three great factors which are absolutely essential to all successful speaking.—Lothrop, Lee & Shepard Co.

The Boy Scientist

By A. Frederick Collins. Price, \$2.50. Here is a whole library of entertainment—presented useful knowledge in one handsome volume. Its fifteen chapters cover all the great scientific fields, from "The Nature of Space and Time," to "Flight of Birds and Man." There are three chapters in which such a wealth of unusual special information is given that any one of them is worth the price of the whole book: "The Einstein Theory Simply Explained"; "The Earth in the Making"; and "Surveying for Beginners." Saying this does not in the least detract from the value of the other chapters, two of which have already been mentioned, in which the author covers with remarkable thoroughness, in spite of restricted space, the important subjects of Astronomy, Microscopy, Photography, Chemistry, Precious Stones, the Spectroscope, X-Rays, Radio, and Motion-Pictures. The profusion of illustrations and diagrams drawn especially for this work by a skilled artist blends happily with a style so pleasing that one grasps the most difficult scientific principles without a sense of effort. If a boy could have but one book, this would deserve to be the one.—Lothrop, Lee & Shepard Co.

The Chimes of Daskam High

By Agnes Miller. Price, \$1.50. A group of girls and boys of to-day, active in the varied, picturesque life of a typical American high school, take the parts in this merry and stimulating story. Their problems are those of real, modern young people, and concern natural struggles for leadership and progress, centering about the school gift of a bell to complete the famous chimes of the charming, prosperous community of Daskam.—Lothrop, Lee & Shepard Co.

— HOLLYWOOD — FLORIDA — NEWTON — MASSACHUSETTS

A strange combination you say—still we had fourteen Newtonians visit our office in October and make it their headquarters. We cordially invite you to do the same when you come here this winter. Good business, good weather, good bathing, good water, good accommodations and everybody's happy.

THE SMALL HOSPITAL

At a recent important hospital convention in the west Miss Bertha W. Allen, the superintendent of the Newton Hospital and the head of its Hospital Training School for Nurses read a paper on the possibilities of the small hospital in making itself attractive to young women seeking nurses' training school which created a great deal of interest at the hospital and which has been printed in papers devoted to hospital matters. It is printed here because it serves to give an idea of one part of the work that is done at the Newton Hospital and may also be of special interest to any Newton young women who think of taking up nursing as a life work.

The writer of this paper understands that she was selected for two reasons:—first, because she occupies what is now considered in the nursing world rather a unique position, superintendent of the hospital and at the same time director of the school of nursing. The twofold duties present the problem and the privilege of viewing any situation from two angles; second, the school in which she is interested is situated in a small community or town miles from a big city in which are located several—at least four—large hospitals used as teaching centres for medical students and whose nursing schools have affiliations with a college. Naturally under those conditions the student nurses also enjoy the privilege of additional laboratory and teaching facilities. Those interested in the small hospital in the isolated location, it is no doubt saying, "But that is not a little harder, for the small hospital in the isolated community has a definite area in which to work, without competition while the small hospital within ten miles of larger institutions has an everlasting problem in rivalry."

What constitutes the smaller community or the small hospital and school? The American Hospital Association lists 28 small hospitals those of two hundred beds and under. As a basis for discussion then, will be considered a community of not over 45,000, a hospital of 150 beds or less with a school of 85-90.

The small community hospital has its advantages and disadvantages. Usually it has an advantage in its location. In many instances it is in the country, in many instances it is in the city. The surroundings are usually quiet and beautiful. Hours "off duty" spent among trees and flowers, free from smoke and dust refresh the mind as well as the body. While "on duty" the nervous strain is not as great as in a hospital surrounded by the confusing roar of the city noises. The personnel enter into the life of the community, the people taking a personal interest in the happenings of the hospital. Much depends upon the person—usually a woman—who is in charge. The director of a small hospital takes care of all who are sick. If the activities of the hospital are properly guided, if the environment is cheerful, helpful, all is well and good. If the director is a gossip shop then the influence for good in the community is lost.

Any hospital, large or small, should have ample facilities for the well rounded education of the pupil nurse. An organization has no right in the monetary interests of its hospital to take advantage of the ignorance of young women—girls—and entering into the school. In many instances the public must still be educated to this viewpoint, and therein the superintendent has a great opportunity for service.

Then if the small hospital expects to keep the ranks of its school full it must either in its own wards or by affiliation offer an all round experience or at least meet the minimum requirements in the state in which it is located in the following branches:—medical, the small hospital very frequently supplements its lack of material by having its own contagious department; obstetrical, statistics show that any hospital which admits maternity patients at all has a service out of proportion to the others; children, the great problem is to secure sufficient material in pediatrics, tonsil and adenoid work abounds but one does not need hundreds such; surgical, including operating and accident room experience; public health or district, such a course is frequently the deciding point in favor of the small school.

If necessary to have one or more affiliations it is very essential for the small school to make certain that its students get what they should in both theory and practice, and not allow them to be exploited by the receiving hospital, which might happen if a particular service were heavy and the hospital anxious to care for its own students.

The country hospital offers a more economical training because for the most part the pupils' amusement may be had with little or no expense. Heartful out of door sports if there is someone to direct them, such as pic-

nics, swimming, canoeing, tennis, basket and volley ball, and even golf in the summer time; with skiing, coasting and skating in the winter furnish the needed recreation. Ward duty in the isolated hospital is pleasant and often times more instructive for the students and not drunks and the scum of a city's slums. The type of care given to patients in a small hospital is a splendid approach to nursing.

The members of the isolated hospital family have a pleasant group life. The contact with patients, doctors, instructors and supervisors is more personal, making the student feel less like an unimportant cog in a huge machine and more like a helpful member of a co-operative group working for the good of the hospital. Because of this personal contact the general training is broader, and when finished, the nurse fits into her niche in the world more readily. The students' home life in an isolated hospital is comparable to real home life. The nurses' home is a community centre where the group spirit is developed; where real friendships are formed and the students feel like a large family with common interests.

The applicant does not realize all this. It must be disseminated by those who through experience know—the graduates. They most likely have not analyzed the facts but there is something which makes the satisfied graduate when asked for advice direct the young girl to her Alma Mater. For years nursing schools have hesitated to advertise, but why should the knowledge of anything which is of value to humanity be hidden? The prospectus or year book can be made very attractive but after advertising, a school should be very sure to fulfill its promises and a little more. The best and surest advertisements are contented, satisfied patients who will tell friends and neighbors of the good care received and doctors pleased with the attention received by themselves and by their patients. Best of all the graduates, best because they have the widest influence.

The small school has the opportunity to give more individual attention to the student in her third year, in order that she may receive additional instruction or experience in the particular line of work in which she is most interested. The isolated school may shorten the time spent in its hospital thereby allowing the student to take a special course or postgraduate work in a large hospital.

To illustrate the point that the small hospital has advantages a specific case will be cited. Within fifteen miles of a large city in which are located many hospitals, at least five, each with a bed capacity ranging from three to nine hundred, is a city of 48,000 with a hospital of 177 beds, sixty-six of which are in the contagious department. The daily average number of patients is about 113. The school numbers eighty-five students. The supply of student nurses has always been adequate to maintain that number (the housing facilities do not allow for more), and it must compete with the schools of the larger hospitals and with the opportunities for culture and amusement afforded by the city, the Art Museum, Library, theatre, music and, not to be slighted today, the movies, in the hours off duty. In the small hospital mentioned what are the compensations? Two comfortable, though not up to date, rooms. No doubt the majority will agree that nurses' homes need not be luxurious, but must be clean and comfortable with ordinary privacy and a cheerful atmosphere, all of which is applicable to these particular homes. As the same type of ward experience, though there may be less, can be had in this hospital, in order to attract suitable young women more attention is given to the student's home life. Every effort is made to have the student leave the hospital work and atmosphere in the ward. Business is tabooed even in the dining room. The students are on duty eight hours, whether day or night, but not on regular three in twenty-four hour shifts, the afternoon during the week and the half day on Sunday being preferred. The day nurses report for duty at seven A.M. having previously met in the superintendent's office for prayers. Those in charge of wards go to their stations at 6:30; read the night report; make medicine and diet requisitions; report at the office at 6:50; then go to the seven o'clock breakfast. Meanwhile the young nurses have been to the early breakfast; reported at prayers, and at the ward at seven. During the day if the exigencies of the hospital allow each student has four hours off duty, also the night nurses. How is the "off duty" time employed? Picture a large living room, with a library and hall adjoining, a piano at one side and a fire place in the centre. In front of the fire place at the appropriate season of the year is a young woman, who is the right type of young woman, with her sewing basket. The students, as they come off duty, drop down beside her for a bit of advice or consolation or to pass on to her a funny experience in the day's work.

Is that the social director's only duty? Far from it. She is one of the most important factors in the life of the students because she can get over the superintendent of nurses the needs of the Nurses' Home; for the real good, mental, moral and physical of the students. Not only does she act as a safety valve for the nurses but she calls on them when they are ill; greets the new students; helping them to get acquainted with each other, with the shops and churches of the town; encouraging them to affiliate with the latter. On Sundays the Social Service car is given over to the social director to be used at her discretion in transporting students to and from church. She takes them on sight-seeing tours to historical points of interest, to a newspaper printing office, a mill, a filtration plant or a shoe factory. She has charge of a candy counter, the profits from which are used to help swell the entertainment fund. She unobtrusively directs the editing of the school paper; the name of which is Scutellus—the paper of many tales—that it may be bright, witty and yet never in any way refer to any phase of the work in a manner displeasing to the most fastidious.

The school has a Y. W. C. A. Association, under whose auspices afternoon tea is served from three to five every other Sunday afternoon from October to June. On alternating Sundays an informal evening service is held, with speaker and students gathered around the open fire. Once a month about the fifteenth a birthday supper is served in the regular dining room. The table is decorated with candles, place cards and flowers. A special supper is served, with a birthday cake with lighted candles and containing the proverbial thimble, ring and button. All those whose birthdays come within that month are invited to sit at that table be they senior, junior or blue-clad probationers. Sunday mornings at nine o'clock fruit, toast, marmalade and coffee are sent to the Recreation room. Just before the living room, for those who have morning room. Picnic suppers in the woods are planned for the night nurses; also hikes in the morning, preparing them for a good day's sleep. In the winter an occasional sleigh ride with a drink of hot cocoa in front of the open fire awaiting them on their return breaks the monotony.

Four large parties are planned each year, Halloween, Christmas, Valentine and Graduation. Halloween and Valentine are dancing parties to which the young friends, boys, are invited. At Christmas and Graduation an entertainment is given as older guests, many of whom do not care to dance, are invited—as trustees, training school committee, the doctors and their wives. In between, many small parties for rainy nights or special occasions are planned. For those whose hospital provides the refreshments, the students raising the funds for the decorations, music, etc.

From the day the pupil enters a hospital on probation till she retires from active service years after, she is taught that the patient is the first consideration, that if it were not for the patient the hospital and the nurses would not be needed. Yet in the small hospital the welfare of the nurses must be emphasized. To many, no doubt, it seems over emphasized, but as is the policy in the school in which the writer is interested so must it be in every small school. It is the belief of the management that the reason for its high type of students and the school's never lacking in applicants, is the fulfillment of its policy that if the hospital fulfills its obligations to the students so they will receive the best in their professional education; if they have a happy instructive home life when off duty, then the patients will receive the best.

The small hospital, then, to compete with the large hospital must emphasize the nurse and her education. That is done, then, with the question of the small hospital in the isolated community, or the one competing with the large hospital in the nearby city will not lack in suitable applicants.

BLUE TRIANGLE NEWS

On Saturday, November 7th, Mrs. Harry Huntington Powers gave a tea at her home, at which Miss Anne L. Leathers, new Executive Secretary of the Newton Young Women's Christian Association, was introduced. Miss Leathers spoke to us about the work, the Association was doing in Newton, and especially of what they would like to do and appealed to the home women particularly to help.

Those pouring at tea were, Mrs. Frank R. Lamson, Mrs. Nicholas Young, Mrs. Henry Urquhart, Mrs. Florence Morse and Mrs. Howard Norton, assisted by Miss Harriette M. Hudson, Miss Margaret Bowers, Miss Donata Lombardi and Miss Claire L. Amazeen. The ushers were, Miss Olive Clark and Miss Emily Dolbier.

On Armistice Day, November 11th, the Girl Reserves marched in the Peace Parade, which took place in Boston. Last Monday evening, the Blue Triangle Club met as usual, Miss Esther M. Walker of the Newton Welfare Bureau, was the speaker of the evening and helped the club greatly in the service work, which they have planned to do during the year and for Christmas. Next Monday evening, November 16th, Mrs. Louis Stoughton Drake, President of the Young Women's Christian Association, is going to tell the club of some of her experiences in Europe this past summer. We know that this will be most interesting, and all those who would like to hear Mrs. Drake, are most cordially invited.

Wednesday evening, November 11th, at eight o'clock, the monthly Board Meeting was held. We were glad to announce that basketball has really started this week. With a few more girls we will have a complete team, and with a little practice we will be ready to PLAY.

W. C. T. U.

The West Newton W. C. T. U. and the Wellesley W. C. T. U. will hold a joint meeting at the Perrin Memorial Church, Newton Lower Falls, on next Thursday afternoon at 2:30 P. M. The Ladies' Aid members of the church will be the hostesses.

SCHOOL NOTES

Edited by DOROTHY E. BUSHNELL

General

All next week will be Education Week. Parents will take this opportunity to familiarize themselves with the work which occupies so much of their children's time—teachers will be glad of the occasion to become better acquainted with the Mothers and the few Fathers who find time to show their interest—children will be stimulated to the "nth" degree in preparing their very best for Mother to see, and hear. For all concerned there will be benefits enough to warrant the existence of such a well advertised period.

Some one has asked if parents are not encouraged to visit at any other time during the year. The reason for the question was simple—if they were, why a special week devoted to visiting? The answer is also clear—the interest of parents has always been sought and desired by all connected with any school life—the interest has been so spasmodic that it became necessary to concentrate a little attention in the schools directions—hence a week has been set aside and given a title that at least there may not be the excuse of "never having been invited."

It seems highly improbable that after the week is over—the interest aroused will immediately flag again or that parents will feel their duty done for the year, as some one else has pessimistically suggested. The chief aim is to stimulate their interest so that it may grow from this small taste of acquaintanceship with the complicated process of their children's education, to a definite knowledge of what the schools and their teachers are trying to do for and with their children.

If a great interest is taken in clean-up week—in apple week and in various other weeks—surely it is to be hoped that Education Week may take its rightful place and prove this year the most vigorous and efficacious of them all!

Mr. Parker of the Methodist Church then addressed the school, giving various connotations of the World War. At eleven o'clock the whole school paid a silent tribute to those who sacrificed their lives.

F. A. Day Junior High School

In anticipation of Education Week, the school is sending out invitations to the parents to visit during that week.

The football team of the F. A. Day was scored upon for the first time in two years, in a game with the Winthrop High School Freshmen. The local team won 12-7.

Many new books have been received in the school library. These books are particularly helpful reading for Junior High School boys and girls who wish to learn as they read.

A very fitting observance of Armistice Day was the subject of the weekly assembly program, as follows: Kipling's Recessional

Song by Audrey Bartington
How to Tackle Trouble by Mr. Griffin

Edward Brunell

Stearns School

The usual program of Armistice Day was observed in all the rooms. Comments on the World War, League of Nations and the Peace Conference were given by the teachers. This was followed by a minute of impressive silence which carried to the heart of each child our National idea of world peace.

Objective teaching was unusually well done in teaching industries in the kindergarten and opportunity class. Miss Murdoch's class brought cream and made butter which they ate during their lunch period. Miss Smith's class created several pleasing designs in clay vases which were attractively decorated. One of the second grade rooms has worked out a very attractive stage scheme which displays the three stages in the wanderings of the Pilgrims. The old home in England is represented by a model of the Church of England. A windmill and Dutch figures symbolize their stay in Holland and figures of Pilgrims and Indians placed among evergreen trees typify their final home in Plymouth, Mass.

A group of sixth grade children accompanied by Mr. Lewis visited the Natural History Museum and the Museum of Fine Arts in Boston. The statue "The Appeal to the Great Spirit" by Cyrus Dallin proved of unusual interest to the pupils. They also visited Faneuil Hall Market. There they saw a native Bulgarian, which was shot in the woods of Maine.

Story Hour is held every Wednesday afternoon in the Assembly Hall. Mrs. Ware's fine program of appealing stories attracts a large group of children.

Mason School

The children of the Mason observed a moment of silence at 11 A.M. on Wednesday in commemoration of the World War heroes.

The Mason now numbers over seven hundred pupils. Three new members entered the eighth grade this last week.

The excellent attendance in the Mason District deserves mention. Nearly all rooms averaged above 95%, and many were 98 and 97—a good record.

The Masonian came out this week and has met with a ready sale.

Lasell Seminary

The presence on the Campus of a riding master with a string of horses for horsemack riding, has proven a great stimulus to that activity among the students.

Lasell is fortunate in securing for Vespers on Sunday, November 15, Mrs. Floyd Black, a native Bulgarian, and a member of the faculty of Robert College, Constantinople, who, with her husband, is taking a year's furlough in this country, during which Dr. Black is studying at Harvard.

Rev. Earl E. Harper will again conduct Chapel on Tuesday morning, the 17th.

The second concert in the Paul Shirley Symphony series, under the aus-

pices of Lasell Seminary, will be given at the Auburndale Club Auditorium, on Tuesday, the 17th, at 3.30 P. M.

In observance of Armistice Day, a Laurel and Chrysanthemum wreath was placed at the base of the Memorial to the War Heroes in Nye Park, by a committee composed of the president of the classes and other representatives of the school.

BOY SCOUT NEWS

The installation of the new Seascout crew of Norumlega Council Friday evening, was one of the outstanding events in scouting of the season. The meeting was called to order by the sounding of eight bells by the coxswain and formally opened by Mr. Richard Brown, the Portmaster, who is the leading officer in this division, explaining the purposes of the meeting. Assistant Scoutmaster, Robert L. Underwood, offered prayer, after which the troop was called to attention and recited the Sea-Promise. Scout Executive Carley, spoke of the duties of the Ship Committee, which is headed by Mr. Phillip Carter of West Newton, and also awarded the insignia to the new Skipper and Mate, Messrs Robert Gilmore and Philip Palamoutian, respectively. Vice-president Kinball, representing the Council spoke of the Seascout program glowingly and presented the badge of membership to the new Seascouts. Mr. Brown made the charge to the Ship Committee and to the new officers all replying briefly, pledging their support to the movement. Skipper Carl of Malden, was present with his crew of nine Seascouts and assistants in order to help with the installation and Mr. Carley spoke of the duties of the Skipper. One of his scouts then told what it meant to be a Seascout, after which the crew performed an interesting demonstration of compass instruction. Life Saving and knot tying on a "jack-stay." Mr. Carley's crew made an excellent impression on the new crew and those present and indicated that their training had been of a very high degree. The meeting closed with refreshments served by Mrs. Carley, Mrs. Brown, Mrs. Gilmore and Mrs. Palamoutian. In addition to parents of scouts, there were present Capt. Stacy of the Newton Fire Department, one of his assistants; Mr. E. J. Ovington, Assistant Deputy Commissioner, Scoutmaster Reicher of troop 3, and A. S. M. Smith of troop 7, with the visiting crew a total of about fifty people. The crew will hold their meetings in the Veteran Fireman's House, West Newton, Friday evenings.

The next Court of Honor will be Friday evening, the 20th. Applications for this must be at the office the 16th. A Scout Get-together meeting, will be held at the Parish house of St. John's Church, Newtonville, Friday, December 4th, at 7.30. There will be moving pictures of scout activities, demonstrations and probably the award of the Eagle Scout badge to Arnold Nicholas of troop 1. Scout Nicholas has qualified for this, the highest rank in scouting and his badge is passed by the National Council in time, the award will be made at this meeting. Admission for boys under scout age, will be by ticket only. Tickets will be sent boys 11 years and nine months of age or older, upon receipt of a written application at Scout Headquarters.

We have had a Confidential Exchange since the beginning of our organization. During the spring of 1923, we had Miss Woodbury (President of the American Association of Social Service Exchanges and head of the Boston Social Service Exchange) come to Newton, make a study of our Exchange, and bring it up to date. This past year, the name has been changed to Newton Social Service Exchange, and an effort made through the Newton Central Council to give it more publicity and bring about a larger use of the Exchange in Newton. It still needs to be better known and more widely used.

Our employment service is a valuable adjunct to our organization. It helps to get work for many women and girls who need to assist themselves and their families. It serves the community by placing reliable people. Many come to us rather than to a regular employment agency because they feel our Bureau can be depended on for efficient and honest workers.

The Welfare Bureau has also been responsible for an important piece of legislation that protects minor children in court. Through a case brought to our attention, a minor child was held as a witness on a charge of felonious assault. It was a public trial in both the lower and Superior Courts. The evidence was such that it seemed criminal to subject a young child to questioning in open court. This case was brought to the attention of the Federation of Women's Clubs. Their Legislative Committee got up a petition signed by the most prominent Child Welfare and Welfare organizations in and around Boston. It was approved by the Judiciary Committee of the State Legislature, and the Act now reads that Lower Courts must be cleared and the Upper Courts may be cleared at the discretion of the Judge when a minor is a witness on charges of moral turpitude.

The Welfare Bureau was one of the Charter members of the Newton Central Council, giving both moral and financial assistance, and we were one of the first organizations to go on record as approving the recommendation of the Community Chest Study, and appointing two members of our Board to serve as our Committee to plan for said chest, if enough organizations voted to adopt it.

We worked with the Council in the plan of a Thanksgiving and Christmas Clearing House to avoid duplication of giving at this season. When your Secretary came to Newton, the Welfare Bureau was holding weekly case conferences. These do have a certain educational value but are very difficult for a Secretary. We finally changed to once a month, and two years ago again changed to meetings twice a month—one with an outside speaker, telling their relation to other organizations. There were children's workers, nursing workers, etc. The alternating meeting was our own group for discussion of our own case work.

Last year, we again changed and had a six weeks' study course. Invitations were sent to all the social workers in the city. It proved its worth and showed the need of a definite plan to avoid not only duplication of relief but of effort, and to protect families from a multiplicity of workers going in.

Newton Choral Society

The following new members have been received at the two last Tuesday evening rehearsals: Chester Wellman, Newton; Mrs. Charles E. Sullivan, Mr. and Mrs. A. W. Gilkerson, Mr. and Mrs. H. J. Gammons, Miss Louise Wayland, Mrs. William H. Fish, Newtonville; Miss Theresa M. Caruso, West Newton; and Miss Marjorie A. Briggs, Newton Highlands.

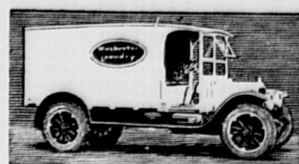

Newton Welfare Bureau

(Continued from Page 1)

Welfare Bureau so it could more broadly serve the community. The Red Cross most generously continued financial support and also paid part time salary to a Legion worker so your Secretary could have more time to devote to the necessary work of the Welfare Bureau.

It was at this time that Newton found itself with money from the sale of Christmas Seals, and because we were the agency serving all Newton, we were asked to take this money and spend it for tuberculosis work in the city.

We had a Tuberculosis Committee—not a very active one—but ready to work if the need arose. This formed the nucleus to start. The membership was enlarged to include non-board members, and from this beginning has grown a work that is as important as any in the city. We are affiliated with the City Board of Health under Dr. Curtis and the School Health Program under Miss Bragg. Together it has been made possible for every school child in Newton to have a special physical examination, and in-

FLAT AND FLUF DRY SERVICE

All household linen washed and ironed; all family apparel washed, dried—but not ironed. Does it all but a little ironing. Very economical.

The Winchester Laundries, Inc.

164 Galen Street, Newton

Tel. Newton No. 5504

tensive work is being done with the undernourished child.

The Federation of Women's Clubs first raised the money. Their enthusiasm has grown each year with the increasing program of work until it is a part of their yearly program to appoint a Seal Sale Chairman. Each year has seen an increase in money raised, making it possible to do the intensive work that shows such sure results in health building.

We have had a Confidential Exchange since the beginning of our organization. During the spring of 1923, we had Miss Woodbury (President of the American Association of Social Service Exchanges and head of the Boston Social Service Exchange) come to Newton, make a study of our Exchange, and bring it up to date. This past year, the name has been changed to Newton Social Service Exchange, and an effort made through the Newton Central Council to give it more publicity and bring about a larger use of the Exchange in Newton. It still needs to be better known and more widely used.

Our employment service is a valuable adjunct to our organization. It helps to get work for many women and girls who need to assist themselves and their families. It serves the community by placing reliable people. Many come to us rather than to a regular employment agency because they feel our Bureau can be depended on for efficient and honest workers.

The Welfare Bureau has also been responsible for an important piece of legislation that protects minor children in court. Through a case brought to our attention, a minor child was held as a witness on a charge of felonious assault. It was a public trial in both the lower and Superior Courts. Welfare Bureau so it could more broadly serve the community. The Red Cross most generously continued financial support and also paid part time salary to a Legion worker so your Secretary could have more time to devote to the necessary work of the Welfare Bureau.

It was at this time that Newton found itself with money from the sale of Christmas Seals, and because we were the agency serving all Newton, we were asked to take this money and spend it for tuberculosis work in the city.

We had a Tuberculosis Committee—not a very active one—but ready to work if the need arose. This formed the nucleus to start. The membership was enlarged to include non-board members, and from this beginning has grown a work that is as important as any in the city. We are affiliated with the City Board of Health under Dr. Curtis and the School Health Program under Miss Bragg. Together it has been made possible for every school child in Newton to have a special physical examination, and in-

We asked the Welfare Committee of the Central Church to make this a special part of their work, and monthly meetings are to be held. A plan has been evolved to make a careful study of the needs of families and have the right agency do the work. The others may be called in for consultation and special relief when necessary. The group includes both the public and private agencies in the city. An outline of the program is enclosed with this report.

Your Secretary has had the honor of being Chairman of the State Committee on better working relations between Public and Private Relief Agencies. A study was made of both agencies and recommendations made at the last State Conference. The Committee worked with the Public Relief Officers' Association, the Family Welfare Societies, and the State Department of Public Welfare. In resigning, President of the Public Relief Officers asked for the plan we worked out in Newton, and our program has been sent to him. He considered it a very practical and constructive plan for communities to avoid duplication of work.

Another new Department of the Welfare Bureau is the Occupational Therapy. This is too little understood—Occupational, in so many minds meaning just that. They do not see the very significant curative value of it is to therapeutics. We have an equipped work shop, have had a trained worker, and for infants and fractures have done some remarkable work. It has been recognized by Dr. Howard Moore, Orthopedic Specialist at the Newton Hospital, and our worker went to the Hospital twice a week until the beginning of vacation. Our financial needs have increased. The Red Cross—with the lessening of Home Service Work—has decreased their allowance and will eventually withdraw financial assistance. The Welfare Bureau had to pay the salary of the assistant, and without the extra worker we could not meet the demands on our time. Our special relief used to be met largely by the Secretary writing appeal letters. With the numerous appeals going out from every organization and our asking for our overhead expenses, it did not seem fair to ask twice for the work, so two years ago the relief was added to our yearly budget. It is only in very exceptional cases that the Secretary now makes an appeal, and only then when we definitely know the person wishes to give to aid in educational plans or to meet an unusual emergency.

The Ways and Means Committee has done excellent work the past two years. The publicity given through the letters sent out has doubled the number of contributors.

The nature of the work does not change a great deal from year to year—our chart shows a surprising following of the lines of new and old cases of the past two years. This did not seem the time to render a statistical report but rather try to show what our work has stood for in the past; its natural and wholesome growth, its interest in and cordial co-operation with other agencies. The family work has always been a prominent part of our Bureau. We will always stress that because Home is the foundation of our country.

With this report, we are filing copies of the Home Service, Red Cross Report, the Report and Recommendations for the Health Committee, Report of the Occupational Therapy Department, and an outline of the plan of the social workers' meetings.

Our expectations for the future rise out of our accomplishments of the past.

CARRIE A. HULL,
General Secretary.

THE NEWTON GRAPHIC

Entered at the Post-office at Boston, Mass., as second-class matter

EDITORIAL

In its Good Government Club, Auburndale is showing the rest of the city what ought to be done in every village in Newton. This club gives to the people of Auburndale and to the rest of the city as well, the opportunity to hear the candidates for public office, to discuss matters of referendum and to listen to the arguments on both sides of public questions. Last week the Club heard District Attorney Arthur K. Reading speak on the administration of criminal law and Mr. Elliott B. Church of the school committee discuss educational problems, both interesting and timely topics and deserving a wider hearing. We hope the Auburndale idea will spread to the entire city.

As one after another of our prominent citizens decline to contest the reelection of Mayor Childs, it is becoming apparent that the editor of the Graphic must once more provide an opportunity for the opponents to Mayor Childs to express themselves at the coming city election.

Congratulations to the Auburndale Congregational Society on its 75th anniversary. May its fine record of the past be exceeded in the future.

The attendance at Dr. Cadman's lecture in Eliot Church shows what Newton people can do when their interest is aroused.

Did you pay that two minutes of respect to the boys "over there," last Wednesday morning?

DEATH OF MR. LEIGHTON

Funeral services for Eugene Wilson Leighton were held on Saturday, November 7th, at his home, 12 Proctor street, Newtonville. The Rev. Dr. Arthur M. Ellis of the Central Congregational Church, Newtonville, officiated. The pall-bearers were Charles H. Bowen, Weld A. Rollins, George W. Auryansen, Waldo F. Glidden, William T. Killoran and George W. Downing.

Mr. Leighton, who was twenty years a resident of Newton, passed away suddenly Thursday morning. His death came as a shock to many friends and business associates by whom he will be greatly missed.

Mr. Leighton was well known in banking circles, having been Trust officer of the American Trust Co. of Boston, for 35 years, and a member of the Bank Officers' Association, the Corporate Fiduciaries Association and the Boston Chapter of the American Institute of Banking. He was also a member of the Boston City Club.

Mr. Leighton is survived by a widow and two daughters, Eleanor and Elizabeth.

The interment was in the Newton Cemetery.

CITY HALL

With the last day for filing nomination papers for the coming city election fast approaching, there have been only six nominations made to date. Mayor Childs is again a candidate, which is no surprise. Aldermen Leahy in ward 3, O'Connell in ward 2 and Madden in ward 1 have filed for re-election as ward aldermen. James F. Lockett of Hancock avenue, Newton Centre is a candidate for school committee and Elliott T. Hutchinson of Cottage street, Upper Falls, desires to be the ward alderman in ward 5, thus disturbing the long held agreement that Waban was to have the ward alderman, and Upper Falls and the Highlands the aldermen at large. It is understood that there will be three candidates for alderman at large from ward 5 to succeed Mr. White. The names thus far heard are: Daniel R. Weedon, Walter Hodgdon and Arthur D. Colby.

ARMISTICE BALL

Mrs. Loretta Whelan, wife of Patrolman William Whelan, was chosen "Armistice Queen" at the annual Armistice Night ball of Newton Post, A. L., Wednesday evening at the State Armory, West Newton. Louis Fabian Bachrach, the photographer, was chairman of the board of judges, which comprised members of the organization. More than 50 girls were entered in the contest which was the feature of the evening's entertainment. Mrs. Whelan was presented a silver loving cup by Commander Frank L. Wilcox.

Commander Frank L. Wilcox was chairman of the ball committee, assisted by Julius Ramon, treasurer; Albert Cunningham, John Henderson, Thomas Franey, Joseph Beatty, Matthew Hurley, Russell Viles and Leonard Jackson.

TOWN FAIR

The Town Fair in aid of the West Newton Memorial Library was brought to a close last Saturday night after a very successful three days. On Friday a Mutt show was held. Again the weather was unfavorable, but 27 dogs competed. There were 8 classes: Large dogs, small dogs, long-tailed dogs, short-tailed dogs, best looking dogs, homeliest dogs, best cared for dogs, best in show.

Prizes were given to the following: George Drew, largest dog; Annie Kennedy, smallest dog; Teresa Beraldi, longest-tailed dog; William Bagley, shortest tailed dog; Everett Smith, best looking dog; Mary Young, homeliest dog; Patience Hartwell, best cared for dog; Miss Webster, best in show. The judges were Dr. Fred Allen, Mr. Joseph Gilman and Mr. Walton S. Redfield.

In connection with the Fair an exhibition was held. Many dolls were entered and the competition was keen. The judges, Mrs. Irving J. Fisher, Mrs. Leon B. Rogers and Mrs. Carl F. Pickhardt awarded prizes to Esther Merchant for the prettiest doll, to Jean Ray for the funniest doll, and to Eleanor Weston for the most original doll. They also awarded prizes to Margaret Barber, for the best cooking exhibit, to Ruth Williams for the best collection, and to Pauline Gorge for the best needlework.

For the boys' exhibitions, Mr. Paul C. Scarborough and Principal Mr. Brewster of the Peirce School, acted as judges. Prizes were awarded to George Armstrong for the best collection, and to Philip Thayer for the best handiwork. Adams Carter, Charles Frary and Philip Leighton receiving red ribbons.

Mrs. Walton S. Redfield and Mrs. Fred Allen were Chairmen of the Town Fair.

The decorations brought forth exclamations of joy from young and old. They were black and orange for Halloween. Black Cats, witches, goblins, bats and imps, with spiders and webs at the windows made a wonderful effect. These decorations were planned and executed by Mrs. John Parker Holmes.

The committee greatly appreciates the donations from the following: Mr. Howard J. Bushway of the Bushway Ice Cream Co.; Mr. H. E. Cushman, H. P. Hood & Sons, Prescott's Market, J. Mizen, Mr. Albert Richards and Mr. Henry J. Nichols; and also the wonderful co-operation of Mr. Osgood of Norumbega Park, of Mr. Stuart's street commissioner, of Mr. Hermann of the Playground Department, of J. Howard Frost of the Brae Burn Nursery, of Mr. Maxim of the Newton High School Athletic Association, and of Mr. Clifford Eddy of C. F. Eddy Co.

HOLMES—FOAT

A home wedding of unusual charm was solemnized at the home of Dr. and Mrs. John S. Foat, Ripon, Wis., when their daughter Olive Lorraine Foat was united in marriage to Mr. John Holmes, son of Mrs. Clara M. Holmes of Auburndale, Mass. The ceremony, a candle light service, took place before the fireplace banked with yellow chrysanthemums and evergreens. The bride's party entered to the strains of Mendelssohn's Wedding March, played by Miss Audrey Mahon of Ripon accompanied by Miss Georgia Campbell of Marshfield, Wis. Dr. Silas Evans, president of Ripon College, was the officiating clergyman.

The bride was charmingly attired in an imported gown of white crepe back satin trimmed with rhinestones and lace. Her tulle veil was arranged with a coronet of orange blossoms. She carried a shower bouquet of bride roses, swansonia and ferns. Miss Charlotte Crocker of Sheboygan, Wis., was maid of honor. Her gown was green chiffon trimmed with velvet flowers. She carried an arm bouquet of yellow chrysanthemums. Little Miss Catherine Breneman, a cousin of the bride, was flower girl, wearing yellow tulle and carrying a basket of yellow chrysanthemums. The groom's best man was Parnely Daniels of Des Moines, Iowa, cousin of the bride. Immediately after the ceremony a reception was held. Dr. and Mrs. Foat, Mrs. Clara M. Holmes and Mrs. J. D. Cate, grandmother of the bride, receiving with the bride party.

The bride is a graduate of Ripon College, class of 1922, a member of the Delta Phi Sigma sorority. Following her graduation she attended the Emerson College of Oratory in Boston, graduating in 1923, a member of the Zeta Phi Eta sorority. The groom is a graduate of the Rhode Island State College, a member of the Lambda Chi Alpha fraternity and was in the service during the late war. At present he is connected with the consolidated Rendering Co. of Boston. He will be at home after December 1st at 16 Washburn avenue, Auburndale, Mass.

LODGES

The newly elected officers of the General Hall Lodge No. 123 A. O. U. W., were installed last Tuesday evening. The officers were as follows: M. W. D. G. Freeman; Foreman, I. R. Malvin; Overseer, G. Deyramond; Recorder, M. E. Beardsley; Treasurer, F. G. L. Henderson; Financier, C. E. Kimball; Guide, J. J. Fogg; I. W. C. A. Jonah; Trustee for 3 years, W. H. Goddard.

It will be election of Grand Officers and rehearsal of Golden Rule Degree at next meeting, Wednesday, November 16th, at Garden City Encampment, I. O. O. F.

THE PLAYERS

The Players, Inc., are presenting this week at Players' Hall, West Newton, "The Truth About P. V. D." by A. A. Milne. The cast includes Geoffrey Baker, Philip W. Carter, Barbara Fawcett, Mrs. A. L. Wakefield, E. Irving Locke, Mrs. Elizabeth Upham Stevens, Victoria Baker and Augustus L. Wakefield. Frank E. Fowler is acting manager. The piece is being staged under the direction of William V. M. Fawcett. Marjorie Tucker, Douglas Slean and John Perkins. The ushers are Arthur G. Hosmer, Gardner I. Jones, Edward W. Pride, Charles E. Hatfield, Arthur T. Lovett and Henry L. Fairbrother.

RED CROSS AID TO VETS MOUNTING

Heavier Demands for War Service Laid to New Legislation Granting Wide Benefits.

ACTIVE FORCES AIDED ALS

Duty to Ex-Service and Service Men First Responsibility of the Red Cross.

A marked increase in the service given by the American Red Cross to ex-service men, through Chaplains, hospitals, Government and Red Cross offices during the past year, and which volume is expected to be maintained during most of the fiscal year ending June 30, 1926, is shown in the reports of the war service activities of the organization, just completed.

Service to the disabled and to men now in active service continued to be one of the primary obligations of the Red Cross. The increased activities in this regard were attributed largely to the legislation giving new benefits to ex-service men.

The keystone of the Red Cross service lies in the Home Service work of the chapters to veterans and men still in service. At the close of the fiscal year June 30, 1925, 2,591 chapters were active in this work and had expended approximately \$2,237,000.

Included in their work was assistance to ex-service men in making out adjusted compensation papers, in the handling of claims reopened, or made possible under liberalized terms of the World War Veterans' Act of 1924; and in many other ways.

An unusual amount of legislation passed by Congress and State bodies has necessitated the issue of much new material in the past year. Legislation was passed during the year liberalizing conditions applying to hospitalization, compensation and other benefits under the Veterans' Bureau; this in turn has entailed reopening of many claims formerly disallowed, filing of many new ones, and many applications for hospitalization. The Claims Service at National Headquarters this year handled 17,506 in comparison with 12,016 cases the previous year.

Increased service to men in hospitals was noted, as well in the number of hospitals in which service was maintained by the organization. Due to new legislation an increase of over 6,000 patients were admitted for hospitalization, a new peak approximating that of March 1922. Since a large number of this group includes patients not eligible for compensation, the solution of their personal and family problems has involved careful study by the National Organization.

There are 30,000 disabled ex-service men in Government hospitals every day of the year, and their need has directly led to a revival of the best-known and perhaps most popular activity of the Red Cross sponsored in war—a new campaign for knitted "Red Cross sweaters." These articles are among the few not furnished by the Government.

For the men still on active duty in the Army, Navy and Marines, the Red Cross during the year maintained Field Directors at all important stations, camps, and hospitals of these armed forces of the country.

A monthly average of 96,931 service and ex-service men were aided by the Red Cross during the year.

The man in service, and the man who has served his country are among the primary responsibilities for which the American Red Cross is chartered by Congress. Nevertheless it has many other obligations and it is on this basis that an appeal will be made for a larger enrollment than ever during the Annual Roll Call, Armistice Day, November 11, to November 26.

Strong Membership Appeal In Red Cross Disaster Relief

Asking themselves "What if disaster should visit our city?" the leading citizens of many communities of the United States have adopted the Scout motto to "Be Prepared."

Impressed by the frequency and the wide range of peace time calamities in their country, they have organized their communities with the thoroughness which normal conditions permit, against the possibility of a time when there will be no chance for thought or plan. Red Cross Chapters in many localities are similarly prepared.

JOIN

The next regular meeting of the West Newton W. C. T. U. will be at the home of Mrs. M. M. Beardsley, 108 Crescent street, on Monday evening, November 16. Subject: Echoes of the National W. C. T. U. Convention recently held at Pittsfield, Mass.

The West Newton W. C. T. U. will hold a rummage sale at 1399 Washington street, West Newton, next Thursday, November 19th, from 10 A. M. to 5 P. M.

CRIMINAL LAW
(Continued from Page 1)

stanced the case of Chestnut Hill children being compelled to take the electric cars to reach the Newton School. He gave figures from Mr. Bacon, the head of the High School, to show that Newton graduates had made excellent records in college entrance examinations, 164 out of 175 having entered some 40 different colleges. He favored having a week day religious instruction although admitting that it could not be done legally by the school committee. He told of the use and misuse of the No school signal and stated that it cost the city some \$5000 a day to maintain its plant and that in addition, the pupils should be given to understand that education was a serious matter and one that ought not to be dependent on the weather. He told of the method of selecting teachers, declared that Newton stood 4th or 5th in the state in the matter of salaries. He personally favored men teachers in the high schools. He urged the close co-operation of parents in requiring home study, limiting social activities to Friday night and Saturday, insistence on regular attendance, the inculcation of the idea that the school authorities were always right, that parents should know their own child and that college plans should be made a long time in advance.

Previous to the speaking, the club held a short business meeting at which these officers were elected: President, Chauncey B. Conn; vice-president, Ernest Braithwaite; secretary, Mrs. Ernest Johnson; treasurer, Arthur S. Chamberlain; and an executive committee of Miss Florence Bridgman, George P. Brophy, Fred R. Miller and Strabo V. Claggett.

SIXTEENTH ANNIVERSARY

The Newton Catholic Club, one of the strongest men's clubs in the city, observed its sixteenth birthday Monday evening with a largely attended banquet in the club hall, West Newton.

Mr. George P. Brophy, the president, acted as toastmaster and Judge M. H. Murray of the Boston Municipal Court was the principal speaker. Judge Murray deplored the conditions that prevailed in the Boston election, when two candidates, according to the speaker, made their appeals on racial and religious issues.

"A candidate for public office," said the judge, "should have the instincts of a gentleman. A candidate who stirs the passions of the unthinking with appeals on racial and religious issues does an incalculable harm to society. Such appeals as these open a sure and certain road to the annihilation and destruction of the country. There is no room in America for segregation of races, no room for exhibition of intolerance, no room for hypenism."

The speaker made a plea for a common language in America as the one factor that makes for national solidarity. He called upon the naturalized citizen to forget anti-Atlantic feuds, and pleaded for the nationalities that make up this Republic to live in tolerance and abandon old prejudices of racial or religious nature.

Mayor Edwin O. Childs, speaking at his 13th Catholic Club banquet, praised the good work being done by the club in Newton and complimented the organization on its representatives in the city and State Governments.

He referred to the club as a monument to a young man, Rev. Francis Cronin, the founder, now pastor of St. Joseph's Church, Orient Heights.

Rev. Fr. Edward F. Crowley of Maynard spoke on "The Fads of Today," particularly evolution. Street Commissioner George E. Stuart, Chief of Police Bernard J. Burke and Rev. Fr. William T. A. O'Brien, spiritual director of the club, were other speakers.

Seated at the head table in addition to the speakers were John E. Riley, Edward M. D'Arcy, Dudley P. Tenney, Martin C. DeVizia, all members of the banquet committee; Rev. Fr. John J. Allston, Rev. Fr. William J. Dwyer, Rev. Fr. Joseph Desmond and Rev. Fr. Thomas P. MacManmon.

The hall and tables were decorated with the club colors, purple and white. Joseph Antonelli, well-known tenor, sang operatic selections, and Frank Madden, black-face comedian, was also on the bill. Both are Newton young men, prominent on the professional vaudeville stage.

John E. Riley was chairman of the committee of arrangements and he was assisted by Rev. William T. A. O'Brien, spiritual director and treasurer; Dudley P. Tenney, George M. Cox, Martin C. DeVizia, Charles H. Landers, George P. Brophy and Joseph Edwards, secretary.

AUTO ACCIDENTS

Sunday afternoon at the corner of Commonwealth avenue and Chestnut streets a Ford coupe, operated by John O. Seller of Quincy, and a Dodge sedan operated by Fred L. Newhall of Stoughton, collided. Both machines were considerably damaged. Miss Ruth Randell of Jamaica Plain, who was riding with Seller received a slight injury to her leg. Both operators claimed that they did not see each other in time to avoid the collision as it was raining hard.

Saturday morning Edward Baxter of Waltham was riding a bicycle on Elm street, West Newton, near the corner of Border street when he was struck by a Ford truck, owned and operated by Walter S. Jardine of Arlington. The truck was turning into Border street when it struck the boy who suffered a deep cut over the left eye and a bruised leg. He was taken to the hospital by a passing motorist and later taken to his home by his father.

Last Thursday Michael Sacco of River street, Needham was slightly injured when he was struck by an automobile operated by Alfred Haigh of Linden street, Newton Upper Falls at the corner of Oak and Chestnut streets. Sacco was riding a bicycle which was wrecked. He was attended by Dr. Hoey and later went home. Miss Adele Thomas of Boylston St., Newton Highlands, after alighting from a Boston & Worcester car last Thursday evening at the corner of Hartford street was struck by an automobile operated by George W. Parson of Dorchester. She was only slightly injured and went to her home.

GIRL SCOUTS

Troop 11 Wins
On Tuesday afternoon, November 10 the Girl Scouts of Troop 11, the Newton Highlands Troop met and defeated Troop 111 of Newton Centre in a hard fought game of Captain Ball. The score was 10 to 2 and every point was a good fight. Both teams were cheered by a large group of rooters who enjoyed the game almost as much as the participants. The mascot of Troop 111 was a periborned goat which caused much merriment. After the game both players and onlookers enjoyed cocoa at Captain Ordway's home. The Officers' Association held its regular meeting in the Parish House of the Unitarian Church, West Newton, on Wednesday of this week. The meeting was well attended, fifty-five sitting down to supper. This number included five council members and the speaker, Mrs. Frank A. Day, Commissioner, was given a warm welcome as it was her first meeting since her return from Europe. Miss Edith Conant of National Headquarters, New York, a member of the Education unit and director for New England was the speaker of the evening and her subject was "The Patrol System." She brought out in her talk the true value of the Patrol System to both the Troop and to the Patrol Leaders and said that although it might make it harder in the beginning for the captain that in the end it would make a better and smoother running troop as it would develop responsibility and leadership in the girls.

CHARLES RIVER COUNTRY CLUB

The annual trophy dinner will take place this evening at the Club house after which there will be moving pictures followed by dancing at the Newton Centre Women's club house.

THE STAGE TURNS TO RELIGION

For some of its most powerful themes, Theatres are making a real contribution toward the understanding of religion by the portrayal of true religion in study their offerings.

For Sunday evenings we offer a series of studies in the religious life as portrayed by dramatists of today and yesterday. The vivid eye appeal of selected scenes coupled with the interpretative power of spoken drama, make but a real adventure in religious study.

"The Place For My Savings"

Refrigeration Important.
Refrigeration is a modern science that finds many uses. In mining it overcomes two great difficulties: the influx of water in porous formations and the heat of deep shafts. By freezing the surrounding earth, miners can carry their shafts through water-bearing strata, and by supplying themselves with cool air they can penetrate the earth to great depths.—Youth's Companion.

Olden Times Had "New Women."
Women in some Grecian cities owned a great deal of real estate, voted, held office and enlisted in the army. The "new woman" was so unpopular in ancient Athens that a play was written satirizing her desire to control the city.

—The Epworth League of the Methodist Church will give two plays, "Chinese Love" and "Not on the Program" on Friday and Saturday evenings, November 20 and 21. The proceeds will go to the Building Fund of the Church.

—Box 23 was sounded Friday evening for a fire in the automobile repair shop of Edward O'Neill on Washington street. The fire was caused by an automobile backfiring and did but slight damage to the shop. The building is owned by H. W. Orr.

—The first of the series of assemblies under the direction of Miss Barbara Johnson will be held at the Newton Club this evening. These assemblies are for the younger high school boys and girls and will be given every two weeks during the winter.

—Rev. Mr. Parker will preach on the subject "Building Boys and Making Men" at the M. E. Church on Sunday morning. The fathers and sons of the church have been given a special invitation to attend church for this service. The fathers have been invited to visit the classes of their boys for this Sunday.

—A needless still alarm was sent in Monday morning for a supposed fire in the Technical high school building on Elm road. Considerable smoke filled the corridors of the building which the firemen traced to some brooms in a closet which started to smoulder when they came in contact with an electric wire.

Newton Upper Falls

—Mr. Howard Gould of Boylston street left Tuesday to spend the winter at Florida.

—Miss Helen Pierce Shields and Mr. Augustus Boudrot have announced their engagement.

—Mrs. Thomas Lees of this village is attending the convention of the Federation of Women's Clubs in Springfield.

—There will be a special musical program at the Sunday evening service at the Methodist Church and Mayor Childs will make an address.

—Miss Ethel M. Carey of Hale street, a former student of the Newton High School, is taking a Stenographic Course at the Bryant & Stratton School.

—Members of the Baptist Church held a very appetizing supper at the church on Thursday evening. Mr. F. Day played selections on the banjo and songs were rendered by the Newton quartette from the Senary.

—Little Elsie Jewett of High street had a very narrow escape from death last week when she fell on a pair of scissors and cut her wrist, dangerously near an artery. Medical care was given immediately and the little girl is recovering.

—Mrs. Ryder, librarian at the branch library, has a splendid exhibition of children's books on view this week. Books of fiction and non-fiction, guaranteed to please every taste will be there for parents and children to take out on Monday.

Newton Centre

—Mrs. Frank Thompson is moving into the house at 158 Clark street.

—Mr. Thomas Fell, the barber, is in the Newton Hospital, with typhoid fever.

—Mr. F. J. Bachelor has taken a lease on the property at 12 Lake Terrace.

—Miss Marjorie Wilson won a letter in volleyball this week at Wellesley college.

—Mr. and Mrs. Harold Marion of Albion place are rejoicing over the birth of a daughter.

—Mr. Francis F. Jones is moving to his recently completed house at 49 Cottage street.

—Mrs. Eugene W. Pratt of California is the guest of her son, Mr. Langdon Pratt.

—The new house, 85 Halcyon road, has been sold to Mrs. Clara G. Page, who will occupy.

—Mrs. Jennie B. Mills has purchased for occupancy the house at 155 Eastbourne road.

—Mr. and Mrs. Merrill C. Nutting of Stuart road are receiving congratulations on the birth of a son.

—Mr. Arthur Olson, who recently purchased the house at 12 Nathan Rd., will occupy the same in the near future.

—The Hospitality Committee of the Woman's Benevolent Society of the First Church held an enjoyable "Acquaintance Tea" last Tuesday afternoon.

—Last Friday morning Box 7 was run in for a fire in the home of Douglas McIsaac at 743 Beacon street. The fire was caused by children playing with matches.

—The Appalachian Mountain club will have a hike about Forest Hills tomorrow afternoon to be followed by a dance in Bray Hall in charge of Mr. Sidney R. Porter.

—The Laymen's League of the Unitarian Church will meet with the Channing Chapter at Newton next Thursday evening. Congressman Robert Luce will be the speaker.

—Rev. George L. Parker addressed the Plymouth and Bay Conference of Unitarian Churches at East Bridgewater, on the afternoon of November 11, Armistice Day. His topic was, "Meditations on Armistice Day."

—Paul G. Diluzio, of Warren street, who graduated from the Newton Classical High School in the Class of 1925, is attending the Bryant & Stratton School where he is taking the Business Administration Course.

—At the annual meeting of the Women's Educational and Industrial Union of Boston on Wednesday, Mr. Charles Swain Thomas was the speaker.

—The regular meeting of the Score Club was at the home of Mrs. Gardner I. Jones on Valentine street Monday, November 9. There was bridge and luncheon.

—Dr. Fred M. Lowe and Mr. Ernest H. Harvey, who left several weeks ago for an automobile trip across the continent, returned last Friday after a most interesting experience.

—Miss Amelia Hartel of Otis street, a former student of the New England Conservatory of Music, is attending the Bryant & Stratton School where she is taking the Secretarial Course.

—At the annual meeting of the Neighborhood Club this week Mr. Maynard Hutchinson was elected president to succeed Mr. A. C. Dunmore, who retires after several years' service.

—Rev. Bhaskar Pandurang Hivale will be the preacher at the Second Church next Sunday morning. He is one of the most brilliant Indian lecturers with a particularly timely message from the East to the West.

—The proposed footbridge across the Charles river, connecting Harvard University and the new Harvard Business school will be named the John W. Weeks bridge in honor of the former secretary of war. The bridge is a gift from former associates of Mr. Weeks.

—Dr. and Mrs. Frederick Allen of Highland avenue, Mr. and Mrs. Joseph W. Gilman of Otis street, and Mr. and Mrs. Frederick S. Blodgett of Prince street, were among those who spent the week end at Hanover and attended the Dartmouth-Cornell game.

—Mrs. Annamyllis F. Hubbard, the wife of Mr. Orrin C. Hubbard and a former resident of this village died last Saturday at her home in Mount Vernon, N. H. Mrs. Hubbard is survived by her husband and one daughter. The interment was made on Tuesday at South Byfield Parish, Mass.

—The Men's Club held its first meeting of the season last evening in the parish house of the Second Church and there was a large attendance. At the business meeting immediately after the excellent supper, Mr. John A. Paine was elected president; Mr. William H. Best, vice-president; Mr. Donald Macomber, secretary and Mr. R. F. Gammons, treasurer. Mr. Frank S. Davis of the Maritime Association of the Boston Chamber of Commerce gave an instructive talk on "Selling the Port of Boston" which was illustrated with moving pictures of Boston Harbor and its facilities for commerce.

Newtonville

—The Afternoon Bridge Club met at the Newton Club on Wednesday afternoon.

—A bridge party was held at the Newton Club on Friday afternoon for the benefit of the scholarship fund.

—Mrs. Eustace Lane is the guest of her grandson in Chicago, later she will visit her daughter in Salt Lake City.

—Rev. Rubens Rea Hadley will be installed next Monday evening as the pastor of the Universalist Church. Judge Robert W. Hill of Salem will give the address of welcome.

—Mrs. Elizabeth T. Roberts, the widow of the late C. E. Roberts and a well-known former resident of this village, died last Saturday at Bradenton, Fla. Mrs. Roberts was 65 years of age and is survived by one son, Mr. William H. Allen of Kirkstall road. A brother, Funeral services are being held today at Cedar Grove Cemetery, Hartford, Conn.

—The Greek women and girls in the great refugee settlements near Athens are endeavoring to support themselves by embroidery and lace making, aided by the Friends of Greece, who find a market for their work in this country. A sale of these beautiful and unique articles in many practical forms will be held at the home of Mrs. H. H. Powers, 82 Church street, Newton, on Saturday, November 14, from 10 A. M. to 6 P. M. Advertisement.

Food Requirements.

On an average a woman requires 1,200 pounds of food a year, or 400 less than a man requires.

THE SECOND CHURCH, WEST NEWTON

LEAGUE OF WOMEN VOTERS

One of the most informative, inspiring and altogether interesting League meetings was the one held at the home of Mrs. Wallace C. Boyden, 64 Oakwood road, Newtonville, on Friday, November 6th.

The League was greatly honored in having as its speaker Mrs. Arthur G. Rotch, President of the Massachusetts League of Women Voters.

Mrs. Rotch told of the early struggles of women interested in civic welfare to organize the League.

She explained that the League is neither a woman's party nor a club, but an organization maintained for the one purpose of imparting knowledge to women voters, thus stimulating their interest in promoting better citizenship, more efficient government and cleaner politics.

The League of Women Voters is the only organization of national scope which undertakes on a non-partisan basis to educate the millions of new women voters to a wise use of their power. It does this partly by literature—usually leaflets of but a few pages, but sometimes sizable pamphlets—of which many thousands have been published. It also promotes "schools" like the recent one at Wellesley College, lasting two or three days and devoted to the study of a single subject. And finally, it has large numbers of trained lecturers who are always ready to aid the local league in their work.

Women voters are encouraged to study the politics of their city or town and to try to correct conditions which need changing as well as to support whatever is good. They are urged to proceed to a similar treatment of county, state, and national problems.

Certain subjects are of especial interest to women. Some of these are child welfare, education, living costs, social hygiene, legal status of women, women in industry, prevention of war. For each of these the League has a committee charged with making studies and gathering information which will guide the League in its attitude toward proposed legislation.

The League in the six years of its existence has spread over the entire country, being organized in nearly every state. It must seem to many as it does to E. A. Filene "altogether the most important thing organized women of today have undertaken."

Mrs. Rotch told the audience in her convincing manner that it is the duty of every woman to take active part in the political life of her community. In aiding her to become a more intelligent participant in civil betterment the League of Women Voters is eager to lend a helping hand.

KEPNER-COOKE

The wedding of Mr. Lewson Chase Kepner of Grove Hill avenue, Newtonville, and Miss Ruth Elizabeth Cooke, the daughter of Mr. and Mrs. William E. Cooke of Waltham took place last Friday night at the Universalist Church in that city, the ceremony being performed at 7.30 o'clock by Rev. Charles D. Kepner Jr., a brother of the groom, assisted by the Rev. H. H. Hoyt.

The maid of honor was Miss Martha R. Ludden of Waltham, and the bridesmaids were the Misses Virginia Chase of Hartford, Conn., Beatrice Chapin and Ruth A. Arneson both of Waltham, and Cora L. Cooke, a cousin of the bride from Burlington, Vt.

Mr. Kepner had his brother, Mr. Kenneth E. Kepner as his best man and the ushers were Messrs. Arthur B. Cooke, a brother of the bride of Waltham, Philip Horne, W. Jackson Keith, and Clyde G. Hess, all of Newton.

The wedding music was in charge of Mr. Everett E. Truette, the organist of Eliot Church, Newton.

A reception in the church parlors followed the ceremony, Mr. and Mrs. Kepner being assisted in receiving their friends by Mr. and Mrs. Charles D. Kepner and Mr. and Mrs. William E. Cooke.

After a wedding trip to Bermuda, Mr. and Mrs. Kepner will reside in Newtonville, where they will be at home after January 1st.

The groom is a graduate of Williams 1919, and the bride of the Forsyth-Tufts Training school, 1921.

Auburndale

—Mr. Leo Taffe has moved from Riverside street to Wellesley.

—Mr. Lawrence C. Jones is moving into the new house at 11 Maple road.

—Mrs. E. J. Frost of Central street has returned from a month's visit in Michigan.

—Mr. and Mrs. Walter Brooks and family moved last week from Central street to Melrose street.

—Mr. and Mrs. Robert King of 84 Crescent street are moving this week to the house, 120 Crescent street.

—At the recent meeting of the Federation of Bird Clubs of New England Mr. Charles B. Floyd was elected treasurer.

There will be a baked bean supper tomorrow night at the Auburndale club followed by dancing, cards and bowling.

—Misses Helen Bray and Edith A. Frost, students at Smith College are teaching in the People's Institute at Northampton.

—Mrs. Lou E. Fowler, who has been visiting her sister, Mrs. Eugene Uford of Central street, has returned to her home in Waterloo, Iowa.

—There was an all day sewing meeting at the Woman's Association of the Auburndale Congregational Church on Wednesday, November 11.

—Mrs. Robert K. James, and son Parker were introduced to President Coolidge at the White House on November 10. Mrs. James and son live at 10 Maple road.

—Wednesday morning Box 44 was run in for a fire in a pile of shingles in an unfinished house, owned by Edward H. Chadwick, at 44 King street. The cause of the fire is unknown.

—Mrs. Charles R. Butler of Commonwealth avenue was one of the members of the Red Cross Motor Corps who took the West Roxbury Hospital boys in the Armistice Day parade.

—Mr. Franklin P. Marshall, a resident of this village some twenty years ago, died recently at his home in Suncook, N. H. Funeral services were held at the Newton Cemetery chapel on Tuesday.

WOMAN'S ASSOCIATION OF CENTRAL CHURCH

"Northfield Echoes" was the subject of the meeting, held Wednesday afternoon, November 11, when Mrs. Florence A. Rose, delegate from the Association, and Mrs. Myron Davis, sent by Central Guild, gave impressions of the conferences. Mrs. Davis spoke briefly describing in character sketches some of the leading spirits of the gathering. She told of the group of young people at Gould Hall, whose songs and enthusiasm enlivened and gave color to the conference.

Mrs. Rose culled from "Prayer and Missions" by Mrs. Montgomery. She felt that the message which Northfield was sending to the communities represented there, was a call to a deeper devotion to life for the individual and to the promotion on international and inter-racial good will through which war will be abolished.

"God is a Spirit," and the negro spiritual, "Goin' to Study War No More," were appropriately rendered by the quartette and were beautifully interpreted.

Early suggestions of Christmas were heard in the account of the box of soap on the way to Satara, India, the presents for the Association missionary, Miss Mary Kinney, and the friendly greetings which must soon start in order to reach Mrs. A. H. Decatur in season for her Christmas in Ahmednagar, India.

Mrs. James H. Paton was hostess and Mrs. Charles A. Washburn and Mrs. E. K. Titus presided at the tea table.

WOMEN'S CLUBS

Edited by EMMA D. COOLIDGE

STATE FEDERATION

A Twelfth District Conference is scheduled for November 20th, by invitation of the New Century Club of Needham, to be held in the Needham Theatre, Needham Square, with two sessions, the morning one at 10.30, and the afternoon one at 2 o'clock. Luncheon will be served at 12.20 o'clock. The Mothercraft Film will be shown in the morning, and the afternoon session will be devoted to the work of the different departments. Tickets for the luncheon may be secured at 75 cents each before November 17th from Mrs. John Wentworth, Norfolk street, Needham.

NEWTON FEDERATION

Board Meeting

November 16th, at 10.15, the Executive Board Meeting will be held at Newton Club, Newtonville. It is especially desired that all the federated club Presidents attend this meeting, because of the important matters to be brought up. Mrs. Daniel M. Goodridge announces that she is fulfilling her promise of an eloquent speaker in presenting on that day, also, Mrs. Winthrop Packard of the Massachusetts State Federation Conservation Committee. Mrs. Packard besides her splendid service in conservation matters, is a lecturer of note on nature studies. It will be a privilege to hear whatever she has to say on any matters of Conservation for she speaks with the authority of knowledge and experience.

Fall Meeting

Mr. Edwin Markham is to favor the Newton Federation in a talk on Poetry, and in reading from his own charming poems, at the meeting on November 18th, at 2.30 o'clock, in the Unitarian Parish House, West Newton. To hear such a well-known man, and to enjoy first hand the beauties and strength of his compositions is a real treat for a club that has almost invariably had as speakers those who give the heavier subjects.

Mr. Markham is probably best known for his poem: "The Man with the Hoe," but his other books of poetry: "In Earth's Shadow," "The Gates of Paradise," and "Shoes of Happiness," as well as his other books, have given him the title of "the poet of democracy."

The Community Service Club of West Newton, with Mrs. Frederick J. Fessenden as President, takes pleasure in playing hostess to the Newton Federation on that afternoon, and will serve tea during a social hour that will follow the program. Mrs. Ellis Spear, Jr., will preside over the meeting.

Civics Committee Meeting

There will be a meeting of the Civics Committee of the Newton Federation, of which Mrs. J. Earle Parker of Waban is Chairman, on Thursday, November 18th, at 9.45 A. M. at 12 Austin street, Newtonville.

At 10 o'clock, Mr. Ernst Hermann will speak in regard to swimming conditions at Crystal Lake. The committee will be glad to have anybody interested hear this.

The Civics Chairmen are busy in the different Newtons calling attention to the registration of voters, and have already added a number of names to the lists.

RECENT EVENTS

Monday Club of Newton Highlands

On Monday afternoon, the 9th, quite one of the happiest of surprises was presented to club members and guests of the Monday Club at the home of Mrs. James Kingman, in the inspiration of its President, Mrs. Anna K. Patton, who paid tribute to the Ex-Presidents of this worthwhile club in a reception, reminiscences, and a "real party." It is not every club that is fortunate enough to be able to pay honor to its founder, and to hear from her own lips the bits of first history told in delightfully whimsical and tender manner, as were these club members, in hearing their beloved Mrs. Kathleen M. Phipps, the honorary President, tell of how the

club was formed nearly forty years ago—in 1886 to be exact.

Mrs. Phipps quoted from the exact wording of an invitation that was posted in the Congregational Church inviting all women interested to form a club for social, educational, and other helpful purposes, to meet with her on the following Monday afternoon, and told how, on that busy day for all housewives, fifteen such women, all of British ancestry, responded eagerly to the call; how they brought sewing—for in those days "mothers were real mothers," with much of hard labor, before the advent of electricity and—horror!—of automobiles! Mrs. Phipps traced a little of the country of the Highlands of those times, when houses were far apart, and when women were strong-minded and apologetic—even as now?—and how their lives were bounded by the home. Her story of how the title for the club was not soon established, because one member objected to the use of the word "club," as too ferocious and brutal-sounding, which these gentlewomen most decidedly were not, aroused much mirth, and—in spite of how strange it seems to us now that there could be such an opinion—it made us wonder if we have advanced so far in these days that men and women do not argue just as misunderstandingly on some of our modern ways of attempted progress! Another amusing thing was the storm of protest aroused in some members when it was suggested that Lucy Stone—that brave pioneer of woman's suffrage, and terribly bold woman, forsooth—should be invited to speak before them! Those days of sincere, devout, earnest women were made very real to us by the gently-understanding portrayal of Mrs. Phipps' master-hand and when, at the last, she read over the names of those early members, telling when she could of what had become of them, and paying loving homage to those who had gone before, but whose influence had been so surely left behind, she brought to us a message—unworded—that showed why this club had endured through forty years, and how it could be made to endure for another forty and more!

Mrs. L. H. Marshall was the first of the ex-presidents to speak, and her words were chiefly of three of the presidents who had passed away, and for whom she had read the history and advancement of the club. Mrs. Cobb, Mrs. Shaw and Mrs. Nickerson.

Mrs. C. G. Wetherbee gave a graceful and whimsical bit of history, paying gracious tribute to the honorary President, Mrs. Phipps, and declaring that the reason she had chosen Monday as the day for the club meeting was because she had the affectionate desire to change horrible "blue Monday"—before the wizard had gone to unfortunate housewives the wonderful aid of electrical appliances—to a day of happiness in anticipation of the meeting in the afternoon!

Eleven who have served the club as its presiding officer were seated in the semi-circle facing the members and guests, each adorned with the gold ribbon on which was printed the years of her presidency: Mrs. Mhnera C. Stone, Mrs. C. G. Wetherbee, Mrs. S. L. Eaton, Mrs. C. T. Bartlett, Mrs. H. E. Williams, Mrs. L. H. Marshall, Mrs. C. H. Keeler, Mrs. G. W. Barker, Mrs. W. M. Mick, Mrs. Kathleen M. Phipps, the honorary President, and Mrs. L. S. Patton, the present President. To her tribute were paid by her predecessors that were well proven by the manner in which she carried this meeting of surprise and memories. Miss Emma D. Coolidge was also a special guest of the club through its President, Mrs. Patton.

The Club Trio, composed of Mrs. F. S. Fairchild, Mrs. Fanny C. Wallace, and Mrs. E. C. Winslow, with Miss Marion Morse as accompanist, entertained delightfully with songs: "Spinning" and "The Sweetest Flower that Grows."

Mrs. Patton pleasantly voiced the sentiment not only of her own heart, but of all her members when she made the wish that Mrs. Phipps should be present ten years hence to lead the club in its observance of its fiftieth anniversary!

Mrs. Charlton D. Miller, the Vice-President, read as a fitting climax one of Edgar Guest's poems of friendship, which certainly voiced what has been building through the years in friendships of enduring and tried

A social hour that was greatly enjoyed by the sixty or more members and friends, and delicious refreshments, brought to a close this happy afternoon.

Newtonville Woman's Club

Orange and yellow decorations with masses of green plants gave a welcoming cheer in the Newton Club where the card party was held last Friday. At the door were Mrs. J. Mace Andress, and Mrs. Bion Weatherhead. The players were escorted to their tables by the ushers; Mrs. R. B. Farnum and Mrs. H. W. Thayer. The Refreshment Committee consisted of Mrs. J. Walter Allen, Mrs. Horace P. Colman, Mrs. George R. Kraber, Mrs. Edmund Whitten, Miss Cora W. Rogers was assisted in serving by high school girls who also carried the potted plants to the winners at the tables. The net proceeds of the afternoon were \$150, and the Education Committee are planning to devote \$100 to the Scholarship Fund and the remainder to some other educational object. This committee also announces the completion of a long cherished project. For a year they have been working to provide a rest room in the Claffin School and with the enthusiastic co-operation of the mothers they have met with great success. They invite the inspection of the room during the coming Educational Week.

Newton Community Club

"Events All the World Round" was the subject of Mrs. Ida Porter-Boyer's first Current Events Lecture given in the Underwood School Hall on November 5th. She took as her first topic the

Inter-Parliamentary Union which met in Washington last month. This Union is one of the oldest associations for peace by parliamentation, and is made up of members of parliaments from all countries where there is a parliament or congress. The same questions were discussed there as at the League of Nations. She then spoke briefly of the Polish Corridor, that long narrow strip of land which gives Poland a seaport but that divides Germany into two parts. We were told of the situation in Damascus which is now held by the Druses and is being bombarded by the French. The coal situation was the next topic. The speaker gave a few comments on both sides of the question, explaining particularly the check-off system. She spoke in closing of the old age pension which is now being reported on in our own state of Massachusetts. These lectures are given by Mrs. Porter-Boyer on the first Thursday of each month for six months. Tickets may be procured from Miss Margaret H. Aubin.

West Newton Women's Educational Club

Two interesting and instructive papers, "Testament" by Mrs. John R. McLean and "Lyrics of the Old Testament," by Mrs. A. L. Jordan, marked the progress of The Travel Class in their study of "The Holy Land and the Bible," on Monday, November 9th, at the home of Mrs. J. D. Starkie.

"Oh, Rest in the Lord," sung by Miss C. Flint was very sweetly rendered. Tea with the exchange of Bible commentaries completed the program. Mrs. Strakle and Mrs. C. E. Quinn were hostesses for the afternoon.

Auburndale Woman's Club

The program of the meeting of the Auburndale Woman's Club on November 10th, consisted of a "Musical." Mr. James Houghton, former soloist for the Harvard Glee Club, sang two groups of songs. He has a charming baritone voice and sings with much feeling. Mr. Reginald Boardman accompanied him on the piano and also rendered two piano solos which were enthusiastically appreciated.

The Olivette Trio, consisting of Hope Mathews Clark, violin; Priscilla S. Warren, cello; and Olive C. Davis, pianist, added greatly to the enjoyment of the afternoon with their trio groups and solo work. The day was in charge of the Music Committee, Mrs. Orion A. Mason, chairman.

On Friday, November 6th the Art Committee of the Auburndale Woman's Club arranged a most interesting trip to the Boston Art Museum to view the new Sargent Murals and to enjoy the exhibition of his pictures which is being held in three of the museum galleries. It is the largest collection and exhibition of the works of a single artist ever held in the world. About thirty-five members of the club availed themselves of this opportunity and had a most enjoyable day. Mrs. George A. Pollett, Chairman of the Art Committee, was in charge of the day.

Social Science Club

At the meeting of the Social Science Club on Wednesday morning, the 11th, the Study Topic for the year "Development of Our Country, 1825-1910," was opened by Mrs. Nathan Heard, who read a delightful paper on "The United States on the Sea."

Mrs. Heard first requested Mrs. Fitts to read John Massfield's "Sea Fever," and she then spoke briefly of her early remembrances in the town where her childhood was spent whose population was largely composed of those who went down to the sea in ships.

After this introduction she gave an account of the shipping of the American colonies and the trade of New England and New York with the West Indies in pre-revolutionary days; also of the great whaling industry which took many brave lives as many ships were caught and crushed in the Arctic ice. The clipper ship era reached its zenith at the time of the discovery of gold in California.

The fishing industry was the cornerstone on which New England prosperity was based and even now Gloucester sends out 100 schooners. The first steam vessels were British owned and all had the paddlewheel. The great Cunard line was founded in 1840. In 1860 iron succeeded wood in the construction of ships, succeeded in its turn by steel.

The commerce of the United States is now largely carried in ships belonging to other nations. We cannot build and operate them as cheaply and our capitalists are not content with such comparatively small returns when much larger ones can be made by investing in other industries.

PHONES NEWTON NORTH 0317-0318

McKENNEY & WATERBURY CO. INC.

No. 11110
Commonwealth of Massachusetts,
Land Court.

To the City of Newton, a municipal corporation, located in the County of Middlesex and said Commonwealth; Live T. Spencer, Agnes B. Hastings, John A. Purney and N. Emmons Paine, of said Newton; Charles P. Curtis, Jr., trustee; Bartholomew A. Brickley, trustee; J. Weston Allen, trustee; J. Cross, Nettle Warwick, Edward Roenick, William Raden, Sara M. Burke, Walter H. Rosebrook, Henry L. Larned, James Fitzgerald, Fred C. Ears, William H. Kilty, Dana L. Rowell and Louis Arkin, of Boston, the County of Suffolk and said Commonwealth; and to all whom it may concern:

Whereas, a petition has been presented to said Court by Mildred M. Edmond, of said Newton, to register and confirm her title in the following described land:

A certain parcel of land with the buildings thereon, situate in said Newton, bounded and described as follows:

Southeasterly by Temple Street; westerly by the junction of Temple Street and Commonwealth Avenue; westerly by said Commonwealth Avenue; northerly by land now or formerly of John A. Purney, Louis Arkin and N. E. Paine; northeasterly by land now or formerly of the City of Newton and of Olive T. Spencer; and southeasterly and northeasterly by land now or formerly of Agnes B. Hastings.

The above described land is shown on a plan filed with said petition and the boundary lines are claimed to be located on the ground as shown on said plan.

You are hereby cited to appear at the Land Court to be held at Boston, the County of Suffolk, on the twentieth day of December A. D. 1925, ten o'clock in the forenoon, to show cause, if any you have, why the prayer of said petition should not be granted. And unless you appear at said court at the time and place aforesaid your default will be recorded, and the petition will be taken as confessed, and you will be forever barred from contesting said petition or any claim entered thereon.

Witness, Charles Thornton Davis, Esquire, Judge of said Court, this 11th day of November in the year between hundred and twenty-five. Attest with Seal of said Court.

CHARLES A. SOUTHWORTH,
Recorder.
v. 13-20-27.

Commonwealth of Massachusetts,
Middlesex, ss. Probate Court.

To the heirs-at-law, next of kin and all other persons interested in the estate of Frank C. Hatch, deceased.

WHEREAS, a certain instrument purporting to be the last will and testament of said deceased has been presented to said Court for Probate, by Frank C. Hatch, the son of said deceased, and George May, the son of said deceased, who claim to be the executors thereof, and who have given a bond to the said Court, to show cause, if any you have, why the same should not be granted, and said petitioners are hereby directed to give public notice thereof, by publishing this citation once in each week, for three successive weeks, in the Newton Graphic, a newspaper published in Newton, the last publication to be one day, at least, before said Court, and by mailing post-paid, or delivering a copy of this citation to all known persons interested in the estate, seven days at least before said Court.

Witness, John C. Leggat, Esquire, First Judge of said Court, this twenty-third day of October in the year one thousand nine hundred and twenty-five.

The Boy with the American Red Cross

The New Volume of the "U. S. Service Series" by Dr. Francis Rolt-Wheeler. Price, \$1.75. The roll of the American Red Cross is a roll of heroes, its history is an epic as thrilling as it is amazing. When, in strange lands beyond the Caucasus, barbaric atrocities set the world aflame with horror, the Red Cross does not waste time in talking, but goes to help; when pestilence scourges the jungle and bloody rites of fetich-worship bring no relief, the Red Cross is there to heal; when, as in Tokyo, earthquake ravages a mighty city and disaster takes its most horrid form, the Red Cross comes to the front in practical ways undreamed of by the public; and so on, through a thousand activities. The Red Cross is the heart of America set in action, and in this book, Dr. Rolt-Wheeler has given heart-stirring narrations of that which is finest in this phase of unselfish American adventure.—Lothrop, Lee & Shepard Co.

BOARD OF HEALTH

Notice of Amendment to the Rules and Regulations.

The following amendment to the Rules of the Newton Board of Health has been passed:

VOTED, that Chapter VI, Sect. 3, be and is amended by striking out the words "outside of any store, market or place of sale" in the second and third lines and by inserting the words "floor, ground or" before the word "sidewalk" in the fifth line, so that the section shall read:

"No person shall expose any fruit, vegetable or other food stuffs intended for sale, unless the bottom of the container is at least two feet above the level of the floor, ground or sidewalk."

By order of the Board of Health,
ALFRED M. RUSSELL,
Clerk.

WOMAN'S ASSOCIATION RUMMAGE SALE

The Woman's Association of Central Church, Newtonville held a rummage sale at West Newton in the room over the library, on Friday, October 23rd, from ten in the morning till ten at night. The day began with a snow flurry, the buyers came out, nothing daunted, thereby cheering the hearts of the hard-working committees!

Mrs. Myron M. Davis had the sale in charge, assisted by the following efficient chairmen, together with their committees: Shoes, Mrs. G. E. Fisher; Men's Wear, Mrs. Otto Bachmann; Women's Wear, Mrs. E. W. Kellogg; Children's Wear, Mrs. Harold Sherman; Hats, Mrs. R. W. Conant; Books, Mrs. Wallace Boyden; Bric-a-brac, Mrs. A. H. Burdick; Preserve Table, Mrs. Horton Allen; Furniture, Mrs. Clark.

Much credit is due to each neighborhood chairman, for she was held responsible in securing the rummage parcels in her vicinity; she was also asked to park them under her own roof until the collector should call to take them to the place of the sale to be marked and properly sorted. The following ladies, several of whom volunteered their services, acted as neighborhood chairmen: Mrs. A. C. Jordan, Mrs. M. K. Bryan, Mrs. A. T. Budgell, Mrs. W. O. Hunt, Mrs. G. E. Fisher, Mrs. R. C. Ashenden, Miss E. L. Larned, Mrs. E. W. Chamberlain, Mrs. A. M. Chamberlain, Mrs. A. M. Ziegler, Mrs. C. A. Richardson, Mrs. L. F. Brant, Mrs. W. S. Adams, Mrs. G. A. Keil, Mrs. J. M. Andrews, Mrs. G. P. Jewett, Mrs. W. W. Walker, Mrs. G. A. Edmonds, Mrs. N. P. Kennison, Miss Marion Hardy, Miss Marie Sladen, Mrs. A. H. Burdick.

Mrs. Allston T. Budgell, assisted by Mrs. Charles Lynde and Mrs. N. C. Jordan, took charge of the treasury and Miss Elsie McCutney with the Misses Helen and Ethel Rose, took care of the inspection of bundles and paid slips.

Mrs. Samuel Thurber, Mrs. Gorham Harris, Miss Louise Sherman and Miss MacLennan gave invaluable assistance and advice previous to the sale and Mrs. Arthur M. Ellis, Mrs. Stoddard, Mrs. Bryan and Miss Ethel Davis were helpful, in addition to the committees, in serving wherever necessary.

The collectors of the group parcels to be found with each neighborhood chairman included: Mrs. D. Brewer Eddy, Mrs. Fred Eddy, Mrs. Ellison Day, Mrs. William Hayden, Mrs. Myron M. Davis, Mr. Allston T. Budgell.

The director and all those interested feel that the four hundred dollars added to the treasury of the Woman's Association of Central Church, Newtonville, was easily earned, for in what other way can you make an equal amount in a day, unless it be at Coral Gables?

LIP READING
Dear Editor:—
Lip reading as used by the deaf may be likened to a crutch in the hands of a one-legged man. He may not like to use it at first, but he soon realizes that unless he learns to use it he will not be able to keep up with the procession. How foolish and wicked we should think he was, if he refused to use his crutch when some one made him a present of it and taught him how to use it. Still more, if he should make his friends and relatives act as a crutch for him, and carry him about. Deaf people, before studying the use of lip reading are as helpless as a lame man; they depend upon the kindness of their friends;—without them they are lost.

Why be so helpless? The crutch of lip reading after a while becomes like a handsome cane, which is gracefully and cheerfully carried, and gives a positive feeling of independence.

The Free Evening School at Newtonville is furnishing instruction in Lip Reading for the Adult Deaf. A special class will be formed for men, if desired.

How many daughters say, "Oh, I wish he would try to learn it. It makes it so hard for us."

B. H. Turner.

YOUNG PEOPLE'S CONFERENCE

Most of the Protestant churches in the Newtons and Needham are planning to send delegates to the Fifth Annual Young People's Conference at the Methodist Church in Newtonville, to be held November 28th and 29th.

The aim of this Conference is the development of Christian character and leadership with instructive talks by an experienced group of men and women having practical application of modern ideas as the keynote.

At the Young People's Council, under whose auspices the present Conference is to be held, definite plans were made. The following are the officers: President, Horace Preble; vice president, Helen Spencer; secretary, Louise Bellamy; treasurer, Richard Savory; chairman of Committees, Banquet, Victoria Williams; cafeteria, Martha Waybright; publicity, Lincoln Edmonds; registration, Ruth Lockwood.

Community Interest. Community patronage and Community shows becoming greater and greater as the weeks pass on. The first four days of the coming week commencing the 15th feature "The Pony Express" unfolding a panorama of thrilling frontier days that keeps you at high tension and never for an instant drops interest.

The program for the last three days of the week is headed by Tom Mix and his wonderful horse, Tony, in a drama of the Western Hills by Jackson Gregory. In "Not So Long Ago" the audience is treated to scenes in "Little Old New York" as it was a century ago, when Times Square was a cow pasture and Broadway a cow pasture. The leading characters are ably portrayed by Betty Bronson and Ricardo Cortez.

As an added attraction "The Stetson Snappy Revue" will provide a genuine treating combining a style show and musical revue in which pretty girls, snappy song and dance numbers are featured in rapid succession.

COME AND SEE

It was three years ago last month that the civilized world was startled by news of the Smyrna tragedy, when thousands of Greeks and Armenians were driven from their burning homes and swept across the sea to Greece, homeless and destitute refugees.

The transfer of populations has gone on ever since, until now there are a million and a half, sheltering themselves under bits of burlap or in huts made from Standard Oil tins, best of all in those of sun-dried brick, in great camps outside of Athens and Salonica. Women and girls, for the most part, compose this population. Little boys and feeble old men being allowed to migrate, women brought up, many of them, in homes of comfort, often of luxury.

The aim of the Friends of Greece is to help these people to help themselves, by opening workrooms where they can make the embroidery and lace which has been a familiar occupation, using their age-long patterns in articles that will commend themselves to patrons in America, and then finding a market for them in this country.

A large consignment of these embroideries will be offered for sale at the home of Mrs. H. H. Powers, 82 Church street, Newton, on Saturday, November 14, from 10 A. M. to 6 P. M. Help them to help themselves.

NEWTON HOSPITAL

Week ending October 31:—Patients in hospital 105, patients paying as much as cost of care or more 53, patients paying less than cost of care 29, free patients, including babies, 23. During the month 9 patients treated by out-patient department 141, by eye clinic 10, accident cases 16, social service calls at hospital 10, at homes 2, patients transferred by social service car 4.

During the month of October the hospital admitted 315 patients and discharged 329. The largest number of patients in its care during any twenty-four hours of the month was 128 and the smallest number 105, the daily average being 116.89. Forty-five babies were born at the hospital during the month. The number of patients treated by out-patient department was 491 and at the eye clinic 23. There were 56 accident cases and 159 X-ray cases. The operating room cases numbered 243, an average of nearly eight a day. The social service visitor made 45 calls at the hospital and 20 at homes and the social service car was used in the transferring of 17 patients.

The Know More Kokki met at the hospital Monday, Nov. 2. Sunday, Nov. 1, the Y. W. C. A. opened its program for the year with an address by Dr. Kirtley Mather, Dean of the School of Geology, Harvard College, who spoke on "Evolution on Trial."

A meeting of the Training School was held on Monday afternoon, Mrs. Frank A. Davis presiding for the first time since her trip abroad.

Miss Bertha N. Allen and Miss Ruth Humphrys attended a dinner at the Woman's City Club given in honor of Miss Lloyd Stiles, Matron of the St. Thomas Hospital School of Nursing.

On Friday, Oct. 30, the nurses held a Halloween party. The basement of the Nurses Home was cleared and refreshments were served there. Gypsy kettles hung over the flame colored paper made realistic by the use of electric bulbs with electric fans to keep the flames moving. A ghostly figure in one corner was also kept in weird flutter by the use of another concealed fan. The nurses all wore fancy costumes and two of the nurses dressed as ghosts were the sensation of the evening. Refreshments of pumpkin pie, apples, cider and doughnuts were served.

Two cabinet members of the Y. W. C. A. met the finance chairman of other student groups in Boston, Miss Maureen and Miss Grahm went from the Newton Hospital.

The hospital has received a gift of fifty books, as well as a gift of flowers and another of vegetables.

Saturday following the nurses' party the children's ward was made gay with Halloween favors. One little bed was decorated with small pumpkins, while a black cat brought the fun of the party to another sick little tot.

REAL ESTATE

The below sales were made through the office of Richard R. MacMillan, 23 Highland avenue, Newtonville, Mass.

The single house at 257 Linwood avenue, Newtonville and 6000 feet of land owned by John W. Johnston and valued at \$12,000 has been sold to the prominent child specialist, Dr. Arthur B. Lyons of Newton, for a home.

The new single at 26 Thaxter road, Newtonville, built by Archie E. Henley and valued at \$10,000 has been purchased by Merton I. Holmes of Brighton.

Lot of land on California street valued at \$2000 has been sold for Mary J. Driscoll to Archie E. Henley who will build for occupancy. Another sale through this office is the colonial single and garage at 229 Aust street, Newtonville, valued at \$10,500 for Eva J. Kendrick to Turman C. Crowner of West Newton for a home.

NEWTON CENTRE SCHOOL ASSOCIATION

All parents and others interested are cordially urged to attend the first meeting of the Newton Centre School Association in Mason School Hall on Wednesday, November 18, at 3 P. M.

The speakers will be Mr. Bacon of the High School and Mr. Barber, supervisor of arithmetic in Newton schools, whose respective subjects will be "Social Studies" and "The New Arithmetic."

The speakers will gladly answer any questions handed in before the meeting.

CHURCH NOTICE

First Church of Christ, Scientist, of Newton, Player's Hall, Washington street, West Newton. Sunday service 10:45 A. M. Subject of lesson—sermon: "Mortals and Immortals." Sunday School 10:45 A. M. Testimonial meeting Wednesday 8 P. M.

OUR WASHINGTON LETTER

Washington, Nov. 4.—Though the side-shows of politics are running at full blast, another month must elapse before the 69th Congress, the main attraction, trots out the featured performers in our national life. The Court-martial of Colonel Mitchell is the most interesting spectacle of the day. This affair proceeds independently but the other issues are contingent upon Congressional intervention. That is the reason for the Mitchell case holding front page positions in the daily newspapers of the country.

Next year is a vital one in the affairs of individual members of Congress. It is the campaign season. For this reason, experienced observers believe that the dissensions in the Shipping Board and the Federal Trade Commission will contribute more political fuel than the Mitchell controversy. Some are of the opinion that the Mitchell matter will be easily forgotten by the public as it serves merely to usher in the general topic of Federal aviation policies.

Every effort is being made to prolong the court-martial proceedings on technicalities because of the popular interest. Without this widespread publicity a court-martial of equal importance would soon be handled by the military court and written into army records. After the initial display of fireworks by the Mitchell defense, the court-martial has taken on the routine aspects. It will require considerable "bally-hoo" activities or propaganda to keep the eye of the public on this particular case.

The charges of the Federal Trade Commission against certain moving picture producers has aroused interest in this independent Federal agency. For a number of years there has been a wide difference of opinion among the Commissioners as to what constitutes economic wickedness known as monopoly and restraint of trade. Some of the Commissioners have taken unto themselves the role of "trust buster" while their colleagues have attempted to use more conservative methods of correcting unfair conditions in trade.

It is difficult to determine a true public policy by a Federal bureau when opinions clash. The President is keeping his fingers on all of these roving spots in his administration. Nobody knows better than Mr. Coolidge that "public policy is a very unruly horse and when once you get astride of it you never know where it will carry you."

In the Middle West there is considerable agitation for legislation similar to the ill-fated McNary-Haugen bill. The claim is advanced that the Government must finance some export corporation to extend the farmers trading relations outside our national boundaries. Reports show that there is an exportable surplus of corn in particular, which must be marketed to prevent economic distress in the corn region. There were bumper crops reported in many localities and the domestic market cannot absorb the products.

The House Committee on Ways and Means which is charged with the framing of the revenue bill, has an unenviable task. Hundreds of recommendations, seemingly constructive to their respective proponents, have been offered as a means of lifting, or shifting, tax burdens. Authorized representatives of various groups of organized farmers, business associations, labor unions, etc., have submitted their ideas backed up by imposing economic and political elements. The House Committee must weigh all these considerations and at the same time take cognizance of the budgetary requirements of the Federal Government. Nobody is deceived in the motivating ideas back of tax legislation. They are not primarily altruistic but usually for political considerations.

One of the great problems confronting tax writers in Congress is the need of minimizing the rivalry between tax jurisdiction, that is, to recognize the existence of taxation by states and municipalities, as well as by the Federal Government, sometimes on the same proposition.

GOV. JOHN A. ANDREW HOME

The Ladies of the G. A. R. paid their annual visit to the Home last week, bringing with them a large donation of groceries, etc. They also presented the Home a beautiful silk flag. A musical entertainment was given and the afternoon was greatly enjoyed, especially by the members of the Home. The citizens of Newton are cordially invited to visit the Home. It is one of the most laudable objects in our city and a visit will interest any one in its behalf. Come and bring a little sunshine into the lives of the boys who helped to save our country in 1861, and their wives and widows.

CHURCH NOTICE

First Church of Christ, Scientist, of Newton, Player's Hall, Washington street, West Newton. Sunday service 10:45 A. M. Subject of lesson—sermon: "Mortals and Immortals." Sunday School 10:45 A. M. Testimonial meeting Wednesday 8 P. M.

Man is like a tack—useful if he has a good head and is pointed in the right direction—but even though he is driven, he can only go as far as his head will let him.—From "Hello."

When I Was a Girl in France

A new "Children of Other Lands" Book by Gerorgette Bueret. Price, \$1.25. Here is the child life, home life, school life, and thought life of a French girl of good family, brought up in the painstaking, serious atmosphere of France, where stress is laid on development of character and the ability to be useful; all the more so, when, as in this case, the girl is full of vitality and imagination. The author was born and lived in Besancon, one of the oldest of all French cities, famous in romance and history, and she has succeeded in placing upon her pages the very atmosphere of life in that famous rampart town, where old customs continue and old beliefs have lingered long.—Lothrop, Lee & Shepard Co., Boston.

Patricia from New York

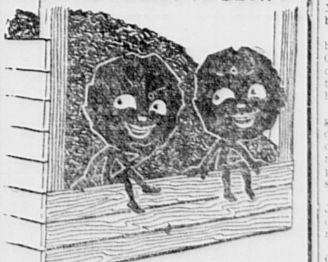

By Marguerite Murphy. Price, \$1.50. Patricia, daughter of a wealthy and prominent New York family and talented and attractive as well as intelligent, could hardly help being well on the road to being spoiled. Her parents had the belated wisdom to realize this, and while they are taking a year abroad Patricia is placed with her very sensible maternal grandparents in a Minnesota village and given her first experience in a small-town public high school. No wonder Patricia rebelled and taxed even the rare powers of her grandparents, but the "good stuff" in her won't for Patricia over herself, and after that her natural ability and acquisitions help her to triumph over the spite and jealousy that were inevitable. Good friends, good times, and good results make up a rarely entertaining story for girls of high school age.—Lothrop, Lee & Shepard Co., Boston.

Ann's Family

By Janet Field Heath. Price, \$1.50. Some books have a charm and brightness which make them stand out from others that may seem equally well-written, and this is one of them. Ann was only ten, and an orphan, but her experiences made her unusually capable. Her aunts and uncles took turns in caring for her, and while they all meant to be kind, it seemed as though each contrived to have Ann come when she would be most useful. No wonder the little girl, who was such a help and comfort wherever she went, longed for a "steady family," as she expressed it.—Lothrop, Lee & Shepard Co.

NEWTON'S HEAT FOLKS

HAPPY LITTLE HEAT FOLKS
SITTING IN THE BIN
WAITING FOR THE COLD DAYS
THEIR HOT WORK TO BEGIN

YOU need not look at the weather reports to know that cold weather is coming. So why put off the phone call that will bring the Heat Folks to your home? Adopt these willing workers today and have a reservoir of warmth and comfort in your cellar. The year's best cellar is the one with the Heat Folks in the bin. You can be sure that they will read the riot act to winter's first cold breath.

MORTGAGEE'S SALE

By virtue of the power of sale contained in a certain mortgage given by Wilmet E. Hathaway to Albert H. McLaughlin and Mabel C. Nutting, both of Newton, dated April 27, 1925 and recorded with Middlesex Deeds, Book 4847, page 14 for the breach of said mortgage, and for the purpose of foreclosing, the same will be sold at public auction on the premises hereinafter described on Tuesday, November 17, 1925, at 2 o'clock in the afternoon, all and singular the premises conveyed in and by said mortgage, to wit:

The land in Newton Centre, being shown as lot No. 21 on a plan entitled "Plan of land in Newton Centre, Mass." dated April, 1925 drawn by E. M. Brooks, C. E., recorded with Middlesex Deeds, Book 4847, page 14.

Easterly by land of owners unknown, 122.70 feet;
Southerly by land of owners unknown, 55 feet;

Westerly by lot No. 22 as shown on said plan, 95.75 feet;
Containing according to said plan 7,200 square feet, subject to the restrictions, easements, rights of way, etc., now in force and applicable.

This conveyance is made subject to a first mortgage in the sum of \$9,000, said premises will be sold subject to the above mentioned mortgage and interest thereon, also the taxes, tax sales, municipal liens, and assessments if any.

Five hundred dollars will be required to be paid in cash at the time and place of the sale and the balance one hundred ten days at Middlesex Registry of Deeds.

ALBERT H. MCLAUGHLIN,
MERRILL C. NUTTING, Mortgagees.

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the Power of Sale contained in a certain mortgage given by Patrick J. DeBourke to the Merchants' Cooperative Bank, dated December 10, 1923 and recorded with Middlesex South District Deeds, Book 4594, page 437 of which mortgage the said bank is the present holder, for breach of the conditions of said mortgage and for the purpose of foreclosing, the same will be sold at Public Auction at three o'clock P. M. on the second day of December, A. D. 1925, on the premises hereinafter described, all and singular the premises described in said mortgage, to wit:

The land, with the buildings thereon, situated in that part of Newton, in the County of Middlesex, and Commonwealth of Massachusetts, called Newton Highlands, bounded and described as follows:—Northerly by Floral Street, one hundred feet; Easterly by land now or formerly of the Newton Savings Bank, one hundred fifty feet; Southerly by land formerly of Thomas White, one hundred feet; and Westerly by land now or formerly of John F. Heckman, one hundred fifty feet.

Being the same premises conveyed to Patrick J. DeBourke by Lewis F. Baker by deed dated November 15, 1922, recorded with Middlesex South District Deeds, Book 4571, page 21.

Said premises will be sold subject to any and all unpaid taxes and assessments.

For further particulars inquire of Frank M. Perry, 1940 Old South Building, Boston, \$500.00 will be required to be paid in cash by the purchaser at the time and place of sale. Balance in ten days from day of sale at 12 o'clock noon, at the said office of Frank M. Perry.

MERCANTILE CO-OPERATIVE BANK,
Present holder of said mortgage.

HIGHLAND GLEE CLUB

So careful is the music committee of the Highland Glee Club of Newton, Inc., in the preparation of its concert programs that this season they have sent to England for one selection which is not available in this country. Another beautiful number, by Grieg, was found to be out of print, and Mr. Clinton W. Kyle took the pains to have the parts prepared in manuscript form for the club.

The building of a properly balanced program of the music, year after year, is by no means an easy task, but it has been very well accomplished, this season, and the selections are being worked into excellent shape by this organization of nearly seventy-five trained male voices.

It is expected that the date of the December concert and the name of the soloist can be announced shortly.

CITY OF NEWTON FORESTRY DIVISION

Notice to Property Owners
You are hereby required on or before November 30th, 1925, to destroy the gypsy and brown-tail moths on your property in this City.

This notification is in accordance with Chapter 331, Acts of 1905, and the amendments thereto, which require cities and towns to destroy the eggs, caterpillars, pupae and nests of the gypsy and brown-tail moths under heavy penalty for failure to comply with the provisions of the law.

If a property owner fails to destroy such eggs, pupae and nests, then the city or town is required to destroy the same, and the cost of the work, in whole or in part, according to the value of the land, is assessed upon and becomes a lien on the land. (See Sections 6, of said Chapter 331, and amendments thereto.)

The City Will Perform All Winter Moth Work Unless Otherwise Notified by Property Owners.

Full instructions as to the best methods of work against the moths may be obtained from the Forestry Division, City Hall, or from the State Forester, State House, Boston, Mass.

Work done by contractors should be inspected and approved by the Local Superintendent before payment for same is made.

JAMES F. MURPHY,
Superintendent of Forestry Division.
This notice is issued by order of
EDWIN O. CHILDS, Mayor.

POLICE COURT

In Court Monday morning John P. Duggan, giving his address as 26 Cedar street, Wellesley, was charged with breaking and entering and larceny. The case was continued by Judge Bacon until Saturday and Duggan was held in bonds of \$5000. He was arrested by Patrolman John J. Forristall. According to the police, Duggan formerly roomed on Smith court, West Newton. He left some of his clothing at the rooming house when he moved away and returned, according to the police, forced entrance to the house, took his own clothing and clothing owned by other owners.

NEWTON ROTARY CLUB

Mr. Charles Garvin of the Boston Rotary Club was the guest and speaker at the weekly luncheon of the Rotary Club at the Woodland Golf Club on Monday. Mr. Garvin gave a straight talk on the shoulder talk in regard to the obligation of each member of Rotary to live up to its tenets. His talk was illustrated with numerous original bits of verse which emphasized the ideas which he was stressing.

VESPER SERVICE

The First Church Orchestra of Newton, Inc., will give its first community Vesper Service Sunday afternoon, November 22nd at 4 o'clock in the First Church of Newton, corner of Centre and Homer streets, Newton Centre.
The orchestra is composed of about fifty local musicians under the able leadership of Mr. D. Ralph Maclean.
The programs are high class affording the players an education in ensemble work, and the public, symphony concerts which are rare outside of Boston.

The following is an essay on man, written by a school girl in a recent competition. It was awarded first prize for accuracy of thought and expression.
"Man is what woman has to marry. He drinks, smokes, swears and never goes to church. Both spring from the same, but woman sprang the farthest."
—World Wide Wireless.

WOMEN'S CLUBS

(Continued from Page 8)

The paper brought out much comment and reminiscence from club members some of whom are daughters or granddaughters of men of the sea, and the meeting closed with a rising vote of thanks to Mrs. Heard.

Newton Highlands Shakespeare Club

The Shakespeare Club of Newton Highlands gave a card party for its philanthropic fund on Friday, November 6th, at the home of Mrs. Mildred Stratton. The committee in charge were Mrs. Stratton, Mrs. H. W. Drew, and Mrs. S. L. Eaton. Mrs. Stratton, assisted by the President, Mrs. A. L. Pratt, received the guests in her usual genial manner. Her home was radiant not only with flowers but with genuine hospitality. Delicious refreshments were served by members of the club: Mrs. C. H. Keeler, Mrs. F. S. Keith, Mrs. William E. Moore, and Mrs. Kendall MacLean. It was a very successful party, both socially and financially.

COMING EVENTS

Christian Era Study Club

Mrs. E. F. Drew is to be hostess for the Christian Era Study Club, at her home 324 Central street, at the next meeting, on November 16th. Continuing in their fascinating work, the times and men, Mrs. Arthur W. Desoe is to give a paper on "India and the West in 1745," and Mrs. Drew on "Clive and Warren Hastings."

Waban Woman's Club

The Waban Woman's Club will hold the second meeting of its season on Monday, Nov. 16th, at 2:30 o'clock. This is Education Day, with Mrs. William G. Brown, the Education Chairman, presenting the program. Dr. Eugene Smith, Principal of the Beaver Country Day School, and one of the most progressive educators in the country, will talk on "Some Present Tendencies in Education." It has been said by those who have followed his writings and educational work that he has won the confidence of all parents who have come in contact with him. The afternoon is sure to be a profitable one for members. Tea will be served after the lecture.

Newton Upper Falls Woman's Club

November 16th and 18th are important nights for the Newton Upper Falls Woman's Club. On the 16th at the club rooms will be "Gentlemen's Night," and the Rev. Frank D. Taylor, pastor of the M. E. Church of Water-town, will speak on the "model man," "Club husbands" and their friends should find this interesting.

Mrs. Thomas E. Lees, the club president, will have charge of the program, and refreshments will be served by the Hospitality Committee, Mrs. Noyes Mearns, Chairman.

On November 18th, in the Emerson School Hall at 8 P. M., the annual Musical Revue of the club will be staged and conducted by Mr. Jack Cronin.

The talent is from our village young people and is the work of the Dramatic Committee, Miss Clementine Vara, Chairman.

Newton Centre Woman's Club

"On Kipling's Trail Through India" is the alluring title of a Stereopticon Lecture to be given by no less a personage than Prof. Albert E. Bailey on next Monday evening, the 16th, at 8 o'clock in the Newton Centre Club House. Tickets are 75 cents. There is probably no one who does not feel the spell of the far east, and of the magic in the word "India." Coupled with this, the imagery of Kipling's quaint descriptions, and the visualization of the stereopticon, ought to appeal to many to avail themselves of this opportunity.

Newtonville Woman's Club

Mrs. Maud Huntington Benjamin, who delighted her hearers at a former meeting of the club, will entertain at the meeting on Tuesday, November 17th. Her reading will be "The Enemy." The motive of this book is against war and it is destined to be one of the great productions of the day. The music will be arranged by Miss Theresa Cram. Tea will be served with Mrs. Charles R. Lynde and Mrs. A. E. Vose as hostesses.

The annual contribution of jellies, preserves and old linen for the hospital should be a generous one as this is a cause which appeals to every one. Mrs. Charles J. Trowbridge, Chairman of the Hospital Committee promises an empty tumbler in return for every full one.

Two new garments a year from each member has helped the Needlework Guild to supply clothing to the needy of Newton in their own homes and in institutions for many years. As an organization it has proved its worth. All wishing to contribute, whether club members or not, are asked by the President of the Newtonville Branch of the Needlework Guild, Mrs. James A. Stafford, to send their garments to Central Church any time on Monday, November 16th, so that they may be included in the exhibition held at the meeting of the club.

More altos are needed for the Glee Club which is meeting Fridays at 10:15 A. M. beginning Nov. 20th, at the home of Mrs. P. E. Woodward, 125 Highland avenue.

Never have the classes been so promising as this year. That in candy making uses the laboratory at the Junior High, and will meet on Thursday, November 19th at 3 P. M. If unable to attend the entire course there are opportunities to benefit by one or more lessons from the expert teaching of Miss Ruth Scrivener.

Lessons in Hooked Rug Making will begin in the Junior High School Monday, November 16th at 3 P. M. The class in Posture and Weight Normalizing will be directed by Miss Constance K. Greene of Pomona College, Cal. The first meeting will be Thursday, December 3rd at 10:30 A. M. Mlle. René Jardin, head of the French Department at Wellesley college, will continue her classes, meet-

ing at the home of Mrs. Nelson B. Vanderhoof, beginning Monday, November 16th. The elementary class will assemble at 2:45 and the advanced at 4 P. M.

Much interest has been expressed in the literature class of which Mrs. Florence Rose is leader. Those who desire to join are requested to meet after the club on Tuesday, Mrs. Charles A. Schraeder, Chairman of Literature of the State Federation will be asked to give help in planning the course.

Mrs. S. L. Sholley announces the casts for the plays which will be given on November 25 at 2:30 P. M. in the Parish House of the M. E. Church. Miss Virginia Gardiner will sing.

"Columbine in Business" Coached by Mrs. Derby Brown
Columbine Miss Dorothy Eaves
Harlequin Miss Helen Savage
Pantaloon Miss Marian Bassett
Scapino Mrs. S. L. Sholley
"Playing Culture"

Coached by Mrs. S. L. Sholley
Mrs. Speckles Mrs. Arthur L. Brown
Kathleen Mrs. Horace Niven
Larry Stanley Kimball

Auburndale Review Club

Mrs. Edward J. Frost is to be the hostess for the Review Club at her home 379 Central street, on November 17th. She is to entertain in double capacity, of hospitality and program, her topic of interest being: "Connecticut River from Source to Sea." Mrs. Richard O. Walter will then tell of "Historic Personages," and Mrs. George P. Knapp will discuss "Some Old Towns." There is a quaint fascination in these subjects of delightful old days and ways and manners, that is enhanced with thoughts of that winding river, so mingled with New England traditions and history. The blending of these three topics seems especially apt, in being typical of our New England outlook and heritage. In keeping also in sending thought back to early days is the singing of old-time songs by the club members planned for the day.

Just to show how varied and different can be the programs of various clubs, and meeting on the same day, too, behold the equally alluring program of the Newton Highlands Woman's Club, a program that is sure to appeal to children of all ages, and that will bring out all club members, or we much mistake!

Newton Highlands Woman's Club

The children in the grade schools in Newton Highlands, whose mothers are members of the Newton Highlands Woman's Clubs, are to be guests of the Club Tuesday afternoon, November 17th, in Lincoln Hall, at 2:30 o'clock, when Herbert A. Taylor, garbed in clown costume, will entertain with mystifying feats of legerdemain.

Mrs. Frank E. Patterson, Mrs. Curtis hipman, Mrs. F. W. Bonser and Mrs. A. S. Williams, Directors of the Club, have the afternoon's program in charge, and in addition to arranging for the magician, are to present little seven-year old Rachel McKnight of the village, in several fancy dances and the Congregational Church School Orchestra of 14 pieces is to supply the musical features of the afternoon.

As a "Children's Day" would not be complete without the expected "party," the hostesses are to provide ice cream cones for the young guests, with Mrs. Ernest J. Weaver and her fellow members of the Social Committee in charge of serving. Guest tickets for other children than those whose mothers are club members, may be obtained for 25 cents. Tickets for all children must be obtained from the Treasurer by November 14th.

The "hikes" which have proved so popular throughout the Fall, are to be continued next week, with Mrs. C. W. Hawkes in charge, the "hikers" starting as usual, at 3:30 Wednesday morning, November 18th, from the Bulletin Board in the Village Square.

Professional Women's Club

The November Luncheon for members of the Professional Women's Club will take place on Tuesday, November 17th, at 12:30 o'clock, in the Copple-Plaza Ball Room.

West Newton Women's Educational Club

At the home of Mrs. Guy C. Holbrook on November 11th, the Home Economics Class will have their next meeting. There will be a talk on "The Making of Chocolate in a Modern Factory" by a representative of W. F. Schraft and Sons.

Newton Community Club

There is to be a Bridge Party for the Philanthropic Fund of the Newton Community Club in the Hunnewell Club parlors on Friday, November 20th, at two-thirty o'clock. Arrangements will be made for those who enjoy progressing, and a room will be set aside for those who have made up their own tables. The membership of the club has been divided by the Hospitality Committee into neighborhood groups with a leader for each group. Each leader will have charge of the tickets for her group. Anyone not wishing to attend the Bridge Party, but wanting to contribute to the Philanthropic Fund may send straight cash contributions to her group leader. It is hoped that everyone will help make this a huge success, socially as well as financially.

West Newton Community Service Club

Current Events is scheduled for the 20th, with Mrs. Claude U. Gilson as the speaker, for the West Newton Community Service Club. This is the second talk of the series of ten, and as Mrs. Gilson has recently spent three months in Europe her ideas on problems are well worth hearing.

On the 18th this club is hostess for the Newton Federation in the Unitarian Parish House at 2:30 o'clock.

Social Science Club

There will be no meeting of the Social Science Club on Wednesday morning, November 18th. Instead there will be a Club Tea from 3:30 to 5:30 at the home of Mrs. William G. Soule, 56 Farlow road.

Newton Mothers' Club

Mrs. Norman W. Bingham, the President of the Mothers' Club calls attention of all club women and Newton residents to the unusual opportunity offered for all on January 3rd, and since the event should prove most successful she advises that all who desire tickets to hear Donald MacMillan speak on the Arctic on that date get their tickets at once. He will speak at the Newton Community Theatre at 3 o'clock on January 3rd, and tickets are the surprisingly reasonable price of one dollar. There will be a few seats that will be reserved at \$1.50. Besides hearing one of the leading men of our times, those going to this lecture will be aiding the good work of the Mothers' Club, the Mothers' Council, and the Welfare Bureau. Mrs. Carl Pickhardt of Highland avenue, West Newton, will supply all with tickets who will get in touch with her. DO IT NOW!

Auburndale Woman's Club

The "Guest Night" of the Auburndale Woman's Club will be held on November 24th, in the Auburndale Club at 8 o'clock.

Branson De Con will present "Dream Pictures Around the World." He comes highly recommended and an evening full of entertainment and inspiration is anticipated.

Following the program will be a reception to the officers of the club and refreshments will be served. The evening is in charge of the Art Committee, Mrs. George A. Follett, chairman.

On Thursday, November 19th, the Education Committee and Home Economics Committee of the Auburndale Woman's Club offer an extra meeting in the Auburndale Club at 3 o'clock. Bonwit Teller & Co. of New York will give an "Educational Costume Exhibit" which will be followed by a reception to the teachers and parents of Auburndale. Everyone is invited whether a club member or not.

D. A. R.

The regular meeting of the Lucy Jackson Chapter D. A. R. of Newton, was held on Monday, Nov. 9th, at the Congregational Church Parish House, West Newton.

The Regent, Mrs. Eaton, called the meeting to order and after the salute to the flag, and reading of the minutes the Regent introduced the speaker of the afternoon, Miss Grace Weston, who gave a most interesting paper on "Early America: Facts, Fashions and Furniture."

In course of lecture she showed spoon and bullet moulds, a tinder box and betty lamp.

Old furniture and also the interiors of the New American Wing of the Metropolitan Art Museum in New York were shown by stereopticon.

After the singing of America a social hour was enjoyed by all.

CALLING THE ROLL

The annual roll call of the American Red Cross is now in progress and will be continued until Thanksgiving. Newton Chapter is conducting the roll call for this city by mail, believing it will be more convenient for the people of Newton. It may be that your name is not on the mailing list and that you have not received a letter asking you to join. In that event your \$1 will be received at any office of the Newton Trust Company or at the office of Newton Chapter, 12 Austin street, Newtonville. All citizens are urged to take part in raising Newton's full quota and thereby sustain the reputation of this city for meeting every worthy call without delay.

SEVENTY FIFTH ANNIVERSARY

Auburndale Congregational Church Observes An Interesting Event In Its History

The Auburndale Congregational Church has been celebrating its seventy-fifth anniversary this week with a program including a pageant, a service of worship, a vesper service and a banquet.

The first event on Thursday evening, November 12, was the "Pageant of the Fourfold Life," presented by the young people of the church. The author of the pageant is Miss Elizabeth Nutting of Boston University, superintendent of the Young People's Department of the Church School, and the cast and committee included the members of that department and their friends.

The pageant, divided into two parts, traced the fourfold development—physical, mental, social, and religious—of the leading character as a girl; and her service, as a woman, in working with younger girls, in training her own children, and as a community leader. The symbolic part, represented on the upper stage, showed the thoughts and visions of the Girl and Woman, as she stole away from time to time to be by herself. She sat in her favorite seat in reverie while the pantomime and tableau revealed what was passing in her mind. The episodes, given on the lower stage, represented her as she took part in the varied activities of every-day life.

All those who saw the pageant were impressed by the ideals presented, and by the possibilities of service among the friends, in the home, in the church life and in the community as a whole.

The part of the Girl was taken by Mary Palmer. The Woman was represented by Mrs. Ralph E. Keyes, Elizabeth Hall as the Angel of the Future, and Elizabeth Schippo as the spirit of Service, were the leading characters in the symbolic scenes.

The committee responsible for the pageant were Prof. H. C. Mayer, Mrs. F. Davidson, Mrs. Albert Palmer, and Mrs. Robert H. Aborn. Miss Ruth Woodbury was responsible for the music, her angel choir consisting of twenty soprano voices singing behind the scenes, was one of the most effective parts of the pageant. Mr. Harland Fisk was in charge of the scenery and stage management, Miss Myrtle Hatch of the properties, and Mr. Earl H. Ordway supervised the lighting.

On Sunday morning, at the service of commemoration Mr. W. J. Spaulding sang the baritone solo in the anthem, "Thou Shalt Remember," written by Horatio W. Parker of Auburn, for the fiftieth anniversary of the church.

The principal feature of the vesper service held Sunday afternoon was the address of the former pastor, Rev. Dr. William C. Gordon on the "Message of the Years." At this service the cantata "Song of Thanksgiving" by Maundrell was sung by a chorus under the direction of Mr. Waldo W. Cole.

Dr. Gordon's address was as follows: "We are in a reminiscent mood today. We are looking back over the years that have fled. Through the mist of the past we see a company of men and women coming together to form a church. It is to be a church of the living God. In it men are to learn to look up to God for their ideals of service, and out upon men as the objects of their endeavor. There is to be no compromise with evil in whatever form it may appear. From God and from God alone do they get their commands. This is to be a free church. It is to be ruled by the people who have called it into being. In this church every man is to be a brother but no man is to be a ruler."

It is not easy for us to put ourselves back in that distant day. That was 75 years ago. Not many of us were alive then. Of course most of the things which today tend to make the whole world one had not then been heard of. The telegraph had been in existence only about fifteen years and was not in general use. Railroads were in their infancy. There were no telephones or radios, or aeroplanes or automobiles. Isolation is the mother of barbarism. The nations were going on their separate ways regardless of doing. The North was only just coming to recognize the evils that slavery had brought and the South was open and arrogant in maintaining the institution upon which its prosperity was supposed to attend.

This is only a hint, a suggestion of the world into which this church was born 75 years ago.

Through all these years this church has been doing its work, holding aloft its ideals, and ever moving toward its goal.

(Continued on Page 5.)

SCHOOL AFFAIRS

In observance of National Education Week, the Newton Centre School Association held its first open meeting on November 18, at the Mason School hall, with a good-sized audience attending.

The talks by Mr. Harry C. Barber, supervisor of mathematics in the Newton schools, and Mr. Francis L. Bacon, head of the Newton High School, proved most interesting and were followed by many questions.

Mr. Barber spoke on "The New Arithmetic" and had Miss Merrill, a teacher of the Mason School, at the blackboard. He demonstrated that fifth and sixth grade children can easily learn to add and subtract in one process. He showed the value of the modern method of multiplying and of determining the placing of the decimal point. He feels sure that by these methods much needless work is avoided and that the child gains in accuracy and in judgment.

"Social Studies" was Mr. Bacon's subject. He pointed out that these subjects, History, Geography and Civics, deal with social groups of people. As each country is studied, its history, civics and geography are studied together from its earliest days, so bringing these subjects down to the present, and showing the effect of the early history and of the geography on the development of the country. It is a "story of mankind" for each country, beginning with the ancient nations, then taking our own country and later the history and development of civics. The great value of "projects" and of "socialized recitations" was shown and the vital quality of class work, with these helps, was stressed.

It was fully explained that because of the demand from many parents, the School Association has become much interested in the fact that the plan for a tunnel between the new High School and the Classical building has been abandoned till after the completion of the new building and its occupancy. The parents feel that illness contracted while passing from building to building, and possible injuries from passing automobiles are very real dangers. The proper time to construct this tunnel and the logical time is now, when the new building is under construction. That there is a wide-spread demand for it in the city would seem to indicate that it is a real need.

A social hour brought this very successful meeting to a close. Music was furnished by Mrs. Kirtley Mather, who played, with much taste, two Chopin Preludes.

NEW MINISTER

At a special business meeting of Eliot Church, held last evening it was unanimously voted to extend a call to the Rev. Ray Anderson Eusden of the Plymouth Congregational Church of Lawrence, Kansas, to fill the vacancy left by the death of Rev. Henry A. Arnold several months ago. The pulpit has been filled temporarily by the Rev. Charles M. Beale.

The Rev. Ray A. Eusden was born in 1889 in Marne, Iowa, and received his college education at Grinnell College, where he received the degree of A. B. in 1912. The following three years he attended Yale Divinity School, from which he was graduated in 1915 with the degree of B. D. cum laude. While at Yale he received several honor scholarships and won the Dean's prize for expository preaching. He held a fellowship at Chicago University for two years and received the degree of A. M. from that college. In 1918-19 he was a student at King's College University, London, England.

In 1920 Mr. Eusden was ordained as the minister of his present church, whose membership is about as large as that of Eliot church.

Mr. Eusden was married to Miss Marie Dykstra of Holland, Mich., in 1921, and they now have two children, John D., 3 years, and Ray Anderson, Jr., 1 year.

TROPHY DINNER

A Trophy dinner dance was held under the auspices of the Charles River Country Club at their clubhouse last Friday evening. At this time the two teams which contested for golf honors in October were awarded prizes. Motion pictures of the golf tournament were shown for the first time and many prominent men of the club had an opportunity to size up their own playing on the links.

Pictures were also shown for instruction purposes to the golf fans of the club, and were well described in a fine talk by Francis Outmet, one of the leading golfers in this country. Dancing followed. Donald McKay was chairman of the entertainment committee and J. J. Mason was chairman of the golf dinner and awarding of the prizes.

CHURCH NOTICE

First Church of Christ, Scientist, of Newton. Player's Hall, Washington street, West Newton. Sunday service 10:45 A. M. Subject of Lesson-Sermon: "Soul and Body." Sunday School 10:45 A. M. Testimonial meeting Wednesday 8 P. M.

MINISTER INSTALLED

A service of welcome, as the installation was termed, was extended to Rev. Rubens Rea Hadley, the new minister of the Newton Universalist church last Monday evening.

Besides the musical program which included organ selections and singing by the church quartet, there were addresses by Judge Robert W. Hill of Salem, Mayor Edwin O. Childs, who gave the welcome to the city, and by Lewis P. Everett, who gave the welcome from the parish. Rev. Dr. Leroy W. Coons gave the invocation. The service was unique in that the installing officers were all laymen.

A reception in the parish hall followed the service at which Rev. and Mrs. Hadley were assisted by Mr. and Mrs. Everett, Dr. and Mrs. Leroy W. Coons, Mayor Childs, Judge Hill and Mr. and Mrs. Charles D. Cabot.

The committee on arrangements were Mr. A. A. Wyman, Miss Eleanor L. Cox and Miss Lucy C. Ross.

Judge Hill's address was as follows:—

I am here tonight to welcome our new Minister, Rev. Rubens Rea Hadley, to this church. I have known him for many years and he is a personal friend of mine. I cannot say too much in his praise. I think you will find him all I say and a good deal more. This church is fortunate to have him and I hope they appreciate it and will help him all they possibly can. If they work together I know that all will come out well and his pastorate will be a grand success.

The pleasure of being called to speak here tonight is indeed one of mine.

(Continued on Page 6)

CANDIDATE FOR MAYOR

Editor of the Graphic to Oppose the Re-election of Mayor Childs. Other Candidates

Two years ago, when prominent residents of this city declined to oppose the re-election of Mayor Childs, I became a candidate for that office for the sole purpose of providing an opportunity by which the voters of Newton might express their opposition to the long continued occupancy of the office of Mayor by one man. About 2700 voters entered their protest to that policy at that time. The same situation exists today. Mayor Childs is again a candidate for re-election and none apparently dare to oppose him.

I still have the feeling I had two years ago that there are many persons who resent the attempts of Mr. Childs to make the office of Mayor his personal property, as well as a rapidly growing feeling that the business affairs of the city need readjustment.

In the failure of more popular men to oppose Mayor Childs on these issues, I have decided to be a candidate again for the office of Mayor. For I believe the people of Newton should have some yardstick to indicate just how many voters oppose Mayor Childs at this time, and I trust the result will be a decided factor in the election of a mayor in 1927.

J. C. Brimblecom.

MANY CANDIDATES

Nominations for the various offices to be voted on at the coming city election, December 8, close this afternoon (Continued on Page 6)

STRENGTH SAFETY SERVICE

A Bank is no better than the men who run it. It is no stronger than the capital behind it. It is a semi-public institution and can go ahead no faster than encouraged by the public. This encouragement is shown by the readiness with which the public lends the Bank money. Its capability is shown by the frequency in which the public uses the bank for service. Following is a list of our Officers and Directors who try to conduct our banking business on the principle of greatest Service to all.

THE WEEK IN NEWTON SPORTS

Edited by WARREN K. BRIMBLECOM

NEWTON 23—RINDGE 0

Newton high had little difficulty in winning from Rindge Tech, 23-0, at Russell field Tuesday afternoon. The local team's offense was too powerful for the home team to withstand and the orange and black scored two touchdowns in the second quarter, a field goal in the third and another touchdown in the last period. Early in the second period three successful forward passes brought the ball from midfield to the three-yard line from which Gilligan carried it over for the first score. The Newton captain kicked the goal. About five minutes later Hemenon scooped up a Rindge fumble on the Rindge 15-yard line and ran over for a touchdown. Near the close of the third period Captain Gilligan kicked a pretty field goal from his 35-yard line. The orange and black had carried the ball to the three yard line only to be thrown back for a 10-yd. loss and a 20-yard penalty. Shortly after the opening of the final period Gilligan went over for the final score after passes and off-tackle plays had put the ball on the opponent's 10-yard stripe.

The Game

First Period—Newton lost the toss and kicked off to the Rindge 12-yard line which was run back to the 37. On the first play Rindge fumbled and J. Proctor recovered for Newton at midfield. Proctor made 2 yards and Holbrook ripped the opposing line wide open for 12 yards and a first down. Holbrook made a yard and then tossed a forward to Clark, who fumbled and recovered on the 25 yard stripe. Holbrook was thrown for a five-yard loss but, 10-yard line. Proctor put the ball on the 20-yard line. Proctor gained two yards and after two incomplete forwards Rindge held and took the ball off its 18-yard line. Rindge could do nothing to the Newton line and kicked to Newton's 45-yard mark. The orange and black made a first down on two plays and 8 yards more on three plays. Holbrook kicked off to the Rindge 20-yard line. Rindge made a first down and then kicked over Clark's head to the 3-yard line. Newton's first string men went into the game at this point. Holbrook passed to Gilligan for a 17-yard gain, and then he kicked to midfield. Rindge fumbled and Newton recovered. An exchange of kicks followed and the quarter ended with the ball in Newton's possession on the Rindge 48-yard line.

Second Period—Three successive passes were completed and Holbrook put the ball on the 3-yard line. Gilligan went over for the score and kicked the goal. Newton kicked off and the Cantabs put the ball in play on the 40-yard stripe. Four plays, the last an off-tackle smash for 15 yards gave Rindge a first down on Newton's 36-yard line. After two plays Rindge kicked off to Newton's 32-yard line, and Holbrook returned the punt to the Rindge 30-yard mark. Hemenon recovered a fumble behind the scrimmage line and had a clear field for a touchdown. Gilligan gave an example of his headiness when he fumbled the pass from centre on the try for the extra point. As the ball bounced from the ground the Rindge linemen were on top of him and he gave the ball a quick kick which sailed right between the uprights. Three exchanges of punts followed the kickoff and the half ended, Newton 14—Rindge 0.

Third Period—Rindge kicked off to W. Proctor on the 20-yard line and he ran it back to the 44-yard line. Proctor took the ball on three successive line plays and made a first down. Gilligan made a yard and Newton was penalized 15 yards for holding. Holbrook threw two passes to Gilligan and Hemenon and the ball was on the Rindge 30-yard stripe. Gilligan took a lateral pass from Proctor and made six yards more. Another pass from Holbrook to Proctor put the ball on the 15-yard line for another first down. Proctor made 4 yards only to fumble and Rindge recovered. Rindge fumbled and Newton recovered on the Rindge 27-yard line. Forward passes and laterals by Holbrook, Proctor and Gilligan carried the ball to the 3-yard line. Holbrook was thrown for a loss and a 20-yard penalty against the orange and black for the illegal use of hands brought the ball back to the 33-yard line. Proctor made 5 yards on a line smash. Gilligan dropped back to his 25-yard line and kicked a pretty field goal. After the kickoff Rindge could not gain and they kicked to Newton's 30-yard line which Gilligan ran back five yards. Gilligan got away for a 25-yard run and was tackled on the Rindge 40-yard stripe. Proctor gained 6 yards on two plays, and the quarter ended, Newton 17—Rindge 0.

Fourth Period—Rindge attempted a field goal but the kick fell short and Rindge put the ball in play on its 5-yard mark. Rindge kicked to Gilligan on its 30-yard line. Off-tackles and forwards carried the ball to the 10-yard stripe. Gilligan took the ball on another off-tackle play and went over for the final score. After the kickoff Rindge opened up and completed several forwards for long gains. Lyons and Proctor intercepted two forwards which spoiled threatening scores for the opponents. Gilligan kicked to Rindge mid-field and Rindge returned the kick to Newton's 17-yard line where the game ended, Newton 23—Rindge 0.

The summary—Newton H. S.—McCullough, Murphy, Pratt, Forristall, Hagood, Porter, Stubs, Eames, Ramsden, Brown, Andres, C. SPORT NOTES

Jake Stafford covered himself with all kinds of glory in the Harvard-Brown game last Saturday. In addition to making the longest run of the game, a dash for 31 yards, the Newton boy directed the team with rare ability. George Owen, in writing his version of the game, says that Harvard's failure to score more was not due to the wrong selection of plays but was because the Crimson lacked confidence in its own latent power. Stafford also saved the Harvard eleven a considerable amount of ground when he pounced on a fumble of a Harvard kickoff at the beginning of the second half.

Clem Coady played a wonderful game at left tackle for Harvard in the Brown game and was easily the outstanding player on the field. In addition to filling the bill as a tackle the big Newton boy did some excellent punting. His kicks averaged better than 35 yards including those against the wind. Coady also recovered a Brown fumble in the last period and would have converted it into a touchdown but for a spectacular tackle by Payor.

Among those selected for the All-Boston varsity and second elevens of the Field Hockey association are the following Newton women: Miss Ann Bruner of Newton, Miss Louise Pessenden of West Newton, Miss Claire Garrison of West Newton, Mrs. George P. Hall of Newtonville, and Miss Sylvia Dow of Waban. The two teams will take part in the fifth annual intercity tournament under the auspices of the U. S. Field Hockey Association at Wellesley next week.

Captain Tommy Gilligan was easily the outstanding star of the Rindge game Tuesday. He scored 17 of the Orange and Black's 23 points. His field goal from the 35-yard line was as true and straight as an arrow and was one of the prettiest seen in a long while. The Newton captain gave a good example of his quick wit on the try for the extra point after the second touchdown. The pass from the centre was poor and he fumbled it. The ball dropped to the ground and, not having time to retrieve it as the opposing linemen were right on top of him, as it bounced he gave it a quick kick. The oval sailed directly between the uprights for the additional point.

"Waxy" Littlefield, the star tackle, was given a rest in the Rindge game and was not even in uniform. His eye, which was badly cut in the Medford game, is healing and he will be in shape to go against the Brookline team on Turkey Day morning on the Brookline field.

Jake Stafford, the Harvard quarterback, was removed to the hospital Monday afternoon on account of injuries received in the Brown game. His physicians say that he will not be able to leave the hospital until 48 hours before the Yale game Saturday. However, the little Newton boy, who makes up in spirit and experience what he lacks in weight, is expected to be in the opening lineup against the Bulldogs Saturday and, unless handicapped too greatly by his injuries will doubtless play a good part of the game.

Clem Coady, a star on the Harvard freshman hockey team two years ago, is expected to prove a strong contender for a defense position on the Harvard varsity hockey team this winter.

Advance indications are that there will be but few, if any, vacant seats when the orange and black lines up against Brookline. This game is the final one of the year and the last chance several of the Newton boys will have to play for the local event. Newton should win by a safe margin but Brookline says put up stiff struggle against Coach Dickinson's outfit and it will be a good game.

Newton's one chance to tie Everett for the league championship lies in the outcome of the Thanksgiving Day game between the present league leaders and Cambridge Latin. Everett should win by a safe margin, but the Cantabs will put up a stiff fight.

"Polly" Harris, the former Newton high star, has done a good job as coach of the Belmont high eleven. His team has won seven straight games and has shown real class and knowledge of the gridiron game.

Win Robinson was awarded his letter for his work on the Dartmouth team this fall. It is too bad that he suffered the leg injury which kept him on the sidelines while Myles Lane of Melrose covered himself with glory. Until the Newtonville boy was injured he had the call over the Melrose comet but after he had recovered and was able to play Lane was too far ahead for him to overtake. Robinson was the best punter on the Dartmouth squad and, while perhaps he is not the brilliant player that Lane is, he would nevertheless have been of great value to the championship Green team from New Hampshire.

Cambridge institution and, while he has been idle for the greater part of the freshman season due to injuries, next fall he should make an able teammate of Coady.

It would not be surprising to many football fans to see Coady elected captain of the Harvard team after the Yale game Saturday. If there ever was an All-American tackle since Mike Gullian's reign the big Newton boy has the call.

George Owen, assisted by Ralph Hornblower, is directing the practice of the Bankers' Athletic Club hockey team. The first practice was held Wednesday at which 57 candidates reported.

The Newton High School authorities were wise in refusing to allow the football team to play Salem tomorrow, although the players voted unanimously in favor of the game. It would have been a great treat for scholastic fans and might have helped to push the local outfit to the fore in state honors this year. The schedule has been stiff enough and with the final game on Thanksgiving Day it would have been placing too great a physical burden on the boys of Coach Dickinson's squad.

NEWTON BOWLING LEAGUE

Commercial clinched its hold on first place in the Newton League Wednesday night by winning all three points in its match with Newton. B. A. A., in winning from Mangus, also took three. Cochato won two from Hunnebell.

Y. M. C. A. SPORTS

Regular basket ball practice is being held on Monday evenings at 8.15, with a squad of 25 men trying out for the Y. M. C. A. first and second teams. With the material that is turning out, Newton should have a team capable of meeting any "Y" team in the State. Those who are trying out for berths who've played other years and new aspirants are: Brimblecom, Irving, Shields, George and Ray Wellman, Cameron Rae, Vallenmeyer, Lord, MacGillivray, McGuinness, Crowe, Reardon, Hammond, Conneary, Coligan, McDonald, Eaton, Hitchcock, Livingston, Hardy, Shaw, and Brennan.

The Eastern Division of the State "Y" League made up of teams from Newton, Lynn, Cambridge, Brockton, Newton, Worcester, Quincy, Somerville, and Everett, will start the week of December 12th with Newton meeting Cambridge at Cambridge.

Two events of the 1000-point athletic contest of the Y. M. C. A. of Massachusetts and Rhode Island have been run off with Phil Hardy the high point winner. The event this week to be run off will be the 100-yard dash. The following is the standing of the competitors to date: P. Hardy, 134 A. Kohler, 127; E. MacGillivray, 122; H. Pierce, 119; F. Christensen, 115; A. Winterhalter, 109; H. MacNeil, 105; S. Crowe, 101; C. Anderson, 96; C. Hammond, 88; E. Grip, 87; H. Barton, 79; F. Nes, 64; L. MacGillivray, 55; H. Wear, 55; P. Reardon, 54; A. Paresky, 51; C. Burgess, 50; H. Firth, 49; E. Nickerson, 46; W. Hammond, 40; C. Swift, 40; T. Keller, 39; L. Wood, 30; J. Campbell, 30; F. Feeney, 30; E. Swan, 30; W. Norton, 30; F. Hitchcock, 30; F. McGuinness, 30; E. Franckum, 30; I. Arsenault, 30.

SEVENTH STRAIGHT VICTORY

The Newton Pals eleven annexed its seventh consecutive victory of the season, last Sunday afternoon, November 15th, at Bicycle Park, Waltham, defeating the Colonials of Waltham by a score of 13 to 7. Charles Murphy, the Pals stellar half back, besides playing a slashing defensive game, scored both touchdowns for the home team. The first of these touchdowns came early in the second period, after a steady drive down the field, when Ancoine standing on the Colonial's 25-yard line, tossed a beautiful forward pass to Murphy, who crossed the goal-line for the score. In the third period, Murphy, taking the ball on a criss-cross play galloped 70 yards for a touchdown through the whole Colonial team. This brilliant run was easily the feature of a game that was marked by the hard, clean playing of both teams.

Lyman, Arsenault, Wright and Murphy starred in the Pals backfield while the work of Vachon, McDonald, McCarron and Ancoine in the Pals forward line was very instrumental in the victory. Craven and Hapenny played a star game for the Colonials. Next Sunday afternoon, November 22, the Newton Pals will play the Trojans of South Boston at Cabot Park, Newton, and a fast game is expected. Follow the crowd and watch a good, clean game.

ALLEN CHALMERS WINS

The Allen Chalmers school easily defeated the Pinkerton Academy team of Derry, N. H., 35-0 last Saturday on the local field. The West Newton eleven scored in each period and twice in the second quarter. The forward pass was used a great deal by the Allen school and with F. Holland throwing them many long gains resulted.

The feature event of the game was a 55-yard run in the second period by F. Holland, when he got away for a touchdown. He later scored again. The other scores were made by Nute, Conway, and Wallace. Nute negotiated the other five points on five successful tries for the point after the touchdown. Chalmers and Lintopp also played well for the local private school eleven.

FINE BOWLING

A record was made in the House bowling at the Waban Neighborhood Club recently which will be hard to beat. The club team, consisting of Robbins, Meadows, Gilpin, Ansie and Hill made a team total of 1113, every man with 259. The remarkable feature of the match, however, was the fact that every man on the team made a strike or a spare in every box, Hill having 7 strikes in a row.

FAIL TRACK AT NEWTON HIGH

An interesting series of fall track events were run off the past week by the boys of the Newton High school track squad. The events which included a pentathlon, cross country run, and a freshman-sophomore track meet were held on the Y. M. C. A. track.

John Buswell, the captain of the high school indoor track team walked away with the cup in the pentathlon with 10 points. His nearest competitor was Mal Gallagher with 15 points. H. Stuart was third with 16 points. The individual winners of the various events were J. Colton, cross country; J. Gallagher, 100 yard dash; J. Buswell, 220 yard dash; Hammond, broad jump, 17 feet, 8 1/2 inches; and J. Conneliff, shot put, 36 feet 5 inches.

The cross country run over a 2 1/2 mile course was won by James Colton, who trotted across the line a winner by but 3 yards over Sherman Bonnie. Steward came in third, and Buswell fourth and Gallagher fifth. The course ran from in front of the Y up Washington street to Adams, up Lewis terrace and Eastside parkway to Cabot street. Cabot to Centre, to Newtonville avenue, Newtonville avenue to Bellevue street and down Bellevue to the starting line on the Y. M. C. A. track.

The sophomores defeated the freshmen in the meet between the two lower classes 44-10. Although the score seems rather one-sided there were some very close performances.

The summary:
50 yd. dash—J. Brown, '28, first; Weldon, '28, second; Pearson, '29, third. Time 6 1/5 seconds.
100-yard dash—Kohlmyer, '28, first; J. Brown, '28, second; Pearson, '29, third. Time 11 1/5 seconds.
880-yard run—Kohlmyer, '28, first; Chamberlin, '28, second; McCruden, '28, third. Time, 2 min. 23 2/5 seconds.
High jump—Burton, '29, first; Chamberlin, '28, second; Rockwood, '28, third. Height, 4 feet 10 inches.
Shot put—Gatchell, '28, first; Nally, '29, second; Schwartz, '28, third. Distance, 32 feet, 8 inches.
Broad jump—Rockwood, '28, first; Brown and Kohlmyer tie for second. Distance 17 feet, 5 inches.

THE NEWTON ARCHERS

The archery season is drawing to a close, with Thanksgiving Day as the official closing day.

Dr. Paul W. Crouch of Brighton is building a house near the corner of Dedham and Parker streets, Newton Centre, where he is planning a private archery range of about 80 yards distance. Residence in Newton Centre will enable him to shoot more frequently on the range of the Newton Archers. Mrs. Crouch, is also an archer, a novice, showing unusual skill.

With Dr. Crouch's residence in Newton, our city can be matched by none in the world in archery. Dr. Crouch is National and Eastern champion. Miss Smith our lady National and Eastern champion has long resided here.

Y. M. C. A.

The Week of Prayer services held last week at the Y. M. C. A. were addressed on Monday night by Dr. Charles H. Beale, acting pastor of Eliot Congregational church, who spoke at the Fellowship Club. The speakers for some of the other groups were Rev. John W. Spiers of Newtonville, Rev. Robert J. Rae of Newton, Mr. Davis, student pastor at Eliot church, Mr. Stright, director of religious education at the Newtonville Methodist church, Mr. W. H. Sears, director of religious education at the Newtonville Central Congregational

church, and Mr. Hess, boys' secretary of the Newton Y. M. C. A.

The speaker at the Fellowship Club, next Monday will be Mr. Frank T. Eskridge, who was announced to speak the week previous, but was prevented on account of sickness. Mr. Eskridge will speak on the subject of "The Do—One of Man's Best Friends."

During the present year, building campaigns for Y. M. C. A.'s have been conducted in many cities of the United States. The largest campaign was for new buildings in Detroit, which raised over \$5,000,000. One of the latest campaigns was in Mexico City, where nearly \$250,000 was raised for a modern building. President Calles presented 100,000 pesos in behalf of the Mexican government and members of the presidential cabinet.

BOY SCOUTS

Swimming meet at the Y. M. C. A. Newton, Friday, November 27th, 7:30 P. M. The entries for this meet are in the hands of Mr. Richards W. Cotton, 37 Washington park, Newtonville, Monday the 23rd. No Scout may enter more than two events, they must be registered, in good standing and not yet eighteen years of age. Troop 4 of Newton Highlands now holds the Championship trophy.

The Court of Honor Friday night at the Centenary Methodist Church, Auburn Dale.

Scouts, their parents and friends are invited to a Get-together at the Parish House of St. John's Church, Newtonville, Friday evening, December 4th, at 7:30 P. M. There will be Scout demonstrations, singing and moving pictures of activities of Scouts in this council! Admission is free to all except boys under Scout age unaccompanied by parents. Tickets will be furnished to any boy, not a Scout who is eleven years and nine months of age upon application by letter to Scout Headquarters, Newton. Scouts must be uniformed to be admitted if not with their own troop.

Troop 1 of Newtonville are planning an entertainment for Friday evening, December 11th, save the date!

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the Power of Sale contained in a certain mortgage given by Wilfred F. Bowering to Henry J. O'Meara, dated September 2, 1924, and recorded with Middlesex South District Deeds Book 478, Page 269, which mortgage has been duly assigned to the undersigned, for breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at Public Auction on Saturday, December 5, 1925, at 9:40 o'clock A. M., of the premises hereinafter described, all singular the premises described in said mortgage.

To wit: The land in said Newton, being the lot containing 9956 square feet, more or less, as shown on a plan entitled "Subdivision of lots 25-30 Converse Estate Development" A. C. Peters, Engineer, dated March, 1924, duly recorded with Middlesex South District Deeds, bounded and described as follows: SOUTHEASTERLY by Concord Avenue 62.66 feet.

SOUTHWESTERLY by lot 31 as shown on a plan made by A. C. Peters, Engineer, dated August, 1923, recorded with said Deeds, Plan Book 333 Plan 26, 178.9 feet.

Commonwealth of Massachusetts.

To the heirs-at-law, next of kin and all other persons interested in the estate of Gertrude T. Manning.

WHEREAS, a certain instrument purporting to be the last will and testament of said deceased has been presented to said Court, for Probate, by Hartley W. Thayer who prays that letters testamentary may be issued to him, the executor therein named, without giving a surety on his official bond.

You are hereby cited to appear at a Probate Court, to be held at Cambridge in said County of Middlesex, on the twenty-fourth day of November A. D. 1925, at ten o'clock in the forenoon, to show cause, if any you have, why the same should not be granted.

And said petitioner is hereby directed to give public notice thereof, by publishing this citation once in each week, for three successive weeks, in the Newton Graphic, a newspaper published in Newton, the last publication to be one day, at least, before said Court, and by mailing post-paid, or delivering a copy of this citation to all known persons interested in the estate, seven days at least before said Court.

Witness, John C. Leggat, Esquire, First Judge of said Court, this third day of November in the year one thousand nine hundred and twenty-five.

LORING P. JORDAN, Register, Nov. 6-15-25.

Notice is hereby given that the subscriber has been duly appointed executor of the will of Joseph L. Couture, late of Newton in the County of Middlesex, deceased, testate, and has taken upon himself that trust by giving bond, as the law directs. All persons having demands upon the estate of said deceased are hereby required to exhibit the same; and all persons indebted to said estate are called upon to make payment to.

HERMAN J. COUTURE, Executor. (Address) 42 Carroll Street, Watertown, Nov. 8, 1925, Nov. 15-25-27.

Notice is hereby given that the subscriber has been duly appointed executor of the will of Joseph L. Couture, late of Newton in the County of Middlesex, deceased, testate, and has taken upon himself that trust by giving bond, as the law directs. All persons having demands upon the estate of said deceased are hereby required to exhibit the same; and all persons indebted to said estate are called upon to make payment to.

ROUTINE BUSINESS

Aldermen Hold Short Session. Appropriate \$100,000 In Bonds For New High School

The Board of Aldermen held a short session Monday evening and devoted the greater part of the time to routine business. Aldermen Heathcote and Collins were absent. Adjournment was at 9.40.

The matter of greatest importance was the passage of an order authorizing the issuance of \$100,000 in 1-year bonds for construction of the new high school building in Newtonville. As the building is far ahead of schedule the public buildings department found it necessary to ask for more money in order to keep the work going. The bonds being of one-year duration will fall due so that the cost will be included in the 1926 tax levy, as was originally planned. Exclusive of the cost of the furnishings it will now take less than \$20,000 to complete the building.

An appropriation of \$5,000 was also made for preliminary plans and sketches for the new West Newton-Auburn Junior high school on Myrtle street.

A letter of protest was received from Stanley E. Horton, 27 Otis street on the petition of A. F. Rowe for a two-car private garage at 1234 Chestnut street, Newton Upper Falls, stated that his client was unable to do hard physical work and that he had maintained a garage business at that location for the past six years. He was now desirous of obtaining the privilege to sell gasoline on his premises which afforded ample room for the pump to be set well back from the street. There was no opposition.

William C. Andrews, appearing for L. A. Andrews, on the latter's petition for a gasoline permit at 1124 Chestnut street, Newton Upper Falls, stated that his client was unable to do hard physical work and that he had maintained a garage business at that location for the past six years. He was now desirous of obtaining the privilege to sell gasoline on his premises which afforded ample room for the pump to be set well back from the street. There was no opposition.

A resident of Mt. Alvernia road, at the hearing on the laying out, construction and acceptance under the betterment law of that street, stated that while he was not opposed to the project he felt that a large tree, which he understood was to be left standing, should be taken down. If it was not taken down at present he stated that if at a later date it was found necessary to remove the tree, the residents of the street should not be forced to pay any additional assessment. Mr. Arthur L. Stephenson, representing the Francis S. Stephens, stated that he had appeared at the committee hearing and would not burden the board with a repetition. He said however that the Sisters would find it a hardship if they were assessed the entire amount at one time and that they would request the assessment be prorated.

Jurors were drawn as follows: Criminal Session, Monday, Dec. 7, at Cambridge: Frank Booth, 17 Ware road; Joseph F. Barry, 135 Bridge street; Ralph A. Morrison, 59 Jassett street; Criminal Session at Cambridge: Dec. 7: George F. Mead, 28 Lincoln road; George B. H. Macomber, 171 Highland avenue; Leslie M. Gammons, 19 Melrose avenue; Traverse court at Cambridge, Monday, Dec. 7: Henry Towle, 6 Washington terrace; Edwin P. Leonard, 33 Maple avenue; William E. Fitzgerald, 671 Grove street; William E. Parkinson, 255 Adams street; Robert Bonner, 138 Lincoln street; Louis D. Gibbs, 1 Billings park.

Norman Appleyard was granted a permit to draw a one-story addition to the Newton Centre garage instead of a two-story addition which he had at first planned.

Various permits were granted for private garages for not more than two cars.

Leave to withdraw was given the petition for a sewer in Broadway. The same disposition was made of the petition of Rose Lehan for change of zoning of land on Quinobeguin road.

The following appropriations were made for sewer construction: Moreland avenue, \$1464; Avalon road, \$1180; Bonnar circle, \$1338; Merrill road, \$3179; Whittemore road, \$3430.

The following assessments were levied for streets constructed under the betterment law: Elgin street, \$303.85; Ransom road, \$826.27; Hamlin road, \$2,616.84; Ricker terrace, \$2,696.88; Hawthorne street, \$9,554.27.

Hearings were assigned for December 7th on the petition of Charles H. Brand et al for change of zone on land near Algonquin road, Kenrick street and the Commonwealth Country Club from private to single residence zone, and on the petition of the Newton Club to place its property on Walnut street in the general residence zone.

Orders were passed placing a considerable part of Newtonville in the general residence district. South of the railroad tracks the land bounded by Highland avenue, Lowell avenue, Hull street, Trowbridge avenue, Gay street, Harvard street, and Washington park property was included in this zone. On the north side of the railroad land from Washington street near Walker street to the Charles River between Albemarle road and Linwood avenue.

MR. POWERS HONORED

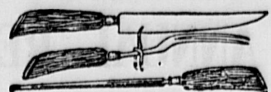

In commemoration of his 50 years of practice at the Massachusetts bar, Hon. Samuel L. Powers was tendered a reception and dinner at the Copley-Plaza Monday evening by some 400 of his friends—mostly members of the bench and bar, but including also, a number of his friends outside the legal profession.

It was a notable event and through it all ran that curious half solemn, half humorous note, which has been so dominant a characteristic of "Sam" Powers in his whole attitude toward life. Both these phases were evident in practically all of the remarks and tributes of the long list of speakers, but behind it was always a fine touch of that love and respect which all of those present felt for "Sam" Powers.

The rule of the "Court" was that he must be addressed as "Sam" and it was strictly adhered to during the evening, even when at the end he was presented in behalf of those present by Joseph F. O'Connell

THANKSGIVING CUTLERY

of the Finest American and English Quality

Genuine Stag Handles, Stainless Steel.....\$7.50 to \$25.00
White Ivoroid Handles, Stainless Steel.....\$5.50 to \$17.50

SCHOOL NOTES

Edited by DOROTHY E. BUSHNELL

General

Here sits he—shaping wings to fly.
Tennyson.

Education week is over, but simply because it was given a name to distinguish it from other weeks does not mean that it is the only Education week. Every week should be Education week from now on.

The quotation above—from one of Tennyson's poems, seems very vividly to express what must have been the parent's reaction from their visits to school during the past week. "Here sits he—shaping wings to fly—" learning—growing—while every moment, every thought impressed, becomes a lasting influence. I overheard one mother say to another—"Why, I'd no idea they learned so much in school—and isn't it wonderful, how much they like to learn." Teachers may not always notice the latter quality in their pupils when they are patiently trying to place in these small brains for permanent keeping, some black and white fact, but there are days when they like to learn—and there are subjects that they really do like, there is no doubt about it, and the cooperative interest of parents will make these days more frequent—these subjects more numerous—there is no doubt about that either.

There is still room in this column for "notes" from some of the schools who so far have not found time to "appear in print." Not only do the children take great pride in reading of their own school's weekly doings—but the parent readers are enabled to learn more about the school life. With more frequent contributions, this column might be a practical means of cementing Newton's large school system into one complete whole—and arousing and holding latent interests, and of increasing school loyalty. Personal comments from principals would be greatly appreciated.

F. A. Day Junior High School

Gwendolyn Frederickson was elected captain of the Girls' Hockey Team. The girls won recently in a game with the alumnae.

The boys won at football in a game with the Arlington High School freshmen.

The weekly assembly Wednesday was in the charge of Miss Manning. His honor, Mayor Childs, addressed the school in the course of the following program:

Chairman, Walter Holbrook; Recitation, "The Present Crisis," Chester Cummings; Song, Margaret E. Connor, Alice De Luca, Mildred Lennon, Stella Pototo, Eva Sampson, Rosalind Shordone, Geraldine Tocci, Louise Tedeschi, Margaret Welton; Piano solo, Virginia Kenway; Song, Genevieve Paquette; Violin solo, Donald Bowen; Cornish Folk Song, Helen Carr, Faith Durrell, Ellen Scholl, Lois Trowbridge.

Mayor Childs left a very timely message for us. He reminded us of the responsibilities which pertain to an "up to date education"—appreciation and gratitude.

Many parents, in cooperation with the invitations extended by the school, visited classes and attended the assembly.

Wednesday evening the Moving Picture Committee of the school presented "Peter Pan" on the screen, accompanied by orchestral music.

Stearns School Centre

The Colonna Club is filled now with new ambition. Each week it has a half-hour Italian lesson, followed by basket-making and embroidery. A Bazaar will be held the middle of December. Baskets, embroidery and Italian food will be on sale.

The Mothers' Club has its International Night Monday, November 30th. The Colonna Club is invited as guests.

Bigelow School

On Friday afternoon, November 20, a program was given in the Assembly Hall in observance of Education Week. Four eighth grade boys contributed special features:

Social Studies Group—"Napoleon Bonaparte"; Mathematics Group—"Her Lucky Number"; English Group—"It Can't Be Done"—Selected; "Follow the Gleam"—Tennyson; Science Group—Some practical experiments. The Dramatic Club gave Hwaatha. The Sixth Grade acted a charade and Frances Crowley sang. The Sixth Grade, the Seventh and Eighth Grade choruses furnished music. The program ended with a Folk Dance and the singing of "America." The following divisions are 100%

SEVENTY-FIFTH ANNIVERSARY

(Continued from Page 1)

goal. What is it that has made this church a power for righteousness and truth through all this time? Other bodies have been organized, have done their work and passed out of existence, but the church of Jesus Christ stands fast in the truth which it possessed then and which it possesses now. It is still doing the work to which it was called so many years ago. It has lessons to learn, battles to fight, enemies to overcome. It is not forgetting the past. It is remembering that today, but it is reaching forth to the things which are before. What makes that past worthy of being remembered? What is there in this church which merits a continued and ever more promising existence?

I venture to say that it is first of all because of its glad adherence to all that is best in the past. I say all that is best in the past. I am not talking of creeds and dogmas. This church has had its share of these. They have been about as good as those held by other churches of our order—and about as bad. They have asserted some thought that no man on earth can ever know. They have affirmed that which may or may not be true concerning the here and the hereafter. They have assigned a destiny for some men which we all recognize now as merely an idea in the mind of the speaker. The ideas held concerning children and young people were not the ideas which are finding expression in the present program of religious education in the church.

These are not the ideas which are dominant in us today. These have all passed away. They are as if they had not been.

Other ideas have remained. They are as powerful; as controlling as they ever have been in the past. No, they are not ideas. They are great principles which are as potent in our lives as they ever were in the lives of our fathers. The great personality of Jesus never loomed so large on the horizon of men as it does today. The influence of the Man of Palestine who went about doing good is making men after his own image. Throughout our world today thousands upon thousands upon thousands of men and women are living lives of helpfulness to their fellow-men just because Jesus did that. Thousands of them are giving their very lives to the sick, the crippled and the discouraged for no other reason than this—they want to follow the example of him who has become the Redeemer of the world.

Jesus in his simplicity and his power and his love has become the Man of the Ages. He is more powerful in our lives now than he was years ago. We have discarded the old theories, we have thrown them out with the tin cans and the rubbish, but the personality of Jesus was never so winning and powerful as today. There is no place that men inspired by the Christ want to go. Is Yellow fever taking men off like flies? Here are those who go into the midst of the suffering and not only heal the sick but actually battle the disease itself to the death. They actually banish Yellow fever from the list of diseases.

Is it ignorance which is crushing men down into the mire? There go the teachers to enlighten their minds, to banish their superstition and give them the truth on which they may live.

Is it the good news of which they stand in need? Here are the men and women who tell them that they are dear to the heart of God, that not a sparrow falls to the ground without his notice. In that knowledge that they are not alone, but they are dear to the Father's heart, they are comforted. There is a vast amount of this work being done today. More than ever before in the world's history. This church has helped to bring about this result. It has banished the old theories into the limbo of oblivion. It has helped to make the Christ gloriously triumphant in the world.

The readiness to change is a mark of the growing life. Scientists are constantly finding the bones of animals which are now extinct. These great creatures were marvels of strength. But the conditions by which they were surrounded changed. The climate to which they had become accustomed gradually altered. The trees and shrubs upon which they had fed disappeared. They had to change or die. They could not adapt themselves to the new conditions and now their bones are being dug up by students of the life of the past.

Our Roman Catholic friends tell us that their church has stood the test of time through all the ages of the past it has remained the same from generation to generation. It is today as it was when Augustine wrote his confessions or Pope Gregory issued his commands. We glory in the fact that we have changed.

We have put the new wine in the new bottles. As new conditions have arisen we have changed to meet them. We do not "attempt the Father's part with the Part blood-rusted key."

We realize that "New occasions teach new duties." The stirring controversies of the third and fourth centuries we laugh at now. These things have been left far behind and we are engaged in the great task of adjusting ourselves to our new environment. We are not afraid of change. We glory in our ability to adjust ourselves to the new conditions as they arise. We expect to continue this work as long as we live. After death we believe that the new conditions will be met as those in the past have been met.

A church is bound to survive so long as it has a mighty purpose to touch the world with a new and higher ideal. When this church began its existence seventy-five years ago slavery held this land in its cruel grip. That abominable fugitive slave law had been enacted which sought to compel citizens of this country to aid in the capture of black men and women who were fleeing for their lives to their refuge in the North. Crispus Attucks had been shot on the streets of Boston. The blood of Northern freemen was beginning to be charged with electric fire. Robert Gould Shaw took his place at the head of the negro

troops who fought for their own freedom. That is what made the monument on Boston Common a reality. This congregation felt the thrill and men like Mr. Fiske, Mr. Ober and others went out to make good in life what this church had taught. Now this is like an ugly dream. We cannot realize that in these few years this great change has taken place.

The saloon which had gained a strange hold on the body politic had been fought to a standstill. Our memories are very short when we talk about bootleggers and home brew. We forget the dirty mess the saloon left us to clean up. We forget the broken homes we had to repair, the shattered lives we had to restore to self-respect, and the little children from whose shoulders we had to remove the curse of drunkenness to which they were born. We are not unmindful of those days and do not propose to do that work over again. The ground gained is going to be held until the last remnant of that iniquitous business is wiped off the earth. As long as any vestige of this miserable traffic remains this church will have a task to perform.

In the more recent past another call came to make the world safe for democracy. Much has been said of late concerning the awful carnage of war. I am not going to enter into a discussion of the question of the cause of the war or whether America was justified in entering upon it. I will only call attention to the fact that when that great crisis was upon us, no one then had any explanation for it or any means of avoiding it. It will call your attention to the fact that that crisis demanded the sacrifice of all that a man had. The young men who went out in that great campaign did not know what the outcome would be. They did not know what awaited them in the trenches or on the firing line or in the dug-out.

We know something of that now, but only a little. The boys are not telling very much. We know that Fred Day and Billy Chandler and Raymond Bacheller, from this church gave their lives and now sleep in Flanders Field, where poppies grow. I adjure you, my friends not to forget the sacrifice made for the great cause.

These young men let the world know by their deeds who were their ancestors. That is a part of the work of this church in the years just past. There is no more glorious page in all its history than this one written in the recent years.

We are looking forward to a better day, when we shall cease and unveil a great shaft of light across the land and like a lane of beams athwart the sea through all the circle of the golden year. That day is surely coming. Of it the prophets have spoken. Of it the poets have sung. Of it men of the ages have dreamed. That vision has cheered our hearts and inspired the souls of the members of this church through all the years. I cannot realize that more than eleven years have passed since we looked down there and saw Dr. Strong singing that prophetic Christmas hymn. His eyes were almost sightless but he saw the invisible. There he stood, threw his head back and sang with his whole soul.

For lo! the days are hastening on By prophet bards foretold, When with the encircling years Comes round the age of gold. When peace shall own all earth Its ancient splendors fling And the whole world gives back the song. Which now the angels sing.

That is the day of which Dr. Strong sang and Mr. Bridgman spoke and wrote with such splendid power. Toward that we are surely moving. And this church has helped to bring it. The millennium will not come to one nation alone.

This church has been made by the love of its members for one another. I never saw a church which could discuss a question on all sides, have so many positive and contradictory opinions expressed, engaged in arguments which are not only warm but red hot and come up smiling when a decision is finally reached as can this church.

Our young people used to say that they liked to go to our mid-week service when any matter of business was coming up, for the same reason that they liked to go to a football game. They liked to see the fight. So did I. I didn't know what to make of it at first but it didn't take me long to find out.

These things are forgotten when we turn again to the busy ways of life. There is a wonderfully friendly feeling comes to one who enters the life of their church. He may not realize this as much when engaged in the work of every day. But when sickness or disaster comes there comes also the assurance of the thoughtful love of those to whom he is bound by the ties of Christian Fellowship. The flowers go as if by magic to the sick-room with a message full of brightness and good cheer. These help amazingly to bear the pain or make the sick one well. It is worth while to get sick just to see how much your friends think of you and what beautiful things they can say and do.

Then in the darkest moments of life when the death angel enters the home the sympathy of loving friends finds its most perfect expression. It is sympathy which is delicate and unobtrusive. It does not attempt to say what can not be said. It does not waste itself in pious platitudes and conventional terms. It is genuine, deep and perhaps absolutely silent. Oh! how we all respond to that sympathy which finds expression in the touch of a friendly hand. Do you remember these lines of James Whitcomb Riley.

"It makes a man feel curious; It makes the tear drops start, An you sort of feel a flutter In the regions of the heart.

You can't look up and meet his eyes; You don't know what to say. When his hand is on your shoulder In a friendly sort of way.

Oh! the world's a curious Compound with its honey and Its gall, with its cares and Bitter crosses; but a good world after all.

An' a good God must have Made it—least-ways, that's what I say When a hand rests on my Shoulder In a friendly sort o' way."

That is the kind of sympathy which counts in this old world. That is what has helped to make this church a power through all these years. You may talk about big churches and fine organs and great choirs, but I want to tell you that what makes a church a mighty force for God and humanity is the strong and tender sympathy of Jesus of Nazareth. Our world needs not new ideals, but new power. When we get the sympathy of Jesus we shall get this power.

These I take it are among the things which make the church worth saving. These are the glory of the seventy-five years upon which this church looks back with pride and gratitude. It has held to what was worthy and noble in its past. Not one good thing in all the years has been lost. What is excellent, as God lives, is permanent. It has shown a willingness to change when new and higher ideals have been presented and new forces have demanded new channels through which to act. It has shown a great purpose to touch the world with a new and a higher ideal, when the war drum shall throb no longer but all men shall assemble in the parliament of men, the federation of the world. This church has been bound together by the ties of sympathy and brotherhood and thus has sought most effectively to reveal Christ to men.

I congratulate you upon your splendid past. You are entering upon a new day. It calls for all the consecration and sacrifice and courage of which you are capable to meet the demands of this great new time. The qualities which have made great your part, will also add glory to the days which are to come.

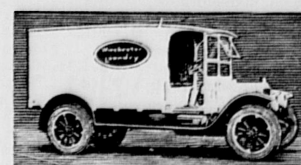

You are entering upon them with hope and joy because you are being led by the same living hand which has guided you through the years. In this spirit you may say with Livingstone "I am ready to go anywhere provided it be forward."

The banquet was held in the church parlors on Tuesday evening under direction of Mr. J. Parker B. Fiske, chairman of the entertainment committee with Mr. Waldo W. Cole as chairman.

The program included solos by Mrs. Arthur F. Farley and Mr. W. J. Spaulding, community singing, including a "Hymn for Our Church" written for the occasion by Professor Amos R. Wells.

At the head table were seated Mr. and Mrs. J. Parker B. Fiske, Mr. Fiske being chairman of the Entertainment Committee, and he made a very able one; Reverend and Mrs. Robert L. Rae; Waldo W. Cole, who acted as toastmaster for the occasion; Doctor New, the present pastor of the church; and the greetings for the church, and Mrs. Drew; Dr. J. Edgar and Mrs. Park; Mr. and Mrs. Arthur Francis Farley; Rev. and Mrs. Edward M. Noyes; Mr. and Mrs. Frank F. Davidson; Mr. and Mrs. W. J. Spaulding; Mr. Geo. M. Fiske; Dr. Francis E. Clark, who seemed to be a great favorite and spoke on the "World Outlook." It was very interesting and I regret that time and space will not permit me to give it all. He said that he could go no better than Mr. George M. Fiske, who came to Auburndale forty years ago. Dr. Clark said he was a fifty-niner. He spoke to the young people especially and dwelt on the fact of the coming convention to be held in London next year. His reminiscences were very cheery and happy. George M. Fiske spoke of "Church-going in the Old Days." He told about remembering the church seventy-five years ago as he was eight years old. He saw nothing to be ashamed of in being old, he said, and was very happy in looking back at a useful, well-spent life. When he first came to Auburndale it was just a country place with only woodchucks and retired ministers living there—also told about the early days of the church, doors on the pews, etc., which were more than interesting, and I regret that I cannot give the whole of the talk, as I think all his friends who were not there, would enjoy reading it. He called himself a forty-niner. Dr. J. Edgar Park spoke on "Our Mother Church," with much feeling and was very witty in his remarks. The "Hymn for Our Church," written for the occasion by Prof. Amos R. Wells, was sung to the tune, "Duke Street," by every one. Mrs. Arthur Francis Farley's sweet soprano voice was then heard in a solo. Rev. Edward M. Noyes spoke at some length on "Our Grandmother Church." Mrs. Frank F. Davidson gave in detail much of the work carried on in the church from its earliest growth. The earlier efforts of all these good women were marked and told of the pride and earnest devotion to the good work which has grown beyond their expectations to the success of the present day. Mr. W. J. Spaulding sang very effectively.

Rev. Earl E. Harper was introduced and brought "Blessings from Our Neighbor Church." He remarked as he began that it looked funny for a Methodist minister to bring congratulations to a Congregational church, especially as the Congregational church was seventy-five years old and the Methodist church was only sixty-seven. His remarks were very forcible and to the point. He advocated unity and said that the time was coming when there would be unity. He spoke of church music in the same vein telling of a conference with an ensemble choir of men of different faiths who sat at the same table as they were discussing the manner of music for a festival to be held in Symphony Hall. He was very forcible and good. To illustrate his thoughts on unity, he told a story of a Roman Catholic brother who lost a leg through an accident and was too poor to buy one. He lived next door to a good Baptist woman, who thought she would help him, and so inserted an advertisement in the "Congregationalist"

FLAT AND FLUF DRY SERVICE

All household linen washed and ironed; all family apparel washed, dried—but not ironed. Does it all but a little ironing. Very economical.

The Winchester Laundries, Inc.

164 Galen Street, Newton

Tel. Newton No. 5504

to the effect that any one who had one or could procure one would find it more than profitable if they would let her know. Now the "ad" fell into the hands of a good neighbor of the Baptist faith, who had a neighbor of the Presbyterian faith (the widow of a minister). The minister had died and left a good substantial wooden leg, which he could not take with him. So she spoke to his widow and showed her the "ad" and the woman of the Presbyterian faith decided to give the leg to the Roman Catholic man. So you see that is what is done and indicates unity in the future.

The banquet closed with a benediction pronounced by Rev. Percival M. Wood, pastor of the Church of the Messiah, in a few short words. Mrs. W. C. Gordon, wife of a former pastor, who is here for a few weeks to attend the celebration of the church, was also seated at the guest table. The tables and room were beautifully decorated with ferns and chrysanthemums, and yellow was the predominating color.

History of the Church
The first written record of the church contains these words: "Auburndale, September 12, 1850. A number of the citizens of Auburndale assembled in the hall in this place to consider the expediency of establishing and maintaining public worship on the Sabbath. Fifteen persons were present."

Active steps were promptly taken, and the new church was formally set up by a council on November 14, 1850, in the hall on the west side of Lexington street between Auburn street and Commonwealth avenue. Most of the thirty-four members of the new church had been attendants at the Second Congregational Church in West Newton. The name taken was the same as now: "The Evangelical Congregational Church of Auburndale."

The Congregational Society of Auburndale had been organized October 17, 1850. In 1857 the pew-holders were organized as the "Auburndale Congregational Society." In 1873, the pew-renting system was abolished and "The Congregational Society of Auburndale" was established, holding the usual relation to the religious body in cases of the double organization of church and society. That relation has continued to the present.

The Sunday School was organized before the church, and has continued ever since as an efficient department of the church.

Three different creeds have been adopted, at long intervals, by the church, each showing the religious thoughts and tendencies of the times, but each based on the truth expressed in the unchanged name of the church.

Various societies for adults and young people have been established, and the organic activities of the church in many ways have been effectively maintained. The church has always been exceptionally strong; it has a record of unusual missionary activity, and has never suffered from dissension. The following ministers have served the church:—

Rev. Edward W. Clark, installed July 1, 1857.
Rev. Augustus H. Carrier, installed February, 1864.
Rev. Calvin Cutler, installed May 9, 1867.
Rev. Charles M. Southgate, installed November 13, 1895.
Rev. William C. Gordon, D. D., installed January 15, 1908.
Rev. Edward Payson Drew, D. D., has been pastor since 1918.

CROOKS-PERRINE

A pretty home wedding took place at the home of Mrs. Nelson Perrine of Central street, Auburndale, on last Saturday evening when her daughter, Miss Myrtle Perrine became the bride of Mr. Eben Bernard Crooks of Somerville. Rev. Dr. Ellis of Newtonville performed the ceremony at eight o'clock and the wedding march was played by Mrs. G. S. Murray. The bride wore a gown of grey crepe roma. Following the ceremony a reception was held, the home being tastefully decorated with pastel chrysanthemums and greens. Mr. and Mrs. Crooks will reside in Somerville.

HUNNEWELL CLUB BRIDGE

A bridge party was held at the Hunnewell Club on Tuesday evening, at which Mrs. F. P. Scofield was the hostess. The pourers were Mrs. Thomas Murray, Mrs. Carl J. Thornquist, Mrs. Henry Lloyd and Mrs. Edgar W. Hodgson. Prizes were awarded to Mrs. Edward Mellus and Mr. George Tracy.

"Released For Publication"

The passage of time has at last released for publication some interesting secret memoirs of American History and its makers during the Roosevelt administration. "O. K." Davis—famous Washington correspondent—begins telling these "behind the scenes" chapters in the

BOSTON SUNDAY GLOBE

Entered at the Post-office at Boston, Mass., as second-class matter

EDITORIAL

While there has been considerable criticism of the action of Mr. Francis Newhall, collector of taxes for the city, in requiring payment of interest on taxes paid on November 2nd, the 1st being Sunday, we understand that Mr. Newhall had no option in the matter and was required by law to demand the payment of interest for one day. The remedy lies in the Legislature which should immediately take the necessary action to place the payment of taxes on the same plane as the payment of notes, and the usual practice of banks in cases where payment is due on a Sunday or a holiday.

The Thanksgiving Clearing House now operating under the auspices of the Newton Central Council, is doing a most excellent work in preventing duplication of Thanksgiving dinners to the worthy poor. Individuals as well as the fraternal organizations should take advantage of this splendid work of the Council.

Mayor Childs has made an admirable appointment in the choice of Dr. Edward Mellus as a member of the Newton Planning Board. Dr. Mellus has plenty of public spirit and will give efficient and valuable service to the city.

REGISTRATION CLOSED

Registration of voters for the municipal election in December closed Wednesday night at City Hall. Very few names were added to the lists during the weeks of registration, although this is not considered an indication that interest in the coming election is slight. It has always been the custom in the city to allow campaigning to go until the last minute, and as the great majority of those eligible to vote in the city are already registered, there was no drive for registration this fall. There are approximately 22,000 names on the voting list. With a total population of more than 53,000, it is estimated that there are about 50,000 eligible to vote in the city and the proportion of that number registered is much higher than in most cities of the same size.

FEAST OF INGATHERING

The Woman's Association of Eliot Church will hold their Annual Feast of Ingathering in Eliot Chapel Tuesday, November 24, at 2:30 p. m. Miss Jessie French, of the Eliot Quartet, will sing two groups of songs. Rev. Charles D. Kenner, Jr., who has recently returned from a four months' trip to Austria, Russia and the Near East, will speak on "The World's Children." Other parts of the program will be of interest. Tea will be served and there will be a social hour. All women are cordially invited.

SUCCESSFUL BAZAAR

A very successful Bazaar was held at Lincoln Hall, Newton Highlands, Friday afternoon and evening, November 13th, under the auspices of the Women's Auxiliary of St. Paul's Episcopal Church. The hall was elaborately decorated with bunting in autumn shades and the national colors. In the center of the hall was the Toy and Doll Booth in orange and yellow, with balloons of the same colors floating from the top. The attendants wore paper costumes in these shades. More than one hundred dolls were sold at this booth, of which Mrs. W. G. Weber was chairman.

A portion of the hall was arranged as a garden with smilax growing over lattice work, and with small tables where supper was served. This was in charge of Mrs. O. C. Mackay and assistants and a variety of articles were sold here.

A most attractive booth and one which brought large returns, was that where embroidered linens and bags were sold. Mrs. Albion Brown was chairman of this table. Other booths were Household, Mrs. James Turnbull, chairman; Fancy Work, Mrs. Hannah White, chairman; White Elephant, Mrs. John Mason; Food, Mrs. C. W. Hawkes, chairman; Candy, Miss Katharine Smith, chairman.

Tea was served on the stage under direction of Mrs. M. P. Hessler. Miss Ethel Douless entertained the youngsters with the Fish pond. Miss Alice Dow was Dolly Varden and sold packages from numerous pockets. The Misses Rosemond and Theodoras Jones entertained with solo dancing in the evening and Mr. Woodward gave monologues. From nine to eleven there was general dancing. Rev. Chas. O. Farrar had charge of the advertising. Mrs. J. E. Waterhouse was general chairman, and Mrs. J. D. Thompson was treasurer.

MANY CANDIDATES

(Continued from Page 1)

with City Clerk Frank M. Grant. The nomination papers which have been filed prior to our going to press are as follows:

Mayor: John C. Brimblecom, Edwin O. Childs, Joseph H. O'Neill.
Aldermen at Large: Ward 1: William E. Earle, Ward 2: Horace W. Walton, Ward 3: William B. Baker, William A. Potter, Ward 4: John H. Gordon, Ward 5: Arthur D. Colby, Walter A. Hodgdon, Daniel R. Wheeldon, Ward 6: Norman F. Pratt, John V. Spaulding, Robert A. Vachon, Ward 7: Benjamin S. Hinckley, Henry K. Rollins.
Ward Aldermen: Ward 1: J. C. Madden, Ward 2: Nelson A. McGrath, Daniel O'Connell, Ward 3: Richard T. Leahy, Ward 4: Harold T. Daugherty, Albert L. Cole, Ward 5: Charles L. Favinger, Elliott T. Hutchinson, Ward 6: George W. Pratt, Ward 7: Fred A. Hawkins.
School Committee: From Ward 3: Mrs. Helen S. Hutchinson, From Ward 6: Joseph F. Lockett.

At present it looks as though there would be an aldermanic fight in every ward except Ward 1, where Aldermen Earle and Madden are unopposed candidates for re-election.

In Ward 2 it is expected that Ex-alderman George Grebenstein, who was defeated by Alderman Horace Walton at the election two years ago, will again be a candidate from the ward. While Mr. Grebenstein's papers were not on file this morning, it is expected that they will be received today. Mr. Nelson A. McGrath will be a candidate to oppose the re-election of Daniel O'Connell as ward alderman.

Ward 3 will choose its alderman at large from two candidates. Mr. William B. Baker, the present alderman from that ward, will be opposed by Mr. William A. Potter.

The retirement of Alderman Crosby in Ward 4 will probably result in a three-cornered fight. Former Librarian Harold T. Daugherty and Albert L. Cole have filed papers and it is rumored that William Noone will also be a candidate.

The real contest is found in Ward 5 due to the withdrawal of Alderman Thomas White and J. Earle Parker. There are five candidates who have filed papers for the two offices. For alderman at large Arthur D. Colby, Walter A. Hodgdon, and Daniel R. Wheeldon are in the running. For ward alderman Charles L. Favinger and Elliott T. Hutchinson will oppose each other.

In Ward 6 George W. Pratt, who at present is the alderman at large from that ward will run as ward alderman, while Norman F. Pratt, the present ward alderman, will run as alderman at large. George W. Pratt is unopposed, while Robt. A. Vachon will contest the election of Norman F. Pratt. It is rumored that John V. Spaulding, who has filed papers for the same office, will not run.

Benjamin S. Hinckley, the present alderman-at-large from Ward 7, will be opposed by Henry K. Rollins. Fred A. Hawkins, who is a candidate for the seat left vacant by the retirement of Alderman Henry Lloyd, may have opposition from J. Edward Callanan, who, it is rumored, will seek election to the city government.

MINISTER INSTALLED

(Continued from Page 1)

which I am proud, and I know that you will agree with me when I say that your new pastor will co-operate with you in all your work. In fact in everything that you undertake both in your home as well as church life.

Religious education is a co-operative enterprise. Together we build the structure and if we only work together we are sure of success. I am sure he will be always willing to see and welcome any one of his parishioners and outsiders as well. This church is growing and we trust it will still continue to grow under his guidance and spiritual training.

The trouble is we do not pay our ministers enough. I know that for I have always been a Universalist and always will be, and I am very much interested in all that pertains to it. And I say now that I do not think we pay high enough salaries. Some of the members are very generous on all occasions, but perhaps are just a little bit careless, mean to be generous but do not come forward at the right moment, forgetting that a minister and his family have to live as well as the rest of the world. We have money to spend for tickets for the theatre and all other pleasures but the church money is always the last. Contributing on Sunday too is always hard for some people. Those that are the hardest to please are the last and poorest pay. They find fault with the church, the minister, the choir and everything else, no one could suit them. They are like the farmer who took his family to church of a Sunday and when he got home found fault with the whole service, everything was wrong, music, choir, minister, etc. If he was running the church it would be different. All would be glorious and his little son spoke up and said, "Dad, don't you think you got all that was coming to you for the nickel you put in the box." It is true they need all and more than they are getting and I trust the time is coming when I can say that they will get a substantial salary—enough, at least, to live and bring up their family on.

I trust that Mr. Hadley will thoroughly enjoy his pastorate and prove to you all that I have told you and I know that he will, and more too. You are indeed fortunate in having this man for pastor and guide.

DIED

TUCKER—In Watertown, November 20, Mary C. Tucker, wife of Charles O. Tucker. Funeral services at late residence, 332 School street on Sunday at 1:30 p. m. Rev. Richard C. Raines officiating.

APPOINTED COLLECTOR

Thomas W. White, state administrator of finance, president of the Newton Board of Aldermen, and a close friend of President Coolidge, was appointed collector of internal revenue at Boston, Monday, to succeed Malcolm T. Nichols, who was recently elected Mayor of Boston. The announcement was made at the White House when the President signed the commission which came to him from the Treasury department. It is understood that the appointment was made upon the recommendation of Senator Butler. Last summer it was rumored that Mr. White might succeed W. W. Lufkin who was recently re-appointed as the collector of the port of Boston and it has been felt that he would at any time be called to some important post in the Coolidge administration at Washington or in the state. The appointment has set at rest many rumors about the city that Mr. White would become a candidate for Mayor of Newton to oppose Edwin O. Childs, who will run for a seventh term. Many in the city had expected that Mr. White would run for that office in spite of his announced decision of a few weeks ago that he would not become a candidate for any city office.

The new collector, who will assume his new duties December 14th, when his term as state administrator of finance ends has long been a close friend of President Coolidge. Frank Stearns and Senator Butler. The President calls him "Uncle Tom" and he has always been a welcome visitor at the White House and has enjoyed several week-end trips on the President's private yacht, the Mayflower. For years Mr. White has been prominent in city and state politics.

Thomas W. White was born in Newton and has always lived here. Educated in the Newton schools and the Massachusetts College of Pharmacy and for many years conducted a drug store in Newton Upper Falls. He has served in the city government, and the state legislature, where he became one of the leaders of the Republican party in the state. In 1914 he was named as a member of the Tripartite Commission of Economy by Gov. Walsh and when that body was abolished and the new Board of Administration and Finance was created he was appointed a member. Last year on the resignation of the chairman, Home Loring, Gov. Cox promoted Mr. White to the chairmanship.

AUTO ACCIDENTS

John Kelly of 46 Cummings road and Thomas Coleman of 57 North street, Newton Centre, both in the employ of the city of Newton, were injured Wednesday afternoon in the Chestnut Hill section when a horse and team ran away with them following a collision with an automobile and crashed into a tree. Kelly and Coleman were thrown from the team to the ground. Both men suffered bruises and cuts about the head and face, and Kelly sustained a fractured wrist. They were taken to the Newton Hospital in the ambulance and were later discharged. They were proceeding along Boylston street, near the Boston Ice Company, when a car owned and operated by John Daley of Portland, Me., started to pass the team. A second automobile, speeded by forcing Daley's car into the team. The horse became frightened and ran the team into a tree.

Monday morning Frank Fanning, 3 years old of Bowdoin street, Newtonville, received a broken collar bone when he ran into the right rear fender of a taxicab, owned by the Garden City Taxi Company, and operated by Arthur J. Beck of Pearl court, Newton. The boy had alighted from a street car at the corner of Washington and Adams streets and ran across the street. He was thrown to the ground but got up and ran into the yard of the Church of Our Lady. Beck went to him and when he complained of his shoulder took him to his home and then to the office of Dr. Clark on Walnut street. Dr. Clark ordered him to the hospital where it was found his collar bone was broken.

Saturday evening a Ford roadster, owned and operated by George E. Gorse of Elliot street, Newton Upper Falls, ran into a tree on Hartford street near Erie avenue, damaging the machine considerably. Gorse turned out to avoid hitting a car which was parked without lights on Hartford street and claimed that the wheels became cramped and he could not straighten them. Peter Shannon of Elliot street, who was riding with Gorse, received a slightly injured knee.

DEATH OF MRS. MOFFATT

Following an illness of about a week Mrs. Marion Harding Moffatt died Wednesday at the Newton Hospital. She was the daughter of Mrs. Annie A. Jenckes J. Harding, now living at 279 Hammond street, and the late Louis B. Harding. Miss Harding was married to Fraser Muir Moffatt, Jr., of Short Hills, N. J., on October 4, 1924, in the Church of the Redeemer, Chestnut Hill, and thereafter she resided at East Orange, N. J. Mrs. Moffatt attended one of Boston's leading private schools, and was a member of the Junior League. Before her marriage she had done considerable social service work under the auspices of the Elizabeth Peabody House. Besides her husband and mother, Mrs. Moffatt is survived by two brothers, Louis B. Harding, Jr., of Chestnut Hill and Lawrence J. Harding of Del Mar, Calif.; and two sisters, Mrs. Stephen W. Carey of Montclair, N. J., and Miss Lucy Harding of Chestnut Hill.

Funeral services are being held this afternoon from the home of her mother.

DEATH OF MR. TYRELL

Mr. Nelson H. Tyrell, a resident of Newton for the past twenty years, passed away last Saturday at his home on Peabody street, after a long illness.

Funeral services were held on Monday with a solemn high mass of requiem at the Church of Our Lady and interment was in Calvary Cemetery, Waltham.

He is survived by his widow and two daughters and one son.

GIRL SCOUTS

Mrs. Frank A. Day, Mrs. C. D. Meserve and Miss Caroline Freeman were delegates to the New England Regional Conference which was held in Boston at the Hotel Brunswick last Friday and Saturday. Among the speakers were Miss Sarah Louise Arnold, national president; Mrs. Arthur C. Choate, national vice-president; Mrs. Jane Deeter Rippon, national director, and Mrs. B. O. Eddy, chairman of the National Educational Committee. Delegates were present from all the New England States and the reports which were given of the work in the different parts of the region were extremely interesting. Miss Edith Comant of the Educational Committee reported that 130 colleges in our country have had Girl Scout training courses and that 80% per cent of the girls so trained do active work in Scouting when they leave college. Miss Martha Willett of the National Camp Committee reported 403 Girl Scout Camps in the United States, a great increase over last year. She explained the Massachusetts system of licensing all directors of Girl Scout camps and also captains who wish to take their Scouts on overnight hikes. Last Friday night at the Newton Centre Clubhouse, Troop XIII gave a banquet to Troop III. It was a most enjoyable affair with a delicious supper and a well planned and carried out program. Scout Ethel DeMille as chairman of Troop XIII presided at the head table. Scout Leona Hartstone was toastmistress and introduced the speakers. Scout Marion Settle gave the welcome to the visitors and Troop III, Scout Nancy Bowman spoke on the Girl Scout motto, "Be prepared." Both Captain Skipwith and Captain Ordway told of the plans and aims of their different Troops for the coming year, and Miss Freeman talked to the girls on "Our Name." It was a most enjoyable evening and a very worthwhile one.

Three Merit Badge courses have been started in Troop XV. The work is being given by Miss Merin Clapp, Miss Fanny Gray is giving the instruction for the Cooking Badge, and Miss Freeman is helping a group of girls who are working for the Pioneer.

GOOD QUEEN HEALTH ENTERTAINMENT

A play written for the children of the Albert Angier School, by Mrs. Wilfred O. White was given Tuesday evening in the school assembly hall. This little play was given two years ago so successfully that it was repeated again this year for The Educational Week Entertainment.

The tremendous applause from the audience showed that the grown ups appreciated the play as much as the children, who saw it the previous afternoon, as it was humorous as well as educational. Pupils from each grade took part. Each little group was given a hearty applause by the enthusiastic audience. Many good-health pointers were brought out skillfully, leaving a lasting impression in the minds of both young and old.

DEATH OF MRS. INGRAHAM

Mrs. Julia Maude Ingraham, widow of Eleazar S. Ingraham, died at her late home, 4 Gay street, Newtonville, on Saturday, November 14, after a long illness. Mrs. Ingraham was in her 76th year. She had been a resident of Newton for about three years.

Funeral services were held on Monday at her late home, Rev. Thomas Van Ness of the Second Unitarian church, of Brookline, officiating. Hymns were rendered by a quartet composed of Miss Rosetta Key, soprano; Elsie Luker, alto; F. S. Mason, tenor and Wm. M. Parks, bass. Burial was at Hodgdon, Maine.

Mrs. Ingraham is survived by a daughter, Miss Mary Ingraham of Newtonville, and a son, Ira S. Ingraham of Rutherford, New Jersey.

W. C. T. U.

The West Newton W. C. T. U. will furnish and serve refreshments at the Boston Baptist Bethel on next Monday evening.

The members of the West Newton W. C. T. U. will help on the Thanksgiving baskets for the Boston Flower Mission on Monday and Tuesday of next week.

Newton Highlands

THE LEAGUE OF WOMEN VOTERS

The League of Women Voters was represented by its president at a recent luncheon devoted to the subject of the World Court. The luncheon was given at the Colonial Club in Cambridge by Mrs. Joseph A. McCord, chairman of the Middlesex County Committee on International Cooperation to Prevent War.

Professor Manley Hudson was the speaker of the day and his audience consisted of representatives from the local Leagues of Middlesex County. Professor Hudson, well known as perhaps the foremost American authority on the Court, spoke with great intimacy presenting the subject from a new angle and stimulating his hearers to more intensive work therefor.

The next meeting of the Newton League will be devoted in part to a discussion of the Court led by the president, Dr. Wilcox, who has written a series of articles on the subject now appearing in widely scattered local newspapers.

Central Church

NEWTONVILLE

9.45 A. M. Regular session of the Church School.

11 A. M. Dr. Ellis will preach.

Newton Upper Falls

—The Woman's Home Missionary Society of the Methodist Church will meet on Monday afternoon at 2.45. Mrs. Clark, Superintendent of the Boston Immigrant Home will be present and tell about the work done at the Home. All ladies cordially invited.

—The Union Thanksgiving Service will be held in the Methodist Episcopal Church on Wednesday evening at 7.30. The Rev. Arnold A. Grant, pastor of the Baptist Church, will preach the sermon. This service should be made a community affair. Help to make it so.

—Last Sunday night at the Methodist Church Mayor Childs gave a fine address to a large congregation on "The Value of Moral Ideals." Next Sunday the morning service will be held at the usual hour, 10.45. Dr. Shaw will preach. The Day will be in observance of Win-Me-Chum Week. The session of the Sunday School will have a touch of pre-Thanksgiving celebration in the opening service. Junior and Epworth League at the usual hour. Evening service will be unique in plan and method. The address will be on the theme, "How Are You Voting?" Musical program and fine service, you are invited to attend.

Newton Centre

—Mr. Demirjian has moved to his new home on Elgin street extension.

—The Villagers will meet Tuesday at the home of Mr. Joseph C. Allen.

—Mr. and Mrs. Ferdinand B. Bingham are rejoicing on the birth of a son.

—Mr. Leslie D. Hawkrige is soon to occupy his new home at 230 Dudley road.

—Mrs. R. L. Gray of Essex road, Chestnut Hill, has closed her house for the winter.

—Mrs. B. F. White of Furber lane is entertaining her sister, Mrs. Mancill from Philadelphia.

—A concert is being arranged at the First Baptist Church for the evening of December 1st.

—Mr. G. F. Walls returned home the first of the week from Moosehead Lake with a deer which he had shot.

—Mr. and Mrs. Howard O. Stearns of Lansley road are receiving congratulations on the birth of a son.

—The new house 877 Commonwealth avenue has been sold to Mr. Edward B. Daily who will occupy.

—George Barley and family of Cypress street have moved to their new home on Eddy street, West Newton.

—Mr. James B. Melcher, formerly with the Newton Centre Trust, paid a visit to Newton Centre the other day.

—Last Friday evening box 921 was rung in for a grass fire on vacant land on Parker street near Parker avenue.

—Mrs. J. H. Ritchie gave a bridge party at her home on Hancock avenue on Mr. Ritchie's birthday, Nov. 7th.

—Mr. Willard C. Vaughan of Morton road has purchased and will occupy the new house at 21 Hazelton road.

—Miss Rhoda Bolinger gave a very pretty party recently at her home on Hobart road to celebrate her fourteenth birthday.

—Miss Eleanor A. Lewis of Centre street, a graduate of Swarthmore college, is enrolled at the Bryant & Stratton school.

—Among the successful deer hunters this week in the Maine woods were Messrs. George F. Wales and R. J. Webb of this place.

—Word has been received that Mr. and Mrs. Hugh Richardson, formerly of Newton Centre, have arrived safely at Jamaica, where they will make their new home.

—"Tad" Graves, son of Dr. R. C. Graves of Elmrose street, is at home with a light case of chicken pox. There are fourteen other cases in his room at the Rice School.

—On December 15 a play will be given in the Parish House of the Unitarian Church for the benefit of the new chorus choir. It is called "Andra." The author is Mrs. Lorenz F. Muther of Newton Centre.

—The Laymen's League of the Unitarian Church were the guests on Nov. 19 of the Channing Chapter of the Newton Church and heard Congressman Robert Luce speak on "What is Going on in Washington." The Newton Centre Chapter plans a large public meeting early in January.

—Miss Gray, daughter of Mr. and Mrs. Edward F. Gray, of Hammond street, Chestnut Hill, will be presented at a tea given by Mrs. Charles Minot on November 24, at her residence on Marlboro street, Boston. Miss Gray has been presented to King George in Buckingham Palace at one of their regular courts held by Their Majesties.

—The Function of the Newspaper in American Life is the subject of an address by James T. Williams, Jr., Editor of the "Boston American," in Trinity Church, Newton Centre, next Sunday evening, November 22nd at 7.15. Mr. Williams was for a number of years, until recently, editor of the Boston Transcript, and for some time before that was Washington Correspondent of the Transcript.

—Next Sunday, Nov. 22, being the Sunday before Thanksgiving, Rev. G. L. Parker of the Newton Centre Unitarian Church will have as the sermon topic, "Gratitude, Is It an Ancient Myth?" It is an important matter to find out whether or not the acceptance of natural law, the advance of science toward making man presumably independent of outside help, formerly called Divine, has taken away all reason for or feeling of gratitude.

—The Hale Union, Young People's Religious Union, of the Unitarian Church will conduct the service at the West Roxbury Home for Veterans this Sunday evening. A large number of young people will make up the choir; Mrs. A. L. Lewis, accompanied by Miss Caroline Lewis will render violin solos. Mr. Parker will give the address. A social hour for the wounded soldiers will close the evening. This is the first of such services to be held in the Home this winter. On Nov. 29 the Hale Union will serve supper for the church in the Parish House at 6.45.

—Mr. Christopher M. Goddard, for many years a former resident of this place, has resigned as secretary of the New England Insurance Exchange to take effect January 1st. Mr. Goddard is recognized as the ablest and most forceful executive among the fire insurance rating organizations in this country, and he is held in the highest regard by company executives and insurance men everywhere. He was born in Claremont, N. H., in 1856, and graduated from Dartmouth College with a bachelor of science degree in the class of 1877. He was an instructor in higher mathematics for a time, but in May, 1890, became an electrical inspector for the New England Insurance Exchange, being made secretary in 1891.

THE SECOND CHURCH, WEST NEWTON

—Miss Hart's and Miss Cutts' classes of the Mason School went by bus last Tuesday morning on a historical trip, visiting the points of interest around Boston and Cambridge.

Waban

—Mr. and Mrs. Philip Bache have moved into their new home at Weston.

—Mrs. Ira Rowe's many friends will be sorry to hear that she was injured recently in a motor accident.

HANGS SELF IN CELL

John P. Murphy, 29, of 84 Bowers street, committed suicide by hanging himself in a cell in the Watertown police station last Friday afternoon. Murphy was arrested about 2.30 on a charge of drunkenness and complaining of being cold was given a blanket. Lt. Burke of the Watertown police talked with him about 3.30 but at 6 o'clock when Chief Millmore visited the cell he found him hanging from the door of the cell. He had torn a strip from the blanket and suspended himself with it.

Murphy, who was a laborer in the Water department of the city of Newton, was unmarried and lived with his mother.

COUNTRY HOME BUILDERS

For over thirty years, members of our organization, have been building COUNTRY HOMES IN THE SUBURBS OF BOSTON, BROOKLINE, THE NEWTONS, WELLESLEY and other towns on the South Shore.

The cut above, is an example of the sample houses we have built, ranging in price from \$5000. to \$10,000.00, being designed to appeal to the average rent payer.

Houses of this type, can be built well and at a cost that will bring the monthly rental, on a 6% basis to \$25 up, and the owner will enjoy the benefits of the appreciation as time goes on.

If you are planning to build in the near future and have any definite ideas about what you would like to have assembled, send them to us and by return mail almost, you will receive special scale drawings of plan and a water color sketch of the exterior and without costing you a cent.

WOMEN'S CLUBS

Edited by EMMA D. COOLIDGE

Our Federation Paper

December 11th is to be a Red Letter Day in the annals of the Newton Federation of Women's Clubs, when we are to have an edition of the Graphic which will record for all time the activities, achievements, and personnel of its various federated clubs. Already enthusiasm runs high among the larger clubs, and plans are under way to feature their past achievements, their present aims and hopes, and their outlook for a wider, more progressive (if possible) future. Not the least of these accounts will be the service and inspiration given by the many unusual women who have given through these past years so much of their thought, endeavor, and high ideals in furthering all betterments, not only to members themselves in educational lines, but for the improvement of and pride in civic affairs, City, State, and even nation-wide. In an idealism that is practical as well as the vision of their wonderful mentalities.

As a memorial to such women, as a milestone in the progress for all that is ennobling and uplifting, and improving, this edition will for all time, and through many parts of our country of which we little dream, stand for a pillar of progress and nobility, that will be in the coming years a source of pride and an incentive.

Many clubs have already appointed their committees in whose charge will be the compiling of the articles, featuring activities, achievements and outstanding personnel, the gathering of news items and the securing of advertising from business men, as well as the arousing of interest among new subscribers to the civic value of their home newspaper.

Mrs. Ellis Spear, Jr., President of the Federation, and Miss Coolidge, your club editor and Press Chairman of the same organization, are to act as editors of this edition, and to them is to be sent the material for editing. As fast as articles are ready they should be sent at once to them, so that after editing, they may be set up in the Graphic office, obviating congestion at the last moment. It is hoped that Presidents, Officers, and Chairmen of the present moment, as well as women whose service has been noteworthy in the past, will contribute records of outstanding events that will be worthwhile as lasting records. All such material should be set up by December 7th, and it is evident, therefore, that all should be in our hands by December first, if possible. The next two weeks should bring to us a heavy mail! As for personnel, these of course, can not be obtained until the week before the edition comes out, but they should be sent in each day, as they are secured, also in the interests of saving hectic confusion at the last moment.

Your editor wants to express her appreciation and heartfelt pleasure in the splendid spirit of co-operation and enthusiasm, and in the kindly friendliness that has been shown her in this undertaking. It has been heartening, indeed, to see manifested the wonderful loyalty of our fine club women, and to receive such warm assurance of friendship and confidence!

Newton Federation

On Monday morning, at 10.15, the Executive Board met at the Newton Club, with Mrs. Ellis Spear, Jr., presiding. In the absence of the Recording Secretary, Mrs. Herbert S. Kimball, Miss Florence Bridgeman, the Corresponding Secretary, was appointed to serve in her stead. The Treasurer, Mrs. Vose, reported the amount in the Treasury, and memory of the last Board Meeting served to show where it would be applied in the year's budget. Reports of standing committees followed. Mrs. J. E. Parker told of the work of the Civics Committee in registering voters who had not yet availed themselves of this duty and privilege, and called attention to the date of closing for this registration. She also invited members interested to attend the meeting of the Civics Committee on the 19th, when Mr. Hermann was to speak on the need of bath houses at Crystal Lake. The President, when Mrs. Parker concluded, gave a wise word as to this need, known possibly to its fullest only to the residents of this district.

The Press Chairman reported on the recent meeting of her Press Committee, and their decision to have the club paper for December 11th. She discussed in full, methods of procedure, plans, and aims. Questions brought out new ideas, and proved the spirit of enthusiasm and co-operation of the clubs through their delegates. It was voted that the funds secured through the efforts of the various clubs in the way of advertisements and subscrip-

tions should be given to the Federation Treasury for the philanthropic and civic needs as a whole, rather than to share pro rata with the clubs. While there has been the question of the incentive to the individual clubs in having some of the proceeds, the fine spirit of city co-operation and desire for helpfulness as a big unit was excellently worded by the Education Chairman, Mrs. Van Patten Steiger, when she stated in discussion that there were few things upon which the clubs could stand united as a Federation, so are they busy in each community with their own problems, and here was a real chance to do a splendid philanthropic piece of work, together and at the same time prove their loyalty to the Federation, in being glad they could aid in adding to their funds.

Mrs. George M. Hayden, Chairman of American Home, reported some of her plans for the coming season, when it is hoped that Mrs. Burnham, and others connected with the State Federation would bring before us their outline of work.

Report on the Health Christmas Seal was postponed until the next Board Meeting.

The Education Chairman reported on the meeting at the Technical High School last week, when Mr. Caverly of the English Department brought an inspiring message on educational matters.

Mrs. Ralph C. Henry, former President of the Federation, was given the pleasure of being the guest of the Community Service Club of West Newton in the Parish House of the Unitarian Church, and the afternoon was quite the most satisfying in its program of appeal to all that is finer and better, and at the same time with a wealth of humor and rich personality that made for a rounded and balanced feast. To see and to hear Mr. Edwin Markham was a joy and treat indeed, and what he gave to us will long remain in memory.

Mrs. Frederick J. Fessenden, President of the Hostess Club, greeted her guests in her usually graceful, poised, and cordial manner. This was only the second time, she quaintly stated, that the Community Service Club had had the honor to entertain the Federation, but this was not from lack of desire, or hospitable spirit, but because of their youth! She said that the club knew of their hopes, however, of their desires, and even of their commands, and would do all that they could to aid in fulfillment of the first, two, and to obey the last. And after today, when as hostess they came into closer relation and understanding, they would aid and obey with even greater alacrity!

Mrs. Ellis Spear, Jr., gave fitting reply, then introduced Mrs. Joseph Congdon, the Federation Director, whom we delighted to honor, and who should indeed be at this meeting. Mrs. Congdon stressed fellowship with the State Federation, saying that the time has passed when we heard the question, "What is the State Federation?", but that we did occasionally hear: "Why the Federation?" or "Why the District Director?" Those club officers who are in touch with the Manual—"that fine little book"—could appreciate the answer to these questions, where possibly other club women could not, and we who knew the purpose of the Federation and of the Director needed to realize that there are clubwomen who possibly do not quite understand the purpose of these. Mrs. Congdon went on to describe how the director brought to her district the news from the parent organization since through the meetings each month of the fifteen district directors, and then they with other officers of the Executive Board, they heard the plans, aims, ambitions, and, through lecturers brought before them, many vital topics of interest and endeavor. Does it not give a thrill to realize, she asked, that you are one of 10,000 clubwomen in your district, of 140,000 in your State, and of 3,000,000 in the General Federation?

Mrs. Spear announced that Mrs. Fessenden had a delightful surprise for us, and Mrs. Fessenden introduced Mr. Homer Barnes, a Music Instructor of Fessenden School, who gave us great pleasure in two selections of Chopin's.

In introducing Mr. Markham, Mrs. Spear humorously said that she had heard that artists, persons, such as poets, did not like women's clubs; that the political speaker liked to appear before them, and the lecturer, but the person of creative genius found us too busy for introspection.

(Continued on Page 11)

that for a time represented the minority, until the others awake!

After all, she told us, conservation, be it in forests, birds, shooting, or otherwise, is just being decent. "Don't throw matches from a moving automobile, to land among leaves and burn over acres of fine estates or needed forests." "Don't have an orgy of cutting trees—leave some for future generations!" "And don't shoot just for the mad excitement of seeing your aim hit!"

A significant statement—and one that every man, woman and child in America should learn by heart and heed—"Human agencies start forest fires!" Burning cigarettes, cigar butts, picnic fires left smoldering, sparks from engines—all are careless human agencies responsible for loss of life and property untold!

Plant a tree! Consider forestry and park systems separately, and think a bit about protecting our song birds—aiding in national legislation that is pending to that end—all were topics she brought forward earnestly and interestingly.

The facts she brought might well be brought again by the individual clubs into their regular meetings. Some of them have not been presented in just this light before, and the new angle showing what is pending before Congress should be immensely interesting to club members.

Newton Federation Open Meeting

On Wednesday afternoon, the 18th, the Newton Federation had the pleasure of being the guest of the Community Service Club of West Newton in the Parish House of the Unitarian Church, and the afternoon was quite the most satisfying in its program of appeal to all that is finer and better, and at the same time with a wealth of humor and rich personality that made for a rounded and balanced feast. To see and to hear Mr. Edwin Markham was a joy and treat indeed, and what he gave to us will long remain in memory.

Mrs. Frederick J. Fessenden, President of the Hostess Club, greeted her guests in her usually graceful, poised, and cordial manner. This was only the second time, she quaintly stated, that the Community Service Club had had the honor to entertain the Federation, but this was not from lack of desire, or hospitable spirit, but because of their youth! She said that the club knew of their hopes, however, of their desires, and even of their commands, and would do all that they could to aid in fulfillment of the first, two, and to obey the last. And after today, when as hostess they came into closer relation and understanding, they would aid and obey with even greater alacrity!

Mrs. Ellis Spear, Jr., gave fitting reply, then introduced Mrs. Joseph Congdon, the Federation Director, whom we delighted to honor, and who should indeed be at this meeting. Mrs. Congdon stressed fellowship with the State Federation, saying that the time has passed when we heard the question, "What is the State Federation?", but that we did occasionally hear: "Why the Federation?" or "Why the District Director?" Those club officers who are in touch with the Manual—"that fine little book"—could appreciate the answer to these questions, where possibly other club women could not, and we who knew the purpose of the Federation and of the Director needed to realize that there are clubwomen who possibly do not quite understand the purpose of these. Mrs. Congdon went on to describe how the director brought to her district the news from the parent organization since through the meetings each month of the fifteen district directors, and then they with other officers of the Executive Board, they heard the plans, aims, ambitions, and, through lecturers brought before them, many vital topics of interest and endeavor. Does it not give a thrill to realize, she asked, that you are one of 10,000 clubwomen in your district, of 140,000 in your State, and of 3,000,000 in the General Federation?

Mrs. Spear announced that Mrs. Fessenden had a delightful surprise for us, and Mrs. Fessenden introduced Mr. Homer Barnes, a Music Instructor of Fessenden School, who gave us great pleasure in two selections of Chopin's.

In introducing Mr. Markham, Mrs. Spear humorously said that she had heard that artists, persons, such as poets, did not like women's clubs; that the political speaker liked to appear before them, and the lecturer, but the person of creative genius found us too busy for introspection.

MORTGAGEE'S SALE

By virtue of the power of sale contained in a certain mortgage given by Wilmer E. Hathaway to Albert H. McAuslan and Merrill C. Nutting, both of Newton, dated April 27, 1925 and recorded with Middlesex Deeds, Book 4847, page 14 for the breach of said mortgage, and for the purpose of foreclosing the same, the same will be sold at public auction on the premises hereinafter described on Tuesday, December 8, 1925 at 2 o'clock in the afternoon, all and singular the premises conveyed in and by said mortgage, to-wit:

The land in Newton Centre, being shown as lot No. 21 on a plan entitled "Plan of land in Newton Centre, Mass." dated April 1925 drawn by E. M. Brooks, C. E., recorded with Book of Plans 352, Part 2 bounded and described as follows:

Northerly by Moreland Ave., 75 feet; Easterly by land of owners unknown, 123.70 feet; Southerly by land of owners unknown, 58 feet;

Westerly by lot No. 22 as shown on said plan, 98.76 feet. Containing according to said plan 7,200 square feet; subject to the restrictions, easements, rights of way, etc., now in force and applicable.

This conveyance is made subject to a first mortgage in the sum of \$9,000. Said premises will be sold subject to the above mentioned mortgage and interest thereon, also the taxes, tax sales, municipal liens, and assessments if any.

Five hundred dollars will be required to be paid in cash at the time and place of the sale and the balance within ten days at Middlesex Registry of Deeds.

ALBERT H. MCAUSLAN,

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the Power of Sale contained in a certain mortgage given by Patrick J. DeBourke to the Merchants Co-operative Bank, dated December 10, 1923 and recorded with Middlesex South District Deeds, Book 4394, page 487 of which mortgage the undersigned is the present holder, for breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at Public Auction at three o'clock P. M., on the second day of December, A. D. 1925, on the premises hereinafter described, all and singular the premises described in said mortgage, to-wit:

The land, with the buildings thereon, situated in that part of Newton, in the County of Middlesex, and Commonwealth of Massachusetts, called Newton Highlands, bounded and described as follows:—Northerly by Floral Street, one hundred feet; Easterly by land now or formerly of the Newton Savings Bank, one hundred fifty feet; Southerly by land formerly of Thomas White, one hundred feet; and Westerly by land now or formerly of John F. Heckman, one hundred fifty feet.

Being the same premises conveyed to Patrick J. DeBourke by the said Patrick J. DeBourke, dated November 15, 1922, recorded with Middlesex South District Deeds, Book 4571, Page 21.

Said premises will be sold subject to any and all unpaid taxes and assessments.

For further particulars inquire of Frank M. Perry, 1940 Old South Building, Boston, \$500.00 will be required to be paid in cash by the purchaser at the time and place of sale. Balance in ten days from day of sale at 12 o'clock noon, at the said office of Frank M. Perry.

MERCHANTS CO-OPERATIVE BANK,
Present holder of said Mortgage.
By Albert H. Duffill, Treasurer,
Boston, November 4th, 1925.

Commonwealth of Massachusetts.

Middlesex, ss. Probate Court.
To the heirs-at-law, next of kin, and all other persons interested in the estate of George W. Cobb.

late of Newton in said County, deceased. WHEREAS, a certain instrument purporting to be the last will and testament—and one codicil—of said deceased have been presented to said Court for Probate by Newton Trust Company who prays that letters of administration with the will annexed may be issued to it without giving a surety on its bond or to some other suitable person, the executrix named in said will having deceased.

You are hereby cited to appear at a Probate Court, to be held at Cambridge in said County of Middlesex, on the twenty-fourth day of November, A. D. 1925, at ten o'clock in the forenoon, to show cause, if any you have, why the same should not be granted.

And said petitioner is hereby directed to give public notice thereof, by publishing this citation once in each week, for three successive weeks, in the Newton Graphic, a newspaper published in Newton, the publication to be one day, at least, before said Court, and by mailing, postpaid, or delivering a copy of this citation to all known persons interested in the estate seven days, at least, before said Court.

Witness, John C. Leggat, Esquire, First Judge of said Court, this second day of November in the year one thousand nine hundred and twenty-five.

LORING P. JORDAN, Register.
Nov. 6-13-20.

Notice is hereby given, that the subscriber has been duly appointed executor of the will of Agnes W. Fuller, late of Newton in the County of Middlesex, deceased, testate, and has taken upon himself that trust by giving bond, and appointing Maud F. Ackerman of Newton, as his agent, as the law directs. All persons having demands upon the estate of said deceased are required to exhibit the same, and all persons indebted to said estate are called upon to make payment to the subscriber.

THE THANKSGIVING CLEARING HOUSE

The Welfare Division of the Newton Central Council will conduct a Thanksgiving Clearing House from November 16 through November 23, 1925.

The purpose of the Thanksgiving Clearing House is to enable givers of Thanksgiving baskets to "pass Thanksgiving around" by checking up their lists of families with each other, and thus avoiding giving several dinners to one family and none to another equally in need.

Any organization or individual planning to give Thanksgiving baskets is invited to use the Thanksgiving Clearing House.

The Clearing House operates very simply. In order to use this service you mail to the Clearing House the names and addresses of the families to whom you expect to give baskets. The Clearing House will report to you by telephone the name of any other organization or individual which has listed the name of one of the families on your list.

When two organizations list the same family, the Thanksgiving Clearing House will merely notify each organization of this fact, leaving it to the organizations involved to confer with each other and decide which one shall give to the family.

The Newton Central Council does not itself supply the names of families, but will, when requested, refer interested groups to organizations who can do so.

The names sent in to the Clearing House will be destroyed after Thanksgiving. No permanent record will be preserved.

Please send in your lists to the Council office as early as possible. All lists should be received by November 23, as it will be practically impossible for organizations to make adjustments in their plans after that time.

The committee in charge consists of Mrs. Irving O. Palmer, Chairman; Miss Florence S. Fitzgerald and Miss Esther M. Walker.

COMMUNITY THEATRE

That no better material for motion pictures exists than in the stirring events that constitute this country's fascinating history is again demonstrated. This time in "The Iron Horse" which centers on the building of the first transcontinental railroad.

The companion picture on the bill is "He's a Prince" starring Raymond Griffith and Mary Brian, a regular riot in which "High" Hat makes the most of the comedy situations.

The change of program on Thursday features John Golden's famous stage success "Thunder Mountain" a drama of the Kentucky Hills bountifully streaked with comedy. "What Fools Men" completes the bill.

"The Freshman" Harold Lloyd's great football comedy, comes to the Community for a four day run commencing Sunday, November 29.

Nov. 4, 1925.

JAMES F. MURPHY,
Superintendent of Forestry Division.
This notice is issued by order of
EDWIN O. CHILDS, Mayor.

YOUNG PEOPLE'S CONFERENCE

Much interest is being shown in the churches of the Norumbega District in the Annual Young People's Conference of November 27 and 28, to be held with Newtonville M. E. Church, Mr. Hayden L. Stright, who is at the head of religious education at the Newtonville Methodist church, and previously Young People's Work in the city of St. Paul, Minnesota, is director. Much credit is also due to Miss Lullona Barker, the Assistant Director.

Horace Preble of Needham, President, will open the Conference on Friday afternoon, following the registration and general get-together at two. The remainder of the afternoon will be taken up with group classes under trained leaders. After a cafeteria supper and social hour, the evening session will be opened by choir music provided by the High School department of Eliot Church, Newton. On Saturday afternoon classwork will be resumed and officers for the ensuing year elected. The evening will be given over to the banquet and a general good time followed by the impressive friendship circle and the closing of the Conference.

Among the leaders are: Mr. Charles S. Seasholes, from the Baptist Church in Watertown; Mrs. Philip C. Landers, director of Young People's Work at the Newton Highlands Congregational Church; and Miss Edith M. Baldwin, who is taking a graduate course at Boston University.

Committee members are as follows: Banquet, Victoria Williams, Chairman, Doris Barton, Margaret Henry; Cafeteria, Martha Waybright, chairman, Dorothy Le Serge, Enid Chamberlain; Registration, Ruth Lockwood, chairman, Leonie Bellamy, Vornor Morris; Publicity, Lincoln Edmonds, Chairman, Olive Crewe, Arnold Nichols.

The Newton Rotary Club heard a most inspiring address last Monday noon at the regular weekly luncheon at the Woodland Golf Club, from Mr. Harry Dodge, secretary of the Fall River Rotary Club and one of the noted Rotarian speakers of the country.

Mr. Dodge directed his talk towards one of the new members of the Club and indicated some of the outstanding features of the Rotary movement. He suggested that a Rotarian ought to look at himself from four angles, from the viewpoint of his employees, from that of his customers, from that of the man from whom he buys his merchandise and from that of his competitors, and if he can win approval from these quarters he is a good Rotarian. He also stressed the points of classification, attendance and service.

Trophies won in the recent golf tournament were awarded to William T. Halliday, the club champion, to J. C. Brimblecom, the runner up, and to George J. Martin, for the consolation.

THANKSGIVING

With the approach of the one holiday of the year that is distinctly New England in origin, altho nationally observed thru long-established custom and presidential proclamation, it is always interesting to recall the origin of the day's observance, and the manner of its celebration by the Colonial fathers and their immediate successors.

In "Fast and Thanksgiving Days of New England," by Love, is given a list of the various observances of days of Thanksgiving in the early days of the colonies, with an account of the steps by which the appointment of an annual day became a regularly established custom.

"Thanksgiving: its origin, celebration, and significance, as related in prose and verse," edited by Schauffler, gives similar material in a somewhat different form.

"Social Life in Old New England," by Crawford, contains several pages of interesting facts regarding Thanksgiving and its traditions.

"Customs and Fashions in Old New England," by Earle, contains a chapter on various holidays, including Thanksgiving, and also a chapter on food and cooking, which gives a hint of the material aspect of Thanksgiving celebrations.

Smith's "Colonial Days and Ways as gathered from family papers" includes a letter from a Revolutionary maiden to her cousin, describing a war-time Thanksgiving with considerable interesting detail.

In fiction too, Thanksgiving has figured largely. Jane Austin's "Sense and Sensibility" has a most interesting chapter describing the supposed details of the first Thanksgiving of the Pilgrims of Plymouth, with the doings of their Indian neighbors who were self-invited guests at the feast.

In Ruth McEnery Stuart's "Aunt Amity's Silver Wedding," there is a short story entitled "Thanksgiving on Cranish Bayou."

Eugene Field's "Little Book of Provable Tales" has a typical Field story, "Ezra's Thanksgiving Out West," full of pathos and humor.

Mary Wilkins has at least two good Thanksgiving stories: "A Tardy Thanksgiving" in her short story collection entitled "A Humble Romance," and "Ann Mary; Her two Thanksgivings" in the collection entitled "Young Lucretia."

John Kendrick Bangs gives us "Farley's Thanksgiving" in his collection, "Booming of Acre Hill."

Eleanor H. Porter has a holiday story of a different type in "Millionaire Mike's Thanksgiving," in her volume "The Tangled Threads."

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the Power of Sale contained in a certain mortgage given by Wilfred E. Bowring to Henry J. Meera, dated September 2, 1924, and recorded with Middlesex South District Deeds, Book 4746, Page 101, which mortgage was duly assigned to the undersigned, for breach of the conditions of said mortgage and for the purpose of foreclosing, I will sell at Public Auction on Saturday, December 5, 1925, at 9:30 o'clock A. M., on the premises hereinafter described, all and singular the premises described in said mortgage, to wit:

"The land in said Newton, being the lot containing 7730 square feet, more or less, shown on a plan entitled 'Subdivision lots 24-30 Converse Estate Development', C. Peters, Engineer, dated March, 1924, as recorded with Middlesex South District Deeds, Book 4746, Page 101, and described as follows: SOUTHEASTLY by Concord Avenue, 62.67 feet;

SOUTHWESTERLY by lot containing 9656 square feet more or less, on said plan 123.8 feet;

NORTHWESTERLY by lot 29 as shown on plan made by A. C. Peters, Engineer, dated August, 1923, recorded with said Deeds, Book 4746, Page 101, and described as follows: SOUTHWESTERLY by lot containing 7730 square feet more or less, as shown on first mentioned plan, 122.8 feet.

Subject to restrictions of record to the same are now in force and applicable. For reference to title see deed from Henry J. O'Meara to be recorded herewith. TERMS OF SALE: \$1000.00 will be required at the time and place of sale to be held in cash by the purchaser, and the balance within ten days thereafter at said registry of Deeds. Other terms to be announced at sale.

WOMEN'S CLUBS

(Continued from Page 8)

because of our busy days, and therefore not responsive. For this reason, she argued, we needed the more the inspiration of the poet's message. Surely our speaker could not complain that we were unresponsive or averse to introspection, for the keen attention of an audience and the instant appreciation of his fine feeling, reading of character and of higher emotions are always as naturally and spontaneously shown he need never complain of his hearers' responsiveness. As for his audience, they had an hour of inspiration, spiritual sustenance, and refreshment that is rare indeed! Mr. Markham's quiet wit, and pretense of self-satisfaction also added immensely to the enjoyment, and was a counterfoil for the intense emotional interest. His personality, too, was vital, and his white hair and bright, large eyes, heightened the spell of his vigor and genius.

Mr. Markham began his remarks with the statement that he had no formal address, but was like the lover who sat down to write his lady-love without knowing what he would say, and when he ended, would not know what he had said!

The New Poetry had caught the attention, the eye of the world, and possibly sometimes the heart, but as it progressed and quoted samples of that new poetry—which he dismissed with the dry remark: "and there's that! It's yours, and you have it, such as it is!"—it was easy to see why he also said that much of the new poetry was not poetry at all, since we found here only the ludicrous, and neither the beautiful, the real, nor the inspirational. It was easy to see why he called it individual, no one following the lead of another, and—alas!—the individualism, in most cases was not of the sort that one would want to see copied.

Poetry, he declared, could be written about anything, from dust to deity, BUT, there must be wonder in it, mystery, beauty, and then you had the poem. (No doubt this explains why the modern poets, while so declaring, have failed in so many instances, for in writing of many of the ludicrous or impossible subjects they have chosen they have neglected to consider that saving mystery and wonder, and what they write of has no beauty.)

It was pleasing to hear him say, too, that without rhyme and meter—which the modern poets decried as an evil—there can be no real lyrics. Shakespeare's immortal words, Tennyson's "Idle Tears" could not have been without these! They could not have had the wonder of music which they had. Certain emotions can not be expressed except in rhyme and meter, and it is to the emotions and to the spirit that true poetry appeals.

Quotations from many modern poets, such as "The Vagabond in the Park" about which he grimly remarked that he didn't write it, he read it, and there it was—"The Mermaid," and one in which "ostentation was just grand," certainly were specimens of what poems could not be when writers set out to ignore rhyme, meter and beauty, not to mention reason!

On the other hand a poem of Carl Sandburg, entitled "Statistics," while written in text, was one that held and gripped in its strength and thought. Poems of his own that Mr. Markham read, with a fire and appreciation of introspection, included the very compelling one to "Child of My Heart," his own son, written when the boy, five years of age, was "the most active on the planet—a two-legged whirlwind," yet had gripped the heart of an understanding, affectionate father: "Poet Lore," containing the principal of poetry; "Lincoln," the masterpiece of genius, in a heart-stirring poem that was chosen from two hundred and fifty submitted to the committee, of which Chief Justice Taft was chairman, and which was read by its author at the dedication of the Lincoln Memorial in Washington to over a hundred thousand listeners and to three million radio hearers; "A Prayer," "The Joy of Morning," whose beauty and inspiration were breathtaking, and several clever quatrains that should be read and enjoyed by all who appreciate the resources of a ready mind and a wit.

His concluding quatrain: "My Toast to the Ladies" was a most effective ending for an address that was both satisfying and humorous.

The social hour that followed, the meeting of the poet, the enjoyment of the array of hospitable refreshments, made a perfect ending to a most perfect afternoon, and Mrs. B. Walter Godsoe, Chairman of Program, and the Hostess Club are to be congratulated upon their achievement in providing such a success for our first open meeting of the year.

Powers, Miss Grace Weston, Mrs. Louis Stoughton Drake, Mrs. William H. Mitchell, and Mrs. Sidney Peterson. The occasion was much enjoyed by the large proportion of club members who were able to be present.

Newton Upper Falls Woman's Club

The Musical Revue presented on Wednesday evening, the 18th, at Emerson School Hall, under the direction of "Jack" Cronin, was an exceptionally fine "show," and played to a full house. The pianists, Gertrude Fontanne and Frank Shannon were the accompanists.

The setting of the revue was "anytime, any place, anywhere." The interlocutor was Thomas E. Lees.

Those who played the parts were: Georgia Shannon, John Lane, Margaret Ryan, Eliza Meera, Adelyn Vara, Luvia Plimton, Sadie McLaughlin, Louise Duke, Margaret Kerrivan, Mary Burns, Marion Shaughnessy, Helen Chilson, Esther Vara, Leonora Bennett, Alfred De George, John McGuinness, Emily Roberts, Margaret De Grasse, Katherine Bowman, Mary Vara, Marie Crowley, Alice Chilson, Florence O'Hara, John Azzaroli, Marion Bridley, Agnes Clara, Vera De Michele, Christine McCauley, Joseph Shields, William Dugan, Henry O'Brien, Francis Murphy, John S. Sullivan, John Pontannay, George Smith, Waldo Hamilton, George Cashman, Richard Walsh, and Arthur Jones, Doris Eyre, Elizabeth Meera, Jas. Frame, James Lacey, Irene Cain, Irene and Florence La Rose, Dorothy Terrio, Frances Warren, Mary and Paul Shannon, Phyllis Gilfoil, Rita Cahill, Mary Cronin.

The Candy Girls were: Alice Crowley, Celia Vara, Mildred Steward, Mary Yates, Margaret Bridley, and Dorothea McCarthy.

The Dramatics Committee: Miss Clementine Vara, chairman, and Mrs. Warren Hoy, Miss Florence Osborne, Miss Linda Nickelson, Mrs. Harry Cook, Miss Adelyn Vara, Miss Ethel Proctor, and Mrs. Doris Eyre. The group of eight little girls from the Bigelow School gave two folk dances and the older girls gave two aesthetic dances. These dancers have been working hard in preparation for this meeting, under the direction of Miss Ruth H. Brown, assisted by Mrs. Margaret Hills.

The awarding of the prizes for the poster competition by Mayor Edwin O. Childs was the number on the program. This competition was open to all pupils of the eighth grades. The prizes were won by two girls from two sides of the hall. The judges, Miss Dorothy S. Emmons, Mrs. Ralph C. Henry, and Mr. Fred H. Daniels, judged them for Legibility, Technique, Interest, and Appeal. The prizes were awarded to Mary Cole, first prize, Alice Guimond, second, in Room 3; to Paul Graves, first, and Virginia McAleer, second, in Room 2; Mary Robinson, Edith Troiani, Kennedy Crane, Ruth Robart, Barbara Fuller, Marie Forgeron, Chester Graves, and Jack Thompson received Honorable Mentions.

Mr. Charles B. Harrington, Conductor of the Orchestra, told of what they had done in the past, and of what they hoped to do in the future. Starting four years ago with thirty pieces, the orchestra has grown to one hundred and fifty pieces at the present time. The pupils have given a reed organ to the school to supplement the orchestra, and have given in all about \$3,000 for music in the last four years. A band is also being formed this year.

Another group of selections by the orchestra completed the first part of the program.

Dr. Paul H. Hanus, for thirty years an outstanding figure of the Educational World, was the speaker. His subject was "On What Does Educational Progress Depend?" There is no subject that the land is more interested in. He defined an educated person as one who understands and appreciates the resources of his own civilization and is able to deal effectively with some of them. He spoke of the narrow program of the elementary and high schools of a generation or so ago which stopped when it had hardly begun. Now it has been enriched and improved. Junior High and Vocational Schools have been started. He read passages on elementary and high schools and closed by reading a quotation on Public Education.

The Folk Dancers were Lena Curtin, Ethel May Jennings, Mary Sanganetti, Anna Sanganetti, Catherine Gunn, Anna Gunn, Alberta Sutherland, and Marion Fraser.

The Aesthetic Dancers were Florence King, Marie Forgeron, Eileen Geary, Helen Harrington, Florence Troiani, and Josephine Curtin.

The ushers were also from the Bigelow School, Eleanor Whitney, Elizabeth Avard, Dorothy Mayne, Muriel Flagg, Natalie Smith, Catherine Lake, Frances Crowley, and Alice Scofield.

Dr. Eugene Smith, Principal of the Deaver Country Day School, spoke to the Waban Woman's Club Monday, the 16th, on "Present Tendencies in Education." He brought out the importance of developing originality and initiative in a child. He told the club members he thought children's studies should be made interesting. For instance in geography they might take an interesting trip, or different

children be made agents of different industries in the various countries, etc. He believes in developing individual skill or talent along the lines in which the individual does the best work or shows the most interest. Tea was served after the lecture.

Newton Upper Falls Woman's Club

The Rev. Frank D. Taylor, pastor of the M. E. Church of Watertown, gave the Newton Upper Falls Woman's Club five excellent definitions of "A Model Man" in his address before the club on November 16th.

Man as an animal, as a fighter, as a producer, as a thinker, and as a servant or man of service, choosing the last as his ideal.

Delicious refreshments were dispensed by the Hospitality Committee, Mrs. Noyes Meera, Chairman, and a pleasant get together hour followed.

Newtonville Woman's Club

Mrs. Harry A. Burnham presided at the meeting held Tuesday afternoon, the 17th, Mrs. W. F. Ferrin, whose rich contralto voice always gives such pleasure to her audiences, rendered three selections, accompanied by Mrs. R. T. Lapham.

Appreciation was expressed of the sale and tea at the home of Mrs. Albert Lyon and of the efforts of the committee. The amount of money realized was \$200, and it will be expended for club china.

Mrs. Maud Huntington Benjamin rendered very impressively "The Enemy" by Clanning Pollock. Money from the Carnegie Peace Fund has been devoted to making the public familiar with this play, such a strong plea does it make for promotion of peace.

Benjamin has a marvelous gift of dramatization and made very vivid the characters of Paula, the woman on whom the war bears most heavily; her father, the high minded German professor; her husband, Carl, the young playwright, whose aim was to produce a play which should show that only hatred is our enemy; Carl's father, the heartless profiteer and Bruce Gordon, the English friend, soul of honor and loyalty. The scene is laid in Vienna and the action follows the early days of the war in its succession of direful events. The writer depicts fairly both the spirit of arrogance, greed and hatred, and the revulsion of the finer type of people against the horrors of war.

The children "The old soldier of to-day will be the real of tomorrow." "Will there always be war? Time is not measured by our little lives. We are all children but will grow up. Over our foolish ways God give us victory. God give us peace!"

Tea was served at the close of the meeting. Mrs. John Byers, Mrs. Horton S. Allen, Mrs. C. C. Briggs and Mrs. W. H. Eaves presided at the table, made beautiful with a large basket of colorful fruit.

Tickets were on sale for the plays to be given next Wednesday, the 25th, and they are anticipated with much interest. Mrs. Derby Brown, who coaches "Columbine in Business," always produces with finish and art. The talents of Mrs. Sholley, coach of "Buying Culture," are well known and she is ably assisted by the casts. The plays will be given in the Parish House of the Methodist church.

The first lesson in Hooked Rug making was given Monday afternoon in the sewing room of the Junior High School with Miss Helen M. Monk as instructor. The enthusiasm shown by the class promises well for the rug industry in the Newtons this winter.

The candy classes are proving very successful. Miss Scrivener is a pleasing and efficient teacher and has already shown many new and interesting methods of candy making. It is hoped that the classes will be still larger in December, and learn to make your own holiday candies. Thursday, December 3-10-17 at 3 P.M. in the Junior High school.

The American Home Committee announce that the club cook books will be on sale at the next meeting, December 1, and wish to suggest that they will make excellent Christmas gifts. Please remember this when making out your lists. The profits will go to the housing fund.

Couing Events

Newton Highlands Shakespeare Club

The 4th and 5th Acts of King Lear will be the subject for the Quiz at the Shakespeare Club for the next meeting on Saturday, November 21st. Miss Alberta Crombie has the Quiz in charge, and the club will meet at the home of Miss Mary Sweeney, 20 Columbus street.

Newton Highlands C. L. S. C.

November 23rd is the date for the next meeting of the Newton Highlands C. L. S. C. at the home of Mrs. Emma C. Hapgood, Miss Marion B. Morse will discuss "Among New Books" as the program for the afternoon.

Auburndale Woman's Club

Branson De Cou will present "Dream Pictures Around the World" for the Guest Night of the Auburndale Woman's Club on November 24th. The meeting is for 8 o'clock in the Auburndale Club. The beauty and charm of the pictures should provide a pleasurable evening, and this coupled with the reception to club officers, and refreshments to follow the program, ought to make a delightful "get acquainted" party. The Art Committee, of which Mrs. George A. Follett is Chairman, is in charge of the evening.

Waban Woman's Club

Dr. Eugene Smith, Principal of the Deaver Country Day School, spoke to the Waban Woman's Club Monday, the 16th, on "Present Tendencies in Education." He brought out the importance of developing originality and initiative in a child. He told the club members he thought children's studies should be made interesting. 94 YEARS OLD

Mrs. Elizabeth Hahn celebrated her 94th birthday last Sunday at her home on Nonantum place, Newton, with a family of six sons, two daughters, two grand daughters and many friends. Mrs. Hahn was born in Germany but has lived in Newton for 71 years and is one of our oldest residents, coming here when Newton was but a small town.

Her sons are William F. and Adolph Hahn, both in business in Newton, Frank, John W., Charles and Rev. Andrew Hahn. Her daughters are the Misses Amelia and Susanna Hahn, and her grand daughters are children of Mr. William F. Hahn. Mrs. Hahn is a member of Channing Unitarian Church.

She is in good health and active in and about the house and retains all her faculties notwithstanding her unusual age.

She is now looking forward to the observance of her 100th birthday.

SUNDAY EVENING SERVICE

A vested choir of thirty-five voices from Needham Heights Methodist Church, James R. Houghton, Director, will provide the music for the evening service, at 7:30, at the Methodist Church in Newton next Sunday. Mr. Houghton, who was for three years baritone soloist with the Harvard Glee Club and for one season soloist with the New York Symphony Orchestra, will sing "God Is Our Refuge," by Ward-Stephens. The choir will sing five anthems as follows:

"Remember Now Thy Creator," by Adams, "Praise Ye The Father," by Gounod, "How Beautiful Are the Feet of Him," by Handel, "O Holy Father," by Palestrina, and "Rejoice in The Lord Alway," by Purcell. Miss Maude Wellington, the choir organist, will be the accompanist. The usual song service under the leadership of Mr. Carl Dodds will open the hour. A brief and timely sermon on "My Creed—What Do You Believe?" will be preached by the pastor.

THE NEWTON GRAPHIC

VOL. LIV.—NO. 12

NEWTON, MASS., FRIDAY, NOVEMBER 27, 1925.

TERMS, \$3.00 A YEAR

MUSICAL TREAT

For several years Rev. and Mrs. Earl E. Harper, of Centenary Methodist Episcopal Church, Auburndale, were engaged by prominent Lyceum and Chautauque systems of the Middle West as concert artists. A natural consequence of their long, varied and successful experience in this field was the establishment of an indoor chautauque in their church.

Now in its fifth year this annual season of first class presentations in the field of music and entertainment has won a steadily increasing support from the community at large. As the support has increased the standards of the programs have been raised and every effort is made from year to year to make this an outstanding season of inspiration and enjoyment.

This year's program opens on Wednesday night, December 2, at 8.15, with a concert by artists thoroughly well known to Boston, New England and the country at large. Miss Anna Eichorn, violinist, former concert-mistress of the MacDowell Club Orchestra has toured America and Europe as violin soloist. Mrs. Marion Harlow Watson has appeared with the New England Conservatory Orchestra and the People's Symphony Orchestra, and almost innumerable times as soloist before Boston concert audiences. Mrs. Clara Lieber Harper, soprano, has sung before audiences at musical and religious gatherings throughout the entire country, and is well known to Newton and Boston musicians. Mr. Harold Schwab is speedily attaining rank as one of the foremost of the younger organists of the city.

Frederick Vining Fisher comes from California, highly recommended by leading entertainment bureaus as a lecturer of sterling worth. His subject Thursday night, Dec. 3, will be "America." The lecture will be illustrated by traveling slides said to be the most beautiful of their type in use by any lecturer.

The Knickerbocker Club has long held rank as the foremost male quartet of Boston and by winning laurels as the best quartet in Boston and then in all New England in two successive Keith-Albee contests have secured a contract to appear at Keith's Theatre for one week in Boston, and then to go to the Hippodrome in New York City to enter into a contest to determine the best male quartet in the United States. This is probably one of the most expensive attractions ever brought to Auburndale, except the presentation of oratorios at Centenary Church when reputed artists have served as soloists.

A Festival Sale, elaborately decorated and impressively arrayed will be held in the Parish House of the Church beginning Wednesday at 7.00 P. M., and continuing through Thursday and Friday afternoons and evenings.

GIRL SCOUTS

"The Making of a Golden Eaglet" a novel and very attractive pantomime will be the entertainment feature of the Girl Scout Rally which is to be held Friday evening, Dec. 4, in the gymnasium of the Newton High School. This is the second annual Rally which has been put on by the Newton Local Council. The first one, about a year ago, proved so successful that it has been decided to have another this year. Many of the parents are unable to attend afternoon rallies and this evening rally is for their especial benefit. All parents and friends of the Girl Scouts are cordially invited. There are no tickets of admission, all those interested will be welcome. Merit Badges which have been earned since the rally last June will be awarded, five year service stripes given out and each of the nineteen troops in the city will take some part in the entertainment. Come and see what the Girl Scouts of Newton are doing, Friday, December 4, at 7.30 P. M.

The test for the Cannery Merit Badge will be given at the Newton High School on Tuesday afternoon, December 1 at 2.30 o'clock by Miss Gray. Miss Shippee and Miss Spencer will give the Laundry test on Thursday afternoon, December 3. Girls passing these tests will receive their badges at the Rally.

Troops I and X (Newtonville) realized the most money from their "Cookie Day" clearing \$198. Five hundred dozen cookies were ordered from the Scouts before Cookie Day arrived and besides filling all these orders the girls made and sold cookies all day at their headquarters in Newtonville Square. This is the largest amount ever realized by any Newton Troop for cookies and it shows what can be done by a large group of enthusiastic girls.

GIRLS CITY CLUB

Mrs. Horace Frazer, Mrs. Charles M. Hammond, Mrs. William A. Copeland, Mrs. J. Mott Hallowell of Chestnut Hill, Mrs. Charles Collins of Newton Centre and Mrs. J. Arthur Moir of Waban are assisting in the program at the Copley Theatre, Boston, on December 9th, for the benefit of the Girls City Club of Boston.

Day and Friday afternoons and evenings.

Dinners will be served in the Ladies' Parlor Thursday and Friday evenings from 5.00-7.00 o'clock. Lunches are served at all hours.

The first use of proceeds from these chautauques is to pay the expenses, which are very heavy. All profits are then invested directly in the community service program of the church.

BROOKLINE WINS

Yesterday morning on the Brookline Athletic Field Brookline High School conquered Newton High, 6-0, before a crowd of about 5,000. It was the biggest football upset of the season in scholastic circles and it is the first victory for a Brookline team since 1916. Newton High, had it won as it was conceded to by about three touchdowns, would have finished in second place in the Suburban league, but the defeat throws the orange and black into a tie with Medford for the runner-up position. Everitt, by virtue of its 9-0 tie with Cambridge Latin is the 1925 champion.

Newton High outtrushed and outplayed the Wealthy-Towners in the first half, but a fumble lack of time in the shadow of the goal line ruined its chances. Brookline, playing conservative football and resorting to a kicking game, waited for the break which came in the closing period of the game and resulted in its score. The local team had the ball within the five-yard mark only to fumble in the second period, and again with the ball on the 2-yard line the half ended.

Gentle was the star of the home team, although he was ably supported by Captain Meegan in the backfield. Gentle's kicking was of a high grade and when the wind was at his back he got some beautiful punts. Billy Proctor was the most consistent ground gainer for the Newton team and had Gilligan not injured his ankle in the first period, the result might have been different.

The Game

First Period—Brookline kicked off to Newton's 35-yard line and Holbrook ran it back to the 40-yard stripe. After one play Holbrook kicked to Brookline's 20-yard line. Brookline fumbled, but recovered on the first play and then Gentle kicked to Newton's 42-yard line, and the Brookline ends nailed Gilligan in his tracks. Another exchange of kicks sent the ball over Newton's goal line and the local eleven put the ball in play on the 20-yard line. A rush by Proctor and a forward from Holbrook to Gilligan netted a first down. Two plays and Coach Hines' team obtained the ball on the 47-yard line on a punt. Brookline made 9 yards on an off tackle play, but the next play failed as a first down by inches. On the next play Brookline fumbled and Newton recovered. Gilligan attempted a field goal from the 35-yard line which was perfect for distance, but passed just to the left of the uprights. A few plays later and Gilligan hurt his ankle when he was doubled under him when he was tackled. He continued in the game, but was not able to do himself justice from then on. The first quarter ended a few plays later with the ball in Newton's possession on the 31-yard line.

Second Quarter Billy Proctor made 3 yards for a first down. Holbrook gained a yard and then Billy Proctor took the ball five consecutive times for a total of 20 yards to the 5-yard line. It was then that Proctor fumbled and Brookline recovered, staving off a Newton touchdown. Gentle kicked out of danger. As the period neared its end Newton carried the ball to the 2-yard line only to have time called.

Third Period—Brookline kicked off to Holbrook on his 30-yard line and he ran it back to the 38-yard line. Holbrook kicked to Brookline's 20-yard stripe. Here Brookline went to work and advanced the ball to Newton's 17-yard line by means of an end run for 17 yards and a screened forward pass for 18 yards. Gentle attempted a field goal from his 47-yard line which failed by inches. A few plays later Meegan caught one of Holbrook's punts on his 30-yard line and made a beautiful run to Newton's 20-yard line. A screened pass put the ball on Newton's 10-yard line, but Brookline fumbled and Newton recovered. Holbrook kicked out of danger. Brookline returned the kick a few plays later and it was Newton's ball on its 38-yard line. A lateral pass from Proctor to Holbrook to Lyons netted a first down. Holbrook kicked to Brookline's goal line and before the ball could be put in play on the 20-yard line the period ended.

Fourth Period—Brookline kicked to Gilligan on his 40-yard line. He ran it back seven yards and but for his lame ankle might have gained considerable more distance. Near the middle of the period Gentle took the ball on a forward pass and got by the entire Newton team except Gilligan. It was an easy matter to get by Gilligan, who could not get quite near enough to tackle him because of his ankle. Billy Proctor, however, managed to trip Gentle on the 10-yard line and another Newton player stopped him on the 3-yard line. The orange and black line held for two plays and the ball was six inches from the goal line on the fourth down. The two lines came together, but Meegan slipped around the edge of the pile and scored. Gentle failed to kick the goal. Later Brookline brought the ball down to Newton's 5-yard line, where the game ended. Brookline 6, Newton 0.

BLUE TRIANGLE

Monday evening, November 23rd, twenty-seven members of the Blue Triangle Club and their friends enjoyed the club's first theatre party this year. After a Chinese dinner, "The Student Prince" was seen at the Shubert Theatre. We hope, after the first of the year, to be able to have another one of these parties. Tuesday evening, November 24th, ten girls from the club did some fine service work by spending their time at the Newton Welfare Bureau packing bags of "goodies" for Thanksgiving.

"Let us never forget that an act of kindness is of itself an act of happiness."

Next Monday, the 30th, the club will hold its monthly business meeting. Friday, November 27th, the High School Girl Reserves will entertain several children from the Pomroy Home at a Thanksgiving Party.

On Saturday, December 5th, the High School Girl Reserves and the Junior Girl Reserves are going to have a food sale. The time and place of this sale will be announced later.

Tuesday, the 24th, the Junior Girl Reserves spent a very pleasant afternoon in going through the Page and Shaw candy factory.

erable more distance. Near the middle of the period Gentle took the ball on a forward pass and got by the entire Newton team except Gilligan. ABOUT TOWN

Plans have been prepared for an attractive two-story building to be located on the site of the former S. P. May property on Centre street near Jefferson street. Stores will be on the first floor and offices on the second. The building will be erected for the United States Signal Company.

New granolithic sidewalks have been laid at the corners of Centre and Cabot streets. There is a decided slope at these two corners and the very smooth surface of the new walks will cause many persons to lose their equilibrium when winter comes and the walks will be covered with snow and ice. It would have been better had these two inclined corners been roughened somewhat to afford better footing. A granolithic walk is not the safest place on which to land suddenly when one's feet slip out from under.

Since last spring, Mr. Victor M. Cutter has had a number of landscape gardeners improving the former Prescott estate on Centre street, which he bought. The property today is one of the most attractive in the city.

The many friends of Dr. Arthur Hudson will be pleased to learn that he is recovering from his recent severe illness. The doctor has been actively engaged in his profession in Newton for over half a century and has rendered perhaps more service to the people of Newton and vicinity than any man in the community. He has given freely of his knowledge and time to the poor and for many years has rendered valuable services to the city of Newton for a salary utterly inadequate for the work he has performed.

Dr. Hudson is a great lover of dogs and has a fund of anecdotes regarding some of his canine friends. Years ago, a resident of Chapel street, Nantuxum, owned a large dog which was brought to the doctor one day to be treated for a severe cut. This dog, a very intelligent animal, was brought several times to the doctor for further treatment. Dr. Hudson giving his services gratis. Some weeks later he was greatly surprised to receive a visit from this animal one day. The surprise was occasioned not because that his former dumb patient should come to see him, but because he brought with him another dog with a badly bruised paw. You can't convince Dr. Hudson that dogs don't think.

It would seem that for the \$15 or \$20 it would cost, the city could afford to (Continued on Page 4)

BOY SCOUTS

The Seascout crew, Troop No. 13, spent a very enjoyable and profitable week-end at the camp of the Skipper, Mr. Robert Gilmore, which is located on Bartlett's island near Marshfield Hills. The location of the camp is very interesting, being on North river in sight of the Third Cliff Naval Compass Station, at low tide it is not an island so the residents are obliged to swim, row or wait low tide to get to the mainland. Six Seascouts, Skipper Gilmore, Mate Palamontain and Portmaster Brown made up the party, which arrived at the camp late Saturday afternoon. Saturday evening was spent in instruction regarding oars, knot work, anchors with entertainment furnished later by Portmaster Brown's portable radio. Sunday the first "Cruise" for the crew was done in the Skipper's boat. Steward Dinsmore did the heavy job of getting the meals which were reported to be very good. After dinner the crew took the boat out of the water and spent some time in practicing signalling. The party left camp at 5.30 and arrived at West Newton about 7.00 P. M.

Scouts and their parents should be planning to get to the Scout Gettogether at the Parish House of St. Johns Church, Newtonville, Friday evening, Dec. 4th. The Church is located at the corner of Otis street and Lowell avenue, just north of Claffin Field. The Eagle Scout Badge is to be presented to Scout Arnold Nichols of Troop 1, Newtonville. There will be moving pictures of our own Scouts in action and singing, also some Scout demonstrations.

Waltham's Boy Scout Council, reorganized, starts off with brilliant prospects this week. An interesting meeting was held Wednesday evening with President James J. Storow, Director of Church Relations Roy O. Wyland of New York and other prominent men in attendance. Mr. Storow presented the Council with its new charter and made an inspiring address on Scouting. Mr. Wyland talked on "Scouting and the Community." The speaking was followed, and preceded by moving pictures of scouting activities. The new officers are Shirley H. Eldridge, president; John J. Leary, commissioner, and H. B. Holbrook, Scout Executive. Mr. Holbrook comes from Washington, D. C., to Waltham, having been Assistant Executive before his appointment as Executive at Waltham.

The Swimming Meet at the Y. M. C. A. is tonight, Friday evening. Much interest is evident among the Scouts and a hard struggle is in prospect. It seems probable that another meet will have to be arranged for later to take the hang-overs.

ROTARY CLUB

The members of the Newton Rotary Club heard a most inspiring and eloquent address at the weekly luncheon held Monday at the Woodland Golf Club. It was given by Dr. Thomas E. Green of the American Red Cross.

Dr. Green traced the beginnings of the World War to the fierce competition of the end of the last century where material success was the standard. He told how the religious, educational, moral and military leaders had said in 1911 the world was impossible and how all the evidence on which they had relied had smashed to pieces when war actually took place. Since the war he told how the emphasis which had formerly been placed on material success had now changed to the idea of service and praised the Rotary Clubs for having this ideal as its basic principle.

Dr. Green, author, editor, world traveler and lecturer, has, since 1917, devoted his entire time, except for occasional Chautauque lecture courses, to the Red Cross. He has presented its world-wide activities before many large audiences in every State. This service came naturally to Dr. Green, for in 1919-11 he journeyed around the world in the interest of international peace, was delegate at large to the fourth American peace conference, 1913, was lecturer for the Carnegie Endowment for International Peace, 1915-16, and lecturer for the Army Y. M. C. A. early in 1917.

During the last months of America's participation in the World War he directed the speakers' bureau in the U. S. Treasury Department in behalf of the Victory Liberty loan, and after the war was a member of the European Relief Council. Dr. Green has been decorated for distinguished service by many foreign governments, and was recently elected a chevalier in France's Legion of Honor. He has also been decorated by that country with the Medal of Honor.

Dr. Green was, at one time, rector of St. Andrew's Church, Chicago, and later of Grace Church, Cedar Rapids, Iowa. In 1898, he was elected Protestant Episcopal bishop of Iowa, but declined the honor. He has been on the lecture platform since 1903, is prominent in Masonry and in patriotic organizations, was chaplain of the 1st Iowa Infantry, National Guard, during the Spanish-American war, and president of the Illinois Society, War of 1812. Dr. Green was also associate editor of Hampton's Magazine, New York, and is a contributor to many other magazines.

Dr. Green is also Chaplain General for the United States of the Society of the Sons of the Revolution.

OPEN FOR INSPECTION 1563 BEACON STREET, WABAN

Just completed, and open for inspection for the first time, a brick veneer Colonial residence of 8 rooms and 3 baths. Built among beautiful shade trees, on a large lot of land with a wonderful view, this house has all the features the most exacting person could desire in a home. Its spacious open porch at one end and sunparlor at the other give dignity to the exterior, while the interior has been arranged with a view to comfort as well as beauty. The large living room with massive fireplace, the master bedroom with private bath and dressing room, the soft ivory finish, well-chosen wall paper and carefully placed lights will appeal to every home lover, while the solid construction and high grade workmanship throughout will satisfy the man who knows values. A special feature is a heated garage under both sunparlor and open porch. If you are looking for a home in the Newtons, we would be glad to have you see this one. Open Sunday.

THE WEEK IN NEWTON SPORTS

Edited by WARREN K. BRIMBLECOM

BASKET BALL

The Basket Ball schedule of the Eastern Division of the Y. M. C. A. league of Massachusetts and Rhode Island has been announced with Newton "Y" playing sixteen games, eight at home, and eight away. The local "Y" is holding regular practice on Monday evenings at 8.15 P. M. Extra practice periods, in preparation for the league opening will be held Friday evening, November 27th, and Wednesday, December 2nd.

Newton's Schedule

First Half
Dec. 5, Newton vs. Cambridge at Cambridge.
Dec. 9, Newton vs. Brockton at Newton.
Dec. 16, Newton vs. Somerville at Newton.

Second Half
Dec. 26, Newton vs. Everett at Everett.
Jan. 6, Newton vs. Quincy at Newton.
Jan. 16, Newton vs. Worcester at Worcester.

Jan. 20, Newton vs. Lynn at Newton.
Jan. 27, Newton vs. Boston at Newton.
Second Half
Feb. 3, Newton vs. Quincy at Quincy.
Feb. 13, Newton vs. Brockton at Brockton.

Feb. 20, Newton vs. Lynn at Lynn.
Feb. 22, Newton vs. Cambridge at Newton.
Feb. 27, Newton vs. Somerville at Somerville.

March 3, Newton vs. Boston at Boston.
March 10, Newton vs. Everett at Newton.
March 14, Newton vs. Worcester at Worcester.

SUCCESSFUL SEASON

The Allen-Chalmers school of West Newton completed its most successful season on the gridiron since 1919 recently when it defeated the Pinkerton Academy team of Derry, N. H., 35-0. The eleven this year, captained by James Holland won four of its five games, being defeated by Middlesex Academy of Concord. The local private school, however, defeated its two greatest rivals, Pinkerton Academy and Dummer Academy by substantial scores. Concord High and Moses Brown School of Providence went down in defeat in earlier games.

The Allen School, originally known as the Model School and later as the West Newton English and Classical school has played football almost continuously since 1877, the year in which Ex-Gov. Eben S. Draper, Gen. Charles A. Hartwell, and Winslow Eddy were members of the team. The first contest was a rival school won by a small score by Allen school over Cambridge Latin. There is in the office of Dr. Chalmers, the present headmaster, a photograph of that team.

Most of the members of this year's squad are from Massachusetts. James Holland, Alfred Geldert, Herbert Chalmers, Jack Elliott, Frank Driscoll, Joseph Conway, Frank Holland, James McDade, James Jackson, W. Budd Hunter, Jr., Lawrence Washburn, Michael Followay, Milton Elliott, and Manager William Taylor live in this state. Arthur Lintott, James Nute, and William Wallace reside in New Hampshire, and Roland Waldron and assistant manager John Griffith come from New York. Thomas Ryer is the only player on the squad who lives in New Jersey.

The record of the school football team follows:
Allen-Chalmers 7 Concord High 0
Allen-Chalmers 13 Moses Brown 9
Allen-Chalmers 7 Middlesex 20
Allen-Chalmers 19 Dummer Acad. 0
Allen-Chalmers 35 Pinkerton Acad. 0

The team was coached by Lieut. Donald Chalmers, son of the headmaster, until shortly before the Dummer game when an attack of appendicitis necessitated his removal to the hospital. Philip Chalmers, his brother, then assumed charge of the team and directed it during its two objective games.

EIGHTH STRAIGHT VICTORY

Last Sunday afternoon, November 22nd, at Cabot Park, Newton, the Newton Pals annexed their eighth straight victory of the season defeating the Trojans of South Boston by a score of 12 to 0. Both teams were evenly matched and the game was hard fought and cleanly-played throughout.

A lucky break gave the Pals their first score early in the third period. Aulcort got off a beautiful punt from midfield which was muffed by the Trojan quarterback on his own 5 yd. line. The ball rolled across the goal-line where Joe Morse, Pals' signal barker, fell on it. The point after touchdown was missed. The Pals scored again in the final period when McArde, Pals' left-tackle, broke through and blocked a punt then scooped up the loose ball and dashed 8 yards for the final score. The point after touchdown was missed.

The Pals forward line from end to end, playing a smashing game and all attempts by the Trojan backs to pierce it proved futile. The defensive work of the Pals line may well be realized from the fact that but two first downs were hung by the Trojans during the game. Campbell, McLean, Aulcort, Geagan, Murphy and Morse played a great game for the Pals while Martin and McLaughlin starred for the losers.

COUNTRY DAY WINS MEET

A second leg on the Rivers cup was won by Country Day School last Friday in the third annual football tournament held at the Rivers School field in Brookline. The local private school scored a total of 76 points in the five events. A large crowd of spectators were on hand to witness the meet which brought out a great deal of first class talent.

The events including punting, goal kicking, 50-yard dash with pickup of ball, centre passing, and forward passing. Four classes, according to height, age and weight, were run off and while Roxbury Latin led the field by a considerable margin in the A.

B. and D classes the Country Day School team piled up enough points in the C class to win out.

HUNNEWELL CLUB

Mr. Nathan P. Cutler, Jr., won the turkey last Saturday night bowling Boston pins, with a total of 146.

Messrs. L. D. G. Bentley, Daniel Smith and Dr. L. H. Naylor are in charge of the entertainment to be given on Dec. 8th.

Y. M. C. A.

Two more events, the 100 yard dash and the standing hop, step, and jump, of the 1000 Point Athletic Contest, have been run off in the senior gymnasium class. The following are the results:

100 yard dash: P. Hardy, 12 1/5 seconds; S. Crowe, 13 seconds; A. Kohler, 13 1/5 seconds; L. Mood, 13 1/5 seconds; A. Winterhalter, 13 2/5 seconds; H. Wear, 13 2/5 seconds; T. Finnegan, 13 2/5 seconds; H. Firth, 13 3/5 seconds; H. MacNeill, 13 3/5 seconds; H. Batton, 13 4/5 seconds; A. Rottler, 13 4/5 seconds; W. Morton, 13 4/5 seconds; E. Brancum, 13 4/5 seconds; C. Burgess, 13 4/5 seconds; P. Feeney, 14 seconds; W. Hammond, 14 1/5 seconds; P. Reardon, 14 1/5 seconds; E. Swan, 14 1/5 seconds; T. Mullen, 14 1/5 seconds; E. Grip, 14 2/5 seconds; F. Christensen, 14 2/5 seconds; J. Fitzgerald, 14 2/5 seconds; G. Anderson, 14 3/5 seconds; L. Berry, 15 seconds; R. Gardner, 15 2/5 seconds.

Standing hop, step and jump: M. Edgar, 25 ft., 9 1/2 in.; A. Kohler, 24 ft., 11 in.; A. Winterhalter, 24 ft., 5 1/2 in.; H. Battin, 23 ft., 11 in.; H. Wear, 22 ft., 6 in.; C. Burgess, 22 ft., 6 in.; H. Firth, 22 ft., 4 1/2 in.; T. Finnegan, 22 ft., 4 1/2 in.; T. Mullen, 22 ft., 4 in.; F. Feeney, 22 ft., 3 1/2 in.; E. Grip, 21 ft., 11 1/2 in.; L. Mood, 20 ft., 11 1/2 in.; R. Gardner, 17 ft., 7 in.

SPORT NOTES

Carson Stanwood, the line coach of the high school team, deserves a lot of credit for the development of the line into one of the strongest in scholastic circles. The injury to Harold Carter, a late game last year left a big hole to fill at the guard position. The first few games showed up Newton's line as weak but as the season rolled around and the important games were at hand the line improved wonderfully well.

Clem Coady is expected to hold down a defense position on the Harvard varsity hockey team this winter. The big Newton boy will not be able to report for practice for at least three weeks due to the leg injury he aggravated in the Yale game Saturday.

Interest in basketball at the Y. M. C. A. is awakening. About twenty candidates are trying out for the first and second teams which will represent the local association in the two-state league. Associations from Massachusetts and Rhode Island are entered into the league which is divided into sections. The champions of the different sections will meet in the spring to determine the winner. Newton is in the eastern section which includes Boston, Worcester, Brockton, Quincy, Cambridge, Somerville, Lynn, and Everett.

With the first ice hockey game yesterday sport fans are reminded that Winter is at hand. The local high school team should have an excellent season with its entire forward line and several of its defense men left from last year's squad. Captain Guy Holbrook and his mates are hoping to end the season on top of the interscholastic league.

The curtain has rung down on interscholastic football for 1925 with the exception of post-season games and fans are awaiting with interest the selection of inter-scholastic teams. Newton should be well represented this year with such able players as Capt. Gilligan, Holbrook, Billy Proctor, Littlefield, McCullough and Andrew in its lineup.

Walter McQuiston was one of the 25 Dartmouth freshmen who were awarded class numerals in freshman football by the Dartmouth Athletic Association last week.

"Jake" Stafford has decided to return to Harvard for another year. The injuries he received in the Brown game did not heal in time for the Newton boy to get in against Yale. Next year, unless injuries lay him up again, Stafford should have things pretty much his own way at the quarterback job for the Crimson, as the other varsity signal callers on this year's squad all graduate except the fourth string quarter, Hamlin.

Clem Coady was taken out of the Yale game in the last period Saturday. When he came off the field he was limping due to an aggravated leg injury. He was not taken out on this account, but because he played himself out stopping the Yale carriers from crossing the Crimson goal line in the first three periods.

With Clem and Stafford in the varsity lineup for 1926 Newton will be well represented another year at the Cambridge college. Ned Dewing, a guard, will be another local lad who will be fighting for a first string berth.

Mike Gullian played with the Providence Steamrollers Sunday in a game which the Rhode Island team won 20-7 over the Frankford Yellowjackets.

If Jake Stafford could have played against the Yale Bulldogs Saturday he might have produced a Harvard touchdown out of a Yale headguard. The peppery Newton quarterback is quite adept as a magician.

Miss Louise Fessenden and Miss Claire Garrison who are teammates on the All-Boston Field Hockey eleven have been selected to try out for the

All-American eleven. Miss Fessenden was an All-American choice last year and will undoubtedly repeat again. Miss Garrison is also an excellent player and is expected to gain All-American honors.

The DeWitt Clinton Hebbard School football team was defeated last Friday by Concord High, 46-7. Bogg, the flashy fullback of the local private school made the longest run of the day in the second period when he got away for a 70 yard run and touchdown.

John Bernardi of the Bellevue Golf Club of Melrose has been engaged as professional golf instructor at the Charles River Country Club to take the place of John Keenan, who recently resigned.

The girls' field hockey championship will be played off between the junior and sophomore teams. The juniors took the seniors into camp Monday and the sophomores vanquished the freshmen. "K" Sprague was chosen captain of the 1925 team. Betty Pratt captain of the 1928, Betty Richardson captain of the 1927 and Bobby Kenderdine captain of the 1926 team.

Y. M. C. A.

On Thanksgiving morning the "Y" boys continued their usual custom of Hare and Hound race. On their return they indulged in a swim in the pool at 11 o'clock.

Saturday, November 28, is guest day for the boys' division. Any boy member may invite a chum to visit the "Y" and enjoy all the privileges of a regular member for that day. This includes use of the gym, showers, swimming pool, game room and library. The monthly dinner is also served on this day at noon.

Visiting Day for the boys' parents is Sunday, November 29. They are invited to visit the "Y" and see for themselves the place where their boys visit several times a week.

Clubs are starting in real earnest. The Friendly Indians include boys of 10 or 11 years old. The Pioneers are boys of 12, 13 and 14 years and those 15 years and over are in the Comrades. These clubs are intended to carry out the fourfold purpose of the Y. M. C. A. in the Christian citizenship training program to develop their mental, physical, spiritual and social natures.

In their gymnasium activities there are several teams in a hot contest. Cornell team, headed by Bill Perry, consisting of 26 members are working against Dartmouth team of 24 members, headed by Black. Five points are awarded the winner of each event on the gym floor, three points for the second winner of each event and one point for the third. Five points for the best attendance in each team, 10 points for a new member and five points for bringing an active member to the gym. Cornell has 69 points to their credit while Dartmouth has 138.

The boys from Watertown and Waltham are headed by Capt. Andy Kaster of the Pirates whose thirteen members have gained 298 points to date, while the Senators headed by Capt. Simmons with thirteen members have 215 points.

A \$18 DRINK

James D. Dolan of Charlestown is a longshoreman by occupation. James and a companion landed in Newton shortly after midnight Monday heavily loaded but they had had room for more cargo and entered the Waldorf Lunch. The stuff James had stowed away had caused him to become ugly rather than happy, for after entering the lunch room he howled a sugar-bowl at Leslie Covey, a counter-man. The missile struck Covey in the face and its contents were spilled over a variety of food on the counter including some that sugar is not supposed to be served on.

Unfortunately for Dolan, Officer Goddard happened to be in the lunch-room and he seized the strenuous stevedore. James displayed more pugnacity when Station 3 was reached by breaking in the window of the door. In court Tuesday Dolan paid \$10 for being drunk, \$25 for assault and battery on Covey, \$6 for the damage he caused to the lunch-room and \$7 for a new window for the door of the police station.

CENTRAL CLUB

At the next regular meeting on Monday, December 14th, which has been set apart as the annual Boys' Night, all boys of twelve to eighteen years of age in Central Church, Sunday School and community are to be invited with their fathers. A dinner is to be served at 6.30 o'clock, after which a program of interest to boys will be presented.

The Mitchell Show committee met Monday evening with Mr. and Mrs. Monroe, who are to act as coaches, and mapped out a general outline of the show to be given in Players Hall in February for the benefit of the Memorial Organ fund. The first rehearsal of the chorus is called for Friday evening, December 4th. Publicity is being prepared under the direction of Ernest L. Nichols, chairman.

THE GARAGE PROBLEM

Is your garage all fixed up snug and warm for winter. Can you feel sure that you won't go out some morning when the mercury hovers around zero and find your car frozen up—perhaps the radiator burst—making it impossible to start at your usual time for business?

If not, why don't you get a few sheets of Gypsolite Board (it comes in thicknesses 4 feet wide by 6, 7, 8, or 10 feet long.)

You can do this work yourself; all you need is a hammer and nails and a saw, for it's easily cut and fitted into place. Then your garage being double walled, is warm; no wind can get in and it is absolutely fireproof.

We carry this Gypsolite Board to sell at 4c per square foot. Give us a ring and our representative will gladly call with samples and tell you how much you need. J. J. COPPINGER, 74 Needham street, Newton Highlands, Mass., Tel. Centre Newton 2245. Advertisement

MORTGAGEE'S SALE

By virtue of the power of sale contained in a certain mortgage given by Wilmot E. Hathaway to Albert H. McAuslan and Merrill C. Nutting, both of Newton, dated April 27, 1925 and recorded with Middlesex County, Book 1847, page 14 for the breach of said mortgage, and for the purpose of foreclosing the same will be sold at public auction on the premises hereinafter described on Tuesday, December 8, 1925 at 2 o'clock in the afternoon, all and singular the premises conveyed in and by said mortgage, to wit:

The land in Newton Centre, being shown as lot No. 21 on a plan entitled "Plan of land in Newton Centre, Mass." dated April 27, 1925 drawn by E. M. Brooks, C. E., recorded Book of Plans 353, Plan 25 bounded and described as follows:

Northerly by Moreland Ave., 75 feet;
Easterly by land of owners unknown 123.75 feet;

Southerly by land of owners unknown 58 feet;
Westerly by lot No. 22 as shown on said plan, 98.75 feet.

Containing according to said plan 7,200 square feet, subject to the existing, easements, rights of way, etc., now in force and applicable.

This conveyance is made subject to the first mortgage in the sum of \$9,000. Said premises will be sold subject to the above mentioned mortgage and interest thereon, also the taxes, tax sales, municipal liens, and assessments if any.

Five hundred dollars will be required to be paid in cash at the time and place of the sale and the balance within ten days at Middlesex Registry of Deeds, or the premises hereinafter described, all and singular the premises described in said mortgage, to wit:

To wit:
"The land in said Newton, being the lot containing 730 square feet, more or less, as shown on a plan entitled "Subdivision of lots 28-30 Converse Estate Development," A. C. Peters, Engineer, dated March 1924, duly recorded with Middlesex South District Deeds, bounded and described as follows:

SOUTHEASTERLY by Concolor Avenue, 62.67 feet;
SOUTHWESTERLY by lot containing 565 square feet more or less, on said plan, 123.5 feet;

NORTHWESTERLY by lot 29 as shown on plan made by A. C. Peters, Engineer, dated August, 1923, recorded with said Deeds, Plan Book 333 Plan 26, 62.67 feet;

NORTHEASTERLY by lot containing 7530 square feet more or less, as shown on first mentioned plan, 122.9 feet.

Subject to restrictions of record so far as the same are now in force and applicable. For reference to title see deed from Henry J. O'Meara to be recorded herewith.

TERMS OF SALE: \$1000.00 will be required at the time and place of sale to be paid in cash by the purchaser and the balance within ten days thereafter at said Registry of Deeds. Other terms to be announced at sale.

ADOLPH L. DINNER,
Assignee and present holder of said mortgage.
E. P. Finn, Attorney for mortgagee
1 Beacon Street,
Boston, Mass.
Nov. 13-20-27.

By virtue and in execution of the Power of Sale contained in a certain mortgage given by Wilfred F. Bowering to Henry J. O'Meara, dated September 2, 1924, and recorded with Middlesex South District Deeds, Book 4766 Page 356, which mortgage has been duly assigned to the undersigned, for breach of the conditions of said mortgage and for the purpose of foreclosing the same, will be sold at Public Auction on Saturday, December 5, 1925, at 9.50 o'clock A. M., on the premises hereinafter described, all and singular the premises described in said mortgage, to wit:

To wit:
"The land in said Newton, being the lot containing 730 square feet, more or less, as shown on a plan entitled "Subdivision of lots 28-30 Converse Estate Development," A. C. Peters, Engineer, dated March 1924, duly recorded with Middlesex South District Deeds, bounded and described as follows:

SOUTHEASTERLY by Concolor Avenue, 62.67 feet;
SOUTHWESTERLY by lot containing 565 square feet more or less, on said plan, 123.5 feet;

NORTHWESTERLY by lot 29 as shown on plan made by A. C. Peters, Engineer, dated August, 1923, recorded with said Deeds, Plan Book 333 Plan 26, 62.67 feet;

NORTHEASTERLY by lot containing 7530 square feet more or less, as shown on first mentioned plan, 122.9 feet.

Subject to restrictions of record so far as the same are now in force and applicable. For reference to title see deed from Henry J. O'Meara to be recorded herewith.

EDITORIAL

An old-time acquaintance wonders why we are opposed to Mayor Childs, as he notes that our streets are clean, the sidewalks safe, the schools continue to function, etc., etc. It is typical of thousands of voters in this city, who look only at results in routine work, and do not realize that it could be accomplished in an economical or in a wasteful fashion. He also does not understand that the experience of the past ten years has shown that there is no leadership in City Hall, that city officials are exceeding their authority and that there is a lack of discipline in the departments. This view of the situation is also that of President White of the board, who took substantially the same position in a recent speech at West Newton, and incidentally Mr. White has also been a strong friend of Mayor Childs.

But these are minor matters to the fact that we as a city are not preparing for the population, the traffic and the other needs of the Newton of the future. We are "doing the day's work," it is true, but not in the fashion contemplated by President Coolidge. With us, at present, the "day's work" is always in the present and not in the future tense and the serious problems to be faced in the next generation are being ignored or merely laid aside.

These are a few of our reasons for opposing the continuance in office of a Mayor, who is the prince of good fellows but a poor business executive.

We have commented favorably before on the efforts of the Good Government Club of Auburndale to inform its citizens on matters of public interest. The Club next Wednesday evening will have the various candidates for municipal office as guests and Auburndale residents at least will have some idea for whom they will vote on December 8th. The Good Government idea should be followed in every village.

We are pleased to announce that Mr. Edward H. Powers, for several years connected with the Newton Progress, is now a member of the staff of the Newton Graphic.

Y. M. C. A.

The Oldsters' Conference of Massachusetts and Rhode Island will be held in New Bedford, December 4, 5 and 6. Last year the Conference was held in Newton, and Newton boys will go to New Bedford this year in a large body.

The gathering is for young men with the purpose of finding themselves in a larger and better life. One of the big features will be the pageant, given in the High School Auditorium. Two hundred boys will be in the cast and messages from Governor Fuller of Massachusetts and Governor Pothier of Rhode Island will be read and the torch started on its way around the two states.

The banquet will be held in the State Armory with Gov. Fuller as the speaker. The boys going to the banquet will leave Friday morning. The following have already signified their intentions of going: Alan T. Shaw, president Newton H-Y Club, Leonard Clark, Ernest Hapgood, Holmes Whitmore, Malcolm Gallagher, Warren Rogers, Ralph Richardson, Edgar Kent, Richard Powers, Carlton MacCullough, Guy Holbrook, Philip Perry, Chester Pratt, Frank Spain, Wallace Johnson, William Cummings, Richard Hunt, Melville Westgate, David Livingston, Arnold Nichols, Stanley Horton, Davis Scott, John Millard, George W. Clay, Howard Stoney, John Spaulding, Alfred Pearce, W. Lee Shannon, Carlton Rodman, Kenneth Stata, John Scott and Arthur Stanfield. They will be under the leadership of Clyde G. Hess, director of Boys' Work, Newton Y. M. C. A.

Guest Day in the Boys' Division at the Y

Saturday, November 28th, will be Guest Day for the boys of the Newton Y. Each member will be allowed to bring a friend to the Gym. Swimming Pool and the game room. A Club dinner will be held and the newly organized Pioneer Groups will make reports on their club days and plans.

ALFRED A. RANDALL

Alfred A. Randall of 287a Washington street, a resident of Newton for nearly half a century, died at his late residence on Sunday. Mr. Randall was born in Newfoundland 75 years ago, and had been actively engaged in the woodworking trade up to within a few days before his death. His funeral services were conducted at his late home on Tuesday afternoon by Rev. Dr. Laurens MacLure and interment was in Evergreen Cemetery, Brighton. He is survived by a widow, two sons and one daughter.

SCHOOL NOTES

Generally
Generally

Thanksgiving Day—what different meanings it has for each and every individual! A day of rest from daily work—a day of feasting upon the season's choicest products—a day of reunions for families and friends—a day of profit in the markets—an opportunity to be thankful for present happiness—a day when lonely souls may be more lonely and happy ones may be more happy—just for another proclamation—or time for a holiday. All these it means and more, only limited by the number of persons who are within the radius of its celebration.

But in the schools a great privilege has been bestowed upon the children—the privilege of bringing from home small portions of the good things they will have for their Thanksgiving dinners—a carrot or two—a few apples—nuts—turnips or potatoes—or any other food they choose—that those who would otherwise fast may feast with them. We have seen them joyfully going to school in the last few days with bags or bundles under their arms and the vision of a center table heavily laden with their contributions, made even more bounteous by the spirit of joy which accompanied each otherwise insignificant vegetable or fruit, makes one of the most potent arguments in favor of overwhelming Thankfulness, for any who may find themselves doubtful. Where the emptiness of verbal Thank offerings would ring with a tone hard and metallic—the solidity of sharing blessings, rings ever with the note of echoing music.

It is indeed a reason for thankfulness that children are being taught the happiness of giving, for the sole idea of epicurean delight, would almost seem to mock the spiritual origin of this our Thanksgiving day.

Lasell

Students living in the vicinity invited their friends to their homes for Thanksgiving; the large number remaining enjoyed a special dinner and entertainment at the school.

The committee from the Dramatic Club having in charge the Saturday night frolic will have the advantage of the use of the new properties recently purchased for the stage.

Rev. John T. Dallas, Vicar of St. Paul's Cathedral, Boston, will be the speaker at Vespers, Sunday at four-fifteen.

The French Club will present a Christmas Legend of the "Middle Ages," at Bragdon Hall on Tuesday, December 1.

Hyde

Six rooms in the new building have no underweight children.

The following notes on attendance are interesting. The two eighth grades report no tardy marks since the opening of school. The following rooms have had only one tardy mark since the opening of school: Miss Merrill's sixth grade, Miss Green's fifth, and Miss Barnard's fourth grade.

On Wednesday morning a very good Thanksgiving Program was given in the school hall. All grades from the fourth to the eighth contributed a song, play or recitation to make it interesting.

At last week's meeting of the English Club of the eighth grade, a dramatization was presented of the first scene from Dickens' "Christmas Carol."

The eighth grades are now busy with the Christmas play. They will give a little comedy, entitled "The Return of Mother Goose."

The Current Events Club, which is a feature of the Social Science Classes, has proved most interesting in its activities this past period. The program is planned wholly by the news committee or voluntarily contributed by club members. The topics presented cover very generally the world news of the week.

Margaret Green of Miss Tabor's seventh grade is the winner of the third state prize in the competitive essay contest of the National Safety Council. There were two prizes awarded, a beautiful bronze medal and a check for five dollars.

The parents' days recently held in connection with Education Week were the most successful the school has yet had. There was an attendance of five hundred fifty-two parents in all the rooms and about three hundred fifty different visitors. Many special features added to the interest of the regular school work.

F. A. Day Junior High School

The school was entertained Wednesday morning by the Paint and Powder Club, under the direction of Miss Hackett, in a Thanksgiving play "A Little Pilgrim's Progress." Those who took part deserve high commendation; they were: Chairman Virginia Brown; Town Crier, Leo McCarthy; Dame De-clison, Suzanne Slocum; The Little Pilgrim, Mildred Dolan; Steadfast, Naida Panin; Knowledge, Elizabeth Harrington; Courage, Irene Frenault; Joyousness, Mary Wakefield; False-pride, Lillian Davis; Selfishness, Louise Horriggan; Boastfulness, Madeline Conroy; Faintheart, Eleanor Murray; Honesty, Winifred Evans; Anger, Grace Taylor.

The costumes which were so effective were made by the girls in the sewing classes, under Miss Pratt's guidance. The stage setting was done with Mr. Pohlman's help by Edward Leonard and Leo Lyon.

A Thanksgiving dinner was served to Mr. and Mrs. Carr, Mrs. Pratt, and some of the teachers. This dinner was a very successful project planned by the advanced cooking class. The table was ideally decorated for the Thanksgiving meal.

Stearns School Notes

Thanksgiving programs were given in the assembly Wednesday morning. The smaller children, who were dressed to represent pilgrims were especially

entertaining. The Kindergarten had their own program. Their exercises were followed by refreshments.

Several days ago the sixth grades listened to an interesting talk on England which was illustrated with unusually good pictures. This first hand information was given by Miss Eden, one of the sixth grade teachers.

This week every child had a thorough physical examination. The children seem to appreciate this opportunity of finding out whether or not they are in good condition.

Recently the teachers' room has been fitted out with new furniture, also a rug. Everyone enjoys it as can be judged by the number to be found in there at noon.

The Stearns School children are acquiring the habit of saving many pennies which might be spent for candy, find their way into the banking machine with the result that the school as a whole saves from forty to sixty dollars a week.

For the second school month which ended several days ago the honor of best attendance goes to Miss Lusk's second grade in the Elliot School, with a record of 98.5 per cent. Miss Parker's fifth in the Stearns came next with 98.3 per cent. Miss McLaughlin's sixth third with 97.8 per cent.

Mason District

On Wednesday morning the Rice Kindergarten children packed a barrel of vegetables to be given to the children who would otherwise have little for Thanksgiving.

Wednesday morning at nine o'clock in the Mason Hall the pupils of the third, fourth, and fifth grades held their Thanksgiving exercises; while at eleven, the sixth, seventh, and eighth listened to an interesting program given by the eighth grade.

The program follows:—
1. Flag Salute and Star Spangled Banner.
2. Poem—The First Thanksgiving—Louise Wadsworth
3. Playette, The First Thanksgiving—Room 9
4. Song—America—School
5. Playette, "Thanksgiving Memories," Room 10.
6. Song, America the Beautiful

ABOUT TOWN

(Continued from Page 1)

provide a small platform with canvas sides for Traffic Officer Ray Taffe in Nonantum square. From now on this officer has a cold, exposed spot where he must stand all day long and the efficient manner in which he performs his duty entitles him to some small measure of protection from the weather.

George Owen, Jr., may not like football, but he sure does like hockey. George stopped playing last year because of the murderous tactics indulged in by many of the so-called amateurs who took swipes at their opponents' heads rather than at the puck. But he could not resist the lure and is back in the game again. It is to be hoped that the severe injuries inflicted on several players last year will result in a cleaner game being played on the hockey rinks the coming season.

There are two former Newton boys who certainly love football. Over thirty years ago Reggie Brown and Jimmie Knox were team-mates on Newton High. They played together at Harvard. They have been actively engaged in the game ever since. For many years Knox has coached the Harvard "seconds." Reggie Brown gained fame as the theorist who evolved many of the plays which caused Harvard to be on the top of the heap during the Haughton regime. Together with Ed Brown, he has been instrumental in placing Brown in the football limelight in recent years.

"Hank" Garrity, the former Newton and Princeton back, will play professional football in Florida this winter.

MARRIED TOMORROW

The engagement of Miss Helen M. Quigley of North Chelmsford and Dr. William T. O'Halloran of Newtonville, announced several months ago, will terminate on Saturday, November 28th in their marriage at St. John's Church, North Chelmsford.

The bride-to-be is a daughter of Ex-Representative and Mrs. William J. Quigley of North Chelmsford. She is a graduate of Boston University, College of Liberal Arts, class of 1922, and has been a teacher of English in the Chelmsford High School for the past three years. Miss Quigley has been organist in St. John's Church, and is an accomplished singer.

The groom is the son of Attorney and Mrs. Edward P. O'Halloran of Newtonville. He is a graduate of Boston College, class of 1920, and of Tufts Medical School, 1924. He was President of the graduating class of Tufts Medical School. He completed internships at the Boston City Hospital, on the Pneumonia and Medical Services, Dr. O'Halloran is a member of the Massachusetts Medical Society, and has been commissioned as First Lieutenant in the Medical Reserve Corps of the U. S. A. He is now an instructor at Tufts Medical School.

DEATH OF MR. MOLL

Mr. Edward Moll died Tuesday at his home on Vernon street in Newton, following a brief illness.

Mr. Moll was born July 16, 1852 and spent practically all his life in the leather business. In 1894 he came to Boston to take charge of the local branch of the American Leather Company. He later entered in the patent leather manufacturing business for himself at Chadwick, N. Y., but came back to Boston with the National Leather Company, later joining the sales force of Proctor, Ellison & Co. He was a 32d degree Mason and a member of Channing Church. He was at one time a director of the New England Shoe & Leather Association and a member of the Boston Boot & Shoe Club. A widow survives.

Funeral services are being held this afternoon at Channing Church Chapel.

PEARLS FOR CHRISTMAS

NO gifts more perfectly express the sentiments of the season than fine pearls, and pearls from Fitch-Bryant represent the peak of quality.

POLICE BALL

A gathering that taxed the capacity of the State Armory attended the eleventh ball of the Newton Evening Benefit Association Wednesday evening. A large number of guests were present including city officials, police authorities from neighboring cities and past members of the Newton department. Beane's Orchestra gave a concert from 8 until 9 and then furnished modern jazz that delighted the throng that came to trip the light fantastic. A large sum was realized which will be devoted to the relief of policemen of this city, through their sick benefit fund.

Chief Bernard F. Burke was Floor Marshal and Thomas H. McCormick acted as Floor Director. The Assistant Floor Directors were Lieut. Edward Desmond, Sergt. Thomas Leehan and Patrolmen John Monaghan, George Kilmain, John Sheridan and Walter Jenkins. The reception committee was headed by Captain James J. Mullen and the Committee of Arrangements consisted of Thomas H. McCormick, Chairman; John J. Monaghan, Secretary; Thomas F. Leehan, Treasurer; Edward Desmond, George Kilmain, Walter Jenkins and John F. Sheridan.

HASSETT-CLARKE

Announcement is made by Mr. and Mrs. Charles Atherton Clarke of Newton of the marriage of their daughter, Margaret Colomare Clarke, to Waman Sanders Hasset of Rumford, Me. The ceremony was performed by Rev. Dr. Papperman, pastor of the Westminster Presbyterian Church in Deduct, Ill. There were no bridal attendants, as the wedding was very simple. The bride prepared at Rogers Hall, Lowell, and then became a student at Boston University. Mr. Hasset, the bridegroom, is a veteran of the World War, in which he served overseas, where he went as a private in the Twenty-Sixth Division and he later became a lieutenant in the Fourth Division, United States Army.

W. C. T. U.

The members of the West Newton Unit will meet at the home of Mrs. Sarah Hovenden, 60 Austin street on Monday evening to fill comfort bags for the sailors and lumbermen.

Newton Upper Falls

—Mr. Harry Walker of Elliot street is ill with appendicitis.

—Mrs. J. C. Donnelly and children of Worcester are visiting Mrs. John Meredith of Oak street.

—The Annual Bazaar of the M. E. Church will be held on Wednesday and Thursday of next week.

—Rev. Dr. Huntington of Newton Centre conducted the services held at the Stone Institute last Sunday afternoon.

—The Kum-a-Luc Club of the Methodist Church held a sewing meeting at the home of Ruth Doane of Cottage street.

—Newton U. F. T. T. played the Waltham Falls at Upper Falls playground last Sunday. The game ended with a tied score.

—A Union Thanksgiving service of the Methodist and Baptist Churches was held at the Methodist Church on Wednesday evening.

—Mr. Edward Murphy of Chestnut street, while riding a motorcycle in Norwood last Thursday, collided with an auto, and as a result is suffering from slight injuries. He is at the Norwood Hospital.

—The Gamewell Fire Alarm Co. gave the employees of the company a delicious Thanksgiving banquet of turkey and all its "fixins" last Monday evening at the Petite Inn. A jazz orchestra added greatly to the enjoyment of the evening.

—The Ladies' Aid Society of the Methodist Church will hold a Bazaar in Parish Hall on December 2nd and 3rd from 3 to 10 P. M. The Bazaar is to be called "The Country Fair." The Parish Hall and the numerous booths will be appropriately decorated, the latter displaying an unusual variety of articles for sale. The features for Wednesday will be the Pancake Luncheon which will be served continuously from 5 to 8 o'clock. Also many of the "Deertrack School" pupils are expected to be present during the afternoon and evening and other country friends in costume. An old-fashioned baked bean supper will be served at 6:30 P. M. on Thursday followed by a Home Talent Entertainment at 8 o'clock which will conclude the program.

—The Monday Club will meet next week with Mrs. S. W. Jones of Columbus street. Mrs. Bonner and Mrs. Woodrow will present the work.

—Union Thanksgiving Services of the village churches were held Wednesday evening at the Methodist Church. Rev. Mr. Farrar of St. Paul's Church was the preacher.

THANKSGIVING VESPER SERVICE

A capacity attendance at the Congregational Church in Newton Centre last Sunday afternoon made this signal and very fitting service a useful and elevating success. The music included a Nocturne by Chopin, the Symphony (3 movements) from Mendelssohn's Hymn of Praise, the Slow Movement from Raff's Leonora Symphony, Finlandia by Sibelius and an Elegie for harp and organ by Holy, appealingly played by Mary Clark and Edward Jacobs Smith. There were hymns, short-prayers and a brief, timely and "telling" address by the pastor, Rev. Edward McArthur Noyes. Great credit is due the Conductor of this rarely fine amateur orchestra, a full and incorporated band, for the beauty and quality of their work. The community is indeed fortunate that has so admirable an institution, so well and faithfully managed.

Mr. Maclean, (the conductor) deserves the gratitude and support of the public.

ELECTRICIAN

—Prof. Warmingham will be the speaker at the luncheon of the Church Service League of Trinity Church to be held next Monday noon.

—Miss Betty Gordon of Sumner street is home from Connecticut College for the holidays. She is entertaining one of her classmates.

—Mr. Henry L. Jewett, of the Boston Reporter Theatre, will speak at Trinity Church next Sunday evening on "Better Drama for the People."

—The Choir of Trinity church are planning an entertainment for December 4th, consisting of the one-act play, "The Sleeping Car" and "Robin Hood."

—Mr. and Mrs. G. C. Walworth of Centre street attended the Harvard and Yale game (Mr. Walworth is a 1900 Yale man). After the game Mrs. Walworth gave a dinner party.

—There will be a church supper next Sunday evening at the Unitarian church under the auspices of the Next Union. A stereoscopic lecture by Dr. D. G. Wilcox on "Marvelous Alaska" will follow.

—Miss Mary Bond arrived home for the holidays and with her were two friends, Miss Ann Steinwedell of Cleveland, Ohio, and Miss Frances McElfresh of Williamstown, Mass. All are students at Connecticut College.

—The Junior Department of the First Church Sunday school held a Thanksgiving party, under the direction of Mrs. Settle, on Tuesday afternoon. Each child brought a gift of food for the Pomeroy Home at Newton Corner. These gifts were taken over later by Mrs. Churchill and two of the children.

—Miss Margaret Williams, daughter of Mr. and Mrs. G. H. Williams, of Centre street, a Sophomore at Skidmore College, Saratoga Springs, N. Y., was a speaker in the Sophomore-Junior debate which was held on Monday evening, November 23. Miss Williams, besides her debating activities, is a member of the Senate, which is an important office.

Waban

—James Willing of Chestnut street is at home from Dartmouth for the Thanksgiving holiday.

—The Sunday School of the Union Church sent fourteen Thanksgiving dinners to deserving families in the Newtons.

—Mr. and Mrs. William Dimock of Pine Ridge road and Mr. and Mrs. James Hewins of Beacon street entertained the Cotters Club on Friday last week at the home of Mrs. Hewins. There was a turkey supper followed by an entertainment.

—The members of the Waban Woman's Club will present a play, "Only 38" by A. E. Thomas, on Monday evening, November 30, at 8 o'clock. The members of the cast are as follows: Mrs. Hector M. Holmes, Mrs. Roy A. McMullin, Mrs. H. Allen Spiller, Jr., Mrs. A. Cutler Perkins, Mrs. W. F. Lamont, Mr. George Walker, Mr. Norman Clarke, Mr. Donald Charlton, Mr. Allen Bliss.

West Newton

—The alarm from Box 323 Saturday morning was false.

—Mr. J. Henry DuClos has leased the property 15 Cross street.

—Mr. Louis R. Goulding has closed his house on Burnham road for the winter.

—Miss Evelyn Noreen, Radcliffe '28, has been awarded a Rebecca A. Greene scholarship.

—Miss Anna Burns of Yarmouth, N. S., is the guest of Mr. and Mrs. C. H. Smith of Greenough street.

—Mr. C. E. Lauriat, Jr., and Mr. Henry B. Patrick are incorporators in the recently organized firm of N. J. Bartlett & Co., Inc., of Boston.

—Mr. and Mrs. Arthur Howland of Cambridge, well-known former residents here, have announced the engagement of their daughter, Miss Margaret Howland, and Mr. Alfred Walker of New York.

—Mr. and Mrs. J. Guy Richardson have returned to their home, in Wheeling, West Virginia, after a few days' visit with Mrs. Richardson's parents, Mr. and Mrs. L. H. Johnson of 1579 Washington street.

—"Merry Christmas" Sale at the Lincoln Park Baptist Church next Wednesday afternoon. Aprons, towels, food, candy and many other useful and fancy articles for gifts will be offered by the Ladies' Aid Society of the church.

—Mr. George P. Bullard has been elected chairman of the Board of Trustees of the Eastern Massachusetts Street Railway Company. Mr. Bullard was appointed to the board in 1924 by Governor Cox to succeed Isaac C. Sprague of Wellesley. Mr. Bullard is president of the West Newton Savings Bank and has had a long business career principally in building construction, hardware and iron and steel lines. He has been president of the Expanded Metal Company, Eastern Concrete Company and Penn Metal Company. In 1901-02 he was House chairman of the legislative Committee on Railroads. He has also served in both branches of the Newton city government.

FIREMEN KEPT ON JUMP

Friday afternoon the Newton Fire department was kept on the jump when two alarms from boxes on opposite sides of the city were rung in within a few minutes of each other. Box 86 at Boston College was rung in first about one o'clock. A tar kettle on the roof of the new library building caught fire, causing great clouds of smoke to envelope the building. The blaze was extinguished without damage to the rest of the structure.

While the firemen were fighting the blaze in Chestnut Hill Box 247 which is on the Stearns School in Nonantum, four miles away sounded. This alarm required all the other apparatus in the city to respond and necessitated the covering of Newton stations by neighboring cities. The alarm from Box 247 was for a fire in a pile of rubbish in the rear of Athenaeum Hall on Dalby street, Nonantum, and was quickly extinguished without damage.

MR. SECORD DEAD

Mr. Gilead H. Secord died at his home, 121 Newtonville avenue, Sunday after a brief illness. Mr. Secord was born in Apohaqui, New Brunswick, 76 years ago and had lived in this city nearly forty years. Funeral services were held at his late residence on Wednesday afternoon, Nov. 25, at 2 P. M., in the Unitarian Church, Rev. Mr. Merrill, Jr., pastor of Immanuel Baptist Church, of which he was a member, officiating. Interment was at Watertown. He is survived by a widow, two daughters, Alice M. and Edna O., and three sons, Harold W. N., of Newton, and Beverly J. and Dr. Walter N. Secord, both of Watertown.

HOLD WHIST FOR SEMINARY

Wednesday evening a Whist and Forty-five Party was held in the hall of the Nonantum A. A. on Dalby street in aid of the Jesuit novitiate at Lenox. The committee in charge included Mrs. John Murphy, Mrs. Joseph Keane, Miss Marie Murphy, Miss Katherine Donovan, Raymond Dupuis, William Eustis, Charles Fagan, James Murphy Joseph Murphy and Paul Thomas.

Auburndale

—Advertisement.

—Mr. Harry B. Leussing is closing his house on Ionia street for the winter.

—Mr. L. C. Jones and family are moving this week to their new house, 11 Maple road.

—Mr. and Mrs. Jesse Leonard of Commonwealth avenue are entertaining guests from Brockton over the holiday.

—Mr. and Mrs. E. J. Frost of Central street entertained at dinner on Thanksgiving day at the Brae Burn Club.

—Miss Edith Frost of Central street is at home from Smith College and is entertaining at dinner on Saturday evening.

—Mrs. George F. Nudd of Central street is spending the week-end at Marion as the guest of Mr. and Mrs. George A. Bacon.

—Dr. C. P. Hutchinson and W. F. Hadlock spent the week-end at the summer home of Mr. Herbert E. Smith on Lake Winnepesaukee.

—The Union service for Thanksgiving was held Wednesday evening in the Church of the Messiah. Rev. Percival M. Wood was the speaker.

—There will be another of those enjoyable baked bean suppers tomorrow night at the Auburndale Club to be followed by cards, bowling and dancing.

—Extensive preparations are being made for the annual fair and supper of the Church of the Messiah, to be held in the church parlors and chapel on Saturday afternoon and evening, Dec. 5th.

SLIGHT ACCIDENT

Traffic in Newton Corner was halted for some time last Friday morning on the Middlesex & Boston Street Railway as a result of a collision between a Nonantum bound crosstown car and a truck owned by the Riverside Sand and Gravel Company. The street car had just reached Centre place when the truck loaded with gravel, crossed the track, from Washington street to turn into Centre Pl. The tailboard of the truck caught in the right front door of the street car and ripped off the entire front of the car. The few passengers on the street car left by the rear door. No injuries were reported.

LODGES

The annual Memorial Service of the order of Elks will be held this year on Sunday, December 6th, at the Community Theatre.

Wednesday evening, Nov. 18, Waban Lodge and Sumner P. Lawrence Rebekah Lodge, I. O. O. F., had a most successful box party and dance. A bag of King Arthur flour was presented to the lady bringing the best box. After an hour's dancing the boxes were auctioned off. Chas. F. Dow acted as auctioneer. Some of the boxes brought fabulous prices, but when they retired to the banquet hall, even those paid the highest prices found that after all they got their money's worth. After the refreshments were taken care of, the dance went on until midnight.

"TRINITY CHOIR SCHOLARSHIP"

On Friday evening, December 4, the choir of Trinity Church, Newton Centre, will give an entertainment for the benefit of the Choir Scholarship Fund. A one act play by William Dean Howells, "The Sleeping Car" will be presented, and a short arrangement of "Robin Hood," with old English folk songs and dances.

The entertainment is under the direction of Leland A. Arnold, choir-master; the folk dances are in charge of Mrs. Hazel Sands Welch; and the costumes, of Miss Thelma Louise Bishop.

WOMEN'S CLUBS

Edited by EMMA D. COOLIDGE

Our Federation Paper

Don't you hear the ring of pride with which that title is written? With enthusiasm gathering unto itself like a snowball, with telephones ringing, and letters arriving, and meetings being held, there come reports on all sides of delightful plans for "features," write-ups, and news of committees for obtaining ads and subscriptions that prove beyond all question that OUR FEDERATION PAPER of the 11th of December is to be a splendid success! It is to be a success as a memorial to the work of our Federation, and of the fine women who have worked so faithfully and inspiringly from year to year since the Federation's formation, and it is to be a success financially in adding to that much-needed fund for philanthropic purposes!

It is amazing to watch unfold the ideas of nimble wits for the write-ups.

There will be features of accomplishments, of plans, of prominent women who have been recognized in other club officerships, and of talented members—singers, musicians, lecturers, writers—that all may see the calibre and ability of their personnel.

There will be wit and humor, reminiscences, outstanding events and programs—think back yourself on some program that has stood out—perhaps for years—as a most inspiring one or so chuckling of wit and fun that you smile even now in recollection—and how the enjoyment or new understanding of the fine character of some fellow member has endeared her to you through some such program or chairmanship report!

That Federation Paper will have many things that will amaze and surprise—and stand as a history for many years to come!

As for the subscription end of it, to descend to more mundane things, and to the practical side of this affair, there is pleasure in the thought that for every subscription obtained we receive double reward—the gift we bestow upon the club woman—or other neighbor—who has not realized all she has missed in not taking this account of her community's fine doings, club, civic, and homey—and the gifts that this money is to make us, as a Federation four thousand strong, able to bestow to bring joy to many struggling, worthwhile causes, and to bring a ray of sunshine into many sad hearts. Far be it from any of us to become so engrossed with the literary side of this edition that we overlook the possibilities for helpful service to our own associate organizations, and to others that look to the women for encouragement and support! Let us turn our efforts as much to this field, as to that of recording our work!

Pondering upon our responsibilities, awakening anew to realization of what our organization has accomplished, and still further aims to accomplish, we may well at this time, among all the things for which we may be grateful, be thankful for this opportunity to bring forward our club and to broaden its service, given us so generously by the Editor of the Graphic. We should thank him for recognizing the status of the Women's Clubs, for respecting them, and for desiring to aid them in their aims and in their charities. His is a tribute to us as an organization that we should recognize, in our turn, with heartfelt appreciation.

Open Meeting

Presidents of the Federated Clubs, Chairmen, especially of Home Economics, Delegates, and ALL INTERESTED MEMBERS, are CALLED to an OPEN MEETING of the Department of the American Home, by Mrs. George M. Hayden, Chairman, for Monday evening, the 30th, at 7:45 o'clock at 12 Austin Street, Newtonville (headquarters of the Welfare Bureau). Mrs. Burnham, the General Federation Chairman, is to present for consideration certain plans, and it is IMPORTANT that PRESIDENTS, and CHAIRMEN be PRESENT to register their opinion on these plans, in order that the Newton Federation may know the wishes of their delegates and act accordingly.

State Federation

For the following splendid notes on what was contributed by the State Chairman, at the Springfield meeting, which your editor was unable to attend, she is—and you are—indebted to Mrs. Florence G. Morse, who took the pains and interest to jot down these very worthwhile statements from a vast supply of material. Her excellent taste in choosing is self-evident. For information on the reports of Mrs. Poole, Mrs. Potter, and the speakers of the program, we are under obligation to the State Press Chairman, Miss Alice Gwendoline Albee, who showed her fine spirit of friendship and co-operation in supplying this excellent résumé.

A few echoes from the meeting at Springfield on the 13th:

About 1,000 delegates attended. Mayor Fordin C. Parker greeted the delegates on behalf of the City, and possibly of all he said this will be longest remembered: A man who visited a phenologist was told that he had a large bump of industry on his

head, and the man retorted: "That's not a bump of industry, but a bump of a woman's club." Facetious as this sounds there is here a truth that should be studied—and that is why your editor repeats it—for surely industry in all worthwhile endeavors is the mark of the woman's club, so that the Mayor's words that will live longest are after all not nearly so full of levity as first appears.

In proof of this bump of industry, were the many inspiring messages of Chairmen and of the New England and West Baden Conferences. The Legislative Chairman, Mrs. Culbert, asked all citizens to make a study of the Constitution, and to read the three following books: "The American Government, Kent's Great Game of Politics, The Constitution of the U. S., Today, Yesterday, and Tomorrow." She asked, too, that we STUDY old age pensions, and the veterans' preference. A significant statement was made, also, by Mrs. Kingman Brown, President of the Springfield Women's Club, in her address of welcome: "We especially welcome association with you (the State Federation) in the program of your legislative department, recommending as it does, more bills for study, fewer for endorsement."

Social and Industrial Relations made this startling statement: "Study and look into the crimes in this country. In America the home has ceased to function. There is great need for more police women."

Literature announced a list of good books, and asked that clubwomen get that list. She asked, too, that we place the names of all good books before the Clerk, and wage warfare against distasteful magazines, always using care in our methods, of course.

Music asked for a Memory Contest in the schools. By playing good music on the victrolas children would learn the names of our beautiful compositions, and never forget them, when they heard them played, so no longer suffering as many do today by not being able to say what a certain "piece" is, although we have heard it again and again and loved it.

Community Service. "Get interested in Bill Board Control. Write to Mr. Burton and tell him your club is interested in this good work to beautify the landscape. Patronize GOOD films, so co-operating with moving picture managers that are trying to give the best. Preach that good citizenship is bigger than partisanship."

Junior Membership. Gives impetus to a club. Let these young people choose their line of work. "You will see they understand!" Two resolutions were adopted by the Federation. One on the salute to the flag by placing the hand upon the heart, rather than by the usual military salute, and by changing, the words of the pledge of allegiance so that it includes "Of the United States," so that it reads, "I pledge allegiance to the flag of the United States, and to the Republic, etc." It follows the lead of the General Federation. A resolution upon the death of Miss Whittier, a former State President, was the second.

Mrs. Poole, reporting upon the conference at West Baden, told of five days' endurance test for the clubwomen, with the temperature averaging 105 degrees. "The poor we have always with you," she said, "and we can paraphrase that a bit and say 'Headquarters we have always with us.' The report of the committee for raising the \$50,000 Maintenance Fund showed only a bare beginning made, with Massachusetts ranking next to California in money given. Appeals for contributions were made and \$3,800 was pledged from the floor."

"Twenty-two resolutions were adopted at West Baden. The Council again expressed its belief in the Child Labor Amendment." The most spirited debate of the convention, for the first time in history caused a minority report to be made. On a question of policy in such a case it was decided by Mrs. Sherman that majority vote bound the Federation to work for it, EXCEPT that where delegates from clubs had registered disapproval at the time of the discussion they were not bound to work for it, and, of course, the rights of individuals to work for or against a measure were questioned.

"The convention re-affirmed belief in a uniform marriage and divorce law, considered favorably the new Education Bill, demanded entrance into the World Court, pledged to work for the protection of American institutions from attack within or without, favored the appointment of police-women, favored clean newspapers, and adopted Mrs. Sherman's 'creed of peace.'"

The new policy of direct membership in the General Federation showed forty-four more clubs in Massachusetts brought in by Mrs. Poole, which was especially complimented by Mrs. Reynolds.

Mrs. Arthur D. Potter gave a masterly report of the New England Conference at Poland Springs, and filled with a wealth of humor that was a delight. Speaking of the hours of day and night crammed with business, she said: "Into the wee small hours we forecasted what was coming and told what was past. The Conference reminds one of what a foreign visitor said about our country, 'America offers you everything except SLEEP.'"

The Department of the American Home, and its allied subject, Mothercraft, seemed to be the most stressed at the Poland Springs meeting.

Mrs. Potter's most humorous bit was her tribute to Mrs. Poole, who is to have charge of arranging the program at Atlantic City next June, at the Biennial, which will keep the members off the Board Walk and on the Pier. Mrs. Poole is at that time also coming up for election as secretary for the General Federation. "With the grand old Atlantic Ocean rolling outside, and Mrs. Poole rolling off the program inside, what more could we ask? Some of you may think it unfair to put a little Poole in competition with the Atlantic Ocean. The Atlantic Ocean will find it is up

against something more than a Pier this time and we know the little Poole will win." She hoped, too, that the clubs would have Grace to Poole the voters for her election as Secretary.

Miss Albee sums up in this way: Oswald Ryan brought us a stirring message on being an American, doing our part in the world's affairs, being for peace without being a pacifist, and AT THE END OF THE HOUR WE WERE READY FOR MORE! We had a glorious organ recital on that magnificent organ—a fine luncheon—and we all went home mentally, physically, and spiritually very much impressed!

Needham Conference

The New Century Club of Needham had the honor of entertaining the Twelfth District on Friday last, when the State Federation held a conference. Your editor is indebted to the kindness and courtesy of a report upon the doings of that day from Miss Carolyn J. Peck, of Wellesley Hills, the Press Chairman of the 12th district, and she has picked from this excellent report a few of the "high lights," which may be of interest to the clubwomen of Newton, so many of whom were unable to attend that all day conference.

Mrs. Joseph J. Congdon, the District Director, quite appropriately opened the meeting, and once more stressed the friendliness which characterizes club relations. She spoke of our district as a friendly one, the towns of which were related by blood as well as friendship, since Wellesley and the Newtons were so closely connected in the early days.

Mrs. Leslie B. Cutler gave a three-fold greeting, as Chairman of the Needham Board of Selectmen, as Legislative Chairman, and as Mother of a Small Boy. She pleaded for increased interest in politics which makes our roads, and builds our drains, and carries on the life of the community. An outstanding sentence of hers was: "If you leave out the spiritual, the home, the family, the community, and most of all, the child, we suffer."

The Americanization Chairman, Mrs. Benjamin D. May, summed up her department: "Americanization is for all of us. Work among foreign born is useless unless we set them the proper example." "Talking Americanization is of no use unless you live it," she quoted from Mrs. Winter. These are words that deserve some pondering.

Sometimes we are fretted by problems that arise in our clubs, and differences of opinions, but Mrs. May comforted us by this humorous remark: "Clubs are comfortably sleeping when they say they have no problem."

Mrs. Harry A. Burnham stressed a new "three R's": Religion—religious education in the family; Rhythm—a sense of values, by which the question is settled as to the mother being an immaculate housekeeper, to the neglect of her children; and Risibility—a sense of humor, which includes laughing with your children, and the advice to the young girl of choosing a man who laughs at the same things she does, as a livable companion.

She also asked co-operation with the Division of Markets at the State House, whose leaflets would help solve the buying problem. A quarter and your name given to Mrs. Burnham will send this leaflet for twelve weeks or more.

As to the survey of home equipment, the results of which are to be presented to Congress, Mrs. Burnham's hope is that this will result in bringing the long-needed and long-ignored help to the weary woman on the farm, who, in spite of her almost numberless duties, is listed by the Census as "HOUSEWIFE, NO OCCUPATION!"

On the third Thursday of every month Mrs. Burnham has a column in the Christian Science Monitor which she tries to make helpful to the mother. This will be of interest to our club mothers.

Mrs. May Dickinson Kimball gave an amusing account of her difficulties at Hollywood in preparing the Mothercraft Film.

In the afternoon, Mrs. Paul A. Peters brought inspiration in suggestions or the Ex-Servicemen—gifts of magazines, squares of linen, plants and cut flowers, old silk stockings for use in weaving, and especially of the Christmas Community Stocking which is sent to every Massachusetts Boy in a hospital, no matter where he is. Her plea to "COME AND HELP PACK THESE ON DECEMBER 9TH AT THE VETERANS' BUREAU" should bring many from Newton for this good work.

The Art Chairman, Mrs. Frank H. Stewart, gave a new idea, and one that ought to make some of the clubwomen realize that they may do good with some bit of decoration that possibly they have tired of—or never did like—and it is to be hoped that some of these "white elephants" will start once upon the journey of doing good: "Give to your schools any good piece of art you can spare. CHILDREN GET TIRED OF DRAWING FROM THE SAME CASTS AND VASES." (Strange we haven't thought of that before, and given them some new models!)

Mrs. Carl Schrader urged that the imagination of the child be cultivated and his taste for good reading, by telling him or reading to him, a story every night. This she advocated as one method of combating the lurid and disgusting that is to be found upon the news stands.

Letters read from certain department heads by Miss Peck included the Press, in which Miss Albee congratulated the Twelfth District as being the first to report this year as one hundred per cent Press Chairmen in the clubs.

The Civil Service Department, Miss Marion Nichols, Chairman, called attention to the need of supporting pending Federal Legislation, by which Presidential Postmasters and Prohibition Enforcement Agents should be taken from political appointments and placed under Civil Service. "It is equally important to stop the practise of evading the Civil Service Law

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the Power of Sale contained in a certain mortgage given by Wilfred P. Bowering to Henry J. O'Meara, dated September 2, 1924, and recorded with Middlesex South District Deeds, Book 4768 Page 269, which mortgage has been duly assigned to the undersigned, for breach of the conditions of said mortgage and for the purpose of foreclosing the same, I, the undersigned, do hereby sell, convey and transfer to the purchaser, at Public Auction on Saturday, December 5, 1925, at 9:30 o'clock A. M., on the premises hereinafter described, all and singular the premises described in said mortgage:

To wit:
"The land in said Newton, being the lot containing 9056 square feet, more or less, as shown on a plan entitled 'Subdivision of lots 28-30 Converse Estate Development', A. C. Peters, Engineer, dated March, 1924, duly recorded with Middlesex South District Deeds, Book 4768 Page 269, and described as follows: SOUTHEASTERLY by Concolor Avenue, 62.50 feet;

SOUTHWESTERLY by lot 31 as shown on a plan made by A. C. Peters, Engineer, dated August, 1923, recorded with said Deeds, Plan Book 333 Plan 26, 178.98 feet;

NORTHWESTERLY by land of owners unknown, 34.06 feet;

NORTHEASTERLY by lot 29 as shown on said last mentioned plan, 48.50 feet;

NORTHWESTERLY again by said lot 29, 14.66 feet;

NORTHEASTERLY again by lot containing 7530 square feet, more or less, as shown on first mentioned plan, 123.8 feet. Subject to restrictions of record, so far as the same are now force and applicable. For reference to title see deed from Henry J. O'Meara to be recorded herewith."

Terms of Sale: \$1000.00 will be required at the time and place of sale to be paid in cash by the purchaser and the balance within ten days thereafter at said Registry of Deeds. Other terms to be announced at the sale.

ADOLPH I. DINNEN,
Assignee and present holder of said mortgage.
E. P. Finn, Attorney for mortgagee.
1 Beacon St., Room 902,

The same finish

used on 25 leading
automobiles available
for Your car

1 Stripping the car

2 Removing old paint

3 Applying surfaces and putty glaze

4 Spraying Duco

5 Rubbing and polishing

DUOCO, the finish developed by the du Pont Company, has so proved its unusual durability and beauty, that it has been adopted by twenty-five leading car manufacturers. It is the first time that any one product has been adopted by such a large group—covering every price class.

This same Duco is available for refinishing your car—applied by the same du Pont system used in the large factories.

- 1 Fenders, tires, bumpers, etc., are removed; all glass and upholstery protected.
- 2 The old finish is painstakingly removed leaving chemically clean, bare metal.
- 3 A smooth surface (filling dents, scratches, file marks, etc.) is secured with a number of coats of primer, putty glaze, sanding surfacer, etc.
- 4 Several coats of Duco are sprayed on by carefully trained experts.
- 5 The Duco is rubbed smooth—to be finished either dull, satin gloss or polished.

The result is a finish which is water-proof, weatherproof, wearproof—one which will remain attractive indefinitely.

Bring in your car now and we will deliver it to you "good looking as new" in about ten days.

Let us put Duco on your car now!

CARPENTER—ST. AMANT

The ceremony uniting in marriage Miss Hope Douglas St. Amant, daughter of Mr. and Mrs. George W. St. Amant of Auburndale and Mr. Thomas Sanders Carpenter, Jr., son of Mr. and Mrs. Thomas S. Carpenter of Attleboro, took place in the Church of the Messiah, Auburndale, at half after seven, Saturday evening, November twenty-first, Reverend Percival M. Wood, rector of the Church, was the officiating clergyman. Mr. Raymond Sikes, organist of the Church, presided at the organ.

The Church was decorated with palms, white chrysanthemums and smilax, and on every third pew was a bracket holding five candles making a most artistic background as the bridal party walked down the aisle.

The bride gown was of cream velvet fashioned in the style of the Dolly Madison period. The veil of exquisite old Irish limerick lace, a family heirloom, with its border of cream velvet, fell to the end of the train and was caught with orange blossoms. The bridal bouquet was of lilies of the valley and gardenias.

Mr. St. Amant gave his daughter in marriage and she was attended by her sister, Miss Ruth D. St. Amant, as maid of honor. Other bridal attendants were: Miss Dorothy Carpenter of New York, sister of the bridegroom; Miss Isadore Leighton Luce of Portsmouth, New Hampshire; Miss Alice Decker of New York; Miss Margaret Tent of Falmouth; Miss Isabel Thayer of Auburndale and Miss Comfort Vegely of St. Louis.

The maid of honor was attired in orchid chiffon and wore a velvet hat of darker shade and carried a bouquet of yellow Pernet roses and violets. The bridesmaids were gowned alike in chiffon of thistle shade with large velvet hats of the same color. Their arm bouquets, all alike, were of butterfly roses, baviardia and pink pom-pom chrysanthemums.

Mr. Carpenter had Mr. James Tent of Framingham for his best man and the ushers were Messrs. Carl Davis of Framingham, Ole Wicander of New York, Sherman Conant of Boston, Russell Conant of Attleboro, William M. Morgan, Jr., of West Newton, and George W. St. Amant, Jr., of Auburndale.

A largely attended reception after the ceremony was held at the Brae Burn Country Club. Mr. and Mrs. Carpenter were assisted in receiving their many friends by Mr. and Mrs. St. Amant, Mr. and Mrs. T. S. Carpenter and all the bridal party. The decorations were of pink roses, white chrysanthemums and ferns.

The groom is a graduate of Dartmouth College and the bride a graduate of Smith College.

After a wedding trip Mr. and Mrs. Carpenter will reside in Crescent City, Florida.

WEST NEWTON COMMUNITY CENTRE

"The results already achieved in the West Newton Community Centre have been very encouraging," said Hattie-mae Austen, director of the work, when speaking recently to a large group of women.

Miss Austen came to West Newton last April, and since that time has organized eleven clubs in which are enrolled 175 paid members. Each club has a name, officers, and conducts its business meeting in parliamentary style. The activities are educational and recreational and include lectures, handicraft, dressmaking, aesthetic and folk dancing, story telling, manual training and games and sports of all kinds. Five part-time workers assist the director, making it possible for Italians, Americans and colored folk to enjoy recreation alike.

The activities for the week are as follows:

Monday, Nov. 30, 3.30—"Young Club"; president, Frank Costello. 3.30—"Golden Rule"; president, Catherine Vasile. 7.30—"Senior Live Wires"; president, Alfred Chiacchia.

Tuesday, Dec. 1, 7.30—"Cheer Club"; president, Dorothy Weeks. Wednesday, Dec. 2, 3.30—"Whiting Club"; president, James McAdams. 3.30—"Wide Awake"; president, Mary Burke. 8.00—"Moulton Club"; president, Mrs. Hattie Gadsden.

Thursday, Dec. 3, 2.00—"Go Ahead Club"; president, Windell Holiston. 3.00—"Narcissus Club"; president, Elizabeth Chiacchia. 8.00—"Carry On Club"; president, Adeline Chiacchia.

Friday, Dec. 4, 8.00—"Glee Club"; director, Miss Alice Morton.

THE EDITOR'S TEN COMMANDMENTS

I. Love God and do your stunt.
II. Have a policy and stand by it.
III. Fear nobody and tell the truth.
IV. Be positive, not negative; be for, not against.
V. Like people as much as you like ideas.

VI. Espouse every great cause, and be swift.
VII. Keep your temper, especially under fire.
VIII. Place human values first, always.

IX. Take critics (and yourself) not too seriously.
X. Perfect your technique. Dr. Diffenbach.

LODGES

There will be an informal dance for Masons and their friends in Temple Hall on December 5th.

Easy Lessons in AUCTION BRIDGE
New Series by **WYNNE FERGUSON**
Author of "Ferguson on Auction Bridge"
Copyright 1925 by Hoyle, Jr.

ARTICLE No. 8

In what way does the expert differ from any other auction player? Has he more imagination, more courage, more resourcefulness, more originality? What particular quality makes him stand out among his fellows? If there is anything that we don't understand we usually subject it to a close examination and analysis so let's do the same with the expert. Let us place him under the microscope and let his lens magnify his tactics. Let us observe and analyze his bidding and play.

The following hand is illustrative of the writer's contention that in the language of sport, the expert "has everything."

Hand No. 1

Y :
A B :
Z :

Hearts—A, 10, 9, 7
Clubs—Q
Diamonds—A, K, 10, 5
Spades—K, Q, 8, 7

No score, rubber game. The expert, Z, dealt and bid one diamond, a perfect example of the four card suit bias in preference to the no-trump. The singleton club is a danger spot in no-trump because a good player with a set up club suit and the lead would pass the no-trump. In this particular hand, A had a six card club suit and his partner the ace of spades so that a no-trump bid by North would have failed to make the contract by one trick. Z, however, possessed the first requisite of the expert, good judgment, so bid one diamond. A passed and Y bid two diamonds to give his partner another chance to bid. B passed and Z now had to do a little thinking. Y's bid of two diamonds indicated a willingness on his part to have Z bid another suit. This suit could be either clubs, hearts or spades. The

expert figured that his partner would not bid two diamonds merely to obtain a club bid from him because it is just as difficult to go game at clubs as in diamonds. There would be nothing to gain by such tactics so Y must be prepared for a heart or spade bid. Z, therefore, bid two spades. A passed and Y bid three diamonds. B passed and Z was now certain that Y was hoping for a heart bid so bid three hearts with the greatest assurance in the world. All passed. Y's hand was as follows:

Hearts—K, 8, 6, 4
Clubs—J, 10, 9, 8, 7, 6
Diamonds—Q, J, 9, 7, 2
Spades—6, 4

At hearts Z made four odd, losing only one heart, one club and one spade trick. At diamonds, the result would have been the same so the expert's imagination and clear analysis of his partner's bidding gave him a game not otherwise possible. How many players would have bid this hand like the expert?

The foregoing hand was not selected as unusual but only as representative of the margin of superiority that the expert has over the average player. To excel at auction, as in any other game, the expert must "have everything." He must be able to do the right thing at the right time and it is this quality that is most strongly evident in the hand given. It may seem easy and the expert's play and bidding the natural thing to do but how many players could honestly say that in actual play they would have done the same? If they can, they are in the class of the expert. If not, they still have something to which to look forward. We cannot all be experts but we can all improve our game by analyzing the expert's methods and profiting thereby. Put the expert "Under the lens" at every opportunity and you cannot help but benefit. Another example will be given in a later article.

Answer to Problem No. 5

Hearts—3
Clubs—A, 6, 5, 4
Diamonds—Q, 10
Spades—9, 7, 2

Hearts—Q, 8, 7, 6
Clubs—K
Diamonds—none
Spades—10, 8, 6, 4, 3

Hearts—K, J, 9, 5
Clubs—Q, J, 7, 3
Diamonds—none
Spades—A, Q

Hearts—none
Clubs—10, 9, 8, 2
Diamonds—Q, 9, 8, 7
Spades—K, J

There are no trumps and Z is in the lead. How can YZ win nine of the ten tricks against any defense? The correct lead by Z is the seven of clubs. Y should win the trick with the ace and B should play the eight. Y should now lead the deuce of spades. Z should win the trick with the queen and lead the ace. Z should now lead three rounds of clubs. A's best discards are first a spade and then hearts. B's best play is to force Y in the lead on the fourth round of clubs. He can do this by playing his high clubs and keeping the deuce for the fourth club trick. If B allows himself to take this club trick he must lead diamonds up to Y's hand. A will be forced to discard to his disadvantage and YZ will easily win the balance of the tricks. Work out this ending. In this connec-

tion note that unless the seven of clubs is led at trick one, B can keep Z in the lead at trick seven and therefore force him to give A a heart and two spade tricks. B's best play, therefore, is to force Y in the lead at the seventh trick. Y should now play the queen of diamonds. Z should discard a heart but what can A discard? If he discards a spade, Y should lead a spade and thus force A to lead up to Z's king jack of hearts. If A discards a heart, Y should lead the trey of hearts and Z will make both, that is, the lead of the seven of clubs at trick one enables YZ to make all but one trick against any defense. Note this problem carefully and play out all of the variations.

CITY OF NEWTON FORESTRY DIVISION Street Dept.

Notice to Property Owners

You are hereby required on or before November 30th, 1925, to destroy the gypsy and brown-tail moths on your property in this City.

This notification is in accordance with Chapter 381, Acts of 1905, and the amendments hereto, which require cities and towns to destroy the eggs, caterpillars, pupae and nests of the gypsy and brown-tail moths under heavy penalty for failure to comply with the provisions of the law.

If a property owner fails to destroy such eggs, pupae and nests, then the city or town is required to destroy the same, and the cost of the work, in whole or in part, according to the value of the land, is assessed upon and becomes a lien on the land. (See Sections 6, of said Chapter 381, and amendments thereto.)

The City Will Perform All Winter Moth Work Unless Otherwise Notified by Property Owners. Full instructions as to the best methods of work against the moths may be obtained from the Forestry Division, City Hall, or from the State Forester, State House, Boston, Mass.

Work done by contractors should be inspected and approved by the Local Superintendent before payment for same is made.

JAMES F. MURPHY,
Superintendent of Forestry Division.
This notice is issued by order of
EDWIN O. CHILDS, Mayor.

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the Power of Sale contained in a certain mortgage given by Warren H. Peirce to Charles H. Swan dated June 14th, A. D. 1923 and recorded with Middlesex South District Registry of Deeds, Book 4626, Page 515, of which mortgage the undersigned is the present holder, for breach of the conditions of said mortgage and for the purpose of foreclosing the same and singular the premises described in said mortgage, to wit:

"The land in said Newton called Newton Highlands, within the bounds of the same, bounded and described as follows:—Beginning at a point in the Southerly line of Audubon River Aqueduct at land now or late of Catherine Foley and thence running Southerly by said aqueduct one hundred and thirty (120) feet more or less to a proposed street to be called an extension of Berwick Road, thence running Easterly by a curve line forming the northerly line of said street ninety (90) feet more or less to a stake; thence running Northerly by a straight line by land now or late of Wallace C. Hubbard one hundred and thirteen (113) feet more or less to the Sudbury River aqueduct at said land now or late of Catherine Foley at point of beginning. Containing about 5781 square feet.

Together with all existing rights of way and easements and the like appurtenant to the granted premises over said Sudbury River Aqueduct and together with the right of way for all purposes over said extension of Berwick Road.

Reference for title is made to a deed by Walter A. Upham to said grantor, Charles H. Swan, dated June 14th, 1923, and to a prior mortgage held by the Newton Trust Co. of \$4500. to be recorded herewith. Two hundred dollars will be required to be paid in cash by the purchaser, at the time and place of sale, and the balance in twenty days. Other terms and conditions to be announced at the time and place of sale.

CHARLES H. SWAN,
Present holder of said mortgage.
For further information apply to
Harry L. French, Esq.,
680 Main St.,
Waltham, Mass.
Atty. for mortgagee.
Nov. 13-20-27.

Commonwealth of Massachusetts. Probate Court.

To the heirs-at-law, next of kin and all other persons interested in the estate of

Margaret Emory, deceased.

Whereas, a certain instrument purporting to be the last will and testament of said deceased has been presented to said Court, for Probate, by Susan J. Beale who prays that letters testamentary may be issued to her, the executrix therein named, without giving a surety on her official bond, and whereas, on the seventh day of December, A. D. 1925, at ten o'clock in the forenoon, a copy of this citation to all known persons interested in the estate, fourteen days at least before said Court, was published in the Newton Graphic, a newspaper published in Newton, in the year one thousand nine hundred and twenty-five.

And said petitioner is hereby directed to give public notice thereof, by publishing this citation once in each week, for three successive weeks, in the Newton Graphic, a newspaper published in Newton, in the year one thousand nine hundred and twenty-five, on the eighth day of December, A. D. 1925, at ten o'clock in the forenoon, to show cause, if any you have, why the same should not be granted.

And said petitioner is hereby directed to give public notice thereof, by publishing this citation once in each week, for three successive weeks, in the Newton Graphic, a newspaper published in Newton, in the year one thousand nine hundred and twenty-five, on the eighth day of December, A. D. 1925, at ten o'clock in the forenoon, to show cause, if any you have, why the same should not be granted.

And said executrix is ordered to serve this citation by delivering a copy thereof to all persons interested in the estate fourteen days at least before said Court, or by publishing the same once in each week, for three successive weeks, in the Newton Graphic, a newspaper published in Newton, in the year one thousand nine hundred and twenty-five, on the eighth day of December, A. MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the Power of Sale contained in a certain mortgage given by Wilfred P. Bowring to Adolph I. Finer and E. Philip Flinn, dated April 25, and recorded with Middlesex South District Registry of Deeds, Book 431, Page 116, of which the undersigned are the present holders, for breach of the conditions of said mortgage and for the purpose of foreclosing the same, will be sold at public auction on Saturday, December 5, 1925, at 9.30 o'clock A. M., on the premises hereinafter described, all and singular the premises described in said mortgage:

To wit:

A certain parcel of land with the buildings thereon situated in Newton, County of Middlesex, and being shown as lot 21-A on plan dated January 1, 1924, and shown as lot 25, and recorded with Middlesex South District Registry of Deeds, Book 431, Page 116, of which the undersigned are the present holders, for breach of the conditions of said mortgage and for the purpose of foreclosing the same, will be sold at public auction on Saturday, December 5, 1925, at 9.30 o'clock A. M., on the premises hereinafter described, all and singular the premises described in said mortgage:

To wit:

NORTHERLY by lots 25 and 26 on said plan, 50.00 feet;
Westerly by lot 22-A on said plan, 126.37 feet and
SOUTHERLY by Converse Avenue, 50 feet;
Containing according to said plan, 16.0 square feet.
Being a portion of the same premises conveyed to me by deed of Henry J. O'Meara, subject to restriction in the estate of John Q. A. Whittemore.

Said premises are also conveyed subject to a mortgage to the Boston Penny Savings Bank for \$15,000, dated October 8, 1924.

TERMS OF SALE: \$1000.00 will be required at the time and place of sale to be paid in cash by the purchaser, and the balance within ten days thereafter at said registry of Deeds. Other terms to be announced at the sale.

Beacon Street, Boston, Mass.
Nov. 13-29-27.

Commonwealth of Massachusetts, Probate Court, ss. To all persons interested in the estate of John Q. A. Whittemore.

Whereas, Charles Elizabeth Harrison and Louis M. Hannum, the trustees under a will of said deceased, have presented a petition to the Probate Court in the County of Middlesex, without giving a surety on his bond.

You are hereby cited to appear at a Probate Court to be held at Cambridge in said county of Middlesex, on the fourteenth day of December A. D. 1925, at ten o'clock in the forenoon, to show cause, if any you have, why the same should not be allowed.

And said trustees are ordered to serve a citation by delivering a copy thereof to all persons interested in the estate of said deceased, and by mailing, postage paid, a copy of this citation to all known persons interested in the estate seven days before said court.

Witness, John C. Leggat, Esquire, First Judge of said Court, this sixth day of November in the year one thousand nine hundred and twenty-five.

LORING P. JORDAN, Register.
Nov. 13-29-27.

Commonwealth of Massachusetts, Probate Court, ss. To all persons interested in the estate of Francis H. Curry.

Whereas a petition has been presented to said Court to grant a letter of administration on the estate of said deceased to Arthur M. Curry of Newton in the County of Middlesex, without giving a surety on his bond.

You are hereby cited to appear at a Probate Court to be held at Cambridge in said county of Middlesex, on the fourteenth day of December A. D. 1925, at ten o'clock in the forenoon, to show cause, if any you have, why the same should not be granted.

And the petitioner is hereby directed to give public notice thereof, by publishing a citation once in each week, for three successive weeks, in the Newton Graphic, a newspaper published in Newton the last publication to be one day, at least, before said court.

Witness, John C. Leggat, Esquire, First Judge of said Court, this nineteenth day of November in the year one thousand nine hundred and twenty-five.

LORING P. JORDAN, Register.
Nov. 27-Dec. 4-11.

through appointing no clerks or stenographers, but only Deputy Collectors, in the U. S. Bureau of Internal Revenue, which carries on the Nation's business of collecting between two and three billions of dollars a year." (We recommend this to the attention of the newly-appointed Revenue Collector, in the person of a Newton man.)

The Music Department, of which Mrs. Drayton is Chairman, stresses these seedlings, decide the finest families from which you may make your choice; in fact, give all tree-planting helps." She gave much of splendid fact that it is unfortunate that not be brought forward in full, but her final information that the Forestry Association is bringing forward a new bill relative to purchase and development of State Forests gives us something to watch for this year. Also she left this message, which rings true to your Legislative Chairman who recalls how she tried to awaken Legislators last year to the need for licensing the vendors of Christmas decorations, so to stop the thieving and ruining of tops and laurel and could not make them see that the bill brought in would aid the lawful sellers of Christmas decorations. "Until Massachusetts (until, indeed!) secures legislation, controlling protection of laurel, holly and ground pine, we must insist that these beautiful plants be not sacrificed at Christmas time for decorations. Urge their non-use through your local papers." (We gladly obey!)

RECENT EVENTS

Auburndale Review Club

From beginning to end, business meeting and all, the program of the Review Club was interesting on Tuesday, November 17th. The particular interest of the business meeting was Mrs. Stephen Wright's report of the Federation meeting at Springfield—the address on universal peace and the approved salute to the "flag of the United States of America."

The general topic of the morning was "Connecticut," and from Mrs. Richard Walter much was learned about many of the noted men of the State, not all natives, but those whose names and works have redounded to the credit of Connecticut, such as Thomas Hooker, who with his company settled Hartford; Michael Wigglesworth, clergyman, physician, and author of the well known poem, "The Day of Doom," Thomas Gallaudet, founder of the first

Unpack your winter clothing; look it over. Don't be discouraged by its appearance. You will be surprised how many of last year's things will be as good as ever after they have been properly dry cleaned.

478 BOYLSTON STREET, BOSTON, MASS.

DYEING-CLEANING Auto Service

school in the world for deaf mutes, Noah Webster of dictionary fame and who assisted in founding Amherst College; Eleazar Wheelock, from whose school started in his own home and largely attended by Indian boys, Dartmouth College was the outgrowth; Ethan Allen, Nathan Hale, Eli Whitney, Israel Putnam, and others.

Several of the old, noteworthy and beautiful towns, of which Connecticut has many, were described by Mrs. George Knapp. It is a noticeable fact that the names of these towns are in no way traceable to the "mother country" or to royalty, but are often of Dutch or native origin, such as Farmington (w), originally a settlement of farms, and Hartford, a ford where the deer used to come to drink, etc.

In Farmington are four of the twelve overhanging houses in existence, and Miss Porter's school, established many years ago, still brings popularity to the town.

Winsor, the first permanent English settlement in Connecticut is the home of many Hartford business men and is the centre of the tobacco industry of the state.

In the last paper, "The Connecticut River from Source to Sea" Mrs. Edward Frost, the hostess, took her listeners in imagination to a "movie" theatre and vividly pictured several scenes, accompanied with appropriate music by Mrs. W. J. Spaulding.

The first scene pictured what, in Indian language is "The Smile of God," the Connecticut valley, with a description of its boundaries.

Another picture portrayed the origin of the lower valley with its conation of volcanic rock still bearing the tracks of extinct birds. Another was a picture of the ancient Indian inhabitants of the valley, to whom the whites owe their first knowledge of its beauty and fertility. And last came a vivid portrayal of the broad marshes through which the river runs into the sea, and closed with this fitting verse.—

From that lone lake, the sweetest of the chain

That links the mountain to the mighty main

Fresh from the rock and swelling by the tree

Fair, noble, glorious river, in thy wave

The sunniest slope and sweetest pastures lave.

The mountain torrent with its wintry roar

Springs from its home and leaps upon the shore.

Newton Centre Woman's Club

Mrs. John Bergeson, the Art Chairman, besides attractive plans in her division for the coming days, also reports that the classes in Furniture Painting and Decorating have been having great fun, and really accomplishing much—incidentally—under the instruction of Mrs. Ethel Caldwell. This class became so popular that the committee was obliged to form two classes, which of course they did not regret!

Another announcement of hers is that on Friday the 13th, club members had a delightful talk on Sargent's Paintings, at the Boston Art Museum. In spite of the stormy morning, nineteen out of twenty-five of the class were present to enjoy it.

West Newton Women's Educational Club

"The Occupation of the Land of Promise," by Mrs. Guy C. Holbrook, and "Dramatic Elements of the Old Testament," by Mrs. John R. McLean, were the two papers given at the Travel Class on Monday, November 23. The roll call was responded to by quotations from the books of Joshua and Judges.

During the social hour delicious refreshments were served by the hostess, Mrs. Arthur H. Holmberg.

COMING EVENTS

Monday Club

"Japan" is to be the interesting topic of the Monday Club of Newton Highlands on the afternoon of November 30th. There are whispers that there may be shimmering silks and waving fans, and other fascinating equipment of the dress of these peoples, which should make the discussion led by Mrs. Adra Bonser a reality, as well as appealing to the imagination. Mrs. S. W. Jones opens her home at 49 Columbus street for this program.

Waban Woman's Club

On Monday evening, November 30th, at 8 o'clock, in place of the regular meeting, the members of the Waban Woman's Club will present a play entitled "Only 38," by A. E. Thomas. The mere announcement of dramatics by fellow members is intriguing enough, but when the play chosen is one of Thomas' that magic name will be evidence enough of a pleasurable evening planned. The cast will be made up of Mrs. Hector M. Holmes, Mrs. Roy A. McMullin, Mrs. H. Allan Spiller, Jr., Mrs. G. Cutter Perkins, Mrs. W. F. Lamont, Mr. George Walker, Mr. Norman Clarke, Mr. Donald Charlton, and Mr. Allen Bliss.

Newton Highlands C. L. S. C.

The meeting of the C. L. S. C., November 30th will be a "Sargent Pilgrimage" to the Boston Art Museum. Members will meet at the Museum at 11 a. m. and 1.30 p. m. Mrs. G. F. Hardy and Miss Cora Cobb will be the doctents for the day.

Auburndale Review Club

"Rhode Island" is to be the story visited and enjoyed at the home of Mrs. J. Wycliffe Spaulding, of Wolcott street, on the 1st day of December, by the members of the Auburndale Review Club. Mrs. Harold T. Dougherty will describe "An Auto Trip Through Rhode Island," after which modern method of travel and speedy covering of ground, Mrs. J. F. Rider will whisk the minds of her hearers back to the days of "Roger Williams," and Mrs. Franklin E. Leland will match this energetic gentleman—whose doings in those days before the invention of mo-

tor vehicles were quite as swift in their purpose and accomplishment as even this up-to-date method of transportation—in the history of the "mother of suffrage," in heart and deed, if not in actual fact, that high-spirited, courageous lady, Anne Hutchinson.

Newton Highlands Woman's Club

An innovation is being tried this year by the Dramatic Committee of the Newton Highlands Woman's Club, which is presenting professional talent on the date assigned to Dramatics, instead of following the time-honored custom of producing an amateur offering. By the change, those who in the past have been called upon to give so much of their time and energy to weeks of rehearsals and the endless details connected therewith, are now freed to devote more time to other work of the committee, a respite much appreciated.

Tuesday evening, December 1st, is the date assigned for the annual dramatics and at that time, "The Cotter's Saturday Night," a musical comedy based on Robert Burns' poem of that title is to be presented by a company of Scottish players in Lincoln Hall.

Mrs. William A. Camp, chairman of the Dramatic Committee, reports that practically all of the tickets for the evening have been taken, which assures a full house when the curtain is rung up on the first act. Those assisting Mrs. Camp in furthering the success of the evening are Mrs. Harry B. Bradford, Mrs. C. D. Miller, Mrs. J. E. Peakes, Mrs. A. G. Prescott, Mrs. H. H. Skelton, Mrs. J. B. Studley, and Mrs. Ralph E. Whitney.

Contrary to usual custom, only one evening will be assigned to dramatics this year. In the past the demand has been so great from families to see "their sisters, cousins and aunts" before the footlights, that a second performance has been necessary to accommodate the number, and the tax upon the strength of the sponsors has thus been doubled.

Newtonville Woman's Club

The most unusual list of speakers heard in the city of Newton for a long time is announced for the meeting of the Newtonville Woman's Club for Tuesday, Dr. Ellen F. Pendleton, president of Wellesley College; Sara Cone Bryant, author of children's books; Dr. William Harmon Van Allen, rector of the Church of the Advent; Mr. Edward E. Whiting, editor of Whiting's column; Mr. Nathan Haskell Dole, author and lecturer; Wellington Wells, president of the Massachusetts Senate. These distinguished speakers will have much to bring us out of their rich experiences.

The Program Committee, Mrs. L. H. How, Chairman, is to be greatly commended for having brought together such an assemblage of talent and ability. Tea will be served; hostesses, Mrs. John C. Moench, and Mrs. Rennie B. Lake. An exhibition of suitable holiday books will be given through the courtesy of the Newtonville Branch Library.

A collection will be taken for the Children's Christmas party. To appreciate the value of the woman's club in this tree, which will gladden the hearts of the little children, the committee working for this object. The Needlework Guild has contributed. The Committee, Mrs. Bion Weatherhead, Chairman, has been meeting every Monday and children's woolen frocks have been made from materials new and old which have been donated, every scrap skillfully utilized. Outgrown shoes in good condition have been given and still more would be gladly received by the committee. Every one will want to have some share in this tree, which will gladden the hearts of the little brothers and sisters in our community whom it is our privilege to entertain, and it will provide them with warm clothing in which they can go to school suitably clad. The collection taken on Tuesday will give to every one this opportunity.

Mrs. H. R. Bankart, in behalf of the Volunteer Service, is asking for wool that may be used in making afghans. Any who may have some to contribute are asked to take it to Mrs. Bankart or to telephone her and she will call for it.

Chocolate dipping, glacé fruits and other accomplishments in candy making will be taught in the coming lessons, the next one December 3rd.

The advanced French class promises an instructive and practical course, half of the hour being devoted to contemporary French authors, beginning with Daudet and the remainder of the time to conversation on every-day topics.

The class in Posture and Weight Normalizing will start on Thursday, December 3rd at 10.30 a. m., at Central Congregational church. Telephone for further information to Newton North 3106-J.

Miss Mary L. Rolfe, Chairman of the Christmas Seal drive, has started the campaign. The seals will not be sold by school children this year.

The next meeting of the Hospital Committee has been postponed until December 10, when it will meet with Mrs. J. E. Hicks of 101 Highland avenue.

Community Service Club of West Newton

The Community Service Club of West Newton has its first December meeting in the Parish House of the Unitarian Church on Wednesday, the 2nd, at 2.30 p. m. Mr. J. C. Conick will give an interesting lecture on "Stained Glass." Members may bring friends. Guest tickets are fifty cents each.

Social Science Club

The Social Science Club will hold its regular monthly business meeting

on Wednesday, December 2nd, at 10 o'clock. Every well-regulated household and big business enterprise has its days for recreation, and its days for budget planning, etc., and this club has solved its problem happily in having set aside for its business planning the quite approved date of the first of the month, in a meeting in which all club members learn of its business affairs, and the other Wednesdays of the month are given to recreation and cultural or educational in club papers.

Newton Community Club

Mrs. Ida Porter-Boyer will give the second of the series of six Current Events Lectures in the Underwood School Hall on Thursday, December 3rd, at two-thirty o'clock. Tickets may be procured from Miss Margaret H. Aubin.

Mr. Fred Payne Clatworthy will entertain the Club with his illustrated lecture on "The Four Seasons in the Rocky Mountains" on Thursday, December 10th, in the Underwood School Hall at two-thirty. Mr. Clatworthy has specialized in color photography and there are no finer pictures produced than his, and they are often reproduced in the Geographic and other leading magazines. Guests are invited to attend this meeting at the usual guest fee. This will be the only meeting in the month of December.

Newton Centre Woman's Club

The business affairs of the Newton Centre Club also come in for their practical attention at the first meeting of the month, December 3rd, at 2 P. M. After the regular business meeting, Literature takes possession of the program in an attention-provoking presentation by Ben Ames Williams on "Lard and Letters." Mrs. E. Ray Speare is Chairman of the Literature Committee. Tea will be served after the meeting.

Allied with Literature is that attractive study Art, and another enterprising and capable Chairman makes the timely choice of beginning on this date an exhibition of Arts and Crafts by Master Craftsmen, and of Miniatures by Eleanor Mason, in the Art Room of the Newton Centre Woman's Club House. This treat is not to endure for a day only, but the Art Chairman, Mrs. John Bergeson, has wisely arranged for a week's opportunity to view these interesting and worthwhile creations. From December 3rd to the 10th, inclusive, from 2 to 5 P. M. daily except Sunday this exhibit may be viewed.

Dates of Next Meetings

November 30, Waban Woman's Club.
November 30, Monday Club of Newton Highlands.

November 30, C. L. S. C. of Newton Highlands. (Boston Museum)
December 1, Auburndale Review Club.

December 1, Newton Highlands Woman's Club.
December 1, Newtonville Woman's Club.

December 2, Social Service Club.
December 2, West Newton Community Service Club.

December 3, Newton Centre Woman's Club.
December 3, Newton Community Club.

December 5, Newton Highlands Shakespeare Club.
December 7, Newton Upper Falls Woman's Club.

December 7, Christian Era Study Club.
December 9, Boston Woman's Civics Club.

December 8, Auburndale Woman's Club.
December 11, West Newton Women's Educational Club.

CHURCH BAZAAR

For a Christmas display of interest one should visit the Bazaar given by the ladies of the Newtonville Methodist Episcopal Church all day Wednesday, December 2nd, and the afternoon of Thursday, December 3rd. Tea will be served in the afternoon and a collection Wednesday evening.

Mrs. Robert Spencer and Mrs. Frank E. Morris are in charge. Mrs. W. D. Hanley is chairman of the decoration committee and Miss Carolyn Gilman is manager of the tea room. The following ladies have booths: Mrs. H. E. Dupuy, dolls and toys; Mrs. A. A. Alexander, bags and baskets; Mrs. W. J. Lowstuter, candy; Mrs. G. W. Taylor, handkerchiefs; Miss Minnie McClellan, mystery parcels; Mrs. George G. Jenkins, fancy work; Mrs. E. P. Rallsback, flowers; Mrs. E. F. Pillman, jellies, jams and pickles; Miss Mary E. Harris, palmistry; Mrs. J. C. Atkinson, bread and rolls; Mrs. G. B. Cameron, pies, cakes and crullers; Mrs. J. W. Showler, domestic articles. "The Old Peabody Bed" by Kate Douglas Wiggin will be given Wednesday evening by the young people of the Immanuel Baptist Church, Newton. Much of the New England costume is from a very fine collection of such articles, not often on exhibition, making the play of unusual interest.

THE CAMP FIRE GIRLS

The Chesapeake group of Camp Fire Girls of Newtonville met at Mrs. Walter R. Storer's home on Wildwood avenue for their weekly meeting which was presided over by Lois G. Potter. A hike was arranged for Friday, November 27, and the destination is the Fellsway.

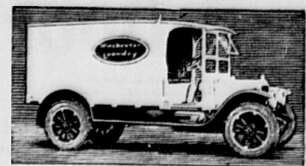

The group on Saturday, November 21, attended "Abe's Irish Rose" at the Castle Square Theatre.

The last ceremonial meeting was held Friday evening, November 6, Marion H. Welt, working towards her torch-bearer's rank, acted as assistant guardian at this monthly Council Fire.

NEWTON W. C. T. U.

The Newton Woman's Christian Temperance Union will hold the next regular meeting at the home of Mrs. William F. Raye, 9 Lake avenue, Newton Centre, on Thursday, December 3, at 2.30 P. M.

Miss E. Grace Higgins of the New England Peabody Home for Crippled Children will present a program demonstrating the work carried on for the children, eight of whom will take part. Hostess, Mrs. W. F. Raye.

FLAT AND FLUF DRY SERVICE

All household linen washed and ironed; all family apparel washed, dried—but not ironed. Does it all but a little ironing. Very economical.
